HIGHLIGHTS OF WORLD NEWS

A censure of the unemployed to find out just how many there are, to cooperate with the state and national administration's senatorial advisors.

Sharp earthquakes were felt at several points in California Monday, setting some of the buildings to sway and plaster to crack.

At the annual New Year's Day diplomatic reception in Rindellburg Palace, the British Ambassador to Hitler said that peace is the will of the whole German nation.

The government at Washington has poured out some $1,000,000,000 in the drive to aid the distressed by providing cash, goods or jobs during the twelve months which ended December 31. Of this total was $20,000.

Upwards of 35,000 persons were killed and 100,000 injured in 1934, the greatest price this country has ever paid in lives from transportation on the highways, 1933's total was 20,000.

Rumors of threats to blow up Gatun Locks sweep the Panama Canal. The reports were based on a note which, when read on the telephone, caused some to believe that more extensive were being taken to guard the area. The rumors were officially denied.

Before an estimated throng of 50,000 enthusiastic spectators at the Pasadena Rose Bowl New Year's Day, the University of California football team defeated Leeland Stanford, champion of the West, 29-13.

The tax of 3 cents on each bank check for the year of 1936, imposed by the government 30 months ago, expired on Dec. 31 at midnight, and all indications are that Congress will renew it. This levy yielded the government an average of $4,000,000 per month.

The French ministry of posts, telegraphy and telephones announced last week that beginning January 1, 1936, all licences will not be included in French radio broadcasting programs, to answer protest of radio owners who objected to paying a tax on their radio sets and then listening to advertisements.

President Roosevelt in a letter to the National Association of Manufacturers expressed opposition to the strong congressional movement for foisting a tax on the business, contending the obligation is not due until 1945, would provide $1,000,000,000. All experience has shown full payment would not result in much stimulus in business.

Dear Editor:

Back after again a grand vacation. Season was good to me and I am sure that he was also good to all of you. The only trouble with a vacation is that it is over. The past ten days was the shortest time that I can remember. I had just started to write a letter and read all my book reports and just naturally I was not sure of course I never did get far behind but I just wanted to be sure of the A's at the end of the first impression the teacher has of you. I must say that your grades just practically shown in advance of the grade that you are now making. In your work I will be sure to help you in as much as I can and be proud of your grades as I was of yours.

Did any of you think of making any New Year's Resolutions this year? I did. If you don't think

The Annual Program is to get this year was my report card. It came just in time to hang on the wall of all the students. I am just a friendly suggestion from another student.

It is good to see all my friends back again and countless other members of our class, and they all are big and prosperous year.

This is the last year of the old Calhoun College. The school grew to an extent that another house was necessary. The court house was moved to Anniston and the court gave the old court house to the Normal School. The school continued to grow and another house had to be provided. Dr. Dauplaise, Mr. C. D. Jordan and Mr. J. J. Arnold were instrumental in getting an appropriation of money for rebuilding Old Calhoun College which is the building

The school continued to grow by leaps and bounds. In 1914 a beautiful dormitory was built for girls. Just as it was ready for occupancy it burned and the dormitory was rebuilt. In 1921-22 a modern $175,000.00 training school, one of the finest small colleges but is almost impos-

The dormitory in the future will be some additional buildings by the year 1920. The dormitory is modern in all respects and will accommodate 90 girls. It cost $75,000.00 and it is named C. W. Dauplaise Hall.

This building has been erected to house all the buildings for the next twenty years or so. The building is beautiful and all the doors are of such design that they could be saved in the event of a fire. The building is modern in all respects and will accommodate 90 girls. Some of our injured basket ball players came back from the holidays having made up for a few nights sleep lost. However most of them have been back in school long enough to get over the holiday-s and are going great. Just to prove that they could take it Bagwell made up and grand tour over the Geddes "T".

The basket ball boys have been practicing quite industriously the last few weeks in order to get the "may" of the holidays worked out and now they are coming around rapidly. As a team bounces one of the most versatile players seen here in several years, and the players have played several games already this season and each time has shown up better than any previous time. The College seems fair to have the best team that has ever had for several seasons so let's all get out and root for our team.

"Tm so sore" has been so often heard the last few days that everyone is getting to look upon it as a sort of new type slang until it was found out that it was literallly true. Miss Selcears has had her classes conquer a numbing and it seems as if she was runnig by time to task. Anyhow many of the Plays, Ed. students are firmly convinced that the life of a see-e-wae is at least quite strenuous.

The air has begun to be full of rumors and conjectures flying around as to the prospects for the J. T. C. basketball teams. There has been some few who have been busy checking up on prospects and it seems as if they have unarrived several first rate players. So if we get busy now and begin to pull for our team and talk up its prospects it stands to reason that we should have a good year in basketball.

The "simile" class has been having quite an unusual time trying to perform their gymnastics after the oaks and cedars of the vandem. Many have been the gossips and as such we went about "simile -ing" up. But by now most of them are through the most agitating period and only and tight and memories to remember the holidays by.

The Right Start

As we start out in a new school year our hopes are full of vigor and enthusiasm and we are making plans for the year. Surely there is an opportunity here for us to do more than ever in the school paper. The Teacola is our paper and it is our responsibility to write the best it can. How can we make our paper better? We can start by writing more and better articles for it. We dare say that there has never been a student here for four months who did not feel like writing something, and if we write and our contributions is accepted we should like for our people to see what we have written, so we can have the paper sent home. Since the paper is given to us, why should we not give a year's subscription our of our money? A box for contributions will be put in the supply store. Anything that you would like to put in the news can be dropped into that box. If your first article finds that waste basket, don't be discouraged, it was with the great writers of yesterday.

A survey indicates that the legislatures of forty-one states, which meet this month to tap new tax resources for financing unemployment relief, will give major consideration to sales tax proposals.

Miss Shirley Temple

A marriage of much interest to many friends of Miss Shirley Temple on the 26th day of December, 1931, in the presence of Miss Gladys Faddean, was the marriage of Donal P. Culp, of Clinton.

The ceremony was performed in the living room of the bride's home, which was beautifully decorated with flowers and streamers. The marriage vows were read by the Rev. Parks Patterson, rector of the Hokes Bluff Baptist Church.

For the ceremony, the bride was dressed in a beautiful blue triple tiered crepe with matching accessories. She is the eldest daughter of Mr. and Mrs. A. C. Culp. She was graduated from Gadsden High School and attended the State Teachers College, Jacksonville. For the past two years she has been teaching in the Ewell Normal School.

Mr. Culp is a graduate of Jacksonville High School and of the State Teachers College at Jacksonville. He is teaching in the Childrey Normal School.

After the ceremony dinner was served to many relatives and friends. Following a brief wedding trip, Mr. and Mrs. Culp will return to their teaching duties.

We Wonder Why

Mary Frances Geer and "Pal" Blakney forgot to get off the train Monday morning at Muscle Shoals. Willie Belle Baker got half way to Jacksonville then decided to go back home.

Anna Walker Parrish failed to make it back that night. Buckner is always ready to give us the merited news. Edwin Bruner practically took Wednesday off.

Lucille Wills was so hard to find Thursday night.

The dormitory girls didn't go to the show New Year's night.

Just Smile

Just smile
A smiling mightly blue
Just smile
And joy comes back to you.
When your faith may be low,
Just smile
Just when your heart has no ring.
But don't close your eyes
Hope will dawn a brighter day.
If you just smile.
Just when you're not sure what to do,
Just smile
Just when your old ones may turn you down.
Just smile
When life defeats and wins the battle.
You "may be down but never out"
If you just SMILE. - P. T.

PERFECT ATTENDANCE

The following third grade children were neither absent nor tardy for the entire month: Mary Eliza- Beth Lane, Frances O'Donnell, Benn- ington, Elnor K. V. Haywood, James Epperson, Margaret Casey, Lesty Lemon, Dempsey.

The three best accounts of the Christmas party written by the children:

CHRISTMAS PARTY

The party was held in the gym, Dec. 31, 1914. Mrs. McCollom gave the party. At the party we had oranges, apples, and nuts and sandwiches and sanwiches. The teacher fixed the party while we were in the school room. We sang some songs. Mary Elizabeth Lane told a story about Santa Claus. We ate some fruit and our Christmas tree.

We had a good time at the party.

Adriana Holliday

THIRD GRADE PARTY

The third grade gives a Christmas party. At the party we had oranges and apples and nuts and cake and candy. There were about fifty people at the party. There was some candy left and we gave it to Joe. We had a Christmas tree. There were some nuts and some candy and lots of things.

Janet Wood

PARTY

Last Friday the third grade had a party. We had apples, oranges, peanuts, and candy, and that was all we had.

We had a little bit left and we gave it to Joe. We had some sandwiches and some cakes. We had some tangerines and we sang songs. We had a good time at the party.

Mary Elizabeth Lane

REPORT CARDS RETURNED

The children in Miss Bush's class made great effort to get report cards, since no onerous card exercise was brought back the day after the party. For two years a card is a big card in this room has been lost or misplaced.

Donald Romaine and Bill Bevan have been neither absent nor tardy for one month.

Myrtle Cofield was promoted to the fourth grade and Mary Elizabeth McClellan and Frank Casey were promoted to the sixth grade December 10, 1914.
