Many teachers are finding it necessary to renew their certifi- cates this year, who have not had this done during the past several years.
A. C. Shelton, Director of Extension states that those who wish renewal of certificates on the basis of three years' experience should send a $2.00 fee with the old certificate and the credit will be entered on your account. **Soft Ball Gets Under Way**

By Steele and Barnes

The intra-mural soft-ball leagues’ schedule opened Thursday afternoon with the fall season, three teams of the western division getting off to an auspicious start. The final score was number one team 3 to 1. The official time of the game was 35 minutes (page Mr. Bisley). The game must be a record. Both teams played air-tight ball with number three showing an edge in the pitcher.

In the other game of Thursday morning number one of the eastern division won over the number three team. This defeat came in spite of the constant chatter and wonderful pitching of Butler. The support furnished Butler was erratic and spotty. John Baker’s hitting was the bright spot for number one. The final score was number one, 18; number three, 0.

Monday afternoon the western division saw the class of the league, the high-scoring number three team; spot the number two team six runs and came from behind in a dazzling burst of base hits to beat them 8 to 6. Manager Eden Hill starred for the two’s by hitting two home runs and driving in his team’s six runs. The entire team played good ball.

**WOMEN’S GLEE CLUB PRESENTS CONCERT**

The Women’s Glee Club, under the direction of Miss Ada Curtiss, presented its Fall Musical concert Thursday evening, May 21, at eight o’clock in Kilby Hall. The program included a number of chorales, a solo by Mrs. Lorraine Tingle Porch, a piano duet by Miss Curtiss and Miss Helen Estaley, a trio by Mrs. Porch, Miss Curtiss and Linda Mae Wilkins, and the operetta, “Cynthia’s Strategy.” Those playing parts in the operetta were Boardman and Linda Mae Wilkins and Miss Lydia Estaley.

The following are members of the Glee Club:

Second Blythe: Ruth Burgess, Berne McCrae, Helen Bishop, Audrey Mae Penton, Impoene Sprague, Margaret Golden, Gayda Taskerly, and Bobby Dawson.

Also: Betty Hyatt, Louise Howie, Wilda Taylor, Malhie Hopson, Valletta Owen, Claire Mae Nash, and Beth KL.

Accompanist: Miss Helen Easley.

Mr. and Mrs. A. L. Mountain and Mr. and Mrs. Wayne Macklock and Evelyn Whitmire spent the week-end in Chattanooga.

**THE HIGH COST OF DATING**

The average date about town seems to cost a high price more than one of the dorm dates. In town, the cost begins with a pack of cigarettes—two with some dates—costing from 16 to 20 cents. The coupled pet can’t resist a bit of pop-corn before going to the show, which adds some 10 cents. Popcorn is a notorious sugar maker, which adds another dime. A brace of doughnuts, as boys know to their sorrow, costs exactly twice as much as one, or 50 cents. During the show, at least 5 cents worth of chewing gum should be produced. After the show your date asks for a “hamburger bug,” because most girls order a couple of sandwiches at 15 cents per; add your own inexpensive burger and a pair of dopes and enter another item of 30 cents (If you’re lucky enough the bugger-otherwise). Then, if you have a town girl who can ride about, if the girl WILL ride around, and if a friend comes around with something TO ride around IN, add at least 50 cents for a gasoline thing. We’ll concede that any further liquid refreshments will consist of nothing more than coca-cola for the party of four, with perhaps some potatoes and two or three bags, bringing another item to 50. You go home eventually, and while you wonder what you are going to pay your room-rent, you find yourself up a column something like this:

And this:

Pocket: .10
Drinks: .10
Tickets: .50
