

## EAGLE-OWLS FACE MARION TODAY

### DISTRICT PLAY DAY HERE OCTOBER 23

To Include Section 2 of District Six: Calhoun, Cleburne, Cherokee, Etowah, St. Clair and Randolph counties.

Following a custom of six years J. S. T. C. will hold a play day for high school girls Saturday, October 23. This will be one of seventeen high school girls play days in Alabama in October promoted by the Alabama High School Athletic Association.

The Jacksonville area will include Section 2 of District Six, (Calhoun, Cleburne, Cherokee, Etowah, St. Clair and Randolph counties). All Junior and Senior high schools whether accredited or unaccredited and whether members of the state high school athletic association or not, are invited.

Those using the Point System are asked to send all girls eligible by it. Those not using the Point System are asked to send eight girls, four Jr. I and Jr. II, and four Jr. III and Senior High. All principals and teachers of girls Health and Physical Education, county and city superintendents and supervisors, public health nurses and doctors, and special recreational workers are invited.

Every girl should bring a play suit and tennis shoes, a towel and a wrap.

Each person attending is asked to pay twenty cents for lunch. Each school represented is required to pay the Alabama High School Athletic Association a registration fee of \$1.50. This is put in a special fund for expenses of girls activities.

The College Women's Athletic Association assisted by the women teachers of Health and Physical Education, Miss Minnie Sellers and Mrs. Palmer Talbot, will direct the girls program of the day. The Section 2 District VI Women's Committee will be in charge of the part of the day for teachers and principals only. Members of this committee are Miss Bill Nichols of Jacksonville High; Miss Mary Edith Spiegel of St. Clair County high at Odenville, and Mrs. Ruth Stephens of Etowah County high at Attalla.

HAROLYN FRANKLIN

Miss Harolyn Franklin, a senior from Samsom, Alabama, is editor in-chief of the Teacola this year. Miss Franklin has been a member of the Teacola staff for three years and is thoroughly versed in the journalistic field. She is also secretary-treasurer of the senior class.

### Mrs. Kirkpatrick Passes Away at Columbus, Ga.

News reached here early this week of the sudden death of Mrs. Kirkpatrick, mother of Mrs. Gladys Vickery, a former Jacksonville student. Mrs. Kirkpatrick lived on the college campus last year and had many friends in Jacksonville. The Teacola wishes to express the sincere sympathy of the entire student body to the bereaved family.

### Dr. Daugette Tells Axis Club of J.S.T.C. Record

About one-sixth of all the teachers in Alabama's public schools got all or part of their training at Jacksonville State Teachers' College, Dr. C. W. Daugette, president, told members of the Anniston Axis Club at its luncheon meeting Tuesday, in response to their invitation to him to address the club on the contribution Jacksonville and the college have made to education in Alabama. He was introduced by Mrs. J. C. Moore, Axis president, who presided.

Dr. Daugette, recalling that more than 40,000 teachers have been trained in the institution, also pointed out that 11 county superintendents of education in Alabama were Jacksonville alumni, and pointed to other educational leaders in Alabama who received training at Jacksonville. The institution was founded in 1883.

Speaking of contributions to education and educational leadership in the immediate vicinity of the college, Dr. Daugette said 95 per cent of the teachers of Calhoun County were alumni of Jacksonville. He also cited Superintendent T. J. Allen, of Calhoun and Anniston, and City Superintendent C. C. Moseley, of Anniston, as graduates of Jacksonville, leaders in affairs of neighboring communities.

#### Leaders in Education

Dr. Clarence Hixon, head of political science and history department at Tulane University, noted writer, also Dr. Olen Reynolds, head of the chemistry department of Northwestern University, Chicago; Dr. Frank Glazner, of Jacksonville's faculty; Dr. H. C. Pannell and John C. Forney, of the University of Alabama's faculty, were educational leaders pointed to by Dr. Daugette in citing the college's aid to education.

The college's assets are now more than a million dollars. When founded in 1883, its assets were only \$16,000, Dr. Daugette declared.

Other notable contributions of the town of Jacksonville to the leadership of the state were made by U. S. Senator John T. Morgan, Judge W. B. Bowling, circuit judge of Lafayette, former Congressman, C. W. Daugette, Jr.; Fred Gurley, tax collector of Calhoun and five Forneys whose distinguished record in the Confederate army was second only to that of the Lee family, Dr. Daugette said.

The Forneys who so distinguished themselves in the Confederate ranks and in the state were Major-General John H. Forney, Brigadier-General W. H. Forney, congressman for 18 years from this district; Lt.-Col Peter Forney; Major George Forney and Captain Joe Forney, Dr. Daugette recalled.

Interesting historical bits about the town pointed out by Dr. Daugette were the naming of the town in honor of General Andrew Jackson, because he camped at the Big Spring, source of the town's water supply, during his campaign to subdue the Alabama Indians in 1813-14, and that the town grew from a village called Drayton, which was founded about two miles from the present site of the town.

### KICK-OFF SET FOR LOCAL FIELD AT 2:30

MALCOLM STREET

Malcolm Street, Gadsden junior is serving on the Teacola in the capacity of managing editor. He has been connected with newspaper work for several years. Street is president of the Junior Class and spoke on the Calhoun debating team last year.

### Junior Class Elects Officers

The Junior Class of 1937-38 has elected as its president, Malcolm Street, of Gadsden, according to sources emanating from the latest class meeting. In a "toss the coin" run-off, Emmet Plunkett, of Douglas was selected vice-president over R. P. Steed and Pete Mathews. The trio finished in a dead heat on the first ballot. Miss Mary Lee Green, talented Ashland Miss was elected sec-treasurer. Henry Lee Greer was re-named to the responsible post of Junior representative on the Undergraduate Social Committee. Azelle Carter was named reporter by acclamation.

In taking the post as president of the class, Mr. Street is being elevated from the vice-presidential chair which he held last year. He has been for the past two years, a leader in student activities and is expected to make a popular leader for the Jolly Juniors.

### Rats To Parade In Game Friday

In compliance with a custom of long standing at the college, all freshmen will be required to wear their clothes inside out and backwards and must don rat caps, at the Jacksonville-Marion football game Friday and at classes throughout the day. Every freshman in school will be required to attend the game also. Cooperation by the first-year students will make the stunt a hilarious one. Those who fail to comply with the request will face dire consequences, according to reliable sources.

#### SEEING IS BELIEVING

"Lend me \$5, old man. I promise you, on the word of a gentleman to pay it back tomorrow." "Bring the gentleman around and let me see him."—Montreal Star.

Kickoff Slated For 2:30 On Local Field. Game Rated As Tossup By Observers.

The Jacksonville State Teachers College football team will play its opening game of the home season this afternoon on the college gridiron. The Pedagogues will clash with the powerful Marion Institute Cadets in a battle royal beginning at 2:30. One of the record crowds in Jacksonville sporting history is expected to be on hand for the tussle. The teachers are smarting from a defeat Friday night at the hands of the Blue Raiders of Middle Tennessee and will be in a revengeful mood against the cagey Cadets. Marion will bring the best eleven in the history of the institution here today. The Marion team has beaten the Birmingham-Southern Frosh and the Troy Red Wave by convincing scores already this season and will be gunning for its third straight victory. Coaches Shotts and Dillon announced this morning that all the Owls are in fine fettle for the kickoff except "Swede" Machen, giant tackle, who is favoring an injured ankle and who will possibly be held out of the fracas.

Jacksonville is going into the game in a confident frame of mind, but there is no evidence of the over-confidence that pervaded the camp last year when the underdog Cadets fought the cocky locals to a 20-20 tie in Marion. The teachers realize that they are in for a grueling battle and they are loaded for bear. The game this afternoon will be one of the two times that local fans will get to see the Owls in action. Only one more home game is slated this season.

The Jacksonville coaches will throw a team on the field that will probably about the same as the visiting outfit. The forward wall of the Jax team will average 180 per man and the backfield will push the bar at 162 per player.

Starting at the terminals for Jacksonville will be the veterans, Shelton Akers and Caldwell. Akers is a star on the defense while Caldwell is the key man on the overhead game. Forby Ford, veteran from last season, and the husky Bob Felgar will man the tackle berths. Henry Greer and "Wimpy" Jones, a pair of streamlined guards, and Aaron Hand at center, will complete the front line of defense.

Francis Britton, the best broken-field runner Jacksonville has had in several years, will open at quarterback position. Britton is expected to step high, wide and handsome this afternoon. Britton will be flanked by Willie Brooks, the forward passer de luxe, and "Flahs" Hunter at halves, and Excell Baker at fullback.

The freshmen of the college are to stage a parade to add to the color for the big attraction. The student body is expected to turn out en masse to see Jacksonville square her record for the season.

Second Old Maid: "I had an awful nightmare. A man was chasing me and chasing me and chasing me and he couldn't catch me."

## DO YOU WANT IT?

The students of Jacksonville State Teachers College for a number of years said repeatedly that they wanted a winning football team. They have furthermore stated that if the College brought some good football teams to play Jacksonville here that they would have to support the games in a big way.

This afternoon on the local gridiron our own Eagle Owls clash with the gridders from Middle Alabama, the Marion Institute Cadets. Marion is no weak sister in football this year. They have a real he-man team as their fine record indicates, Jacksonville also has a powerful and flashy gridiron ensemble. Thus the College has done its part in bringing to the campus once again a real football attraction. We wonder if the students and the entire personnel of the college are going to carry out their promise. You can keep your sacred pledge by being on the sidelines this afternoon at 2:30 boosting your team to the utmost of your ability. Nothing contributes more toward a winning football team than lusty cheers from the rooters.

Jacksonville expects every man to do his duty this afternoon.

## Chaperones---

"Chaperones! Do we have to have them?" you moan, all your anticipation of a good time ebbing for a moment.

But it is a school ruling. We'll grant that the general group of young Americans think that chaperones are outdated. When they accept your invitation, they are cognizant of the fact as you are. Probably more so because their social experience is longer and larger than yours in most cases.

So why not drop any little-boy or little-girl outdated aversion to chaperones and consider these questions:

1. Why do you say she is a necessary evil?
2. By what reason do you think she will interfere with your good time?
3. Why do you avoid her on every and all occasions when you have chosen her to serve you?
4. Does not super-sportsmanship—playing a lone hand in a hard game—call for applause?

Here are your answers:

1. Chaperones bring to you their reputation for dignity, social knowledge, position in the group, affability and tolerance. They never charge for these social contributions, but assist you generously in meeting requirements laid down by the college authorities as the background for your festivities.

2. Instead of interfering with your good time, chaperones contribute to your freedom of action. Their names and presence sanction your entertainment because the college trusts them.

3. Isn't it a simple problem in honesty to show your appreciation of their services when your good sense tells you that it is no great pleasure to the chaperones? Would you enjoy sitting around a whole evening being avoided by the ones who invited you?

4. It is super-sportsmanship for one to accept invitation after invitation to be a chaperon when the experience is, repeatedly, an unpleasant one; however, men and women who have the knowledge and experience to come to you as chaperones, but who are in

reality your social sponsors, are now declining invitations. As a result, you are having to call on older people who really keep much stricter watch over you and your actions.

Failure to observe the simple rules of etiquette in social circumstances can easily be interpreted as insulting, dishonest and certainly unsportsmanlike. The rules of etiquette involved are simple:

1. Make your request in sufficient time for the ones selected as chaperones to know in time so that they may arrange their plans without hurry.

After receiving an acceptance, the chairman of the social committee must call and see that facilities for transportation are offered.

3. See that members of the entertaining committee who are present are properly introduced to her.

4. After wraps are removed, each young guest must come to the chaperones and greet them. The men must always introduce the girls they bring.

5. After wraps are removed, if the chaperones dance, the entertainment committee must see that at least a few partners are provided. Those nearest the chaperones should make it a point to include them in the conversation.

Most important of all, a chaperone should never be left alone. In fact, they are entitled to all the consideration they would receive as guests in anyone's home.

6. On leaving, each couple seek out the chaperones and say goodnight.

## Haon Named Vice-Presy of State YMCA

Mr. Adrian Haon, junior student from Quintown, was elected vice-president of the Alabama Y. M. C. A. at the annual State Y conference held at Camp Munger last week with Birmingham-Southern College acting as the host. Mr. Haon is a very popular Jacksonville student and is active in religious and school activities. Our college is truly proud of Mr. Haon's achievement and his selection is a credit both to himself and to the college.

Among the Jacksonville people attending were:

Rhonwyn Sims, Jewel Jackson, Hillard Lawrence, Adrian Haon, and Mr. Leon McClure, faculty adviser for the Y. M. The conference began Friday afternoon and terminated Sunday at nine o'clock. There were about one hundred delegates representing all of the colleges of the state. There were many interesting speakers on the program, including Dr. Henry M. Edmonds, pastor of the Independent Presbyterian church of Birmingham, who gave an interesting address on "The Dynamics of Living"; Dean J. H. Newman of the University of Alabama discussed the Problems of a College Campus; Dr. R. B. Eleazer, chairman of the international committee of Atlanta, also delivered a very interesting address.

During the intermissions various programs were given from the different colleges. We are proud to say that Miss Sims took part by singing two numbers and received loud applause.

Much credit is to be given to Mr. Clure, who was the live-wire of the conference. Mr. McClure led one of the Seminars and served on various committees.

The newly elected state officers are:

Mr. J. C. Hern, president, University of Alabama; Mr. Adrian Raon, vice-president, State Teachers College, Jacksonville, Ala.; Mr. Walter Meadors, vice-president, Auburn; Mr. Robert Hagood, secretary, Birmingham-Southern College; Mr. Archie Pruett, treasurer, Howard College.

Newly elected Y. W. officers are:

Miss Jane Ware Kirkland, president, Huntingdon College; Miss Emely Campbell, vice-president, Alabama College, Montevallo; Miss Cherry Scoggins, secretary, Birmingham-Southern College; Miss Lillian Hallmark, treasurer, Snead Junior College; Miss Nina JoJ Anthony, publicity agent University of Alabama.

After the installation of officers a business meeting was held, it was decided to have the next conference at Camp Grand View and Huntingdon College as hostess.

## Morgan-Calhoun Softball Opens This Week-end

With one of the largest crowds ever to attend an event of this kind anticipated, the softball aggregation of the Morgan and Calhoun Literary Societies will square off in mortal combat this week-end for the annual softball supremacy of the college. The battle will take place on the college baseball diamond. Both boys and girls will play as they did last season. The Calhoun group, managed this season by Rex Hooten, its fiery shortstop, and Tootsie Longshore, girl's captain, will be gunning for its second successive clean sweep over the ancient and formidable adversaries. In two of the fastest and most spectacular games ever played here, the Calhouns shaded the Morgans, 5-4 and 10-9 last season. However, Manager Robert P. Steed of the Morgan clan of men and Miss Sue Rhodes of the ladies combination, will boast an array of hitters which will strike fear into the ranks of Calhoun supporters.

None of the managers have definitely announced their lineups as yet and it is impossible to say who will open the big battle. Hooten has been forced to alter his lineup at the last minute since it will be impossible for Caldwell, ace southpaw to be here for the game. Tom White, hero of last year's game, will catch. Among the others of last season's starters for the Calhouns will be Hooten and Street, infielders, and Hunter and Greer, outfielders. Among the most promising newcomers are Jerry Hulsey and Ferrell Tabor, hard-hitting infielders. Little is known of the girl's team save that Sarah Ford is back to pitch.

Manager Steed, Morgan boss, stated that he planned to start Pete Mathews on the hill with Broadhead in reserve. Others likely to see service with the Morgans are Ed Colvin, Britton, and Camp-ton, outfielders and the flashy Ben Kirk, who packs a murderous wallop, at shortstop. Steed will run the team from the shortfield position.

Pre-game dopesters rate the games as even-stephen with the breaks probably deciding the issue. The Morgans seem to pack more punch with the Calhoun having a slight edge in pitching.

It is imperative that all "Rats" attend the gala attraction.

## Morgans Society Holds Meeting

## Morgans Meet

The large attendance of loyal Morgans at their weekly meeting held Tuesday evening at 6:30 was just another promise of the fine society they will have this year and also a prophecy of the victorious way they shall crowd the Calhouns out of the picture this year.

The meeting was held at Weatherly Hall. There were so many there that many were compelled to stand while an interesting program was given. The president, Pete Matthews, called the meeting to order; Jewel Steed read a passage from the Bible; Ruby Bradley gave a very interesting reading in which she took a grand poke at two of the most popular Morgans; Bernice Gallant gave some very interesting "I-wonders"; then Decker and Jackson came on the scene with a mandolin and guitar and informed us we would get some good music, we were not disappointed.

The Morgans will meet next Tuesday evening at 6:30 at Bibb Graves Hall.

# TEACHERS LOSE TO MIDDLE TENNESSEE

## S. I. A. A. CHAMPS DEFEAT JAX OWLS

**Jax Boys Fight Hard; Gain As Much Ground As the Winners.**

Playing before a capacity crowd on the Murfreesboro greensward Friday night the Jacksonville State Teachers College football team dropped the opening fracas of the current season to the powerful Middle Teachers aggregation, 27-0. The Tennesseans, boasting probably the most rugged and versatile eleven in the S.I.A.A., cashed in on their scoring opportunities to amass the four touchdowns which carried them to victory. The charges of Coaches Dillon and Shotts were in the ball game throughout and accumulated the same number of first downs as their heavier opponents.

The victors cashed in on a pass interception in the middle of the initial quarter to set the ball up for the first score. With the ball on Murfreesboro's 42-yard marker, Murphy, giant Raider back, broke off tackle and scampered 58 yards to pay dirt.

Woody Smitherman, former Bessemer High School sensation, added the second marker late in the second quarter on a dazzling 60-yard pass to Troup. The Alabama boy was the big gun in the offensive works for the winners throughout the evening.

Following a scoreless third quarter, the local eleven pushed over two additional counters in the final frame just as a means of making it certain. Murphy, Smitherman and Hamric alternated in ramming the lighter Jacksonville line for the scores.

Forby Ford, veteran tackle, played sterling football for the losing cause. He was constantly a thorn in the side of the tough opposition. Aaron Hand at center, was another bulwark of strength in the forward wall. Francis Britton, the elusive quarterback, played his heart out for the losers. His running was a source of terror to Middle Tennessee. He was a scoring threat every time he handled the oval.

The Teachers proved their mettle by chalking up as many first downs as their adversaries. But, alas, they don't pay off on first downs in this league. The Peds drew one of the true juggernauts in their first game. We know personally that Woody Smitherman, with his 195 pounds, can play in most anybody's backfield.

### FROSH WILL FACE EMMA SANSOM THURS. NIGHT IN GADSDEN

The Jacksonville State Teachers College freshmen gridders will face their toughest scuffle of the year Thursday night when they tackle the formidable Emma Sansom High School Rebels at Murphree Stadium in Gadsden.
