

DR. C. W. DAUGETTE

Dr. C. W. Daugeette started his forty-second year as president of Jacksonville State Teachers College when school opened here, Monday, September 16. With the near completion of a huge building program, and with the introduction of secondary educational training and revised course of study, J. S. T. C. has this year reached a new peak in the continuous drive for a bigger and better school. Dr. Daugeette has, more than any other individual, been responsible for the growth of our college, the largest State Teachers College in Alabama.

New Civil Aeronautics Course Gets Underway

The third consecutive Civil Aeronautics course will begin at the college at an early date, according to Dr. Daugeette, and Dr. C. R. Wood, director.

The Fall course will end January 1, 1941, at which time a spring course will begin. The quota at Jacksonville is twenty. Training may be offered to qualified applicants who are not enrolled as students, as well as to regularly enrolled students of the institution.

Those applying for the training must meet the following requirements: They must be citizens of the United States; they must have reached their nineteenth but not their twenty-sixth birthday on or before October 1, 1940; they must neither hold nor have a pilot's certificate of private grade or higher applicants who are undergraduates still in college must be fully matriculated for a degree at the sponsoring institution and must have satisfactorily completed at least one

year consent from their parent or legal guardian to take the training; they must never have been disqualified from participation in the Civilian Pilot Training Program by Advisory Board Action.

Women may be enrolled for the course not to exceed ten per cent of the assigned quota. Minimum height, without shoes, for women is 62 inches and the minimum weight, without clothes, is 100 pounds.

Fees For Applicants And Trainees

Selected applicants must pay a \$6.00 physical examination given by a designated Civil Aeronautics medical examiner. Trainees pay the sponsoring institution a course registration fee of \$10.00. Trainees pay the \$9.00 premium for the required individual insurance coverage. Trainees pay such charges as are necessary for their safe and reliable transportation to and from the airport. The total cost to the

School Opens Here On Monday, September 16

The U. S. Commissioner of Education has sent us the following copy of President Roosevelt's letter to Honorable Paul V. McNutt stressing the importance of an education to the boys and girls of America at this particular time. We are sure you will read it with interest.

THE PRESIDENT'S LETTER

The White House, Washington

August 14, 1940

My dear Mr. Administrator:

Reports have reached me that some young people who had planned to enter college this fall, as well as a number of those who attended college last year, are intending to interrupt their education at this time because they feel that it is more patriotic to work in a shipyard, or to enlist in the Army or Navy, than it is to attend college. Such a decision would be unfortunate.

We must have well-educated and intelligent citizens who have sound judgement in dealing with the difficult problems of today. We must also have scientists, engineers, economists, and other people with specialized knowledge, to plan and to build for national defense as well as for social and economic progress. Young people should be advised that it is their patriotic duty to continue the normal course of their education, unless and until they are called, so that they will be will prepared for greatest usefulness to their country. They will be promptly notified if they are needed for other patriotic services.

Sincerely yours,

Signed: FRANKLIN D. ROOSEVELT

The Honorable,
The Administrator,
Federal Security Agency

Outline Study Course for Freshmen Explained

The new line-up for freshmen, of curriculum revision, got under way this week at the college with the freshmen registration and selection and scheduling of classes.

New Course of Study, Secondary Education Are Introduced Here

HUNDREDS OF STUDENTS FROM FIRST GRADERS TO THE DIGNIFIED COLLEGE SENIORS TROOP TO CLASS ROOMS

The doors of Jacksonville's schools opened this week, with hundreds of students, trooping to the classrooms, from the smallest first grader to the dignified college senior.

On Monday morning, freshmen orientation week began at the State Teachers College, with assembly, in which Dr. C. W. Daugeette, president, welcomed them and turned over the responsibility of directing new students through registration and preliminary tests to Dr. C. R. Wood, dean and a number of assisting faculty members.

Earlier in the morning Dr. Daugeette had met with the faculty. He expressed pleasure at the appearance of faculty members, refreshed after a brief vacation, and presented the seven new professors to the group.

COUNCILMEN

* The College opening was unusually significant due to the fact that it marked the beginning of the new curriculum and the addition of secondary education. The curriculum on which experts have been working for several years has reached the stage where courses have been set up and the present freshman class will be the first to sign up under the new set up.

Series of Parties for New Students

A series of parties have been given for students, including the "Freshmen Party on Monday evening, the Y. W. and Y. M. C. A. reception on Tuesday evening, and the church receptions on Wednesday evening.

The "Freshman Party" took place in the gymnasium. As each one entered, his or her name was pinned on so that acquaintances might be made quickly and easily. Under the efficient direction of Roy Shelton, principal of the Falkville Schools, and a member of the sum-

must meet the following requirements: They must be citizens of the United States; they must have reached their nineteenth but not their twenty-sixth birthday on or before October 1, 1940; they must neither hold nor have a pilot's certificate of private grade or higher applicants who are undergraduates still in college must be fully matriculated for a degree at the sponsoring institution and must have satisfactorily completed at least one full year of accredited college work, acceptable to the sponsoring institution; those who are no longer enrolled in college must have satisfactorily completed at least two years of accredited college work, acceptable to the sponsoring institution. They must meet the physical requirements for Student Pilot Certificates of Commercial CPT Grade as determined by a designated Civil Aeronautics Medical examiner; if they are under 21 years of age, they must have writ-

Selected applicants must pay a \$6.00 physical examination given by a designated Civil Aeronautics medical examiner. Trainees pay the sponsoring institution a course registration fee of \$10.00. Trainees pay the \$9.00 premium for the required individual insurance coverage. Trainees pay such charges as are necessary for their safe and reliable transportation to and from the airport. The total cost to the applicant is \$25.00 plus transportation charges to and from the airport.

There will be seventy two hours in the ground courses given at the college. There will be a minimum of thirty five hours in the flying courses given at the Anniston Airport.

Students who are interested are requested to get in touch with Dr. C. R. Wood, coordinator of Civil Pilot Training, State Teachers College, Jacksonville.

Paint Rock School Has Six Former J. S. T. C. Students

The Paint Rock Valley High School has, out of a faculty of 15 teachers, six former J. S. T. C. students. This school, located at Princeton, is among the most outstanding high schools of Jackson County and North Alabama, having an enrollment of nearly 500 students. The former J. S. T. C. members of the faculty are as follows:

"Dusty" Carter, Florida, coach and director of athletics. While at Jacksonville, he took an active part in athletics, and was player on the football and baseball teams. He was secretary of the "J" Club, and president of the men's Glee Club, and was a member of the Morgan Literary Society.

Miss Willie Landers, Highland Home, commercial teacher and director of dramatics. She was a well known person on the Jacksonville campus, having taken an active part in the social activities of the school. She was a member of the Morgan Literary Society, and reporter of Daugette Hall for the Teacola the past year.

Mrs. C. H. Kirkpatrick, Trenton, sixth grade and director of Song 'O Phone Band. Mrs. Kirkpatrick took part in all extra curricula activities while at Jacksonville; she was a member of the Women's Glee Club, and reporter for Jackson County Club, and a member of the Morgan Literary Society.

Mrs. Vivian Raney, Scottsboro, fourth grade, Miss Jaunita Robertson, Scottsboro, third grade, Mrs. Lucille Bastick, Princeton, First grade, were among the summer students of J. S. T. C., and took part in the social activities of the college.

Dr. C. H. McCloy Visits Campus

Dr. C. H. McCloy of Iowa State University, noted research professor in the fields of anthropometry and physical education, paid a short but highly interesting visit to the campus on September 15, 16, and 17. Dr. McCloy, one of the foremost men in his field today, has written several books on these subjects, the latest being TESTS AND MEASUREMENTS. Arriving with a number of intricate instruments for use in the freshmen physical examinations, the visitor stayed, not only to administer the tests, but to deliver two worthwhile talks to an assembly of the college faculty, coaches, physical education teachers, and superintendents from neighboring schools. On Sunday evening, Dr. McCloy spoke to a group of the school physicians, dentists, and nurses, and members of the student body who were to aid in the carrying through of the program of examination on the operation of each testing device and the value of the results to the physical education department.

Monday, under the direction of Mrs. W. J. Calvert, the college entertained Dr. McCloy at a luncheon to which the physical education teachers and the school health staff were invited.

Monday evening, the visitor spoke again, this time to a gathering of the college faculty. The discussion dealt with the cultural aspects of physical education, spending some time on the topic of dieting. Jacksonville was quite fortunate in securing Dr. McCloy for his brief stay here. During two weeks in Alabama, the Westerner visited three State Teacher Colleges, Auburn, and Montevallo, J. S. T. C. bidding first for his time, the other schools following suit.

Outline Study Course for Freshmen Explained

The new line-up for freshmen, of curriculum revision, got under way this week at the college with the freshmen registration and selection and scheduling of classes. With the enthusiastic approval of both faculty and student body, the course of study, outlined by the state committee with the help of the teachers of all the colleges, seems in a fair way to be moving on successfully to the goal set for it by the state authorities.

The new courses are divided into two principle divisions—bio-social and arts. Under the bio-social set-up is to be found the courses of biology, to be taught by Dr. Weisshaupt and Dr. Garren; psychology, Dr. Noble; health, Mrs. Calvert and Mr. Dillon; sociology, Dr. Felgar and Dr. Thompson. The method of teaching is concerned with the problems in that field. For the first two weeks, Dr. Noble is assisting the freshmen toward finding the correct method of study. As each new problem is taken up, all of the teachers in the bio-social group will be called upon to contribute as much as possible to the subject. On Tuesday and Thursday afternoons, field trips are to be planned so as to give the student a first-hand glimpse of the actual working of the topic at hand.

The Arts course is also divided into a number of fields—art, to be taught by Misses Rees and Huger; music, Mrs. Love; dancing, Mrs.

Calvert; drama, Mr. Hendrix; literature, Dr. Calvert. The purpose of the new study is to arouse and develop artistic instincts in all major fields, to search out hidden talent, and to impress the student with the significance of art in daily living. The first problem studied in the course is that of proper color schemes and the improvement of surroundings and a study of personal appearance. The time spent on each topic is determined by the teachers in charge. In the literature course, Dr. Calvert has as his goal the awakening of the student to a love of reading, bearing with him standards, conscious and instinctive, of the best. Through giving him a preference of better books, he hopes to realize his aid. The topic of drama is to include drama of the better type, with especial emphasis placed on regional work. A number of one-act plays are to be given in the course as a means of arousing interest. Presentations of the drama class, with help from the music, arts, and dancing divisions are to be outstanding features of the work. Field trips in the arts set-up are to be conducted in the same way as those of the bio-social.

Classes in the freshmen schedule are arranged from eight to ten and from 10:30 to 12:30 in the morning, with the afternoon to be devoted to field trips, special classes and physical education.

Dr. C. W. Daugette Gets Honorary "Star"

Dr. C. W. Daugette, president of the Jacksonville State Teachers College, received recognition in the feature column of the Anniston Star, "A Star a Day," Monday of last week. The comment was as follows:

Dr. Clarence W. Daugette is one of the most noted educators in Alabama, a man who has built a small teachers college into a position of prominence among schools of higher learning.

This term, Dr. Daugette has begun his 42nd year at Jacksonville State Teachers College, with the college properties more valuable than ever before. The college of which he is president, stands almost unchallenged as the largest normal school, serving Northeast Alabama completely and drawing students from places far away.

In addition to his work as an educator, Dr. Daugette has been a civic leader in Jacksonville for many years. It was he who first started the Exchange Club there as fore-runner of the Chamber of Commerce.

Red Kemp Is Named Bessemer Assistant

James (Red) Kemp, Douglas, recently became assistant physical director at the Bessemer Y. M. C. A.

Kemp recently received his degree at Jacksonville State Teachers College where he has made an enviable record in sports and other extra curricula activities. He will assist the director, Arnold Caldwell, also a graduate of Jacksonville.

NOTICE!

The TEACOLA is a student publication; it belongs to the student body. Make use of this opportunity and do all you can to help make our paper a success. Write for it, and if you are interested in becoming a regular staff member, see me as soon as possible. Everyone is invited to attend staff meetings, held each Tuesday morning, 10:00 o'clock, in Room 25, Bibb Graves Hall.

Ted York

L. W. Allison

R. Liston Crow

In the city election, held here last Thursday, September 26, Dr. L. W. Allison, professor of psychology, and Mr. R. Liston Crow, college busar, were elected to City Council positions. The vote of confidence given these two school officials by the residents of Jacksonville is an example of the harmony and fine spirit of cooperation that exists between the city and college. Dr. Allison, Mr. Crow, we salute you.

Orchestra Formed At Jacksonville

The State Collegians, orchestra at the Jacksonville State Teachers College, has been organized with G. C. Miller, Gadsden, as conductor. The orchestra will play for college dances and also fill engagements in nearby cities.

Members of the orchestra are: G. C. Miller, Gadsden, saxophone. E. F. Ray, Sylacauga, saxophone; Brannon Cochran, Montgomery, saxophone; Paul Rollins, Montgomery, trumpet; Grayson Smith, Gadsden, trumpet; Robert Dishman, Anniston, bass; Gerry Reagan, Gadsden, piano. A drummer will be added later.

Dr. C. R. Wood went to Birmingham Wednesday for a conference of Civil Aeronautic leaders, in interest of the course offered at the State Teachers College.

Freshman Party on Monday evening, the Y. W. and Y. M. C. A. reception on Tuesday evening, and the church receptions on Wednesday evening.

The "Freshman Party" took place in the gymnasium. As each one entered, his or her name was pinned on so that acquaintances might be made quickly and easily. Under the efficient direction of Roy Shelton, principal of the Falkville Schools, and a member of the summer school faculty here, an evening of fun and frolic was enjoyed. All kinds of games were played which produced much merriment. Music was furnished throughout the evening by the college orchestra, composed of: G. C. Miller of Gadsden, saxophone; E. F. Ray, Sylacauga, saxophone; Brownie Cochran, Montgomery, saxophone. Paul Rollins, Montgomery, trumpet; Grayson Smith, Gadsden, trumpet; Robert Dishman, Anniston, bass; Gerry Reagan, Gadsden, piano.

During the evening ice cream was served.

The Y. W. and Y. M. C. A. reception on Tuesday evening also took place in the new gymnasium, and was given under the direction of faculty advisers, Mrs. Dana Davis and Mr. Leon McCluer.

As the students arrived they were greeted at the door by Christine Glass, Alexandria, Arthur Decker, Douglas, Aaron Hand, Heflin and Effie Hollingsworth, Jacksonville, who presented them to the receiving line, in which stood officers of the organizations: Monta Jones, Berry, Wallace Morton, Wellington, presidents; Hilda Dean Williams, Jacksonville, Ruth Drake, Madison, Eunice Power, Blountsville, and Paschal Haynes, Newell, vice-presidents; Alene Oliver, Joppa, and Earl Holloway, Henegar, secretaries; and Mrs. Davis.

Punch was dispensed from a very beautifully decorated table. The punch bowl was imbedded in a colorful mass of petunias, marigolds and fern. Barbara Hodges, Gadsden, poured punch. Assisting her were, Constance Mock, Jacksonville, and Catherine Redmond, Five Points. Assisting with amenities were: Madeline Wilson, Fairfax; Jean Woodfin, Pisgah; Ruth Burke, Nauvoo; Erna Ruth Gilliland, Boaz; Elizabeth Adams, Birmingham; Wilma Sayers, Detroit, Mich.; Marion Coffee, Jacksonville; Clarence McCord, Heflin; Paul Brown, Heflin; Ernest Bell, Jenifer; Clarence Hammond, Piedmont; Wheeler Hardy, Lineville; Clarence Daniels, Jacksonville. Music was furnished by Miss Ada Curtiss and Miss Maude Wright, of the college faculty.

Wednesday evening, receptions were held at the Methodist and Baptist Churches and at the Presbyterian manse.

At the Methodist Church, welcome was extended by the pastor, the Rev. K. N. Matthews, Dr. C. R. Wood, chairman of the board of stewards, Reuben Self, superintendent of the Sunday School, and Miss (See SCHOOL OPENS, Page 4)

The Draft, American Style

The draft law should be a warning to Nazi and Fascist elements in the United States and elsewhere that the American people can and will fight for the preservation of democratic ideals, and that victorious armies as well as efficient industrial systems can be conducted upon democratic principles. The provisions of the Draft Act that seek to ameliorate the individual inconveniences of military service are an eloquent answer to the foreign propaganda that seeks to question the American system of government. Here are some of the provisions that particularly concern many of our eligible people at this time:

(1) **REGISTRATION** is required for every male person, whether a citizen or not, between the ages of 21 and 35, inclusive, but registration does not immediately entail selection for military service. Not more than 900,000 men will be included in the draft army at one time. Only 75,000 will be called during the next sixty days. Every state will have a quota based on population.

(2) **PUBLIC OFFICIALS** and ministers of the gospel are exempt from training and service, and persons engaged in essential industries may be exempted from the draft by presidential order, but not from registration.

(3) **MARRIAGE DOES NOT** create an automatic exemption. But it is improbable that married men, with or without dependents, will be called until all eligible single men have been called out. In the consideration of marriage as an exemption, a husband whose wife makes sufficient for her own support, or for the support of herself and her children, will not be exempted as a married man.

(4) **COLLEGE STUDENTS** must register, but service on their part will be deferred until after the end of the present academic year.

(5) **EMPLOYERS WILL BE** required to reemploy all drafted men, upon completion of their services, if they are still qualified to perform their duties, unless a change in the employer's circumstances make this impossible, and after such reemployment, the draftee will not be subject to discharge except for cause. Employees holding any seniority status will be protected in that regard.

REGISTRATION WILL BE carried out under the jurisdiction of the Governor of the State, and by the filling out of blanks at school houses and elsewhere in every community. After registration has been completed, draft boards especially appointed for that purpose will call up the registrants for examination as to their eligibility and claimed exemptions.

IT HAS BEEN ESTIMATED that there are approximately 16,000,000 men between the ages of 21 and 35, inclusive, and that the chance of any particular individual being drawn for the first 400,000 draftees who are expected to be called is about one in thirty, not taking into account rejections for physical reasons.

DRAFTEES WILL serve for only twelve months unless this period is extended by a Congressional Act declaring that the national interests are in peril.

THE DRAFT LAW does not interfere with voluntary enlistments. Both volunteers and draftees will receive all of the benefits of federal insurance, pensions, disability payments, etc., to which members of the regular army and navy are entitled.—News and Press, Darlington, S. C.

A Call To Educators

Within a year almost all European democracies have succumbed to the ruthless force of dictatorship. They came to their own defense too late and with too little. If we expect to save our democracy there are certain things we must do. First things must come first. We must

Regulations For Tea Dance

(Every student is held responsible for these regulations.)

Dancing may be Monday evening in Weatherly Hall, and Thursday evening in Bibb Graves Hall, beginning immediately after vesper services, and lasting until 7:30, and shall be chaperoned by a dormitory head or faculty member.

Attendance may be by dormitory people, and only those town students who live with their parents.

Dancing may be double-break. No jitter-bug, big apple, etc.

All boys attending dances shall be expected to dance.

Boys shall come in clean clothing and wear coats and ties. Sweaters and jackets may not be substituted for coats. Girls shall wear dresses, instead of slacks or other sports apparel.

There shall be no sitting in, or hanging out of windows. Screens must be kept closed.

For breaking a regulation, a student is suspended from attendance, and may be reinstated only by consent of student officials of the dance and the social directors. For the second offense, the student will be barred for the remainder of the year.

Girls dancing with boys breaking regulations will be restricted according to the foregoing paragraph.

Hostesses shall be the house president; the social committee representative of the dormitory, and one other girl appointed by the dormitory head. There shall be one host, selected by the three hostesses, and approved by the dormitory head. Weatherly Hall officials of the dance shall serve in that dormitory, and Dauge Hall officials of the dance shall serve at Bibb Graves Hall.

Duties of hosts and hostesses:

1. To be present the entire time at every dance, or appoint a substitute approved by the chaperon.
2. To greet guests, and to see to their enjoyment in the same fashion as would be done in a home.

3. To keep in mind all offenses.
4. To have a brief meeting with the dormitory head, or other chaperon, after each dance to discuss the dance, and to report and set on all offenses.

Failure to carry out duty will automatically remove a host or hostess from office.

Faculty members and their families are invited to all tea dances. A copy of these regulations shall be posted in each dormitory.

Ada M. Pitts
Dana T. Davis
Palmer D. Calvert

Morgans Meet And Elect New Leaders

The first Morgan Society meeting was held at Bibb Graves Hall Tuesday night with Christine Glass presiding until a president was elected. Elected for the men's society were: president, Billy Dabbs; vice-president, Lester Shipp; secretary and treasurer, Rush Mullino; and reporter, Claude Braswell. Those elected to head the women's division were president, Marguerite York; vice-president, Christine Glass; secretary and treasurer, Emma Catherine Fincher, and reporter, Elizabeth Pace. The program committee consists of Lester Shipp, Lowell Davis, Arthur Decker, Audrey Bruner, Christine Glass, Sara Fryar, Christeline Shankle, and Barbara Hodges.

The new presidents are greeted with delight by the entire society. Billy Dabbs, a senior, hails from Walnut Grove. He has been one of the most faithful Morgans, and with the leadership in his capable hands, the society is going on to higher goals this year. Marguerite York, also a senior, comes from Jacksonville, a Morgan since her freshman days. She gives every evidence of putting her entire efforts into making the literary society, without a doubt, the best one of the campus.

Freshman, the Morgan motto "All Freshmen are invited to enlist now" is their first call to colors, and that means you. Of course, most of you haven't had time yet to decide which society you want to join—you do want to join one, but visit doesn't mean a pledge, so come over next Tuesday evening at 6:30. The Morgans will be glad to have you.

School Children To See State Fair

Montgomery, Ala. — Alabama school children who wish to attend the State Fair in Birmingham, Oct. 2, will be excused from classes, Gov. Dixon has promised the students.

Fair officials, educators and the Governor recently worked out plans to grant this favor to the children.

Oct. 2 will be Governor's Day at the Fair, and Gov. Dixon and his staff will attend the ceremonies.

Local Negro School Building Started

About 20 laborers began work on the new colored school building Tuesday. The new building, which has been very much needed for

New Teachers Are Added To Faculty

Several new teachers have been added to the local faculty. Included in this number are Misses Barnes, Agnew, and Keller, and Messrs Barrow, Smith, and Hawke.

Miss Harriet Barnes, who holds an M. A. degree from Columbia University and is a former member of the Anniston High School faculty, has been made assistant professor of health and physical education.

W. O. Barrow, formerly of Brewton, has been made manager of the materials bureau and director of visual education and associate professor.

Miss Kate Agnew, who has completed her work for a master's degree at Columbia University, has been made assistant professor of

education and supervisor of the primary grades. Miss Agnew and Miss Coble were formerly connected with the Parker School in Greenville, S. C.

Miss Sue Keller, who has been employed by the TVA for several years, has been made assistant professor of education and supervisor of the intermediate grades.

Osmo Smith, an Auburn man, has been made head football coach and is teaching in the laboratory school. He is assisted by Alva Hawke, of Atmore, who has been signed by the New York Yankees for next season.

Another teacher will be employed in the local high school to teach commercial subjects, succeeding Miss Eleanor Mapes.

Top-Ranking Group Listed By College

JACKSONVILLE ANNOUNCES A AND B STUDENTS

Students averaging A and B in their work at the Jacksonville State Teachers College during the summer quarter, which closed August 12, have been listed as follows:

Modell Austin, Jacksonville; Emma, Banks, Portersville; Dorothy Barber, Five Points; Alice Bargainer, Jasper; Kathryn Barnard, Arab; Ivan Barnes, Grove Oak; Mrs. W. H. Barnwell, Choccolocco; Frank Bassett, Roanoke; Tevis Bell, Center; Doris Bennett, Roanoke. Mattie Benton, Buffalo; Vivian Birmingham, Wellington; Mildred Boring, Minnie Ruth Boring and Alene Bradford, Altoona; Mary Seale Browning, Anniston; Isabel Kilgore Bryant, Weogufka; Burnett Burkett, Jasper, Eunice Burnham, Cullman; Helen Burns, Piedmont; Roy Caddell, Glen Allen; Mildred Law Camp, Albertville; Stanley Camp, Jacksonville.

Clorene Chamblee, Boaz; Mrs. Dennis Chandler, Hanceville; Jessie Frank Clark, Lineville. Tom, Robert Felgar Receive Honors

The friends of Dr. and Mrs. R. P. Felgar will be interested to learn of honors which their sons, Thomas and Robert, have received recently.

Thomas, who graduated from the High School last May, has gone to Duke University where he received a scholarship. He entered a competitive contest for the scholarship, in which he wrote an essay. He also won honorable mention in the American Magazine's contest, the National Youth Forum, for a paper on "Youth and Democracy of Today". During his high school career, he made all A's, and was one of the winners in the Civitan Oratorical contest. At Duke he will pursue a course which will aid him in a writing career.

Robert, who left Saturday to resume his studies at the University of Texas, where he is a junior in civil engineering, was listed on the honor roll, which was sent to this newspaper from the University. He received membership last year in Sigma Cum Laude, a fraternity in which membership is based upon scholarship. Recently he completed the CAA course here and received his pilot's license.

Classes And School Clubs To Organize

All seniors are asked to meet on Thursday morning, October 3, at 10:00 in Room 27 for their first class meeting. Officers are to be elected for the year and the members of the class pressed into an active, cooperative working unit. Dr. Dauge and Mrs. Calvert will

DRAFTTEES WILL serve for only twelve months unless this period is extended by a Congressional Act declaring that the national interests are in peril.

THE DRAFT LAW does not interfere with voluntary enlistments. Both volunteers and draftees will receive all of the benefits of federal insurance, pensions, disability payments, etc., to which members of the regular army and navy are entitled.—News and Press, Darlington, S. C.

A Call To Educators

Within a year almost all European democracies have succumbed to the ruthless force of dictatorship. They came to their own defense too late and with too little. If we expect to save our democracy there are certain things we must do. First things must come first. We must act—now! Improvement of the physical health of the youth of America should be the special concern of educators—now! Improvement of mechanical skills and vocational competence among millions of youth and adults through education is our responsibility—now!

Eradication of illiteracy is our job—this year. Helping both youth and adults to understand the destructive, revolutionary forces at work in the world today is the task of education—now! Promoting through classes, group activities, pageants, dramas, discussion and art, motion pictures, radio and press, a deeper understanding and appreciation of our freedoms; strengthening convictions concerning the principles of a democratic society and the determination to defend them: These should be the major objectives of educators—now! Vastly enlarging the community center programs for adults, and especially for the foreign-speaking groups, to the end that the intermingling of Americans will bring closer unity and mutual understanding, is a challenge to the public schools and colleges—now, this year!

Let us develop programs for adults to bring about closer unity. Let us start now to develop a nation-wide racial, class and religious tolerance that is truly American. We should extend our studies of Spanish and Latin American history, culture and geography—this year. The practice of democratic principles in the organization of educational programs among both youth and adults and the avoidance of coercive, vindictive, intolerant, name-calling tactics can give practical expression to our defense aims—now! If all of us will act instead of postponing and delaying when we see a vital need which education can help to meet, we shall be doing our part in demonstrating to the world that a great democracy can work with striking efficiency. Therefore, I give you the watch word of the new school year—act now!

By John W. Studebaker, U. S. Commissioner of Education

No Appeasement Here

"Appeasement" has become a shameful word during the last year or two—and justly so. Today almost all of Europe is a tragic monument to the futility of attempting to appease the dictator powers. The appeasers may have been sincere, but they were terribly wrong. Dictators' ambitions know no limits. And each fresh attempt at appeasing the dictators simply gave them more confidence, and led to still greater demands.

In this country, the majority of the people are opposed to any efforts to appease those who may threaten the destruction of our way of life—which is the democratic way of life, with free men working under a free system. But there is a minority whose thoughts turn to the possibility of appeasement. "All over the world," their argument runs, "liberty has been abrogated, and government has been made supreme. Civil rights have been dissipated like leaves in a storm. It is logical to expect that we shall see a similar trend take root at home. So we might as well make the best of it. After all, even total governments must have the services of men with brains—there will always be jobs. So let's see if we can get on more friendly terms with our potential enemies."

A child can see what that argument must lead to, once accepted by the people. It would lead to a dictatorship as brutal and as thorough as any in Europe. For democracy is one thing that can't go half-way. Weaken it, and you are helping dig its grave. No nation, said Lincoln, can exist half slave and half free. And no nation can hope to strike a balance between representative government and total government. It must choose between one or the other, with no "ifs, and, or buts" involved.

A system worth having is a system worth fighting for. The United States prays for peace—but the United States was never a country to give an inch to its possible enemies. If the appeasers should have their way, we will go the way France went—and all that America has stood for in the past will become meaningless. Let's make up our minds that this is one corner of the world where democracy, social and economic, will be defended to the last ditch.

Alabama Loses One Of Finest Sons

The death of Speaker William B. Bankhead removed from the scene of action one of Alabama's most beloved and most competent sons. Schooled in the tradition of service to his fellow countrymen, "Bill" Bankhead never faltered in the path of duty. He reflected glory on his home state and stood shoulder to shoulder with statesmen from other sections of the United States.

No more fitting tribute could have been paid him than that offered by the people of his home city and county on Tuesday. Although many thousands milled in the streets and on the sidewalks a solemn quiet prevailed; on the court house a beautiful flag drooped and clung to the pole because of the stillness of the afternoon, but it, too, seemed to reflect the feeling of the sorrowing throngs.

the dance, and to report and set on all offenses.

Failure to carry out duty will automatically remove a host or hostess from office.

Faculty members and their families are invited to all tea dances. A copy of these regulations shall be posted in each dormitory.

Mr. Funderburk Made 6,000 Mile Tour During Vacation

R. S. Funderburk, assistant professor of geography, made a 6,000 mile tour of the South, during vacation, surveying the resources and industries of the region, and collecting materials for use in the department of geography.

Some of the places visited were cotton plantations in the Mississippi delta, the plant of the Rust brothers cotton picker and the Socco Oil Refinery in Memphis; the coke cotton seed company in Hartsville, S. C.; the Textile Engineering Department at Auburn; lumber mills in Tennessee, Louisiana, North Carolina and Florida; the Kraft Paper Mill of the Carolinas; the Fibre Company in Hartsville, S. C.; naval stores plants in Mississippi, Florida, and Alabama; Nantahala, Cherokee and Chattahoochee National Forests; the sulphur fields of the Freeport Sulphur Company below New Orleans; the reserve sugar cane plantations and sugar mill of the Godchaux Sugar Company above New Orleans; the University Oil Field at Baton Rouge; the Geology and Geography building at Louisiana State University; livestock farms in the bluegrass region of Kentucky, in Louisiana, and Florida; the tobacco belt around Lexington, Ky.; the bright leaf tobacco belt in the Carolinas, and the shade-grown tobacco belt at Quincy, Fla.

How High Are Your Standards?

Of all of the worth-while remarks dropped since school began, one of the best, if not the best, was the one spoken by Dr. Daugette with words to the effect that we students, and especially freshmen, come to college with the highest of standards regarding studying and our control while in Jacksonville. Some of us, continued Dr. Daugette, fail to keep the banner high—the temptation to let work slide, the somewhat false knowledge that the folks at home will never hear of our escapades are too tempting. Many of us come out of the four years with flying colors—others leave school with a black mark on the record sheet which can never be erased.

We, perhaps as much as some of us hate to, will have to admit that Dr. Daugette is right. All kinds of people come to college, some who want to get ahead, who really like to dive into the mysteries of knowledge of past and present, and others who have in mind only mingling with those who care for the light side of life. Of course, the careless ones sometimes "get by", and sometimes they don't, but what, indeed, do they really get out of college? The little fun they have while here can, in most cases, be duplicated elsewhere—but an education is not just picked by any roadside. The school provides enough of the higher stuff along with the serious—that should be all needed for even the most fun-loving student.

All of us, we suppose, hate lectures; we try to avoid them as much as possible, but sometimes they do slip in. So, for this once—let's remember that a high standard is our best guide and that wherever we go that college record, good or bad, is going to follow us. For those at home who are expecting much of us and for ourselves, let's keep the colors flying!

Oct. 2 will be Governor's Day at the Fair, and Gov. Dixon and his staff will attend the ceremonies.

Local Negro School Building Started

About 20 laborers began work on the new colored school building Tuesday. The new building, which has been very much needed for the past several years, is to have six rooms and an auditorium, and is to cost approximately \$32,000. It is a WPA project, and the city's portion of the expenditure will amount to approximately \$11,000.

The lot where the old school stood will be used, in Needmore, and since the old building must be moved, school is being held in the churches and the community center.

Our Seven Mistakes

Man's imperfections lead him to make many mistakes in life, and the pointing out of these frailties has engaged the attention of philosophers and reformers in all ages. A recent writer enumerates what he considers to be the seven mistakes of man, as follows:—

1. The delusion that individual advancement is made by crushing others down.
2. The tendency to worry about things that cannot be changed or corrected.
3. Insisting that a thing is impossible because we ourselves cannot accomplish it.
4. Refusing to set aside trivial preferences in order that important things may be accomplished.
5. Neglecting development and refinement of the mind by not acquiring the habit of reading.
6. Attempting to compel other persons to believe and live as we do.
7. The failure to establish the habit of saving money.

Classes And School Clubs To Organize

All seniors are asked to meet on Thursday morning, October 3, at 10:00 in Room 27 for their first class meeting. Officers are to be elected for the year and the members of the class pressed into an active, cooperative working unit. Dr. Daugette and Mrs. Calvert will act as advisers.

The Junior Class, with Dr. Glazner as adviser, will hold its first meeting of the year on Tuesday morning, October 1, at 10:00 in Room 23. The purpose of the meeting is to elect class officers. All juniors are urged to be present at that time and place.

The Sophomore Class will continue its election of class officers on Tuesday, October 1, at 10:00 in the Bibb Graves Hall assembly room. At the last meeting, G. C. Miller, Gadsden, was elected president; Bing LeCroy, Clanton, vice-president; Neda Phillips, Anniston, secretary-treasurer. Mrs. Wood is faculty adviser for the class.

There have been no announcements as to the first meetings of the Freshmen Class or the Histoy Club. As these bodies are expected to organize in the near future, watch The Teacola and bulletin board as to time and place of first meetings.

A call is sent out to all Calhouns and to those who wish to join that organization that the Calhoun Literary Society will hold its first meeting of the year on Tuesday night, October 1, at 6:30 in the assembly room of Bibb Graves Hall. All old members are urged to be present and to bring along prospective new-comers. Officers for the fall quarter are to be elected. Freshmen, who have not yet pledged to one of the two societies, are cordially invited to visit the Calhouns before making their final decision.

.. SOCIETY ..

BOOK CLUB HOLDS FIRST FALL MEETING

The first Fall meeting of the Book Club was held Wednesday afternoon at the home of Mrs. C. E. Cayley, with Mrs. K. H. Garren as co-hostess.

Roses and dahlias from the garden of the hostess were used as decorations.

Mrs. L. F. Ingram, retiring president, presided during the transaction of old business. A report was given by Mrs. Frank McLean of the revision of the constitution and by-laws. Mrs. Hubert Lester was elected to membership.

Miss Ethel Randolph, the new president, took charge of the new business and called for the roll call, reading of the minutes by the new secretary, Dr. Ada Weir, and a report of the treasurer, Mrs. A. C. Summers. Miss Randolph and Mrs. Harry Dempsey were elected delegates to the district convention at Guntersville next month. Mrs. K. N. Matthews and Dr. Weir were chosen as alternates.

Mrs. Ingram was given a rising vote of thanks for her faithful and efficient service during the past year.

Miss Ferrell Bolton and Miss Douglass Olsen, of the program committee, announced the afternoon's program, "Our American Culture," which was interestingly discussed by Dr. L. W. Allison and Dr. J. G. Austin, of the college faculty. A round-table discussion followed.

The hostesses served delicious apple pie with coffee.

The following were present: Mesdames, J. G. Austin, J. W. Humphreys, Harry Dempsey, H. B. Mock, Frank McLean, K. N. Matthews, Ross Arnold, L. J. Hendrix, A. C. Summers, L. F. Ingram, Leon McCluer, Robert Lindblom, R. P. Felgar, and Misses Ferrell Bolton, Ada Weir, Ethel Randolph, and Douglass Olsen, Dana Davis and R. K. Coffee.

LUNCHEON AT DAUGETTE HALL MONDAY

A luncheon for members of the physical education and medical staffs of the State Teachers College was given Monday, September 16, at noon, under the direction of Mrs. W. J. Calvert, a member of the physical education faculty, honoring Miss Agnes Snyder, curriculum consultant, Miss Jessie Garrison, state supervisor of physical education and Dr. C. H. McCloy, research professor of physical education and anthropometry at the University of Iowa.

The long luncheon table was placed in the dining room of Daugette Hall and was beautifully arranged.

MISS CATHERINE ASHMORE IS WINNER IN POPULARITY CONTEST

Miss Catherine Ashmore, who does secretarial work in the Twickenham Hotel, Huntsville, was recently declared one of the winners in a popularity contest held at one of the Huntsville movie theatres.

Her friends will be interested to learn of her popularity in Huntsville, where she has resided for only a few months.

ATTEND DISTRICT U. D. C. MEETING

Mrs. Rutledge Daugette, Mrs. C. W. Daugette, Mrs. L. W. Allison, Mrs. Eleanor Parker, Mrs. J. M. Anders, Mrs. Julian Sewell and Mrs. Clyde Johnston attended the Forney District meeting of the United Daughters of the Confederacy in Fort Payne Wednesday.

Mrs. Estelle Smith, supervisor of Cherokee County, had lunch in Daugette Hall Thursday.

Dr. H. C. Parnell, head of the education department at the University of California Summer School.

Thad Barrow, a former student, has re-entered the college. For the past three years he has been in California.

Daugette Hall News

The girls of Daugette Hall had their first morning watch service Sunday morning in the parlor, with Mrs. Eunice Power leading. Her talk was on "Growth", a timely subject for our first meeting together. In her talk, Mrs. Power brought out and stressed the fact that we grow in four ways: mentally, physically, socially and spiritually. Julia Jane Crumly of Birmingham will be our pianist this year and Jerry Towery, of Hazel Green, will lead the singing. Our only visitor was Mr. Coffee, who was introduced by Mrs. Pitts to the entering freshmen and other new girls in the dormitory. Every dormitory girl is urged to be present at both of the devotional services each week—the morning watch each Sunday and vesper services every Wednesday evening. Others who are interested and would like to take part in this phase of our dormitory life are also cordially invited to attend.

Faculty members who are residing in Daugette Hall this winter for the first time are: Miss Sue Koller, Miss Harriet Barnes, Mr.

HOME OF THE CALVERTS

Dr. and Mrs. W. J. Calvert occupied their new home late last fall. It is located on North Pelham Road, and is of Regency architecture. Furnished throughout with beautiful antiques, the home of the Calverts is beautifully appointed in every detail.

Editor's note: This is the first picture of a series showing the homes of local faculty members.

Local Churches Welcome Students

On Wednesday evening, September 19, the Methodist, Baptist, and Presbyterian churches honored the Jacksonville State Teachers College students with a welcome party.

The Presbyterians welcomed the students at the manse, which was beautifully decorated with garden flowers. During the evening games were directed by Mrs. James Jones, and delicious refreshments were served.

The Baptist students were entertained at the Baptist church. The opening program was directed by Mr. P. J. Arnold. Songs were sung and prayer was led by the pastor. The students then participated in games directed by the B. S. U. Later in the evening refreshments were served on the lawn.

The Methodist students were welcomed with an informal party at the Methodist church. Dr. Matthews introduced Dr. C. R. Wood, Miss Maud Luttrell, and Mrs. A. C. Shelton, who made short talks. The young people were then served refreshments by Misses Evelyn Espey, Louise Weaver, Sara Fryar, Lucy and Mary Lib Williams.

Miss Eleanor Mapes Leaves City

The friends of Miss Eleanor Mapes will regret to learn that she has accepted a position in Arkadelphia, Arkansas, in a state teachers college, and left for her new location Tuesday afternoon.

Miss Mapes recently returned to Jacksonville after a year's leave.

Date Dress

—Photo by Harper's Bazaar

It's a lucky college girl who wears this cotton velveteen. It's a dress of rosy twill-backed velveteen, with small metal buttons on the blouse, a narrow sash of matching velveteen, tied in a bow-knot, and a skirt cut with a slight flare making it readily adaptable for dancing.

Apartment News

Introducing The Housekeepers

The cooks of the apartment dormitory left their griddles Thursday night and elected Hilda Dean Williams, president; Doris McKay, vice-president; Allene Oliver, secretary-treasurer; Kathryn Yates, social chairman; and Emma Catherine Fincher, reporter.

Did you see our good-looking freshmen wandering around in housecoats? In case you haven't met them, they are Ella Maude Phillips, Helen Meade, Mozelle Phillips, Harriet Lonnergan, Ruth Kirk, Gertrude English, Raynor Bailey, Erdil Perry, and above all, a male rat—Charles Cotten. Bing, now's your chance to get even for your last year's ratting by letting Charles dispose of your garbage. Our bull-rats are Mary McClendon from Montevallo, and Opal Tucker from Florence.

Ted and Marguerite must still be in a honeymoon daze—they seem to have forgotten that they are to move over here, but we're still watching for them.

Freshmen, you had better be meek and humble! Clara and Dinah stroll the halls with sparks in their eyes trying to get revenge for their last year's slaving. Don't forget you still belong to the inferior category.

You should have seen the candy-pulling in Evelyn Vines and Vera Calhoun's room. From all reports it seems to have been a stick-em-up party.

Harriet, Mary, Chris, Gerry, Chicken, and Kitty gave Sadie a surprise birthday party Monday night. You should have seen the cake! It had—well, we won't say how many—candles.

Maurice still widows her roommate every week-end by going home to court. What does he have that no student here has?

Gladys Lipham has made a requisition for an automatic scratcher. She has worked her fingers to the bone scratching nettlerash.

Why does Ben Kirk keep the kitchen door locked? He must not want anybody to know of his culinary art.

For those interested in cooking we will publish a recipe in each issue. Here is the first one:

Deviled a la Co-Ed

1 cup cubed Ann Tuck
1 cup cooked Opal Tucker
1-3 cup sweet Gerry Reagan
A few grains of Louise Jones
The yolk of Elena Howe
½ teaspoon of Mrs. Jordan
A dash of Effie Hollingsworth

Cover bottom of buttered baking dish with Opal, sprinkle with Gerry, and dot with Louise. Repeat with Ann and Selena well beaten. Add Mrs. Jordan to half the depth of Opal. Dash in Effie. Bake until Ann melts and Opal is brown.

The girl in black in the above picture is in too festive a mood to be wearing widows weeds. The Black motif is probably just to show off her blonde beauty, of which she has an abundance. She is Edith Walton and has received her ph.D. degree in Terpsichore. She happens to be one of the featured stars of the Vernon Ames Dancers who are to appear in the State Fair Revue at the Alabama State Fair Sept. 30, Oct. 5. That she is a featured member of the cast shows just how important she is in keeping the musical, singing and dancing extravaganza moving, as there are 150 members of the entire cast. Miss Walton will appear nightly in front of the grandstand, which is to include fifteen sensational acts in addition to the revue.

Forney Hall News

We feel greatly the absence of such old timers as Red Kemp, Tom White, Bismark Evans, Whimpy Jones, Estes Hudson and various others who have left here through the B. S. route.

Many of the National Guard boys are back in school after three strenuous weeks of training in Louisiana.

Among the "Old Timers" are Lester Shipp, Paul Brown, Solon Gregg, John Witt, Ed Cowin, Aaron Hand, and Bill Friedman. They are looking forward to degrees.

Arthur Decker is back for six weeks, Audrey Bruner for three months, and Miller and Hinds from now on.

Euel Vines, John Harbour, Frank Bassett and Lionel Worthy are

Mrs. W. J. Calvert, a member of the physical education faculty, honoring Miss Agnes Snyder, curriculum consultant, Miss Jessie Garrison, state supervisor of physical education and Dr. C. H. McCloy, research professor of physical education and anthropometry at the University of Iowa.

The long luncheon table was placed in the dining room of Dauge Hall, and was beautifully appointed. Large trays of colorful fruit were placed at intervals and attractive place cards marked the places of the guests. A tempting four course luncheon was served under the supervision of Mrs. L. J. Hendrix, college dietitian.

Covers were laid for the following: Dr. and Mrs. C. W. Dauge, Dr. and Mrs. W. J. Calvert, Miss Snyder, Miss Garrison, Dr. McCloy, Mr. and Mrs. J. W. Stephenson, Mr. and Mrs. Alva Hawke, Osmo Smith, Dr. and Mrs. K. H. Garren, Dr. and Mrs. J. D. Rayfield, Dr. and Mrs. A. J. Beard, Miss Harriet Barnes, Dr. and Mrs. J. M. Kimmey, Dr. and Mrs. E. P. Green, Mr. and Mrs. E. F. Ray, Dr. and Mrs. F. M. Lawrence, Dr. and Mrs. James Williams, Miss Ruth Parkman, Dr. and Mrs. C. R. Wood, Miss Avis Mitchell, Mr. and Mrs. C. C. Dillon, Mr. and Mrs. H. L. Stevenson, Mr. and Mrs. L. J. Hendrix.

Music was furnished by Miss Eleanor Mapes, violinist and Mrs. R. K. Coffee, pianist.

Freshman Party Is Declared Success

Seven o'clock Monday night, September 16, found the freshmen arriving thick and fast at the gymnasium to partake of the pleasures to be offered at the party which the Social Committee sponsored for their enjoyment. Homesick freshmen? No! It wouldn't seem that they were homesick. At least, very few seem to have stayed home and cried.

As they entered the door, paper rats bearing their names were pinned on the freshmen by friendly upperclassmen. After a short period for registration (and conversation), Mr. Roy Shelton took charge of the large group which had gathered and put them through a series of games, contests, etc., calculated to make anyone forget that he was ever lonesome. Did they have fun? Ask any freshman!

Shortly before 9 o'clock, ice cream was served to all.

Music was provided by G. C. Miller and his orchestra.

The attendance included fifteen faculty members, seventy-eight freshmen, and twenty-five upper classmen—a total of 118.

Miss Louise Bryant, a former student, visited the girls at Dauge Hall Sunday afternoon.

* * *

Mrs. Samuels is spending her vacation with Mr. Samuels at their farm, near Rockford.

ices each week the morning watch each Sunday and vesper services every Wednesday evening. Others who are interested and would like to take part in this phase of our dormitory life are also cordially invited to attend.

Miss Sara Jo Harrell's parents were her guests Thursday night of last week.

Jax High School Names Yell Leaders

Senior and junior high school students crowded into the auditorium Tuesday for their first assembly of this school year. Their voices were joined in singing, "America", "Alabama" and "God Bless America".

The most important feature of the meeting was the selection of cheer leaders for the year. As is the custom, two students had been nominated from each home room of the senior high school and two from the junior high school. Each of the nominees led the student body in a yell before the ballots were cast.

The list of nominees revealed a wealth of good material for future use. The three cheer leaders who served last year were re-elected, including Charlotte Mock, Edith Snead and James Jones, Jr. A new recruit from the junior department who received the winning vote was Martha Townley.

Others nominated by their classes were: Alice Clark, Lavaughn Self, Iis Sewell, Jean Kilgore, Lucille Gordon Ogletree, Edna Moore, Dot Johnson and Dorothy England.

Miss Eleanor Mapes Leaves City

The friends of Miss Eleanor Mapes will regret to learn that she has accepted a position in Arkadelphia, Arkansas, in a state teachers college, and left for her new location Tuesday afternoon.

Miss Mapes recently returned to Jacksonville after a year's leave of absence during which time she completed work on her master's degree. The new position is a promotion for her and is near her home, Fort Smith, Ark.

Miss Mapes was a talented violinist as well as a capable teacher and her friends regret that she will not be connected with the college longer.

Geography Club To Elect Leaders

The Geography Club, J. S. T. C. branch of the International Relations Club, will hold its first meeting of the year in Room 23, Bibb Graves Hall, on Thursday evening, October 3, at 6:30. All old members as well as those students who have made a "B" average for the preceding quarter and have not yet affiliated themselves with the organization are urged to be present. The club wishes to elect officers for the fall quarter and to begin this term with the best of attendances. Each quarter a topic of public interest is selected as subject for discussion, which proves of interest as well as educational help. To these meetings, all freshmen and upperclassmen who have not yet filled requirements for membership are cordially invited. Dr. Glazner is faculty adviser for the club.

Wesley Foundation Elects Officers

The Wesley Foundation began its school year with an election of organization officers on last Tuesday morning, September 24. Those selected to serve in that capacity were: Mary Frances Regmond, Five Points, president; John Ihrie, Wake County, North Carolina, vice-president; Eunice Powers, Lincoln, secretary-treasurer; Madeline Wilson, Fairfax, social director; Clyde Lybrand, Jacksonville, program director.

teen, with small metal buttons on the blouse, a narrow sash of matching velveteen, tied in a bow-knot, and a skirt cut with a slight flare making it readily adaptable for dancing.

Weatherly Hall News

The girls met in the parlor Wednesday to elect officers for the Fall quarter. Ruth Drake, of Madison, was chosen president. Other officers elected were: Elizabeth Adams, of Birmingham, vice-president; Ruth Burks, of Nauvoo, secretary-treasurer; Emily McCracken, of Ft. Payne, reporter, and Mattie Lou Patterson, of Jenifer, representative on the social committee.

The Weatherly Hall girls will entertain with a wiener roast within the next few weeks.

Clarice Leatherwood spent the week-end with her parents in Alabama City.

Mrs. Minnie McCord Pentecost went to Gadsden Wednesday where she attended the silver anniversary celebration of her parents, Mr. and Mrs. E. O. McCord.

Mr. R. L. Terrell spent the week-end with Mrs. Terrell who is a student in Weatherly Hall.

We are glad to have Mr. and Mrs. Frank Ray and baby Edward Ray with us in the dormitory. Mr. Ray is the band master, and Mrs. Ray is the nurse for Weatherly and Forney Halls.

Harry and Hines Frost, of Birmingham, were recent guests of their mother, Mrs. W. A. Frost, at Weatherly Hall.

Local Team, Hiwassee Will Play In Anniston Saturday

Memorial Field To Be Game Site

Contest To Start At Two O'Clock

Students and local fans will have their first chance to see the Eagle-Owls in action this season when Coaches Smith and Hawke take their charges to Anniston Saturday afternoon to meet Hiwassee. The game, to start at 2:00 o'clock, will be played at the Memorial Field.

The contest was originally scheduled to be played in Jacksonville, but was changed to Anniston, which is only twelve miles away, by a request from the Anniston Junior Chamber of Commerce. Better broadcasting opportunities are available in Anniston, and, too, the Memorial Field has a larger seating capacity than is afforded at the home field.

The entire squad will be hard at work all this week in preparation for Saturday's game. Coach Smith stated that blocking and tackling will be especially stressed, and the air attack will also be given quite a bit of working over.

Squad Free Of Injuries

With no ill luck during the week's scrimmage sessions, the entire squad will be in top physical condition by Saturday. Roland Gregg and T. B. Meharg have slight injuries now, but they expect to be fully recovered in time to see plenty of action against the Tennessee team.

Small and Colvin will take care of most of the punting duties, and Shelton and Friedman are slated to do the passing. The running attack will be built around the halfbacks, following the Notre Dame system of play, which, as introduced here, is a modified form of the original Rockne system.

Excellent Backfield

The Eagle-Owls have a very good chance of defeating the Hiwassee eleven. The backfield, especially, is unusually strong this season. With Meharg and "Pop" Gregg, quarterbacks, Small, Shelton, Friedman, and Little, halfbacks, and Colvin and Turner, fullbacks, no better assemblage of runners, kickers, and

AT WORK ON THE FIELD

Coach Osmo Smith is shown explaining some fundamental point of the gridiron game to a group of the Eagle-Owls. Reading from left to right are: Assistant Coach "Chicken" Hawke, Coach Osmo Smith, Excell Baker (no longer in school), James Hill, end, and Ed Colvin and Bill Friedman, backs.

NEW COACHES

Two new coaches have been placed in charge of the local football squad this season. Working as head mentor is Osmo Smith, who held down the regular quarterback post at Auburn in 1938. Smith coached the crack Selma High eleven last season, and completed the year there with a perfect record.

"Chicken" Hawke, freshman star at Auburn, and later a regular varsity mainstay at G. M. I., has been named assistant coach. Hawke is also an outstanding baseball player, now under contract with the New York Yankees.

FIGHT, TEAM, FIGHT!

Mornin' all of you able supporters of J. S. T. C. This is station B-L-A-B coming to you straight from your Personnel Director's office. We hope you're all feeling fine and dandy and have stored up enough energy and pep to last you through the coming football

First Scheduled Game Cancelled

The game scheduled for Friday, September 20, between J. S. T. C. Eagle-Owls and Eldridge Junior College was cancelled by the Eldridge School. The contest was to have taken place at Carbon Hill.

The part of the schedule now remaining is: October 4, Hiwassee at Anniston; October 11, Marion at Marion. October 18, Gordon Military School, there; October 25, Snead at Jacksonville; November 1, Livingston at Livingston; November 8, Troy at Jacksonville; November 15, St. Bernard at Cullman.

Homecoming day will be Friday, October 25, at which time the Eagle-Owls meet Snead Junior College.

Wedowee Defeats Golden Eagles

A talented band of Wedowee clawed their way to an easy 26-to-0 victory over the Jacksonville High Golden Eagles here yesterday afternoon.

Hokes Bluff Defeats Jax High Eleven

After holding a much heavier team scoreless for three and a half quarters, the Jacksonville High Golden Eagles were finally overpowered in the last half of frame number four to lose by a count of 13-0. The game was played against Hokes Bluff on the local field Friday afternoon.

The fray, until the final quarter, was played almost entirely on a defensive basis. Both teams were punting on second and third downs, with a total of twenty-one punts (Jacksonville 12, Hokes Bluff, 9) being registered throughout the contest. Neither eleven could make any substantial gain during the first three quarters; Hoke Bluff chalked up three first downs to none for the Eagles.

The only scoring threat of that period, and Jacksonville's only threat, came in middle of the second quarter when Haywood of Jacksonville punted to Griffith, who fumbled on his own eight yard line. McCrelles, end, recovered for Jacksonville. After two unsuccessful thrusts at the Hokes Bluff line, the Eagles lost the ball.

LINDSEY-ALLEN WEDDING OF INTEREST

A wedding of interest of J. S. T. C. alumni was that of Miss Kathryn Allen, daughter of Mrs. Joe H. Allen, of Roanoke, and Eugene Herschel Lindsey, of Slocumb, which took place June 8, at the home of the bride's sister, Mrs. Frank Pate in Shamut. The Rev. McCoy Guthrie, pastor of the Shamut Methodist Church officiated at the impressive ring ceremony.

The tapers were lighted by Frank Pate, Jr. Miss Ann Sutton, also a Jacksonville student, played the nuptial music. Miss Sue Hall, of Fairfax, sang.

The bride was attired in a two-piece Alice Blue sheer crepe with hat to match. Her accessories were white and her flowers were sweet-heart roses.

The bride is a graduate of the Jacksonville State Teachers College and has attended the Alabama Polytechnic Institute in Auburn. She taught in the Shamut School for a number of years and has been active in church and civic work.

The groom, Mr. Lindsey, also holds a B. S. degree from Jacksonville and a master's degree from the Alabama Polytechnic Institute. He is a member of the faculty of the Slocumb High School.

After a short wedding trip to

North Carolina, Mr. and Mrs. Lindsey returned to Roanoke for the Summer. In September they went to Slocumb where both will be members of the school faculty this year.

Practically all of the summer graduates have accepted teaching positions or work elsewhere. Among those known to this department are: Myra Jean Brooks, Shamut schools; Kathryn Barnard, Marshall County; Bismark Evans, Suttle High School; Perry County. Alice Hamric, Ashland City Schools; Mr. and Mrs. Frank Heaslett, Springville City Schools; Rex Hooten, Riverview schools; James "Red" Kemp, assistant director Bessemer Y. M. C. A.; Verlon Ledbetter, Russellville City Schools; Sara Lynn Ogletree, Talladega City Schools; Audrey Scott, Calhoun County Schools; Wilson Wyatt Tarleton, U. S. Navy; Jimmie Parris Williams, Susan Moore High School, Blountsville; Helen Barnes Wilson, Gadsden City Schools; Veta Word, Scottsboro, teacher of public school music; John F. Waters, Alexandria High Schools.

A majority of the summer graduates hold teaching positions already and those names above are mainly those who have not taught before.

SCHOOL OPENS

(Continued From Page 1)

Maude Luttrell, of the college faculty. Informal introductions were made and iced punch was served.

At the Baptist Church, a delightful evening was offered those who attended, with the Rev. Ross Arnold and a large number of church members extending welcome to the students. Games were played and tempting refreshments served.

The Presbyterian manse was the scene of the reception for students of that denomination. A program was presented by Mrs. J. H. Jones and her committee.

Cookies, sandwiches and punch were served. The Rev. A. C. Summers, pastor, was in Sylacauga at the Synod of Alabama, and was not present. Mrs. Summers acted as hostess and was assisted by other members of the church.

Laboratory School Opened Tuesday

The elementary and secondary departments of the Laboratory School opened Tuesday morning for registration. Several new supervisors were present to enroll stu-

Cheer Leaders Are Elected By Team

The members of the college football team met Tuesday evening in the Physical Education building and elected cheer leaders for the remainder of the current gridiron season.

Carl Sanders, sophomore from Anniston, received the highest number of the votes cast, and automatically became head cheer leader. John Coleman, another Anniston sophomore, was the only other boy selected. Christine Glass, veteran Jax yell leader, Ruth Mae Ware, and Sara Jo Harrell were the girls chosen. Christine is a senior from Jacksonville; Ruth Mae Ware, sophomore, claims Gadsden as her original home; and Sara Jo Harrell, freshman, is also from Anniston.

The student body should give their fullest cooperation to these boys and girls who are to lead us in yells and cheers. They are, in a manner, the chief inspiration dispensers for the team and student

system of play, which, as introduced here, is a modified form of the original Rockne system.

Excellent Backfield

The Eagle-Owls have a very good chance of defeating the Hiwassee eleven. The backfield, especially, is unusually strong this season. With Meharg and "Pop" Gregg, quarterbacks, Small, Shelton, Friedman, and Little, halfbacks, and Colvin and Turner, fullback, no better assemblage of runners, kickers, and passers has been seen on the local field for several years. The only veterans in the line are Hill, Elmore, Bowen, and Wilson; newcomers include Witt, R. Gregg, Moss, Hoyle, R. Little, Simpson, Saddler, Ayers, Meadows, and Prickett.

A probable starting against Hiwassee is as follows: Hill and Moss or Hoyle at ends; Wilson and Bowen, tackles; Elmore, center; Shelton and Small, halfbacks; Meharg, quarterback and Colvin at fullback.

Murfreesboro Beats Jax Eagle-Owls

Final Score Reads, 47-7; Game Was Played in Murfreesboro

Striking with swift and deadly blows, Murfreesboro Teachers ran up a 46-to-7 score on the local football eleven Friday night.

Fourteen points were scored by the Middle Tennessee boys in the first five minutes of the game, one touchdown coming on a sustained drive and the other on a sensational 60-yard run. Neither team scored in the second period, but Murfreesboro counted just after the last half started on another pretty run of 65 yards.

The Owls scored their touchdown soon after this when Ed Colvin tossed a pass to S. Gregg who crossed the twin stripes. Extra points having been made after each score, Murfreesboro led 21 to 7 going into the last quarter.

Badly exhausted, the local boys playing their first game of the year, were no match for Murfreesboro in the last period and the Tennessee team put three more markers across to run the final count up to 46 points.

Murfreesboro consistently resorted to passes and wide end sweeps mixed with end runs to make their yardage. Ed Colvin and Small were the most impressive backs to work in the Jacksonville backfield.

Brothers Watch Brothers Play

Brothers were on the sidelines to witness brothers play when Wedowee and Jacksonville High School played the gridiron game here Friday. Paschal Haynes, J. S. T. C. student, had three brothers on the Wedowee first team. Claude Braswell, another J. S. T. C. student, watched his brother play the regular left end position for Wedowee. Bassitt, Frank's brother, was also with the visiting squad.

FIGHT, TEAM, FIGHT!

Mornin' all of you able supporters of J. S. T. C. This is station B-L-A-B coming to you straight from your Personnel Director's office. We hope you're all feeling fine and dandy and have stored up enough energy and pep to last you through the coming football season.

The team met one night last week and selected cheer leaders for this year. You probably already know who they are, and we hope you know that we are going to do everything in our power to put pep into the cheering section. We hope to make it THE best cheering squad for THE best team!

We need cooperation to have a school that is noted for its pep, and we can really stir up some noise if the students will just get in there and Y-E-L-L!

From all of the talk that has been floating around over school, we have a swell team this time. In fact, we have heard that it is the best one yet. Of course we are giving credit to our two new coaches. You have probably met them, but just in case you haven't, we introduce to you two very fine men: Coaches Smith and Hawke. We think that when you have seen the team play their first game you will agree that our two coaches know what it's all about.

The coaches have worked hard, the team has worked hard, and the cheer leaders are working hard. The least the student body can do is support all of us.

We, the cheerleaders, beg you on bended knee to cooperate with us and encourage our team on to victory.

We are going to have mimeographed copies of all the yells and songs for you to learn, and we don't mean look at—we mean learn. A notice will be placed on the bulletin board when and where to get these copies.

—The Cheerleaders

Freshmen Take Physical Exams

For the first time in the history of the college, a physical examination, comprising strength, agility, intelligence, and power tests, was given by Dr. C. H. McCloy of Iowa State University to every freshman entering school this fall.

The purpose of the examination as stated by Dr. McCloy, is the preparation of a definite record from the results of each test to determine in which field the student is most lacking. Under the careful supervision of the physical education teachers, the fault may be correctly remedied. Also, the record will enable the instructor to plan his classes in such a way as to fit in his program with the faults

time the Eagle-Owls meet Snead Junior College.

Wedowee Defeats Golden Eagles

A talented band of Wedowee clawed their way to an easy 26-to-0 victory over the Jacksonville High Golden Eagles here yesterday afternoon.

The first touchdown came early in the initial period when Jacksonville got off a bad punt giving Wedowee the ball on their 40 yard line. Three plays meant six points as Anderson scored on an end around.

An intercepted pass which came shortly afterwards gave the visitors the ball on Jacksonville's six-yard stripe. A five yard penalty and Matthews' drive through the center of the line meant six more points. Anderson converted making the score 13-to-0 at the half.

A forward lateral in the third period carried for 30 yards and put Wedowee on the Jacksonville 25. Traylor carried the ball to the six yard marker and he scored on the following play. The last touchdown was scored by means of an intercepted pass which carried 20 yards to the Eagle 10 yard line. Matthews moved the ball forward four more yards and Anderson carried it over.

Jacksonville never seriously threatened to cross the Tiger goal line and played a defensive game throughout. Frank Casey, halfback, was outstanding on defense for the losers. Traylor, Anderson, Matthews, Braswell and Haynes were best for Wedowee.

Line-ups: Jacksonville—Reeves, left end; Bryant, left tackle; Ford, left guard; Sewell, center; Gidley, right guard; Rivers, right tackle; McCrelles, right end; Miller, quarterback; Shipman and Casey, halfbacks. Wilson, fullback; Blair, Howard, Johnson, Jenkins, substitutes.

Wedowee—Braswell, left end; Kerr, left tackle; Bradley, left guard; C. Haynes, center; E. Haynes, right guard; Perry, right tackle; L. Haynes, right end; Bunds, quarterback; Anderson, left half; Traylor, right half; Matthews, fullback; Paris, Morrison, Strain, Gross, Biddingfield, Burrison, Barton, Fincher, Boyd, Perry, Cofield, substitutes.

detected in each pupil's physical make-up.

The series of tests were as follows: Tests of strength: Right grip, left grip, back lift, leg lift, chinning and dipping (for boys), pulling and pushing (for girls). Dr. McCloy supplied the school with the necessary instruments for conducting the above tests.

Also a complete check-up was made as to weight, height, condition of eyes, ears, posture, and feet.

The staff assisting in the examination was composed of the physical education department instructors, Doctors Williams, Rayfield, and Green; Nurses Ray, and Mitchell, and a number of upperclassmen.

three quarters; Hoke Bluff chalked up three first downs to none for the Eagles.

The only scoring threat of that period, and Jacksonville's only threat, came in middle of the second quarter when Haywood of Jacksonville punted to Griffith, who fumbled on his own eight yard line. McCrelles, end, recovered for Jacksonville. After two unsuccessful thrusts at the Hokes Bluff line, the Eagles lost the ball when Shipman's pass, intended for Reeves, was intercepted.

The Hokes Bluff lads scored both of their touchdowns on passes. The first came after the visiting team had gained 25 yards on a "razzle dazzle", triple reverse play, which carried the ball to the Jax 10-yard line. A line play gained two yards. A pass fell incomplete, but on the next play a toss from Robinson to Griffith was good for six points. Danehower's try for the extra point was good.

Again, with only a minute or so to play, Hokes Bluff intercepted a Jacksonville pass, and scored two plays later on a toss from J. Robinson to J. D. Robinson. Danehower failed to convert. The final gun sounded just after Jacksonville had received the kickoff.

Outstanding for the visitors were Griffith, elusive safety man, and J. D. Robinson. Turning in sterling performances for the Eagles were McCrelles, Shipman, Casey, and Johnson, end, who played with a broken nose and an injured elbow.

The lineups—Jacksonville: Johnson and McCrelles, ends; Cantor and Rivers, tackles; Ford and Gidley, guards; Sewell, center, Miller Wilson, Shipman, and Meadows, backs; and Kilgore, Haywood, Blair, Howard, Maxwell, and Casey, substitutes. Hokes Bluff: L. Robinson, and D. Robinson, ends; J. Herring and Harry Gowens, tackles. Lambrick and Morris, guards; Danehower, center; Griffith, J. D. Robinson, Gazaway and Hugh Gowens, backs; and Shaw, Daniel, Pritchett, Wise, K. Herring, Dean and Nelms, substitutes.

Cookies, sandwiches and punch were served. The Rev. A. C. Summers, pastor, was in Sylacauga at the Synod of Alabama, and was not present. Mrs. Summers acted as hostess and was assisted by other members of the church.

Laboratory School Opened Tuesday

The elementary and secondary departments of the Laboratory School opened Tuesday morning for registration. Several new supervisors were present to enroll students and to begin their work. Many changes will be made in order to conform with the new curriculum and the addition of secondary education.

An attractive addition to the schools this year is the promise if a school band. E. F. Ray, former director of the Sylacauga High School band, will be in charge. Mrs. R. K. Coffee will teach piano.

Telegrams Sent

When the Eagle-Owls played Tennessee Teachers College in Murfreesboro, Tennessee, Friday night, they received a large number of "good luck" telegrams from Jacksonville. The dormitories, four in all, the faculty, the student body, and the cheerleaders all sent separate telegrams. In addition to all of these, a wire was sent signed by almost two hundred students, and an hour was taken up in sending it.
