Graduation Exercises To Be Held August 16

First French Student Arrives On Campus

On Monday, July 29, Mr. Fernand Marty arrived from France. Mr. Marty had been expected to arrive about the first of September. Mr. Marty, however, was able to get a plane reservation, enabling him to arrive here much earlier than the other visiting students.

The Class Officers' Dance, Friday July 30, proved to be a big success. The music was furnished by the Third Regiment Band. The success of the dance was due to the good cooperation of the Social Committee which has the duty of planning the social events on this campus. This Council is not to replace the Local Committees which has the duty of planning the social events on the elementary school. The purpose of this Council may be stated in the following tentative form:

1. To stimulate wider student participation in club programs.
2. To stimulate better planned programs in clubs and organizations.
3. To coordinate activities and avoid conflicts and overlapping of club programs.
4. To encourage initiation of new clubs and activities as needed.
5. To procure authority from the Student Council to initiate new programs.

Mr. Marty related in French to the advanced French class the events of his trip. His plane was grounded in Ireland for more than a day when engine trouble developed. The next step after leaving Ireland was to be New York City, but the plane was sent to London instead because of bad weather. After a few hours in London, the plane left for New York.

The Class Officers' Dance will be held October 14.

Final Meeting Of Kappa Delta Pi Is Held August 7

The members of Kappa Delta Pi held their last meeting for the summer quarter on Wednesday afternoon, August 5, in the student lounge. M. L. Roberts, president of the society, called the meeting to order and turned the program over to Mary Coh, vice-president, who introduced the guests, Dr. J. R. Jones, associate professor of education, and Mr. Walter Mason, head of the Fine Arts Department, sponsored a musical program for the final assembly of the summer school session on Tuesday morning, August 6, at 10:30 o'clock. The program consisted of a group of selections played by members of the college music.

Mr. Walter Mason, head of the Fine Arts Department, sponsored a musical program for the final assembly of the summer school session on Tuesday morning, August 6, at 10:30 o'clock. The program consisted of a group of selections played by members of the college music.

Clubs To Unite In Inter-Club Council

An Inter-Club Council, composed of representatives from each of the campus organizations, has been organized, and the group has met to discuss plans for future direction of the social life on the campus. This Council is not to replace the Local Committees which have the duty of planning the social events on this elementary school, but is more a reform of the same organization which has the duty of planning the social events on the campus.

The purpose of this Council may be stated in the following tentative form:

1. To stimulate wider student participation in club programs.
2. To stimulate better planned programs in clubs and organizations.
3. To coordinate activities and avoid conflicts and overlapping of club programs.
4. To encourage initiation of new clubs and activities as needed.
5. To procure authority from the Student Council to initiate new programs.

Mr. Marty outlined the advantages of a teacher in France. Teachers receive about sixty dollars (American money) each month. They get a ten-weeks vacation in the summer with pay, and they are paid for the time they miss because of sickness. Teaching positions are held on a competitive basis, but capable teachers are preferred. Mary Coh, vice-president, who introduced the guests, Dr. J. R. Jones, associate professor of education, and Mr. Walter Mason, head of the Fine Arts Department, sponsored a musical program for the final assembly of the summer school session on Tuesday morning, August 6, at 10:30 o'clock. The program consisted of a group of selections played by members of the college music.

Former Gov. Frank M. Dixon Will Be Baccalaureate Speaker

Former Governor Frank M. Dixon of Birmingham will deliver the baccalaureate address to the graduating seniors during the commencement exercises to be held on June 16.

Mr. Dixon will be introduced by Mr. Walter Wallace, who is the master of ceremonies. Mr. Wallace will deliver the introductory address, and will also deliver the valedictory address.

Vets Elect Wallace To Head Organization

The Veterans Club, at the regular meeting on July 25, elected new officers for the upcoming school year. Walter Wallace was elected president and will be assisted in performing the executive duties of the Veterans Club by Donald McClellan, vice-president; John Spark, secretary; Sam Morris, treasurer; Ralph Jackson, chairman of the social committee; and James Monceaux, chairman of the program committee.

Retiring officers are Anton Hand, president; Kermit Young, vice-president; Wallace Wallace, secretary; and Sam Morris, treasurer.
The housing shortage grows more vicious. There was a project of building a dormitory at the university, but the cost was too high. It was decided to use the trailers instead.

As for the social activities, the Student Council has planned a series of events including dances, sports meetings, and outdoor activities.

Barbecue Clinmaxes Vet Club Activities

The Student Council has decided to sponsor a barbecue picnic as a way to strengthen the bond between the students and the faculty. The event will be held on the campus lawn and will feature live music and food from local vendors.

ANDERS RETIRES AS PRESIDENT OF S. G. A.

President Anders has stepped down after serving the university for 10 years. He will be succeeded by the current vice-president, Mr. Hand.

Contracts For New Buildings Soon To Be Bid

President Cole has announced that the planning for new buildings will begin soon. The contracts for the new buildings will be bid out to the lowest bidder. The new buildings will include a new dormitory, a new library, and a new gymnasium.
Chords Or Discords

The extra-curricular activities of S. T. C. are growing rapidly. One activity that many students seem particularly interested in is music. Since so many are interested in music, they are growing rapidly. Many of our students seem particularly interested in music because someone downstairs has to get in. Why shouldn't a special room be set aside for no other purpose than for music practice? It is especially irritating when in the middle of a test someone begins to sing-the scales or tries to finish his two hours of practice. It is especially irritating when in the middle of a test someone tries to finish his two hours of practice. It is also disturbing to hear the fact that he has been too lazy or too careless to do anything about it. It is amazing that so many students at JTC, particularly students who expect to go into professional life, will make such common errors as “I seen”, “I taken”, “He took”.

Incorrect pronunciations are just as bad. If a student says he wants to be an “art-chivist”, or a “mystic”, or “a writer” the fact is recognized that he has a fine ambition, but he will never succeed. If he is ambitious enough, there have been thousands of educational opportunities will be available to him, but his semi-illiterate speech, his obvious lack of cultural background will be insurmountable barriers to his success in a profession.

Let us not fool ourselves, in spite of the talk about democracy and educational opportunities for all, the professions require more than a degree from a university. They require people with a wide cultural background, people who can express their ideas on paper and in a speech; it is not enough to know all the intricacies of the law or technical details of the most complex engineering problem. The pity of it is that only a comparatively few realize their deficiencies and do something to correct them.

Mend Your Language
Lest It Mar Your Fortune

Like it or not there is a class distinction in language. As soon as we speak, strangers begin to classify us, and if our vocabularies are haphazard and haphazardly they will receive the impression of colorless and commonplace personalities. If our vocabularies are poor, and if we mispronounce words, they come to the conclusion that we are lacking in intelligence. A person may be ever so well-groomed, be good looking, and have all the outward appearances of good breeding and fine intellect, but if he mispronounces words, if he misspells them, if his grammar is incorrect, and if he is deficient in the fine art of pronunciation, it is advertising to all who hear him that he has early education has been limited and that he is not accustomed to the society of cultured people. He is also publishing abroad the fact that he has been too lazy or too careless to do anything about it.

It is amazing that so many students at JTC, particularly students who expect to go into professional life, will make such common errors as “I seen”, “I taken”, “He took”. It is especially irritating when in the middle of a test someone begins to sing-the scales or tries to finish his two hours of practice.

Shall I Marry Now?

Whether to marry now or not is a big question which confronts the young people of to-day, especially the college students. A crisis has followed the war, a period of uncertainty—a period of problems which even the greatest authorities dare not attempt to the outcome of. Many of the veterans of this war have come home, flooding the colleges past peacetime capacity and taking advantage of the wonderful opportunity they have, which is a good thing, but these people have returned more serious minded, more responsible.

Calendar
Fall Quarter 1946-47

September 9, Monday: Registration for Fall Quarter Freshmen
September 10, Tuesday: Registration for Fall Quarter Upperclassmen
September 11, Wednesday: Class work begins
October 21, Monday: Last day for entrance for a half-quarter's credit
November 27, Friday: Quarter closes
December 2, Monday: Registration for Winter Quarter
December 3, Tuesday: Class work begins
December 20, Friday: Christmas holidays begin at noon
January 27, Monday: Last day for entrance for a half-quarter's credit
March 7, Friday: Quarter closes
Spring Quarter 1946-47
March 11, Monday: Registration for Spring Quarter
April 21, Monday: Last day for entrance for a half-quarter's credit
May 29, Thursday: Graduation exercises
Summer Quarter 1947
June 2, Monday: Registration for Summer Quarter
June 5, Tuesday: Class work begins
July 14, Monday: Last day for entrance for a half-quarter's credit
August 14, Thursday: Summer graduation exercises

Ye Olde Gossip

FRAN WATSON, who is this GEORGE we hear so much about? We'd really love to know more!

MARTHA STAPP and ED seem to be on the “outs” again—Oh, I bet they say the “course of true love never runs smoothly.”

Wedding bells have just rung for CHRIS GOGGINS! We wish you oodles of good luck and happiness, CHRIS! Congratulate the groom for us.

LOIS BOYLES, can't you make up your mind which guy you want? Or is it more fun to keep several of the string—cold—so to speak?

If you've seen several new but good-lookin' lassies around the Apartment this summer, I think an investigation will prove they're "KAT" graves, BELL BRYANT, and JOHNNE RHODES! They've all been an added attraction—with no extra charge, boys!

DENNIS ELLISON, don't you know you can keep a fellow in hot ashes just so long—and then it ceases to be funny? Better watch your step, Indy.

SARAH JONES, we hear you've turned "civilian" overnight! What's wrong—did you get your "discharge" from the Army?

WILMA ANDREWS, we're glad to hear that you and TOMMY have forgiven each other and started all over again. We think that's the right spirit; keep it up!

You've been quite a hit lately, HELEN LOBE. Just WHO is No. 1 on your Male Parade by now?

WALTER WALLACE is a frequent visitor to the Apartment these days. Better watch it, girls, especially you folks in 205.

"SLIM" ROBINSON is determined to get in shape for that cheerleader's position next year. He is seen quite frequently doing roadwork between Jacksonville and Aniston.

"RED" HAWKINS, the supreme bum, has just received a carton of cigarettes through the mail. Take it easy on him, boys.

"It C." (Banny) NEWMAN never seems to learn that football practice is not held at the "Rec" on Wednesday nights.

MARY CLIFFORD and MILLENT, you will simply have to brush up on your table manners. Such actions are not allowed at Ward Belmont.

DESKILL, do you want to clean your bed by 10 o'clock every morning? We want to know your secret.

HARDEGREE, are you really out to win BOB SMITH or are you just trying to make "JIMMY" jealous?

What's this we hear about JACK AMOS ordering "Scientific Attitudes"—one for him and one for WAYMAN—also praying for a "little" burden.

"HAPPER" SHARP has moved to Daugette. He occupies the first couch on the right in the Arcade. BOB SMITH has rented the comfortable rocker next to the water fountain.

For rent: The mailboxes at Daugette. They are neglected and in a speech; it is not enough to know all the intricate details of the most complex engineering problem.

Miss Daugette. They are neglected and in a speech; it is not enough to know all the intricate details of the most complex engineering problem.

Mary is not accustomed to the society of cultured people.

The noise of the people going to class or someone outside talking loudly distracts their attention. Many students have waited several hours for a piano; when they finally find one that isn't being used, some student has decided that his class is long overdue and asks the student to please go somewhere else. But there is no place to go. This is a period that no one wants to do wander in where someone is trying to learn his next music lesson and create a disturbance by talking quietly, but the music continues.

Music is both inspiring and calming, and no campus is quite complete without it. It would be enjoyed much more if there was a properly designed and we could carry on the rainy finished product.

**Inter-Club Council**

"All work and no play makes Jack a dull boy." While Benjamin Franklin penned this phrase, he doubtless had no idea it would develop into an often-repeated cliche, one that seeks to stress the importance of leisure in college life. An education, to be complete, should not consist of academic work alone, but should be augmented by extra-curricular activities and social life. One of the most important aims of education is to teach the individual to adapt himself to the conditions specifically tied to this life. This is achieved through the study of a textbook alone, but must come from actual experience and contact with people. There are many advantages on the campus furnish this contact.

The adage of Poor Richard can work two ways, however, and too much club work and social activities can result in more harm than good.

The danger is great when too many clubs spring up on a campus, membership resulting in no definite gain in knowledge or recreation. It is then seen that the bulk of responsibility and leadership falls on the shoulders of a very small percentage of students practicing practically in-active and missing valuable experience as a result.

In order for extra-curricular activities to be beneficial to the student, all organizations on the campus need to have an over-all supervision by some group, integrating them, eliminating confusion, and either abolishing or reorganizing those clubs which have no useful function, but merely exist. There is a definite need for complete clean-up of extra-curricular activities. This need has been realized, and a movement has begun to rectify conditions by organizing an administration which can be persuaded to take the Inter-Club Council to have jurisdiction over all clubs on the campus, to supervise them, and to encourage their growth. This council, composed of representatives from every organization on the campus, is now functioning. Students in the fall may look forward to better-organized, stimulating campus organizations.

**Shall The Old Spirit Be Revived?**

Periodically some one writes an editorial concerning "grиров" and their worries. It seems that in the past few months here on the campus we embark on some scheme other than find fault with something unpleasant—usually the other person and his actions. This constant nagging can finally become nerve-wracking for the whole student body. Only when the students join together might this weakness be made to work a few

One important step to be considered might be in the form of a vow to our own souls. Let us stop existing merely to find fault with countless seemingly unpleasant incidents which occur on this campus. What we must do is to find beauty in the wonderful opportunity they have, which is a good thing, but these same individuals have returned more serious minded, more responsible, and more grown up than the boys who left. These new personalities have a tendency to want to settle down—they want to learn more, they want a wife, a home, a family of which they should not be deprived of.

Marriage is a sacred institution and should be entered into with the utmost reverence. All angles should be considered before this final step is taken. To be sure, all those contemplating marriage need not wait until the completion of their education. However, it is a bit of wisdom that all young couples should take into account: The "real" thing will not last the "try" thing.

The whole life of an individual is based upon competition, and the higher position one seeks is to be maintained. But even the capable marries, he will be able of maintaining the fair reputation of the college, and thus, for the game of life should in no way be sacrificed for an early marriage.

The future of this country depends upon the youth of today and the paths they choose to walk. To achieve this goal for themselves, they should not know the requirements before they may seek to obtain the higher position, one seeks the stiffer competition he will have. The higher position one obtains, the more capable he will be of maintaining the fair reputation of the college, and thus, for the game of life should in no way be sacrificed for an early marriage.

The TEACOTA staff and council of the students of the JSTC and the TEACOTA staff of the JSTC in the new coming year. The first of a series of films appears in this issue. It is hoped that Adams' cast and paper has increased the pictorial content of the monthly and illustrated to keep as vivid as possible little life at JSTC. Truly, this church in this edition of the TEACOTA is a situation of which we are proud. In our school publications, we hope that an added cartoon will help to boost student morale and add that variety which we all like to have in our school publications.
Civil Air Patrol

French Students To Arrive Here In Late August

By M. Bernard Marty

Soon-time next month Jacksonville will witness the arrival of the three other French exchange students Madame de Renault. Madame de Renault is in charge of the French House, and will be responsible for seeing that her students are served well in the University atmosphere to all the students who have chosen to become members of the Veterans Club program which is to begin next fall term. Members of the club meet regularly to discuss and prepare dinners. Madame de Renault is also the owner of a "livre cuisine" dedicated to her by one of Paris' best chefs who has had the opportunity to try Madame de Renault's talents.

VETERANS SPONSOR ASSEMBLY

An impromptu variety show sponsored by the Veterans Club was presented at the student assembly of July 30 at the regular hour. "Turk" Moncus presided and delighted the audience with his wit and humor.

By Anon Y. Mous

Let us put ourselves into the picture, even if it be in the year 2046. Assume the centerpiece will be accented by tall yellow candles burning in peak fashion. The room's atmosphere is Parisian, with fine voices; and Ralph Jackson, John Morrow, Jackie Cobb, Morrow, John, and Colen Vick, Don Casey. Other names not mentioned are the pilots and their wives.

Members of the Jacksonville Flight of the Civil Air Patrol and the Elementary Aeronautics class have been given their orientation flight in the primary training plane, PT19, recently made available to them for flight instruction. This plane is owned and piloted by Russell Carries, operations officer, and will give the primary flight lessons. This plane is 20 years old and is the only plane in the area. It has a capacity of 10 persons. The most recent purchase was a 1947 Cessna 195, which is the training plane for the Civil Air Patrol. Miss Spears was teaching in Gainesville and Mr. Dieckhoff was stationed at the Air Force. After their wedding, they went to Colorado Springs for a few days and made a tour of Denver and Pike's Peak.

Miss Spears was a popular and capable while here. She was employed in the registrar's office and was active in a number of campus organizations and in the activities of the veterans group. She has been promoted to superintendent of the Opelika schools. Mr. Green has a master's degree from Auburn. He received his B.S. degree from the University of Alabama towns and was a member of the Snead Junior College faculty at one time.

Mr. Clark succeeds Robert Har- dwick who has become superintendent of the Shawmut schools. He has taught in Riverview since the grade school there.

KENDRICK-PHILLIPS Florida Phillips, who graduated with the June class, was married to Lloyd Walker Kendrick in the Silver Chapel at Fort McClellan on August 28. The ceremony was performed by a chaplain and was attended by members of the immediate family and a few close friends. Miss Barbara Minter was the bride's only attendant.

The bride wore a becoming fall outfit with black accessories. Her corsage was an orchid.

After their wedding trip, Lieutenant Kendrick and Mrs. Kendrick returned to Remington Hall at Fort McClellan for a few days, and are now living in Jacksonville. Lloyd Kendrick will be transferred to Fort Bragg, N.C., in September.

The bride was a popular student and took an active part in all campus affairs. She was chairman of the Social Committee and vice-president of the Student Council, and received other honors including college attendance.

BELLS-CLARK

The marriage of Miss Margaret Claire Bell to Mr. Daniel Allan Clark was performed in the West- erly Chapel, University, at 1:30 yesterday evening, June 14. The ceremony was read by Rev. W. M. Echols, Head Chaplain, Fort McClellan.

For her wedding, the bride wore ice blue crepe with pearls and matching accessories.

The bride and groomsmen are both graduates of the class of 1949. The groomsmen were one of several military schools attended by Mrs. Kendrick, and the bridgegroom was awaiting overseas service.

Campus Personality

On The Spiritual Side

WESLEY FOUNDATION

The regular meetings of the Wesley Foundation have been held each Wednesday evening at 7:30 in the University Community Church. The next meeting will be held at 7:30 on Wednesday evening, August 26.
WESLEY FOUNDATION

The regular meetings of the Wesley Foundation have been held and a variety of interesting and spiritual programs have been presented for entertainment and enlightenment of the students and guests.

YOUTH RALLY

The Wesley Methodist Church was host to the Methodist Youth Association meeting of Calhoun County on Monday, July 23. Approximately one hundred delegates representing the Methodist Episcopal Church, South, were present for the occasion. Refreshments were served on the lawn of the education building immediately after the program.

Candlelight Service

Marlene Beltran, a sophomore visitor of the Skeetors, pressed at the evening service of the Wesley Foundation Sunday, August 9. Candlelight was used for a very impressive atmosphere, and a military band, which Francis Striplin led, the "Chimes of the South Carolina Methodist University," and material from the Methodist magazine, Motive, was used. "A Horse and a Girl With Me" was read by Nancy Harper, chairman. Miss Harper was accompanied by her great aunt, Mrs. T. C. Harper.

TCH assembling

College students were invited to a church picnic on the afternoon of July 24. A large group of students and church members enjoyed a great day at the Ansinat Beach despite threaten- ing weather. The college students sang and listened to a message throughout the fellowship with other church members. Many students questioned that we en- tered, through the TEACOLA our tenants, become a part of the Methodist Church for this courtesy.

ORCHIDS TO:

All those people who are re- sponsible for a successful school year.

To Sara Hardeger for being so friendly to everyone.

To Monsieur, for imme- diately becoming a part of the college.

To Miss Dora Wood for being so helpful.

To Blake McCollum for the beginning a splendid job as editor of the Jaxpub.

On The Spiritual Side

ADELE IS NEW PRESIDENT

Opat Adair has been elected to serve as Baptist Student Union president for the fall semester of 1945. She is taking office instead of Miss Dora Wood who will be in school during the fall quarter.

Class Officers' Dance

The new executive council is planning to meet on the campus on September 28. The Class Officers' Dance will be held Friday, evening, September 29. Tickets will be sold at the door.

Catherine Painter Honored with Shower

Miss Kathyrn Painter, graduate of Jacksonville State Teachers Col- lege, was honored with a bridal shower at the Stu- dent Leader's of B.B. Graue Hall on Tuesday afternoon, July 30, from four until five o'clock. Miss Painter was greeted at the door by Misses Ethel Triplett, College student, J. W. Huntington, J. W. Huntington, secretary; Jackie Cobb, recreation chairman; M. L. Roberts, editor of the college paper; Will- i思想er Parker, MOTIVE subscri- ption chairman; and Mrs. E. W. McCollum, President of Wesley Foundation.

Jokes

A small man, in return for being locked in a cell, requested the results of his applied mathematics class since the new mechanism that he had built, was destroyed. He was told that he had always had a secret desire to possess a patent on ship- building. The steamship was raised to $2.00. He bid $5.00. The seller raised the price to $10.00.

Another parrot was knocked- over on the floor.

As he counted out his money, he asked; "You can't sing a song again for her in Chattanooga, can you?"

"Yes, sir."

"We'll do it in the gypsy way through which the class- mates and their dates entered the dance hall.

Mr. and Mrs. Ernest Stone, C. T. Harper, were honored with a dinner at the B. S. U. Library on the Green by Miss M. M. Wicker, Margaret Stang, and Mrs. Pauline Webb. They were chaperons for the dance of the 1945, 1946, 1947 gypsy parade. Bright colored paper and huge balloons added the final gypsy effect.

The gypsy danced throughout the ballroom with her dates and was present September 20 to direct the gypsy workshop and lead the execu- tive council in conferences on methods and plans for B. S. U.

Student Social

The executive council consists of ninety students attending the watermelon cutting sponsored by the B. S. U. August students were entertained at a social gathering at the Student Union work for the 1945-46 school year. Howard Hal- sall, state student council, will be present September 28 to direct the gypsy workshop and lead the execu- tive council in conferences on methods and plans for B. S. U.

New Officers Elected

New officers of the Wesley Foundation were elected at the regular meeting of the Executive Council. Following presenters will assume the duties of their respective officers in September: Frances Striplin, president; Marvereven Henley, vice president; Betty K. Chestow, secretary; Jackie Cobb, recreation chairman; M. L. Roberts, editor of the college paper; Wil- linder Parker, MOTIVE subscrip- tion chairman; and Mrs. E. W. McCollum, President of Wesley Foundation.

To "Missy" her friends for being such good sports.

To the graduating seniors for their perseverance through the year.

ONIONS TO:

To all those who have attend- ed the Class Officers' Dance.

Jim M. "Take a cigarette, Ernest!"

"No, I guess not."

"I've got so many tastes now that I can't satisfy that I couldn't take on any more!"

The sailboat leaves on a large city entered an auction room. They were sold for $2.00. The owner raised the price to $10.00.

"Why, yes, that's the way we do it in the gypsy way through which the class-officers and their dates entered the dance hall."
JSTC Wins Last Game Of Softball Season

Wednesday, Aug. 14, 1946

JSTC Wins Last Game Of Softball Season

The college softball team ended the season August 8 with a win over Rainbow Drive, Gadsden. This win, by a score of 11-4, gave the local team a clean sweep of three games series with Rainbow Drive. Southern was the winning pitcher for the JSTC team, and Hammon led the team on defense. The team was in support from the stands in batting by getting three hits at the plate.

In the last game played this season, the college team won against the Saint John's team. The team lost two games to Piedmont YMCA; however, JSTC won through from the game to take a five game series. One game was lost to Dwight, however JSTC did the best they could by getting a few hits at the plate.

Above is the softball team which tied one game and won fifteen of the nineteen games played this season. The team has done a remarkable job with some support and credit for their series of victories goes to players and coach.

The members of this team are John Spurlock, Marvin Lovelady, James Haywood, Grafton Sharp, Tom Arrington, Claude Bennett and John Hammont, first row; George Nanoarow, James Nolan Jones Morton, Yurman Jones, Monroe Norris, Morris Freeman and Bruce Chase, second row.

SOFTBALL BATTING AVERAGE

JSTC team's average is .472 and that teachers are the third from Sharp. Haywood, who dropped one point to his average to 4.75, is the team's most consistent hitter and was selected for the All-State team. Haywood, who dropped one point to his average to 4.75, is the team's most consistent hitter and was selected for the All-State team. Haywood, who dropped one point to his average to 4.75, is the team's most consistent hitter and was selected for the All-State team.

PROTEST COMMITTEE

This committee will argue against any question pro or con for students or administration. This service is to be rendered for any person or persons that do not have the time or ability, or intellinetly to present their own problems or questions to the proper persons. A nominal fee will be charged for services rendered.

For further information, contact Audley Bruner, Eugene Malone, or Troy D. Dandy.

STTC Wins Two From Rainbow Drive

The college softball team made a complete sweep of the two game series with Rainbow Drive, Gadsden. Rainbow Drive was defeated in the first game by a score of 6-4, and in the second game, played at Jacksonville July 28, by a score of 16-0. In the first game Lovelady had Rainbow Drive for four hits. Morton and Chase led the team at bat by getting two hits 9930 official trips at the plate.

For further information, contact Audley Bruner, Eugene Malone, or Troy D. Dandy.

STTC Wins Two From Rainbow Drive

The college softball team made a complete sweep of the two game series with Rainbow Drive, Gadsden. Rainbow Drive was defeated in the first game by a score of 6-4, and in the second game, played at Jacksonville July 28, by a score of 16-0. In the first game Lovelady had Rainbow Drive for four hits. Morton and Chase led the team at bat by getting two hits 9930 official trips at the plate.
Happy Vacation

ANNOUNCEMENT
The new Taylor Craft deluxe airplane which was ordered for flight training during the fall quarter has arrived and will be available to college students and Jacksonville citizens who wish to learn to fly through the college aviation program. Members of the Civil Air Patrol and aeronautics class have already given their orientation flight in this trim, comfortable, modern train-

cing plane.

Gray's MERCANTILE

WHAT WOULD HAPPEN IF?
Mary were a shock instead of a Cub?
Hollis were a bishop instead of a Pope?
Mary Lou were a repile instead of a Byrd?
Louise were solids instead of Water?
Morris were a prisoner instead of a Freeman?
Jimmy were black instead of White?
Anna Wray were sisters instead of Brothers?
Herbert were dark instead of Light?
Evil were a joke instead of Sharp?
