The Masque and Wig Guild has selected its cast and has set a date for its forthcoming presentation of the three-act comedy "You Can't Take It With You." We have just recently read this hilarious comedy and, believe us, it is really funny. We have seen and read a lot of funny plays in our time, but this one tops them all. It has a laugh a line. The cast is an excellent one and the date of presentation has been set as Wednesday, December 17, 1947, place, the "Bee" hall. The director, Mr. Lawrence Miles, and the cast are really working hard to make this the first stage play a tremendous success; so let's all back them and help make it a success by being a large audience. Remember that the success or failure of any stage play depends upon the audience. Let's make it a success. Shall we?

Basketball got underway with a bang last week. The Jacksonville engineered tremendous North Georgia and Oglethorpe University with plenty of points to spare. We wish these boys all the success possible, and we believe they have it. They are a fine bunch of ball players.

All of the boys at Abercombie and Pannell Hall are really happy about their basketball team. We haven't had the opportunity to look at the new buildings ever, but, from reports they are strictly all right.

We see by our favorite comic strip that the great race of Sadie Hawkins Day is on in Dogpatch. According to a Trans-Slobavian Cakemix, Slobovia's fearless correspondent Quintal Rauptinneyneehol has notified the Chip-ettes of the Slobovian press that the horror increases and the cruelty is more than flesh and blood can stand. Here we remember the Sadie Hawkins day race that took place on this campus last year. Our old friend Paul Adams, cast the Elementary P. T. A. and other civic groups were represented in the parade, as well as many privately-owned automobiles elaborately decorated in the college colors.

An American correspondent from California has a story of oranges shipped to him in Europe. He did this so that it would be easier for him to understand friend with the people and get a somewhat frank answer to his question by presenting an orange he opened a door for himself. One time when he presented an aged man with an orange the man refused because he felt that the meaning was too great a gift to accept from anyone. In order to show the man that he wouldn't be depriving him the correspondent gave him the orange and the man gave him in return an excellent one and the date of the three-act comedy "Yod Cablenik, Sobbovia's fearless correspondent. The play centers to be performed at the elementary school's annual, "The Messiah," is to be presented by the Department of Music at the State Teachers College on Sunday afternoon, December 14, at 3 o'clock, with Walter A. Mason, conducting.

The students will be made up entirely of students from the college and will include Dorothy Davis, Wilhildme Campbell, and Eugene Holley of Ancon; Ina Jo Varnell, Piedmont; Frances Egle, Oxford; Lulu Trotter, Byesmore; Tom Arrington, Spring Garden; and James Jordan, Colfax. The college choir will be augmented by about 100 voices for the occasion, Miss Ada Curtiss, Scouts, the Elementary P. T. We have received word that the family of the school has decided to purchase an airplane. If this purchase is successful, it will help the school, as their expenses are greatly reduced when compared to the costs associated with running a school. More power to you, fellows.

The Coleman scholars were very favorably impressed by the impromptu half-time ceremony held at the New Year's Day football game in Tallahassee between Florida State and Emory, held at the Civic Auditorium on New Year's Day. It also granted the Coleman scholars a considerable financial advantage by enabling them to provide a scholarship for the first time to one of their members.

Five Pledged to Kappa Delta Pi

In a very impressive ceremony in the assembly on Tuesday, November 15, five students were elected to membership in Kappa Delta Pi, a national honor society in education. The students who were elected include: Mrs. Margaret M. Welsh, Miss Dorothy Smith, Miss Elizabeth Carter, and Miss Frances Brown.

The speakers at the ceremony included: Miss Beulah S. Welsh, who introduced the students; Dr. C. M. Wood, Chairman of the Board of Directors; Dr. J. W. Smith, Vice-Chairman of the Board of Directors; and Dr. J. W. Smith, Secretary of the Board of Directors.

Secondly, a letter from an anonymous donor has been received by the school. The donor has asked that the school make a contribution to the Kappa Delta Pi scholarship fund. The school has decided to accept the offer and contribute ten dollars to the scholarship fund.

Modern Art

Attractions Students

Coming here last week from the Museum of Modern Art in New York City, was an unusual and exciting exhibit consisting of fifteen color and black-and-white watercolors painted by modern masters. Immediately upon receipt, the exhibit was put on display in the Louvre Gallery of Modern Art, which was visited by the students during the week.

The exhibit included works by artists of diverse nationalities, including French, English, and American. One of the paintings by the American artist, "The Gamekeeper," was highly praised by the students. The exhibit continued on page three.

Hubert Humphrey, the Vice-President of the United States, has visited the school in recent weeks. He has expressed his support for the school and its programs, and has encouraged the students to continue their efforts in the advancement of art education.

Prominent Alumni Speak at Assembly

The homecoming festivities began formally on Thursday morning at last year's homecoming assembly. The assembly was held in front of the school, and was attended by alumni, teachers, and students from the school.

The event was attended by a large crowd, and was marked by a number of speeches and presentations. Among the speakers were: Dr. John A. Johnson, President of the Alumni Association; Dr. James H. Williams, President of the Board of Directors; and Dr. John W. Smith, Vice-President of the Board of Directors.

Masked Ball

The Student Government Association is moving forward with plans for the annual Masked Ball to be held on New Year's Eve in the college gym from 8:30 p.m. until 11:30 p.m. The event will include music provided by the local band, dancing, and plenty of fun. The event is open to all students and guests, but guests are only allowed to attend if accompanied by a student. Some of the students already started on costumes. If the Bowditch family dance last year

...gives any indication, we have plenty of fellow classmates here who are just as excited. The event will be held in the Mason Ballroom on New Year's Eve.

Students pledged to Kappa Delta Pi are shown above, with members representing the four classes: Freshman, Sophomore, Junior, and Senior. The students are all wearing their black and white paper hats on their heads. The paper hats are made of black and white paper, and are decorated with ribbons and bows.

The story of the play centered around the Syromore family who believe that every one should do his duty and that we must enjoy regardless of social customs. Complications, of course, arise because of this philosophy of life and make the play a most hilarious affair.

Since its beginning during this quarter, the Masque and Wig Society has welcomed ten new members and has continued its talent and cooperative dramatists group. It presented a very entertaining musical play based on "Waldorf Castle," performed recently.

The victory of both teams featured the game and neither team dominated for any long period. However, each team outmaneuvered the other and the game ended with a score of 56-56, while the Gardens were successful on two out of nine field goals.

Dorms Vie For Decorations Prizes, Pannell Wins

On Saturday evening, November 8, at 7 o'clock, Miss Dennis Elsner of Calera became the bride of Hugh Reynolds of Fairfax. The Rev. Mr. Montgomery was the officiating minister.

The bride wore a light blue woolen dress with brooch accessories. Her corset was of white silk.

Miss Audrey Strickland Baker was Miss Elsner's maid of honor. She was a brown suit with matching accessories. Her corset was of white gauze.

Mrs. Forrest served as best man.

The couple went on a wedding journey to Panama City, Florida.

Dear fellow students:

The Baptist Student Union sponsored a hayride in celebration of Halloween. Several trucks were filled with hay and happy students. During the ride to Pilgrim's group sang songs which have been taught at BSU meetings this quarter.

Francois Horton, social vice-president, planned the outing with the assistance of James O'Connell, transportation chairman, and Ralph Self, Henry Hill, and Frances Love, refreshment committee.

At the climax of the evening the group of thirty fifty enjoyed a weird roast. Chairmen were Miss Agnes Ashbrook, Mr. Ben Henderson, and Miss Diane McIntosh.

Next quarter the couple will transfer to Emory University, where the groom will continue his work on a degree in pharmacy.

Reynolds - Ellison Vows Solemnized

The city of Birmingham, with a 1909 population of 207,667, ranks as the 12th largest city in the nation. It is interesting to note that in 1870 Birmingham didn't even exist as a hamlet. Its great strides in development were accelerated by the fact that it was the only city in the world where iron, coal, coke, and coke are produced.

There are now a total of 541 manufacturing plants in the Birmingham area, making it known for many years as the "Iron City."

OUR DEMOCRACY

MEN AND THE NATION'S FOOD

By J. D. Sasaki

In the modern age, men are the backbone of the nation's food supply. They are the ones who work the land, tend the animals, and produce the food that sustains us all. Men are the ones who make the nation's food system work.

Our democracy depends on the strength of our men, and the strength of our men depends on the strength of our food supply. That is why we must support our farmers, our ranchers, and our food workers. We must support them because they are the backbone of our democracy.

The decorations for the University of Alabama were made by the Alabama State Art Association. The decorations included a large group of paintings, a sculpture, and a large display of photographs.

The sculptures were of various sizes and shapes, and were made of different materials. The paintings were of various styles and subjects, and were hung on the walls of the building. The photographs were of various subjects, and were displayed on a large screen.

The decorations were very well received by the students and faculty, and were a great success.

The Spotlight Shines On

Amidst the excitement and celebration of our very successful Homecoming, the SPOTLIGHT found and for a brief moment shone brilliantly on Honzell Holcomb as he told approximately 3,000 football fans "I wish to name this study—Collegiate Bowl!" He was congratulated by President Cole as the audience roared its approval and the camera flashed.

The same Honzell submitted in the contest which was open to the student body was chosen from almost 80 entries by a committee of three judges. According to one of the judges this name was chosen because of its simplicity and suitableness.

The judges told the name should be short and easy to say, easy to distinguish from neighboring schools. It was to apply strictly to the college and must not be named for any person—living or dead.

When asked why he liked the name, College Bowl, Honzell Holcomb explained, and stated, "Oh, I just thought it would be a nice name."

The Spotlight Bowl is in the spotlight because of his naming the stadium, he is a very interesting person at all times.

You may recall, Honzell Holcomb, yet for he never seems to do anything to attract attention and takes very little, but when asked the question, the answer is always ready with a frank, con
deliberate reply.

Honzell Holcomb is a 23-year retired veteran. He and his wife live in the Veterans' Apartments. His home is in Crossville and the graduation was from high school there in 1943. He spent 3 years in the navy as a radar operator and came to Jacksonville 30 years ago after his discharge. He is now a third-quarter junior.

Honzell is majoring in psychology and plans to enter the field of clinical psychology or personnel management. Level of most, he enjoys football games and is the personal assistant in the game of Flicks Tennis and swimming arts in which he excels. There is no way to make Honzell Holcomb to enter the field of social studies and English.

As we all know, football is a very popular sport in Jacksonville and the football game against Southern Union at Wadley, Alabama, which is also his home town. Between the two games of his career at Southern Union and his entrance at Jacksonville, Gilbert served for two and a half years in the Air Force.

Gilbert's major is physical education and he plans to coach in East Alabama. This alone should tell you that he is such a strong supporter of football and his favorite pastime is reading about or listening to football on sports. We were a little shocked when he said that Larry Dillard is his favorite actor in sports—"we were expecting someone like either Williams or the new commercials in our favorite films, but we were surprised to see Gilbert West Pointer, Ga., attended by her maids, Betty Simms and Margaret Casey.

Honzell Holcomb was presented the trophy for naming the new stadium—College Bowl—by President Cole. W. A. Massey announced the announcement. Although the same was enounced and approved by the student body, it was approved by the faculty, and was then announced by the president of the school.

The name Homecoming is one that will be remembered by students, faculty and visitors. A huge banner reading "Welcome, Alumnus," was hung from the gymnasium, and a special banner for the graduates was also hung from the gymnasium, and a special banner for the graduates was also hung from the gymnasium.

A. J. McCathern, president of the alumni association, and principal of Fyffe High School, presided. He introduced President H. M. A. Massey, who received the gift on behalf of the alumni association.

As the band played the traditional wedding march for the entrance of the bride, the name was shouted by the students, faculty and visitors. The music was played by a student and faculty band, and the ceremony was held in the gymnasium. The wedding march was played by the band and the students.

The ceremony was held in the gymnasium and the band played the traditional wedding march for the entrance of the bride. The bride entered with her father, who gave her in marriage. She wore a suit of blue and black accessories, and carried a white prayer book. The groom was the Rev. W. D. Adair. They were gray suite with black accessories and the bride's corsage was deep pink carnations.

Mr. Jack Spurlock served as the minister of the ceremony.

Immediately after the ceremony the couple departed for a short wedding trip in St. Louis and Orlando. On their return they will be at home in Cleveland for the remainder of the school year.

In the short story division of the contest, the estate of the late Jack London will pay $1,000 to the winner of the competition.

The wedding of Miss Frances Horton and John Calhoun Spurlock was celebrated Friday afternoon, December 6, at the First Baptist Church in Jacksonville. The Reverend Mr. Horace of London performed the double ring ceremony in the presence of the immediate family and many school friends and faculty members.

The altar was bordered with an (un-colored) rose and three candles holding burning white wax. As the bridegroom placed the rings, the couple exchanged vows of white amanites and candles. The final vows were written by the couple and the couple and the couple and the couple.

Seniors who completed all requirements for graduation at the end of the spring quarter are shown above. Left to right, first row: Great Williams, Fyffe, and John Holmes. Second row: Polly Stitt, Beaz, Jewel Williams, Fyffe, and Sarah Hark, Abston.

NATION-WIDE CONTEST

FOR AMATEUR WRITERS

A unique nationwide contest to discover people who think they can write short stories or create one of those great movie titles, or radio shows has been announced by Writers Talent. The contest will run from January 1 to April 30.

Prizes totaling several thousand dollars will be given to the writer whose work Hollywood writer's contest will be awarded the winning contest.

The quest for writing ability still is only part of the search. The ability to think up plots and titles is being the other. In the short story division of the contest, the estate of the late Jack London will pay $1,000 to the winner of the competition.

FOOTSIE THOMAS GIRLS: TEAM CAPTAIN

With a few players from last year's team left, the girls here at the campus have organized an independent girls' basketball team. The players have a reputation to uphold since the '46 team was undefeated. Regular practices are held and Grafton Sharp is coaching.

The players from last year's team are Frances Thomas, Lillian Williams and Rat. In getting ready for the season, some new additions to the squad are Janie Gilliland, Steelie Lillian Wallace, Crossville; Jean Stone, Talladega; Lutie Pope, Steele; Dot Bob, Millerville; Carolyn Wilson, Wedowee; Nannie Bonner, Alexander City; Ann Daytona, Mollie Valley; Maddy John, Lane, Sand Rock; Frances Pavo-lock, Anniston, and Sybil Ham.

Frances Thomas has been elected captain of the team. "Footsie" is a junior from Gadsden and is interested in all sports, especially basketball.

On Saturday night, November 23, the team had its first game with the Piedmont Girls Team. Other games are to be scheduled with Alexander City, Sylacauga, Talladega, and Howard College.

GAMECOCKS HUMBLE PEMBROKE INDIANS

New Field Dedicated With Easy Win Over Outclassed Opponents

The Jacksonville State Teachers College Gamecocks celebrated their homecoming and dedication of their new football stadium with an overwhelming 48-0 victory over Pembroke Indians to remain among the nation's undefeated and untied teams.

The Gamecocks won little JAX WALLEYS NORMAL COLLEGE 45 TO 0

The Jacksonville State Teachers College Gamecocks are one in victory of finishing their first undefeated season after their convincing win over Normal College of Georgia in Gadsden on Thanksgiving Day at Murphy's Stadium in Jacksonville.

After the Gamecocks had pushed the score up to 20-0 in the first few minutes of play, Coach Pol led in a well-strung and sent in substitutes for the rest of the game except for a few mistakes in the last period.

Big John Williams and Backs, Charles and Guntersville, were again the sparkplugs of the Gamecocks' offense as they led the team in a total of 23 points on the ground and another 100 in the air. They also had a convincing performance in the firstdivision 16-10.

Heath scored from the --yard line shortly after the game opened behind plenty of interference, but with slight tough ones as Loyola, St. Bernard, Merrow, Mississippi College and West Georgia yet to be met, local fans are likely to see some of the state's most capable hardwood antics.

Returning intact is last year's quintet consisting of Curtis Johnson and "Ham" Raines, forwards, E. Morton, center, with Neil Pur-ey and Gilbert Ayres at the defensive positions. These letter- men, however, are finding the accuracy of a starting assignment shaky because of the cage prowess of such newcomers as Jim May, 6 foot All-stater who played at Hamilton; Roy Anderson, southpaw forward and another state All-stater from Scottboro; "Book" Budge, pivot specialist of Sylacauga; Jim Whitely, Albert-ville, in 1937; Greer Williams and J. C. Stanell, Jacksonville; and "Hot" Thomas, Guntersville.

In their next regularly scheduled game the local cagers meet Berry College here at 7:45 December 1.

JACKSONVILLE ROLLS OVER WEST GEORGIA 31 TO 12

A trio of razzle-dazzle backs and a determined-tine kept Don Bails Jacksonville State Teachers College Gamecocks among the numbers high school coaches spoke breathily and reminded about the days when they played ball for JSTC. Dr. A. R. Meadows told of the old days when he played baseball for the school in some cow pasture, and he expounded his appreciation of the new stadium and other athletic facilities here.

"At last we really have some school spirit: so let's throw an- other log on the fire and keep it burning."

DOUBLE TAKE

A long, lanky, hatless individual in a state of joyful inebriation came sauntering into the City Hall, and dropped anchor before the window of the Registrar of Births and Deaths.

"Good-mornin', gentlemen," he sang out: "I wanna register the birth (tide) of twins."

"Why do you say 'gentlemen'?" asked the man behind the window. "Can't you see I'm alone here?"

"Alone?" shouted the astonished official. "You only asked your year. Then maybe I'd better go home and take another look. Maybe It isn't (tie) twins after all."

Numerous high school coaches spoke breathily and reminisced about the days when they played ball for JSTC. Dr. A. R. Meadows told of the old days when he played baseball for the school in some cow pasture, and he expressed his appreciation of the new stadium and other athletic facilities here.

"I FIND CHESTERFIELDS GIVE ME THE MOST SMOKING PLEASURE"
JACKSONVILLE ROARS OVER WEST GEORGIA
31 TO 12
A trio of razzle-dazzle backs and a determined line kept Don Sands' Jacksonville State Teachers College Gamecocks among the 15 undefeated, united teams in the nation as they rolled over West Ga. College here last night by a 31 to 12 margin.

Next week the all-conquering Gamecocks will pay their eighth game against Norman Junior College, either at Jacksonville or at Gadsden's Murphys' Memorial Stadium.

John Williams, Captain Black, and Terry Hodges broke out some of the best running of the season against the mammoth gridironists form Carrollton, Ga., and their T-formation which was about as deceptive as anything the Gamecocks have come up against all year. The Jacksonville line again came into its own against one of the largest opposing lines they have had the opportunity of putting around in their own games to date. They were at fault at times, but usually the big Gamecock line was on their toes all the way.

Hodges carried the ball over for the Jacksonville team on the initial quarter as the Gamecocks took the opening kick-off and never gave up until they crossed the goal. Williams picked up the first down on thejax 45-yard line and from there he teamed with Hodges and Heath to bring the ball to the visitors' six before Hodges went around end for the score.

On the first play of the second quarter James Gilliland uncorked a 26-yard end-around to add the second touchdown after the ball had been moved up by the same trio. Hubert Brugge made his only extra point of the night.

Staple, the West Georgia halfback, went through the center of the Jacksonville line near the end of the second period to score for West Ga. from the Fox 26. In the second half things began to look their roughest for Coach Sands' team as the T-formation of the Carrollton crew began to click. Gringa fumbled away an earlier scoring chance when he fumbled the ball on the Gamecocks' one yard line midway of the third quarter after Robinson had raced up with a pass gone and an end run to within a yard of the goal line.

Williams came back for the Gamecocks to intercept a flat pass on West Ga.'s 29 and raced all the way for the third touchdown for Jacksonville. Hodges climaxied a 46-yard drive in the same period when he scored from the visitors' four on an end pass to Greggs good on the two yard line late in the last period to set up the final touchdown. Enemy Sewell skirted wide around end to go over standing up.

The great line play of the Gamecocks against the heavier side of the Bears' front line of the Bears' won the game. The Gamecocks' for ward pass wing gave up only 50 yards on the ground while the Bears tried 15 passes which were good for only 26 yards.

COMMERCIAL CLUB STILL WELL ORGANIZED UNIT

The Commerical Club is getting well under way.

A special meeting was called on Wednesday, November 12, 1947, for the purpose of enrolling new students. The present members have several other eligible students in mind.

To be a member of the Commercial Club one must be a business or commercial major, have a "B" average on all commercial work, and be a junior in college.

The club is now working out a Year Book which is to be of use. Members are going to make several out-of-town trips to visit different offices. Also, they are to have a few speakers come to our campuses to lead us more about the business world.

At the special meeting the Constitution was read and approved by the members, and amendments were added. A business manager was also elected, Holley Stamps of Tuscumbia, Alabama, was chosen for this position.
