Homecoming Festivities At New Stadium

Fourteen Elected To "Who's Who"

Honored Students To Represent JSTC In 1947-48 Edition Of Who's Who In American Colleges

A number of deserving students who have displayed merit in character, scholarship and service to the school through promoting extra-curricular activities were elected by the faculty nominating committee for recognition in the national organization, Who's Who Among Students in American Universities and Colleges. We commend each student.

The newest club to be organized at the college, The Masque and Wig Guild, got off to a very good start last Monday night. Under the direction of Mr. Lawrence Miles, The Masque and Wig Guild presented the radio adaptation of "The Music" over Station WQAD, "Matischin Gableit." The first performance was a tremendous success. There is an abundance of talent in the group, and great things are expected of them. A meeting of the Guild was held this past week, and tentative plans were made for a stage performance in the very near future. Let's all watch for further announcements, as to

Sophomores Go "Over The Rainbow" At Annual Hop

The class format were successfully launched last Saturday evening by the hard-working members of the sophomore class to the tune and theme of "Over the Rainbow.

This class again proved its ability to work miracles by turning out a splendid representation of a football game. As the clock began turning, it was apparent that the Gridiron was going to be an electric field, and the players were ready to make a triumph out of Saturday night's contest. The boys were all decked out in their finest, and the girls were equally attractive. The band played all day and their music was enjoyed by everyone.

Miss Homecoming Crowned

Miss Homecoming, the beautiful person of Messy and her two equally lovely sisters, will be on hand for the dedication of the stadium, sitting in the midst of the crowd, waving the red rose, its petals falling gracefully to the ground. The announcement of the candidates for Homecoming Court was made last Thursday night, and the final selection will be made at Saturday's game.

Appraoching their first win of the season with no defeats, it seems that the Gamecocks are well on their way to victory. Next Saturday's game will be a tough one, but the team is ready to give their best effort. Let's all root for the Gamecocks and wish them good luck!
First quarter senior and is well known to faculty members and students as president of the Student Government Association at present. He is a charter member of the newly organized Alpha Chi Omega, the honorary fraternity of the students. He is president of the scholarship class and is president of the student body. Mr. Macomber also holds the office of captain of the class, which he has held for the past two years. The students are deeply interested in the success of the class and look forward to the future with great expectations.

**CAPT. GEORGE “Blackie” HEATH, Half Back**

During recent class meetings, the class officers and class favorites were elected by the members, who voted by secret ballot. The officers are as follows:

**Juniors and Seniors:**

- Sophomore beauty, Batson, and favorites: Marcella Collins, Frances Story, and Doris Drake.

- Junior class beauty, Polly El- ler, and favorites: Marcella Collins, Frances Story, and Doris Drake.

- Freshman class beauty, Dorothy McCullough, favorites, Opal Adams, Katherine Shapley, and Ruth Hand.

**SIXTH DISTRICT A. E. A. HAS MEETING HERE**

The annual regional meeting of the Alabama Education Association held in Jacksonville on November 1 was attended by President M. H. Kincaid, Superintendent of schools in Newbern and president of District XI, and by Mr. J. B. E. A., who was elected president of the Mississippi Valley Section. The welcome was extended by President Houston Cole, who was followed by Dr. C. E. A. A., who addressed the members on the subject of “The Negro and Education.”

Johnny enjoys sports more than any other extracurricular activity he has participated in. Right now he usually plays basketball, tennis, and baseball. His favorite pastime is fishing, enjoying the outdoors with his friends.

**GEORGE HENDRICKS—A graduating senior and is president of the senior class. He is an English major but does not intend to teach. He plans to begin work as a lawyer at the University of Alabama next quarter.**

He is especially interested in politics and is a critic of the current political situation. He is a member of the Young Men’s Christian Association and is active in all campus activities.

**BARBARA CAVAN—Is president of the Christian Fellowship.**

The Spotlight Shines On

Charles Molley

The Campus Spotlight turns and burns.

This week the Campus Spotlight sends its ray of light toward Charles Molley of Wadley. Charles is president of the junior class and has been increasing rapidly in popularity at JCTC since he matriculated here. Charles is a member of the Veterans Club and the French Club and performs an active part in several other student organizations.

Although Charles has a sense of humor and enjoys a good time as well as anyone, he is largely the picture of a well-mannered person. He possesses a great insight into foreign affairs and is always well informed on the current situation abroad.

As a major in economics Charles has ambitions after college to get into the economic field somehow but not as a banker. While working serving with the navy Charles spent three years in Greece and two years in India where he carried out investigations of foreign countries. He feels that international affairs are of great interest to all American citizens.

There is a great reader but prefers non-fiction to fiction. His favorite book is "Nineteen Eighty-Four" and "Animal Farm" by George Orwell. Another favorite book of fiction is "The Rainbow" by D.H. Lawrence. Molley says he is a great boomer of the 1947 Gormecco. He thinks this year's football team is among the best ratings that have happened to JCTC in recent years.

"Every student," according to Molley, "should back the team to the limit."

The camera catches Charles Molley in one of his big moments. The lady and gentleman are Ambassador and Madame Bonnet.

Bonnet Tells Banquet Audience To Have Confidence In France

"You may have confidence in the destiny of France. In spite of the current weaknesses, France possesses every reason to have faith in the future of its country."

Thirteen representatives from this campus attended the American Baptist Student Convention held at the Baptist Student Union on the campus of Maryville College October 24-26, 1947. Maryville College, located in Maryville, Tennessee, is a private institution for the training of teachers.

The theme of the convention was "Christ, the Great Destroyer." The decision that Christ makes in an individual's spiritual and social life will mean his salvation. The decision that the student makes in his educational life will mean success or failure. The decision that the nation makes in its direction will mean peace or war. The decision of the world is the question of the times.

The representatives were: Kenneth G. Brown, T. J. Bass, Norman L. Pearson, William L. Evans, and Charles E. Wilcox.

The spotlight features Charles Molley this week because of his outstanding work on the campus. He might be called the most "selected" person in school as the offices he holds cannot be counted on one hand. In view of all this, we know Charles to be a most sincere, sincere, but he is no bitter man. He is very popular.

A Reality

The football situation, as seen today, looks brighter than ever before in the history of Jacksonville. The new football stadium, which a year ago was only a dim vision, today has become reality. It will be one of the most beautiful stadiums in the state.

The natural site of the stadium is so well suited to its purpose that it is truly ideal from the standpoint of construction; it is conveniently located on the campus.

Everyone regrets that the 1947 Gamecocks were not able to open the season at the new stadium. This was impossible, however, and the football players and coaches were the first to realize it.

The coming game Thursday will be the first game played on the new field. The college, town, and all football fans in this section are very proud of the team's record thus far. This record began on October 26, when the Gamecocks viciously opened their 1947 football season at Memorial Stadium in Annonst. The brand of football displayed in that game has been continued and improved.

It could not help but bring about this era of sports at JSTC. We feel, here at the college, that the 1947 Gamecocks belong as much to the football fans as they do to the school and we cordially invite them to our new stadium and sincerely hope that they are all Gamecock boosters.

HOWARD STUDENTS TO CONDUCT REVIVAL

A youth revival sponsored by the Baptist Student Union will be held at Howard College on December 12, 13, and 14. An informal student at Howard College, will conduct the revival services and the Howard College Youth Revival Team.

The tentative program of the准时 revival consists of the following services:

- Saturday—Afternoon Prayer Service, 2 p.m., student contribution; prayer service, 7 p.m., music by Wesleyan Group.
- Sunday—Sunday school, 10 a.m.; morning service, 11 a.m.; Faire of Praise, 3 p.m.; B.U. 6 p.m.; worship service, 7 p.m., music by Wesleyan Group.

The revival is to be held at the Howard College Tabernacle. The doors will be opened at 7 p.m. each evening. Everyone is invited to attend.

HERE'S TO DR. JONES FOR SUCCESSFUL A.A. CONVENTION HERE

That the recent convention of the American Association of Colleges so manifestly successful in fulfilling its objectives to the degree indicated by Dr. J. C. Jones in completing all of the goals that are essential to the success of this student is involved. Due to his perseverance and skill, the program of the events was made well-planned and scheduled, and weeks of difficult preparation were resolved into a satisfactory convention. Many people know of the tremendous work which goes on with Dr. Jones. It is a tribute to him that he disposed of it in such a way that the world was left in awe of the people who assisted him in jobs allocated to them. We are also to be congratulated upon making Student Union, a work to which many who are now assisting in the various departments of Student Union, a work to which many of the students, are giving their best efforts. It is our duty to support the Student Union and the Howard College Youth Revival Team.

We are all here for you, Big Team!' Our cheerleaders, left to right: boys, Rip Reagan, Homer Whipple (head); girls, Charlotte Claypool, Footie Thomas, and Mary Freeman.

Gamecocks Edge Austin Peay
7-6; Swamp Marion 33-12

The Jacksonville State Teachers College football eleven staged another in the nation's undefeated football machines by edgeing Austin Peay's powerful college team, 7 to 6 at Municipal Stadium on November 1, with the magic of Robert Brugge adding the winning point.

The game, originally scheduled for Thursday night, was moved up to Thursday night because of the soggy condition of the home grounds.

The Gamecocks scored first as Captain Blackie Huggins crossed on a two-yard end sweep. The score simmered a fifty-yard drive by Heath, Hodges and Williams. Brugge's kick for the extra point was perfect.

Peay turned back to score without using the tail as Finney passed to Fisher on the goal line. The drive was spearheaded all the way by Finney's brilliant passing.

Hillis' kicking department kept the Gamecocks out of trouble several times and the capable Jax line held up in the drizzling rain before the heavier Peay front. White, Hardy, Adams and Newman were the backbone of Coach Don Salls' forward defense.

Except for the first quarter, the scores the two evenly matched smaller college contenders battled to a stand still.

J Club Jabber

The J Club at its last regular business meeting decided to sponsor the Homecoming Queen. The queen will be crowned at halftime during the game. The club wants all students to vote and make this election a big success. The benefits from the election will go into the club treasury for future use.

At 4:30 p.m. on Thursday, November 13, the J Club is having a "smoker" for all the coaches in Alabama who were previous athletes at JSU. Ray McChesney, from Greenville, is to be the master of ceremonies, and teachers, Billy Bancroft of Anniston and Nell Nelson of Gadsden, are to be the guest speakers. The J members are really backing our undefeated football team, which is one of the twenty-six unbeatens in the state.

A sea of mud didn't hamper the Gamecocks' Friday night as they rolled over an outmatched Marion Military Institute eleven at Marion, 33 to 15, and continued in the nation's unbeaten and untied rank.

The Gamecocks stayed on the ground to mark up an impressive margin of yardage by rushing and failed to stop Marion's effective aerial attack which was responsible for both touchdowns.

Coach Don Salls used every player on the bench to give his slightly overmatched regulars as much rest as possible. Fullback John Williams was the driving back in the high-powered Gamecock running constellation as he picked up 181 yards and scored 21 points during the game.

Captains Blackie Huggins and Terry Hodges were close behind in the running chores with 147 yards between them.

The bi-weekly notebook, for the fifth time in as many games, was credited with most of the glory as they held the home-owners for only 54 yards by rushing while pivoting the way for 467 yards of rushing by their own ball carriers.

Marion drew first blood in the annual game as Holle returned the Gamecock opening kickoff to his own 30-yard stripe where a 13-yard penalty against Jacksonville put the ball near the midfield line. Hawkins then passed to Coston who scored from the Jacksonville 20.

The Gamecocks began their scoring march of their own 23 yard after Williams, Heath and Hodges carrying the ball. On five plays the hard-driving Jax backs pushed to the Marion 29 from where Williams scored behind brilliant, downfield blocking. Robert Biggins missed the extra point. The Gamecocks tacked on another first-quarter drive when Heath passed to End James Gilliland on the Marion 31. On the first play of the second period Heath sidled off tackle for 2 yards before Hodges did tackle again for the score. Williams, attempting to run, failed to add the extra.

Jacksonville added another score before the half as Hodges got away for 30 yards from the midfield stripe and scored and, after latter on and 22 and run, Williams ran the extra point back in. The high-powered Marion attack, which is one of the twenty-six unbeaten, and untied teams in the state.

The town of Jacksonville will turn out Thursday to join in the Homecoming at Jacksonville State Teachers College.

This makes the first time in the history of the school that a football team has remained unbeaten until homecoming and the town is going in for it in a big way. Public buildings and homes will be decorated and a parade will form at 3 p.m. to tour the town. It will halt in front of Graves Hall where Mayor J. M. Wood and President Houston Cole will make short welcome talks to the visitors.

the observance is "The Schools Are Yours". Emphasis is placed upon the
fact that modern education
is our greatest hope for the
future. Our children will need
the best possible preparation to live
in this turbulent world, the least
we can do is to educate them according to their needs.

French Convention
(Continued from front page)
Members of the hatted audience as M. R. Boscak gave his very
entertaining address.

On October 31, the program consisted of a series of addresses by
speakers from: Dr. W. F. Hadley,
Ohio State University,
"Why Students Should Study
Foreign Languages"; Dr. Julian
Harris, University of Wisconsin,
"How Can AVP Method of
Teaching Foreign Languages Be
Adapted to the Use of Civilian Classes?";
Professor Maxwell Lancaster,
Vanderbilt University,
"French and Portuguese French
Canada"; Professor George Ives,
Howard College,
"Histoire et Linguistique Francaise
Annamites".

The French Club presented a
moving picture "Carnival In
France" before noon at the
local theater. Another event given
by the French Club was the
dance on Friday evening. Music
was by Jimmy Chant and his
orchestra. During intermission,
short programs were presented by
students of French pupils.

The final meeting was held at
9:00 o'clock on November 1. Two
addresses were given: "The Opinion
française", by Dr. Margarette
Pryor, Scott Teachers College,
Jacksonville, and "The"Intelligent
Cooperation Basis For Better
Understanding" by Dr. W. Morris
McCall, Alabama State
Department of Education.

After a brief business meeting,
the members concluded with
a feeling of more sympathetic
understanding of the other people
and with the urge to teach
foreign language as a way of reaching
that understanding.

At the beginning of the winter
quarter, a system of individual
student guidance will be set up in
the college. According to a
proposed plan, a certain number
of students will be assigned to each
faculty member who will hold
conferences with them, advise
them in their program of study,
and inform them of requirements
for graduation.

Jacksonville added another
score before the half as Hodges
get away for 30 yards from the
mid-field stripe and scored two
plays later on and an end run.
Williams ran the extra point.
To start the third quarter,
William Clark kicked off to the
Marion goal, where Hawkins
returned to his 10-yard line and
turned elected to pass. Hodges
intercepted the aerial near mid-
field and brought it back to the
Marion 39. Heath scored on two
plays and Williams ran the extra
point over again.

Marion scored its second
touchdown in the final quarter with
two passes from Cotton to Haws-
land and a 4-yard end sweep by
Cotton. Williams kicked the extra
point. The Gamecocks took the
kick-off on their own 37 and
were on the goal again as Heath
punted up 35 yards around end.
Gilliland added 10 more on an
end-around, and Williams ran
the ball 30 yards for the score.
