Homecoming "Kick-Off" Coffee Sparks Student-Faculty Plans

"Angel Street" To Be Given By Masque And Wig Guild October 25

Good news awaits local citizens in the Masque and Wig Guild's announcement for its seventh production. From all available sources it promises to outdo any of the Masque and Wig Guild's past productions. The Masque and Wig Guild has thus far been advertised as the number one for the performance because the Masque and Wig Guild has built a reputation for fine stage performances.

The play selected for presentation on Wednesday night, October 25, is "Angel Street" by Patrick Hamilton. The University studies in Hollywood turned it into one of the most popular of the year. The production includes the play on "Gaslight" with David Rockwell and Charlie Rogers.

For the play to be held, Lawrence Miles, the director, announces the following cast:

Yvonne Rodgers (Mrs. Maunder), Tom Shelnut (Mr. Maunndingham), Pat Gillespie (S念ey), Virginia Trigg (Elizabeth), and Don Collins (Hogarth). Local audiences are of course interested in the cast members who can be contacted uponac's impression of a fine stage performance. "Angel Street" will be presented in the Gymnasium on the 25th at 8:00 p.m. and is entitled to an enthusiastic audience after where it has run for several years. The Broadway production starred such well-known stars as Michael and Kenneth.

Homecoming "Kick-Off" Coffee was held in the lounge of Graves Hall to make final plans for homecoming. Present at the meeting were John I. Nash, principal of Aumunin High School and president of the alumni association; Henry Lee Greer, principal of University High School, and vice-president of the alumni association; Mrs. Alfred deWitt, and Suellen P. Crome, president of the Student Council, as well as the Student Government Association, class officers, and the faculty homecoming committee.

John Williams, president of the Student Government Association, predicted that the event would be a success. He introduced Mr. Nash and Mr. Greer, who made the following announcement:

"Welcome, alumni and friends! Our school is proud of its alumni and we invite you to join us in this exciting event. Gamecocks up Set Doze Buckel; Beat Tampa University 20-7

(A. D. Brown Jr.)

Jacksonville Gamecocks got off to a fast start and never let up on the way to a 20-7 win over the Tampa Buccaneers in the college football game played in Tampa.

The Gamecocks, led by quarterback John Knechta, scored a touchdown on their opening drive to take an early lead. Tampa responded with a field goal, but Jacksonville added another touchdown just before halftime to take a 14-3 lead into the break.

In the second half, Jacksonville continued to dominate, scoring two more touchdowns to put the game out of reach. Tampa managed to score a touchdown in the fourth quarter, but it was not enough to overcome the Gamecocks' lead.

The Gamecocks finished the season with a record of 7-3, while Tampa finished with a record of 3-7.

THE PRESENT PLAYS HOST TO THE PAST

The life of a school is built by three groups of people—those who built the past, those who build the present, and those who will build the future.

Saturday, Jammen will throw open all doors and honor the past by having as special guests the thousands of alumni who have been Jacksonville's investments in Alabama's vocations and professions, and who have invested their time and friendship in Jacksonville. They will be honored by a parade, a reception, a banquet, a football game (another trophy for their cup), and a dance. They will be welcomed by students and faculty, who will show them around the campus to see the NEW J. S. C., to see familiar faces among the faculty and brother-alumni. They will re-capture the springy steps and rawhide smiles of their own Jax-years; they will observe present-day students with nostalgia, and they will in turn be observed with respect. Students, talk to them, listen to them, and remember them, for they are the Jammen who helped build our present.

THEY'RE LONELY

Calvin "Moochie" Burgess wrote "Mom" Gerstlauer a letter the other day. "Moochie" shipped out last month with the National Guard Unit from Piedmont. He says he's lonely for his "Pannell Pals". There are a lot of "Moochies" who are lonely and want news from J. S. C.

ALUMNI NOTES

By Mrs. R. K. Coffee

The alumni column of this coming-edition of The Teacola is dedicated to all alumni and the students who have helped make JSC what it is today.

The loyalty and loyalty of the alumni have been expressed in many ways—by influencing students to attend the college, and by establishing places of distinction for them in their various communities.

After all, a school is as strong as its alumni proves to be, and Jacksonville has made a name for itself through its alumni, as well as through its present students and faculty.

Two recent graduates have returned to the campus with their bands this fall. Both bands were outstanding, and drew many fine comments from the spectators.

Another beautiful performance was that given by Gadsden High's Oxford High Band. This is one of the outstanding bands in the state, and carried off honors last year in the state competitions.

Jean Marie St. Jacques (Tommy Watson)

In the last edition of The Teacola, there appeared the information about the old, and seven foreign students. These three students were the first students to attend the college, and they have been present for the past eight years, with which they have been active.

Jean Marie St. Jacques is from Quebec, Canada, and has studied French, English, Latin, Greek, history, the sciences, and philosophy. He is building the present, and looks forward to the future.

SCHOOL MEMORIES

The FIRST DAY OF SCHOOL
after the long, lazy summer, is Satan's own invention. A deep pool of gloom enveloped reluctant you the moment you stepped below the sun on your face, and by 2 p.m. your face was to its depth. Yesterday a few quick flips and you were clothed and ready for anything. Today you had too much rain. The classes were late for lunch. All students were late for lunch, even the stockholders and shoes that were made of lead for sure.

And horror of horrors! You even had to comb your hair. Breakfast was only half eaten.

On prominent display in Gen-Dough's MacArthur's headquarters in Tokyo are these words: "Youth is not a time of life—a state of mind. You are as young as your faith, as old as your judgment; the older you grow, the more you grow in wisdom and self-confidence, as old as you can harden your heart and be as old as your despair."

During a discussion in my high school English class, the question came: "When do you want to retire?" The next question intended for someone interested was:

The Navy recently announced that the fifth college-wide competitive examination for its enlisted training program has been scheduled for December 30, 1950, and will be open to high school graduates and those who have completed the necessary requirements. Successful candidates will be given a four-year college education under the Navy’s four-year training program, and will be commissioned as Enlisted Reserve Officers. Training Corps units will be located in various colleges and universities in the U.S. The examination will be held by the college, they will be associated with U.S. Marine Corps, and will have their selection made by the college. The exam will be given at the rate of $50.00 a month for the four-year period. Upon graduation, successful candidates will be commissioned as Enlisted Reserve Officers in the regular Navy or Marine Corps Reserve and required to serve on active duty for two years. Gamecocks Expected To Roll
Back Troy Red Wave At Homecoming

(A. D. Edwards, Jr.)

Old grads and homecoming guests who saw the Gamecocks roll over a weak Athens College team last year to the tune of 43-0 will see an entirely different situation prevailing this year. The Red Wave from Troy has its first opportunity to spoil a Jacksonville homecoming parade. This year it has been waiting for since 1947 when the Gamecocks took over the homecoming parade and the ball game in Troy.

This year’s Jacksonville team is different, in some respects from that of previous years. Probably the greatest change is in weight and experience. Also the platoon system which was used to a limited extent has no necessity vanished. Most of the men will have to play both offensive and defensive ball if this season is to be a successful one. Probably the greatest asset that this year’s team possesses is that we will win, which has carried most of Salls’ teams through successful seasons.

Despite the loss of “Shakey” Hodges, John and Kenny Smith, Robert Bragg and others, Jacks- onville should have, and is counting on having a better all-round backfield. Three new halfbacks who up the stock considerably are John Krohchina of Amsterdam, N. Y., Jackie Wood of Hallin and Bob Henderson of Anniston. New at quarterback is Don Mauldin of Fairfield, who is doing a bang-up job of directing the Gamecocks from the “T”.

Coach Ray Wedgworth, on the other hand, has had to do some real convincing to get together a line for this collection of backs to run behind, as graduation all but wrenched the big red line that has been so effective for the past few seasons. Gone are the mainstays such as Jimmy White, Paul Adams, “Tubby” Clark, Irby Cash and “Baldy” Cassidy. Their chores have been taken over by Wesley Hardy of Sylacauga, Whitt Wyatt of Muncie, Billy Hudson of Guntersville, Jim Collins of White Plains, N. Y., and James Cain of Hart- selle, Jocie Connell of Gadsden, Don Baldwin of Jasper and James Chafin of Albertville also came in for their share. Newcomers Carey Patterson and Frank Adams, both of Roanoke, look most promising. James “Poo Poo” Cain of Hartselle will be called upon to do most of the ball snapping duty, which will be relieved at times by Bobby Harris of Oxford.

The greatest concentration of talent is at end where five veterans in John Meadows of Harts-elle, Ben Puchmir of Gadsden, Jim Wiggins of Anniston, Toliver Woodard of Halesville and Ray Horn of Columbus, Ga., are in shape and ready to go. John Howell, a 200-pound newcomer, from Ensley, does most of the defensive duties.

Ernest Stone, superintendent of the Jacksonville Schools, has been in great demand as an after-dinner speaker. His home is in Jacksonville.
