So Much to be Thankful For

For all the blessings of the year, for all the friends we hold so dear, for peace on earth, both far and near, for life and health those common things, which every day and hour brings. For home, where our affection clings; for love of Thine, which never tire, which all our better thoughts inspire, and warms our lives with heavenly fires—We Thank Thee, Lord.

Broadway Hit, Musical Play, "Brigadoon," Set For January

A rundown of the cast includes many names that year are familiar with: Tommy, one of the Americans, is played by James Roberts, Anniston. He's the lad who loves the lass. Jeff Douglas, his writing friend, is played by young Jack Collins, Gadsden. You'll remember Jack from his hilarious performance in "The Little Foxes." Peggy Sharpston is Fiona, the lovely lass who steals an American heart. You'll be hearing a lot from Miss Peggy from now on.

Homecoming Scenes

Hans Struth, German Student, New Member International Group

Hans Struth of Mainz, Germany, is now a member of the International House family. He is the first German student to come to Jacksonville, and his coming adds a fourth European country to be represented.

Hans is being sponsored by Mr. and Mrs. Arthur Page Moses of Birmingham, who met him while on a trip to Europe in 1921. He serves as their guide and interpreter for three days at Westminster, and they were so impressed with him that they began immediately to plan for him to come to America to study.

Hans was drafted into the German Army at the age of 16. His father died early in the war because of his opposition to the Hitler regime. Hans was captured by the Russians but managed to escape after two days. A little later he was captured by the British but managed to escape after three days to the American-British lines.

He remained in prison camp for a year and was discharged in 1946. He has been a student at the University of Illinois for several years where he majored in law and economics.

After spending a year here, he

Barbara Hudson . . . Turkeys, beware!

The Student Government Association has assumed the responsibility of preventing students from cutting the "show" line.

The president of the student council has chosen students secretly who will keep watch and prevent anyone from cutting the line, if your name is not on the list, then you must leave the line and wait in the correct line. This is for your own safety and to prevent any accidents. Your name will be on the list if you are a member of the SGA. Thank you for your cooperation.

Out On A Poll

The question asked this month was "For What Are You Most Thankful?" The answers are given below:

Don Chapman—Wife and four kids.
George Boe—If I pass this quarter.
Junior Holder— Winning the homecoming game.
Ralph Hammet—Like got elected.
Jackie Cole—if Billy Morrow director of some college.

When asked about his pet peeve, his reply was "God's I wouldn't know if I had any or not down here." But his conversation it was gathered that football statistics, lazy people, and unworthy buildings for football players must fall under this leading.

Our gratitude for his being here should go to one of our former physical education teachers, who hailed from New York also. We had a great big THANK YOU to New York for sending this Yankee south!

Abercrombie News

Abercrombie, home of the elite.

We would like to welcome Hans Struth to Abercrombie. I certainly hope he'll like Abercrombie and find his stay in Jacksonville a wonderful experience.

Abercrombie, home of the elite. Yes, the best five here, and by the way, our seven dead football players and the Rev. Ray Campbell's funeral of another, won first place for our dorm in the homecoming decorations contest. We should like to thank personally bull Miss Sue, Ray Cooper, Chuck Law, and the rest of the decorating crew for this splendid, prize-winning decoration.

Last issue I left out Ben Nodal as being our secretary. Sorry, Ben.

Homecoming! What a wonderful week, and especially day.

Well as always, the pure white flow and I must commend our dorm for keeping the noise down to a minimum.

Miss Barbara Huldsen—PANNELL hall.
Maurice Johnson—Dr. Mock's fraternity key.

To get ahead, as I see it, means starting at the foot of the line and working your way in, but not by jumping ahead of the person in front of you when his back is turned. We could even make a game of it—everyone knows how to play follow-the-leader! I know, that's just what we've been playing. But let's play the game fairly. Nobody gains prestige by cutting the line. Wait your turn.

THANKSGIVING DAY EDITORIAL

On Thanksgiving Day it is not enough to say, "I am thankful that the American way of life is wonderful." American freedom will continue only if American citizens are resolved to perform personal sacrifices in its behalf, every day of the year.

Democracy demands more civic responsibility than any other form of government. Being a citizen in a democracy entails more work than any other type citizenship. Democratic citizenship means an active, democratic citizenship. If individuals do not participate, democratic government becomes a mockery, and our freedoms will disappear.

The freedom of the ballot depends upon our duty to vote intelligently. Our right to a fair trial rests upon our readiness to serve on the jury when called. The right to worship God in our own way parallels our duty to respect the religious beliefs of others. Freedom of the press depends upon the obligations of the press to publish the truth as it seems.

Equality of opportunity and freedom from discrimination depends upon our refraining from racial, religious, and class prejudices. The right to assure our children of a free education depends upon our obligation to take an active interest in educational issues and to pay taxes to support the public schools. Our right to work in an occupation and locality of our choice and our right to own property rest upon our duty to extend similar rights to our fellow men.

Though we are genuinely grateful for our great American Heritage we must not be content to rest upon that thankless Labor Day.
It would be slightly awkward to introduce you to our Spotlight for this month. If you've been to a Jacksonville State football game in the past four years, the name of John Krochina definitely rings a bell in your mind. However, we really shouldn't limit that to football because when basketball season comes around "Kro" will be showing us just how to pitch 'em to make 'em go right through the basket. If we were fortunate enough to have soccer or hockey teams, we would see this all-round athlete on both.

We were delighted in the way our boys looked against Florence in the first quarter. They completely handcuffed the Lions and scored a touchdown after one of their first two possessions. The latter was pretty much the same way. All the damage was done in the second and third periods. We realize that the Gamecocks are a young team and the majority of the boys will be back together for the next two or three years. But who knows if they could learn to play four quarters a game instead of one or two.

Our congratulations to Jodie Connell on making the Jacksonville All-Time Football Team. Jodie is known far and wide on the second Florence play. The score was 20-0. Jodie Connell Selected
On All-Time Team

The Jacksonville State College All Time Football Team was selected by former football lettermen of the Jacksonville State College. The team was presented to the spectators at the annual Homecoming football game during the fall season.

The team was made up of players from teams of both pre-war and post-war era. The talent selected included former players who had been members of the Jacksonville State College football team. The team included players from both the pre-war and post-war eras.

Jax Down Braves 40-6

The Gamecocks took their second straight decision on the gridiron as they flattened the West Georgia Braves by a score of 40-6. The game started slowly but the Jaguars took the lead midway in the third quarter. The game wide open with 20 points.

The defensive play of the Gamecocks was outstanding. The team included players from both the pre-war and post-war eras. The team included players from both the pre-war and post-war eras.
A man started adding to his lead. Outstanding defensive men were: he also another 60-minute man. He stars on offense as well as defense, too.

Paul Thompson was the Gamecock's biggest fish with several good runs and pass protection. He set up the first big lead of the game. He was on the second place of the game 33 yards from the goal. In seven plays, Bob Hawks hit pay dirt as Lamar Howel tied a place. Larry Howel played a fine game until he was shaken up in the third period. He was out of action for the majority of the game.

The Gamecocks got their ex-point as captain Joe Deacon and he passed the ball to Paul Thompson to the 30-yard line. The pass from the one-on-one game was guarded by a hard tackle. Larry Howel had the start back halfback, but the star halfback made a sensational grab of the ball with one hand. Howel started off on the offense fullback and halfback to make him another 60-minute man. Aubrey Tinsley has seen most of the action at offensive tackle and is a hard man to beat at that position. Center Don Dudley has shown signs of a standout as a freshman replacement for the ailing Bobby Harris. Bobby DeBow also has seen plenty of action in the middle. Larry Howel, fullback, will be missed by the coaching staff. Bernard Harnett is another defensive star who has helped the Gamecocks cause no little. His defensive work at halfback has been outstanding and will see plenty of action for the Gamecocks in coming years.

Gamecocks Celebrate Homecoming... Tigers Fall 14-7, As Jackson Break Losing Streak

Jacksonville—Nov. 1.—The Gamecocks came through with their first win of the season by a score of 23-14 at College Bowl. The game was played in front of a large homecoming crowd at College Bowl. The game also marked the first time that the Gamecocks had to coordinate a brilliant defensive effort in any game. The Tigers were able to gain but 28 yards against the Gamecocks forward wall while the Gamecocks gained almost 300 yards. The Tigers' quarterback, Don Maudlin, was the only genuine threat in many years that a freshman had started at quarterback for the Jacksonville Tigers. Regular, Don Maudlin, Lamar Howel, and Joe Deacon were the only men who handled the ball. He scored the second Gamecock TD which will make it doubtful that the Tigers could ever come back before a large homecoming crowd.
