Chapel Fund Goal Achieved

J. S. C. Radio Is Due Soon
By Kay Kirkland

There’s a new project in the minds of the students and the professors of Jacksonville State College. A group of energetic physics students and their teacher, Mr. Joseph Freyymuth, have started a new radio station. In about two weeks, a radio station may be heard in the SGA room, in the basement of Ayers Hall.

The set will broadcast from a low-powered transmitter, which will carry the station approximately 20 miles from the building. The area is to be used for buildings all over campus. Our college may very soon be able to pick up the sound without the aid of a receiver.

Plans are to have broadcasts during four nights a week from about seven to ten o’clock. One idea is to invite clubs and other organizations to plan programs which could be either broadcast live at night, or recorded during the day and played back. In this way, a good variety of listening material can be had. It may be possible later on to send records to other programs in other stations.

As the plans stand now, the equipment is fairly good technically sound. The most needed thing before operation can be heard is a transmitter.

A fairly large staff will probably be needed to operate effectively. A search is out for such people as engineers, disk jockeys, and script writers. If you are interested in any of these jobs or in any other connected with radio work, why not talk to Mr. Freyymuth? He probably can be found on the second floor of the science building, and will certainly be glad to talk with you.

Included in the group who have worked on this project are Lamar Baxter, Ted Wilkins, Cliff Blackwood, and Bill Powell. The idea came from Mr. Freyymuth, whose hobby is radio. Most of the set was built by just four of the ROTO Department providing antenna wire.

If everything works out, this radio station should prove to be one of the most interesting additions to Jacksonville’s campus life. A lot of enjoyment will certainly be had by those who work at the station and those who listen.

Keep your fingers crossed, and maybe soon we can say, “Jacksonville students—on the air!”

Building Danforth Chapel Is Big Plan For Summer

Plans began about two years ago for the building of a chapel on the Jacksonville campus. Now at long last that dream is a near reality. $5,123.00 has been raised and the first and biggest job is done.

The chapel story began when William Davidson, who was head of the Danforth Foundation, made the drive by this group for the building of a sacred place of worship for the college students. The groundwork was laid. The prospect of seeing the project through was bright.

The student body soon became interested and began to contribute funds. New programs and projects were undertaken to raise money for the cause of the Danforth Chapel. As a result of this, the student body has raised $2,000 of the necessary $5,123.00.

Vote Due

The following amendment will be voted on by the Student body on Monday, Feb. 22.

Amendment No. 28

Section 3. Article V. Sec. I (A) shall read: To be eligible for the election of president or vice-president of the Student Government Association, the candidate must have at his credit in the office of the registrar of Jacksonville State College (on or before the day of his election) sufficient hours to be classified as a junior or above. He must also have been a student at Jacksonville State College at least three semesters prior to election, summer session not to count.

Section 6. Article XIV. Section 1. The president and vice-president of the Student Government must reside on the campus. If for any given reason the other officer should reside anywhere other than on the campus, he shall be fined $1.00.

SGA Report

The Student Government Association is proud of its $500.00 contribution which was helped to complete the Chapel Fund Drive. Bob Crosby, chairman of the SGA, reports that actual work on the building should begin in July.

Signs of progress have been made on our campus since the last SGA report. New washing machines have been placed in Freshman Boy’s Dormitory and Daugette Hall. Chat-Room Inn has been redecorated and the new color scheme “New York Green” has been carried out with precision.

The SGA plans to sponsor a talent show Feb. 14. These cash prizes will be for the benefit of the Glee Club. If any organization or individual would like to enter a skit or performance, you may contact Ottis Williamson, chairman of the committee.

Notice

Students are warned again, and for the last time, that anyone caught cutting the chalk half line will be fined one dollar. If the cutting isn’t stopped, the SGA may find it necessary to appoint people to watch the line. Measures will be taken to see that those people whose names are turned in will be forced to pay their fines.

Collegian Becomes Bi-Monthly Paper
By Bob Crosby

Hard work and a rigid schedule is the order of the day for the Collegian staff as they take a giant step forward. For the first time in the history of the paper, the drama back to 1923, it will be published twice monthly. Over the past twenty-five years the Teach-er, as it was first called, and then changed in 1954 to the Collegian, has been a monthly publication.

This month the editor obtained permission from the school administration for the change to a bi-monthly publication. Release date will be the first and third Monday of each month. Deadline for copy will be the second and fourth Monday of each month. Organization and class news must be double spaced and typed.

The new schedule means a later and better news coverage for the entire campus. At present no staff changes are being made, however, there has been two additions and there is hope that still other prospects will join the staff in the very near future.

The two new members added to the staff are Fay Blackwood from Hartwell who will assist Kay Kirkland and be an under-study for the position of associate editor. Dale Nubors from Isabella, who served last summer as circulation manager, has rejoined the staff as sports editor.

Gay Littrell and Helen Davis are expected to join the staff soon. Gay is from Columbus and has had previous experience on the Collegian. Helen is from Camp Hill and has been writing sports for the weekly paper there.

Staff meetings are held in room 204 of Bibb Graves Hall every Wednesday afternoon.

Chapel Fund

VALENTINE GEM—The Collegian’s choice of a “Gem of the Hills” for the month of February and for Valentine’s Day turned out to be pretty Helen Jane Marbut. Helen is a freshman from Jacksonville and is majoring in business. To put variety in her education, she is minor in home economics.

Anyone looking for a lovely valentine?

(Continued on page two)
**Honor Students Are Listed For The Winter Semester**

The dean's list for the winter semester has been announced. The names of students who have met the requirements of admissions, at Jacksonville State University, for the winter semester ended on Jan. 16.

Students making all A's were Louis A. Bocci, Jacksonville; Phil. H. Garrard, Johnsonville; W. W. Johnson, Jacksonville; Norman P. O'neal, Staten Island, N. Y.; Stan J. Jackson, Tuscaloosa.

A's and one B average were the following:

San L. Horton, Jr., Tal- lodega, John J. House, Am- herst; Robert E. Parkin, T. A. Perry, Doris J. Rollins, Howard, Doris M. Russell, Hed- jin, Edith B. Schwenk, Matthew, K. E. Pennington, Pvt. Payne; James O. Kerslie, Ashville; Clare Reed, Panama City; Dorothy A. Leeninger, La- Fayette; Barbara K. McGuire, Buchan;

Bonnie Louise Morris, Lanett; LaVerne M. Parker, Carolyn Jo Ray, Mary Garrett Street, Piedmont;

You represent for a full year. Will it be poorly or well done? This is for you, the student to say.

No matter who you think best, be sure to vote for him.

Were You There?

On January 29, Jacksonville's basketball team played the Red Wave from Troy in the college gym. The pro- bably last game given to the Minoros was well received. The ball game was sponsored by the Student Coun- cil and during the half-time 92.81 was turned over to the SGA committee to fight pogo. Troy played well and almost went at the game—almost as well represented as Jacksonsville.

One question, if you can call a few students that, at events here have dropped noticeably in the past few months. Not only at ball games, but at receptions, assemblies, and dances, one also sees a definite drop in the appeal of the attractions. From this it seems that events, the student body cries for more activities.

What should be done to boost the attendance is a big problem of the students which appears to be the grading department. The over-all averages show that students do not spend all their time studying. As a matter of fact, last semester many of the students had some time before on their hands.

Try to keep in mind that if you don't support school functions, no one else will, and each year there will be fewer functions for your enjoyment.

**JACKSONVILLE STATE COLLEGE**

SPOTLIGHT

Bill Lindsey Serves FBLA
Thann In Senior Activities

Sharing the spotlight for February is Bill Lindsey, a nation al FBLA advisor and member of the faculty at Jacksonville State University. Lindsey, a 1949 graduate of Jacksonville State, was named FBLA advisor of the year in 1987.

The club, along with several other organizations, sponsored a fashion show to benefit the local school district. Lindsey, along with other advisors, helped organize and promote the event.

Second Guessing

Jaxmen Having Bad Year On Hardwood

Jacksonville's hardwood five are running into tough competition this season, a fact which no one needs or cares to be reminded of. The team was weakened considerably last spring and summer by graduation. Height average dropped from about 6'4" down to a near 6' or below. Graduation not being bad enough, sportively speaking, two boys were lost to Snead College because of greater scholarship offers when the state colleges were ordered to cut down on aid to players. Other hardships which have faced the team include injuries to Joe Ingram and the suspension of center Tom Langston. All this added up to a bad need of reserve strength and here too, the Jaxmen are hurting.

Despite hard luck and losses the team has continued to fight in every game played. They have shown great spirit and a willingness to stay alive.

Next Look Tough Also

Considering the facts known now, next year holds little promise of being any better than this season has been. Don Green, 6' 6" center, and Don Wilson, guard, will most likely return to the "scenic campus" for next season. Both boys have played here before and have gotten a year's experience at Snead College. Buddy Mayes will be lost by way of graduation.

About the only advantage, if any, next year will be more experience for Durham, McCarty, and McNabb. These boys will carry the bulk of the load next year.

Mid-Winter Look At Football

Looking at football shows much better promise than the present basketball picture. Several players were lost after the last season, but there seems to be plenty of good prospects to fill any empty shoes. Of course it'll be hard to find the line backer who can add up to another Billy Hicks.

There are many uncertainties in the line, but the backfield might read something like this: Shankles, quarterback, Smith and Keahey, halfbacks, and Duke at fullback. Of course this is only speculation; there are many other bright spots to break into the backfield.

It looks like the biggest worry that Coach Salls has is the schedule.

Recreps

By Dale Nabors

Jax 87-Athens 70

On Jan. 8, Jacksonville's Gamecocks overpowered Athens five by the score of 87-70.

Freshman Gary Durham led the winning attack with 20 points. Bubba Mayes scored 16 points and Billy McCarty, 15 points.

Jax 66 - Moo 58

On Jan. 16, The Jaxmen defeated the University of Chattanooga Mocs by a score of 66 to 58.

Jacksonville led the Mocs all the way, and the Gamecocks were out front by 26 points at half-time.

Forward Bill Laney set the scoring pace for Coach Tom Robertson's five with 22 points, while guard Buddy Mayes dropped in 20 points.

Others scoring for Jacksonville included freshman center, Gary Durham, 16; Bill McCarty, 7; Grizzell, 4; and McNabb, 3. Bobby Jackson and John Shelton also scored in the Jacksonville line-up.

Florence 64-Jax 56

Florence State defeated Jacksonville 64-56 for the Lion's second win over a SEC team this season. Jacksonville contended for the Moonglows.

Jacksonville lost the services of ace-guard Buddy Mayes when he ran into a wall and suffered inversion of the head. He received 10 stitches at a Florence hospital.

Buddy Jack Laney and Buddy Mayes led the Gamecocks scoring with 18 and 16 points respectively. Others scoring including Doyle Grizzell, 7; Jerry McCarty, 6; John Shelton, 5; Gary Durham, 3; and Bobby Jackson, 2.

Howard 102-Jax 96

On Jan. 22, Howard defeated Jacksonville by a score of 102-96.

The Bulldog attack was led by forward Bill Lansford who dropped 44 points through the hoop.

Forward Billy Jack Laney was Jacksonville's scoring ace with 36 points, his highest scoring total of the season. Joe Ingram and Buddy Mayes tallied 18 and 16 points, respectively, which tied for second place on the team's list.

Grizzell and Shaw for the Jaxmen included Bill McCarty, 9; Jerry McNabb, 5; Doyle Grizzell, 4; and Bobby Jackson, 2.

Troy 78-Jax 82

Troy State College overcame a 14-point halftime deficit to defeat Jacksonville, 78-82.

Troy started fast and rolled to a four-point advantage in the meeting minutes, but Jacksonvilletacked to lose the lead 43-33 margin off the floor at half-time.

Jacksonville's guard, Buddy Mayes, was the game's leading scorer with 24 points. Others scoring for Jacksonville included: Shankles, 19; Joe Ingram, 16; Joe Ingram, 15; Billy McCarty, 11; Gary Durham, 8; and Jerry McNabb, 6.

McCarty Tries For A Score—Bill McCarty is shown above as he attempts to score two points for the Gamecocks. Jacksonville player in the background is Billy Jack Laney.

Intramural Basketball News

Pannell Hall Leads League

Moonglows In Second Spot

By Dale Nabors

Intra-mural basketball is providing very interesting entertainment as the season nears completion. Typical of the exciting action is the recent game between the Moonglows and the Rebels.

Those who witnessed this game saw one of the most enjoyable of the year as the Moonglows, coached by Donald Smith, came out victorious by a 36 to 34 score. This was truly an exciting, action-packed contest with the opening whistle and the lead changing numerous times throughout the game.

The Rebels, coached by Wade Burlemon, took charge early in the game and were leading 9 to 3 when first quarter ended. However, the Moonglows came back strong in the second quarter and were ahead 16 to 15 at half time intermission.

The third quarter saw the Rebels take command once more. In this quarter they outscored the Moonglows 11 to 2, permitting them to enter the final round on top by a 26 to 17 count. The Moonglows were not to be denied, however, as they staged a final "come-from-behind" battle to win the game.

With one minute remaining in the contest, the Rebels were leading 34 to 32. At this point, Donald Smith was fouled and made both free throws to tie the game. With only seconds remaining, Smith was again fouled and once more dropped in both shots to give the Moonglows their winning margin.

Players taking part in the contest for the Moonglows were: Smith, John Lee, Wayne Keahey, Powell, Billy J. Hambonds, Tony Deleo, and Don Moon.

Representing the Rebels were Paul Dean, Che Littleton, Wade Burlemon, "Coot" Kinney, Corkey Newman, Billy Weatherby, Robert Brooks, Bobby Motley, and Mike Livingston.

Two Points For Jax—Joe Ingram sinks the ball for Jacksonville against Troy's Red Wave. The Wave trailed by ten points at the half-time intermission, but pulled the game out late in the third quarter after Gary Durham had fowled out.

Old Pannell still leads in the intramural basketball league by sporting a 5-0 record, but they were chomped by Langston, who has the Moonglows with a record of 3-1.

Old Pannell is represented by Wayne Whitfield, Pat Williams, Billy Nix, Wayne Deaton, Rayburn White, Max Allen, Jerry Dupree, and Jerry Higginbotham. The height and ability make them the team they are.

The Moonglows under the direction of center Donald Smith, Mike Mayes, is the schedule.

Football

Look At Snead

Preliminary football picture of course this is only speculation; there are more experience for Durham, McCarty, and McNabb. These boys will carry the bulk of the load next year.

McCarthy tries for a score—Bill McCarty is shown above as he attempts to score two points for the Gamecocks. Jacksonville player in the background is Billy Jack Laney.
