

Now It's Official—John Patterson Is Governor

'Alabama's Choice' In Jax Press Box At LSC Game—Administrators, Students Are Hosts

Learned From The Chimes

Straight skinny—strict authority has it that FBLA intends to sponsor a one or two hour workshop class of basic procedures in conducting club meetings (parliamentary law.) Negotiations are already underway to obtain a competent parliamentarian to direct the workshop. Watch for further notification concerning this.

Jaybird says: Principles are principles and must always be upheld; even though some of them may be considered trite, who's to argue with a god?

Note in the Stu-Jax (I always read the Stu-Jax) that discussions are being held concerning the establishment of real, honest-to-goodness fraternities and sororities, instead of the "weak-sister" tea parties which now dominate our social atmosphere. Goody for our side. Question is, does anyone here know what a frat or sorority is all about; what goes on, etc.? Maybe we could dispatch emissaries to various campuses having active organization of this sort, to get a slant on what happens in a frat house, and what restrictions and privileges are directed toward them. All in all, I most heartily agree with the originators of this plan, but would better put a little more effort into it; obtain more backing; otherwise it'll just shrivel up and die.

Speaking of fraternities, one already exists here and has achieved some prominence. It's the Delta Alpha Beta Mu. or "Drink and Be Merry" society, consisting of: Olan Tucker, president; O. Tucker, secretary-treasurer; and having one member, O. U. Tucker. The motto of this select clique is "Drink, Drink, Drink." Sand fountain scoundrel.

That dreadful disease, marriage has started to spread over the campus again this fall, afflicting, of all people, the sole surviving member of "Poker lat". It was estimation on that is evident ineligibility would serve to spare him from the scourge, but apparently no one completely immune. Tough break, but good luck anyway oss.

"Como los animales"—people's distorted views of others; times remind us of certain animal characteristics; it seems that a bestial nature, hitherto skillfully obscured, pushes through to make itself known. No reasonable explanation is obtainable; perhaps we have

(Continued on page two)

A Thank You From The S. G. A.

Dr. Houston Cole, President Jacksonville State College Jacksonville, Alabama
Dear Dr. Cole:

The Student Government Association would like to take this means to express our thanks for your kindness and thoughtfulness in treating us to a delicious steak supper at "Old Hickory" on Oct. 30. We are remembering the bargain made; and we are working toward keeping up our end of the deal.

Let us stress again how very grateful we are to you and Mrs. Cole for a perfectly delightful evening.

Sincerely,
The Student Government Association

86 To Graduate On January 16

Degrees will be conferred upon 86 candidates at Jacksonville State College on Jan. 16, 1959, in the second mid-term graduation exercises to be held here. This custom was adopted last year in order to break graduation classes into smaller groups.

The list of candidates is as follows:

B.S. in Secondary Education
Willie Ruth Callahan, Dutton; Robert Dunaway, Ashland; Mary Jacqueline Gilbreath, Trion, Ga.; Bobbie Barnard Hardegree, Talladega; Harvey Boyd Jenkins, Long Island; Helen Summers Johnson, Anniston; Opal Rea Long, Red Bay; Shirley A. Prickett, Oneonta; Shirley Vines Standridge, Ensley; Marie Henagar Stone, Henagar; Carolyn Sandlin, Wade, Birmingham; Louise G. Woodward, Greenville.

B.S. in Secondary Education
Betty Carol Alverson, Munford; Billy Joe Barnett, Annette Henderson Douthit, Thomas J. Gillespie, Jacksonville; William R. Bennett, Jr., William T. Hightower, Luther L. White, Anniston; Joel O. Bentley, Eastaboga; Edward L. Buckner, Jr., Hokes Bluff; Myra Gail Burgess, Edwardsville; James N. Campbell, Malcolm W. Edge, Vera Lee Jones, Peggy S. Truitt, Gadsden.

Jane Flanagan, Paint Rock; Glenda C. Gibbs, Altoona; Malcolm Raymond Harwell, Cedartown, Ga.; Bona Fay Hicks, Abram P. Higgins, Jr., Crossville; Kermit L. Huddleston, Woodland; Myra Ann Masters,

(Continued on page two)

Pictured above watching the Livingston-Jacksonville game are Gov.-Elect John Patterson, Dr. Cole and U. L. Burnett.

Governor-elect John Patterson came to Jacksonville State College on an unofficial visit and attended the Livingston-Jacksonville game recently. Though he was not governor of Alabama at the time, the students reacted in a patriotic manner. In the accompanying picture, Governor Patterson watches the ball game from the press box with President Houston Cole and Mr. U. L. Burnett who is the official statistician for the Jax State Gamecocks.

Before the game, Dr. Cole and Dean Theron Montgomery and Solon H. Glover welcomed the Governor-elect along with the Jax State cheerleaders; Richard Belcher, president of SGA; Fay Blackwood, Collegian editor; and several press agents.

Dr. and Mrs. Cole entertained Gov. Patterson and his party with dinner before they attended the ball game.

A unique cheer was directed to the Gov.-elect by the pep squad during the game—"Two, four, six, eight. We don't want to integrate." Gov. Patterson merely smiled in response to this suggestion. The Jax Southerners saluted the governor with a delightful performance in his honor. For the half-time program, some 18 bands joined together in playing the JSC Alma Mater.

Governor Patterson remarked that he was very much impressed with the warm reception and with the good quality of the band, the football team and the student body.

NOTICE

Tryouts for individuals who wish to appear in the talent show will be held Monday, Nov. 10, at 6:30 p.m. in the Little Auditorium. Mrs. Lindsey will judge the participants and choose the ones to take part.

Each dorm is urged to present a skit in the show. These will not be judged in the tryouts. Cash prizes will be given to the first and second place winners in the individual category. A unique prize will be given to the winning dormitory.

THE LAWYERS

The Jacksonville State Law Club is delighted to announce that at the regular meeting on Wednesday, Nov. 12, the guest speaker will be Professor Edward James Woodhouse.

Law Club meetings are held at 10 a.m. in room 217, Bibb Graves Hall. Everyone is cordially invited to attend and hear Professor Woodhouse speak on ethics in law.

A Poll Of 253 People Says Yes 180, No 44, No Idea 29

By Mary Ann Waldrep

One of the most controversial issues now confronting the SGA and the school administration is whether or not to admit national social fraternities and sororities to our campus. Instructed by my trusting editor, I set forth armed with pencil and pad to play George Gallup and discover how the Joes-and-Janes-at-large felt.

This is the question presented individually to them: Would you like to see national social fraternities and sororities on our campus?

Several problems presented themselves which should be taken into consideration when evaluating the data. For one thing, (don't blame me), I did not have access to the boys' dorms. Consequently more girls were polled than boys. There does seem to be a slight difference in opinion, with more boys answering affirmatively. If a group was polled, some of the members would be influenced by others. A few evidently had not given the subject much thought and made a rapid decision which may be subject to change upon further reflection. Also, more members of some classes were polled than of others. Any difference of opinion by newcomers and "old dogs" might not show up too clearly. However, the stu-

dents were picked at random and should be a fairly representative group.

Here is how 98 boys and 155 girls expressed themselves:

	Girls		
	Yes	No	No Opinion
Freshmen	35	14	8
Sophomore	28	15	11
Juniors	22	5	3
Seniors	11	3	0
Total	96	37	22
	Boys		
	Yes	No	No Opinion
Freshmen	18	3	4
Sophomore	31	2	3
Juniors	19	1	0
Seniors	16	1	6
Total	84	7	7

Put them together and we have: Yes, 180; No, 44; No Opinion, 29.

Several individuals expressed themselves as follows:

At a preliminary meeting Wednesday, Oct. 5, a committee of five SGA members met with Dean Montgomery to discuss the possibility of organizing fraternities and sororities. The following things were brought out by the group to be considered if they are organized:

1. How many shall we have?
2. What type should they be? We would desire those of the highest caliber.

3. What will the fees be? A moderate estimate places the fees at \$100, dues at \$10 per month, plus fees for dances and

(Continued on page four)

Space Wanted!

Every year we need more and more office space in Bibb Graves Hall. Already every corner has a desk and a file cabinet. The administrators have been very obliging but they cannot create more space where there is none.

Richard Belcher, president of SGA, has come up with a plan which could very easily supply some of this needed space. He suggests that the entire basement of Daugette Hall be remodeled and made into offices. Daugette Hall would be the center for student activity offices. Chat'em of course would remain in its present location and offices would be added in the remodeling portion SGA, Mimosa, Collegian, Stu-Jax and maybe a campus post office. Also a recreation room could be supplied with billiard tables, ping pong tables and card tables.

One main objection to this plan would be the danger of fire. Mr. Belcher holds that a student could be given a work-shop to keep the offices clean.

This seems to be a worth-while plan. I hope it will be approved by the administration. The SGA voted unanimously for this. It is a good idea to have the student offices in a central location.

Dance, Dance, Dance

It is an established fact that more Jax students should attend the dances which are sponsored by various organizations and classes. The reason for the slack crowds may be that many students, especially the boys, do not know how to dance. In the last SGA meeting, Dr. Anders suggested that the SGA employ a professional dance instructor to give free lessons here at the college on set days. We have several students on the campus who could serve as assistant instructors. Once before such a program was sponsored by the SGA and it is reported that attendance at the dances was increased. This just might be an answer to this problem of poor attendance. It wouldn't hurt to investigate.

LETTER TO THE EDITOR

November 3, 1958

Letter to the Editor
The Collegian

Jacksonville State College
Dear Miss Blackwood:

The question of having social fraternities and sororities on our campus is of great importance to me. In a college of this size, I am surprised that they do not already exist. I attended the University of Chattanooga and enjoyed the wonderful atmosphere of social brotherhood, school spirit and the willingness to participate in campus activities. Such an atmosphere is not entirely present at Jacksonville. I have no doubt however that in the near future social fraternities and sororities will be evident on our campus. Of course we don't want to be second rate in the choosing of our national affiliates. JSC deserves the best. These fraternities and sororities can come to our campus with the consent of the administration and the willingness of students to join provided that they are qualified.

It is my opinion that social Greek-letter organizations could improve the campus situation greatly. I look forward to seeing fraternity and sorority houses appear in Jacksonville. In talking with students, I find that these fraternities are wanted. The establishing procedures and administrative

consents have been pushed as a result of the student demand for them. I sincerely hope and believe that the Social Fraternity Student-Faculty Committee will recommend the establishing of them. Jax State needs not only such fraternities as Pi Kappa Alpha, Lambda Chi Alpha and Sigma Alpha Epsilon but sororities such as Chi Omega, Delta Gamma and Phi Mu.

I look toward a new Jacksonville State with an enrollment which compare with that of Auburn, social fraternity and sorority houses, a campus atmosphere of warmth and cordiality through society and the new name of Jacksonville State University.

Respectfully,
Jim Bennett

BUSINESS DISCUSSION

Mr. John B. Nisbet, Jr., Jacksonville insurance agent, was the speaker at the Nov. 5 meeting of the Business Discussion Group. Mr. Nisbet spoke on the advantages of the independent agency, expirations, legislation concerning insurance, and assigned risks.

The next meeting will be held Wednesday, Nov 12, at 2:00 p.m. in Room 304, Bibb Graves. The topic will be banking. All who are interested are welcome to attend.

By Wanda Walton

To brighter things—It's a boy for the Norman Fords—Congratulations! We have a few other "pats on the back" to issue—some of the people aren't commuters, but we liked their spirit. To Don Smith, a senior class president, for Senior Week, (May it become a tradition.) To Mary F. Johnson (a gal who knows her mind) . . . To Fred Gleason, the new V. P. of the Commuters' Club . . . David Thompson and his committee for the very excellent constitution they drew up. . . Joe Aldrich and Ben Prickett for their new and outstanding interest in art . . . To Fay Blackwood who put the bone into the back and has proved her worth as an editor lately . . . To Mrs. Bates who always smiles . . . To Mr. and Mrs. Lee Manners for "Onion-head and the Flapper" at last Alpha Rho Tau party. . .

It's membership time and the new constitution states our dues shall be \$1.00 a year. That is a very small price to pay for the privilege of enjoying our lounge (where you will now find ping pong, radio, candy machine, and COKES) so, we join President Hank Fannin in urging you to pay yours at a very early date.

Car tags are available now and EVERY Commuter's car should be sporting one!! See your S. G. A. representatives and get yours.

Thank to the kind offices staff (Registrar and Dean Montgomery) for their nice comments and encouragement.

CHIMES

(Continued from page one)

not, yet, completely evolved. Tan triste. Espiritu, levanta te!

Recent election trends indicate a forthcoming Democratic regime, probably as a result of the nationwide discontent aroused by the Republican administration; wonder what kind of mess we'll be in three or four years from now? It's highly possible that the same discontent will be prevalent; who knows? If the malcontents who predominately disparage our high administration take the trouble to vote this time, the usual run of criticism won't be in evidence.

Needed assistance—the school photographer, who also teaches audio-visual in an adequate capacity, is in dire need of a reliable, skilled young assistant to lend a shoulder to the increasing heavy burden being placed on his shoulder. It isn't necessary to say that some young man in need of a workshop, of a sort, to help meet expenses is available; why couldn't a compromise of some type be reached whereas both needs could be satisfied? If we could afford to hire someone our fine photographer could use him to advantage.

Surprise! Jax State's arisal from their lucky strike status to take four games in a row is causing considerable eyebrow lifting.

BUY YOUR JAX CAR TAGS—\$1.00
SEE ANY SGA MEMBER

ONE, TWO, THREE, FOUR—It's too bad this is not a colored picture of this week's "Gem of the Hills." Pretty Fran Chandler, a freshman from Jacksonville, is dressed in a brilliant gold-colored uniform which she wears so well in the Jax State Band as she twirls and dances during the half-time performances. Miss Chandler has been with the "Southerners" since her high school days.

KDE Banquet Set November 11

Tuesday night, November 11, K. D. E. will have its formal initiation banquet at the Panorama Restaurant in Gadsden. Pledges who will be formally initiated into the fraternity at this time are: Sara Anderson, Mary Harrison, Sarah Johnson, Carolyn Kerr, and Clara Yarbrough.

Officers for this year are: LaRue Allen, President; Valma Voss, First Vice-President; Carl Burgess, Second Vice-President; Sandra Davis, Treasurer; Louise Ivy, Secretary; and Tressie Smith, Reporter.

GRADUATION

Sigma Tau Delta Pledges

Pi Epsilon Chapter of Sigma Tau Delta, national English fraternity, held a banquet and initiation ceremony at the Faculty Club, Oct. 28.

Eight pledges became members of the fraternity during the impressive initiation ceremony. Those initiated were: Sandra Davis, Geneva Howell, Lillian Howell, Sarah Johnson, Caroly Kerr, Ava Ann Nichols,

and Annie Marie Williams. Following the banquet, Gail Burgess, president, welcomed the new members to the fraternity. Members attending were: Gail Burgess, Jane Flanagan, Glenda Gibbs, Hugh Watson, Sylvia Stackhouse, Martha Justice, Peggy Harris, Mrs. Ernest Reaves, Charles Nunn, and Mrs. Alfred Roebuck, faculty sponsor.

SPOTLIGHT

Burgess, Barnard 'Who's Who' Candidates Featured

In September of 1955 Jacksonville State College enrolled several freshmen who have proved worthwhile in services to the school. Two of these students have been chosen to share this week's spotlight. Both subjects have experience with high school newspaper and annual staffs and have been chosen for this year's "Who's Who". They are, of course, Gail Burgess and Robert Barnard.

Gail is a 1955 graduate of Heflin High School where she was active in Beta Club, Thespians, Debating, and F.H. A. She served as business manager of her high school annual and was a member of the newspaper staff. Gail was elected cheerleader, Miss F.H. A., and homecoming attendant.

An English major and physical education minor, Gail has certainly proved her worth in activities at Jacksonville. She was secretary-treasurer of Dauge Hall, secretary of the junior class, and secretary of the senior class this summer. She has served as treasurer and is now vice-president of W.A.A. Not only is she outstanding in activities, Gail is an all-round good student. She is vice-president of Kappa Delta Epsilon and president of Sigma Tau Delta, both honorary organizations. Her most recent achievement was that of being named in "Who's Who Among Students in American Universities and Colleges."

After her graduation in January, Gail plans to teach either English or Physical Education. She says she will probably start graduate school either next summer or next fall. Maybe she will; we need her kind around longer!

Robert graduated from Arab High School in 1955. While in high school he served as both reporter and president of Beta Club; reporter, vice-president, and then president of F.F.A., and a cheerleader. He was a member of the annual staff, newspaper staff, "A" Club, Glee club and the basketball team.

After his busy high school

GAIL BURGESS

ROBERT BARNARD

years, Robert decided to pursue a course as biology major and history minor at Jacksonville. He is active in Kappa Phi Kappa, Phi Mu Chi Beta and Ushers' Club. Robert is a company commander with the R.O. T.C. unit, Captain of the Scabbard and Blade, and has received the Distinguished Military Student award. He was recently elected by the senior class as a class favorite. For these efforts Robert was selected for "Who's Who Among Students in American Universities and Colleges" for the current year.

After the May graduation, Robert will serve a two-year hitch with the army. After that he hopes to work with the state conservation department.

FBLA Placement Bureau Described

This year, the local chapter of the Future Business Leaders of America has reorganized and expanded its placement facilities and services. The purpose of the FBLA Placement Bureau is to aid non-teaching graduates in obtaining employment.

Serving as a point of contact between the company and the student, the bureau investigates employment opportunities and if, desired, makes the necessary arrangements for company representatives to hold on-campus interviews. Already, over one hundred letters, describing the bureau's facilities, have been mailed to companies throughout the Southeast.

Another service offered by the bureau is part-time jobs for underclassmen. Businesses in the Jacksonville, Anniston, and Gadsden areas are being contacted to local part-time openings. Students who are in need of part-time work, or students who know of part-time opportunities should contact any member of the FBLA Placement Committee.

This commendable work of the Placement Committee is being done in cooperation with Dr. Leon Willman, director of all college placement activities. Members of the committee include Don Adwell, chairman; Glenda Smith, Bobby Williamson, Charles Sweat, Ronald Harmon, Mike Trimble, and Janice Williams. Faculty adviser is Mr. George Crawford.

The office of the FBLA Placement Bureau is in Room 310, Bibb Graves. A bulletin board displaying employment information is maintained in the hallway of the third floor, and a number of informative brochures from various com-

The COLLEGIAN would like to say, "Two 'Who's Who' rightly named; a bright Spotlight falling on two very capable, ambitious, and always deserving people; and a future well-planned and executed!"

panies are available in Room 304.

The FBLA, which expects a record membership this year, is planning several other worthwhile projects for the year. A special meeting, designed to acquaint those interested with the purposes and activities of the organization, will be at 10 o'clock, Wednesday, November 10, Room 306.

Huntley Exhibit November 9

A reception was held Nov. 9, for the opening of the David Huntley exhibit. Mr. Huntley is Chairman of the Department of Art at Alabama College. He received his AB and MA degrees from the University of North Carolina.

A very outstanding artist, Mr. Huntley's work has been exhibited in 35 shows in the past five years.

There will be a meeting of Alpha Rho Tau, Wednesday, Nov. 12, at 10 a. m. in the Art Department. A program will be presented and all members are urged to attend.

Here's The Results Of The Predicting

The head mentor of the Gamecocks goes for the big ones on his pigskin predictions. Coach Salls picked two upsets and both of them involved the Mississippi State Maroons. He picked the Alabama Crimson Tide over the Maroons. It wound up, the Tide 9, the Maroons 7. Then he picked Kentucky over the highly favored Maroons last week. The Wildcats pulled the upset 33-12. Coach Salls almost hit the Auburn-Florida tussle. He picked the 'Gators, who won everything expect the score; the War Eagles pulled out a toughie, 6-5.

The big game of the nation went as all predictors anticipated. L. S. U. took the Ole Miss Rebels in stride 14-0. At the present time, L. S. U. appears a cinch for a Sugar Bowl bid as well as a possible S. E. C. and National Championship.

SECOND GUESSING

As this issue comes out, the 1958 Jacksonville football season will be completed. Going into the Tampa University game, the Gamecocks boast the best season record since 1955 Refrigerator Bowl team. Coach Salls' forces have a 5-3 record but a win over Tampa would make the record look even better. After losing their first three games, the Gamecocks bounced back to win their last five games. The Gamecocks actually played one of their better games of the season against Middle Tennessee even though they came out on the short end of the score 18-6.

At this point, the Gamecocks have shown more offensive punch than was expected at the beginning of the season. The rushing average per game

has surpassed the complete 1957 average. At the end of the '57 campaign, Jerry McBee led the Gamecocks rushing department with 341 yards in eight games. Going into the ninth and final game for '58, Bill Nichols leads in rushing with 667 yards.

Point-wise the Jacksonville offensive game looks better than the offensive drive of the 1957. Last year at the end of the eighth game, the Gamecocks had scored 79 points to their opponents 75. The 1958 Gamecocks have scored 125 points to their opponents 130. Leading scorer was Doug Davidson with three touchdowns for 18 points. This year Speedy Bill Nichols has doubled Doug's '57 mark with six touchdowns to his credit for 38 points.

Defensively Jacksonville's line has played outstanding football all season. With great speed and size, the line has played tough and rugged football and they have definitely left a good impression with each opponent. A Chattanooga halfback commented several weeks ago, "The hardest I've been hit all season was against Jacksonville and that includes Auburn". It is hard to single out any one lineman for dominating play, but great consistent play has been turned in each game by rugged Ted Boozer, J. E. Phillips, and Roy Fulmer. Jim Glasgow, Grover Whaley, E. G. Taylor and Phil Powell have also been outstanding in the Jacksonville forward wall.

The Gamecocks have had a good season, but with only two seniors, E. G. Taylor and Phil Powell, the Gamecocks should be loaded for bear in '59 Jacksonville could have its first undefeated team . . .

SPORTS SHORTS

With the Gamecocks' finishing a fine season on the gridiron, it is time for all Jacksonville State fans to turn their thoughts to America's favorite in-door sport—basketball. It is still too early to say what kind of season this year's edition of Gamecock hoopsters will have, but everyone on Solomon's hill is looking forward to the winning basketball season and team.

With only two starters returning from last year's squad that won twelve games and lost ten, Coach Tom Roberson faces a tough rebuilding job. The presence of long, lanky Lefty Bollinger and Don Wilson would boost the hopes of any J'ville fan as he looks over the prospects of this year's squad.

Freshman coach, Jerry McNabb, has been putting the squad of twenty-five hopefuls through the paces each afternoon while Coach Roberson has been busy on the football field.

The boys have been working hard and are beginning to shape into a pretty good ball club. Along with Bollinger and Wilson, Coach Tom can depend on the services of Herald Johnson, Gerald Dupree, Ronald Copeland, and Jim Hodges. Several football players are to report to the squad this week, these include: Gerold Halpin, an all-state basketball player from Lineville, Jim Jackson, and former Marion Institute star, Charles Clark. Put these with a group of fine newcomers and you have this year's edition of the Gamecocks.

Coach Roberson's five will play a rough twenty-four game schedule. The Jaxmen open in Tuscaloosa on the first day of December against the Crimson Tide of Alabama. The season close on Feb. 21, with a home game against Chattanooga. Between the first of December and the last week of February, the Gamecocks will play eleven home games, so let's all turn out and SUPPORT THE GAMECOCKS!

SIMPKINS

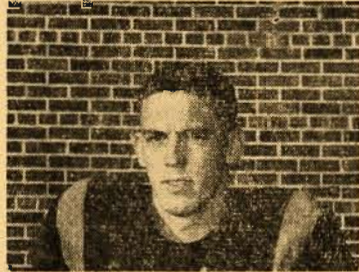

Gamecocks Lose Clark To Injuries

The Jacksonville Gamecocks were dealt a severe loss with the injury of first string fullback Charles Clark. Charles suffered a brain concussion during the Jacksonville-Livingston game.

The loss of Clark accounts for the second blow to hit Coach Salls' fullback position this season. Fullback Wayne Keahy, Jacksonville's top returning back from 1957, was lost only a few days before the first game of the season. These injuries left the fullback strength weak and brought on a shifting of players in the backfield.

Bill Kinzy, 170 lb. Jr., who was a starting right halfback at the first of the season, started at fullback against Carson-Newman and turned in his most outstanding performance of the season. Kinzy scored six points in the Gamecocks 35-13 rout.

An athlete such as Charles Clark will certainly be missed from the Jacksonville line-up. He is one of the most versatile athletes ever to attend Jack-

CHARLES CLARK

sonville.

Charles graduated from Elba High School in 1956 where he played center for the Elba Tigers. Charles was captain of the team his senior year, the team which went undefeated and won the Birmingham News State AA Championship. After his senior season, Charles was selected on the Alabama All-State football team and the All-Alabama Conference team. He was later picked to play in the Alabama North-South All-Star Football game played in Tuscaloosa. He was the starting center for the South squad along with now SEC stars John Kern of Auburn, Don Cochran of Alabama and Marlin Dyess of Alabama.

Charles had a scholarship to Alabama, but was too small to play center for the Crimson Tide. He went to Marion Military Institute where he played football, basketball and baseball. His first year at Marion, Charles received the "Outstanding Athlete Award." He was elected captain of the football team and basketball team his last year at Marion.

Charles was also an outstanding basketball player. He was the shortest center in Junior College basketball, being only 5'11. From his high school days he still holds the Alabama Conference record for the most points scored in one game, which was 42 points against Greenville High school. If his injury heals soon, Charles plans to play basketball for Jacksonville.

Charles is also quite a man with a baseball bat. As a catcher at Marion, he hit .386 his last year.

As you see, Charles is a big man on the athletic field, but he is just as big, if not bigger, off the athletic field. He graduated from Marion with distinguished military honors and he is a top student at Jacksonville.

Jax Wins Over C.-Newman 34-19

On a dreary November night a rather small crowd of ardent Jax State supporters sat in the wind and rain to see the Gamecocks rack up their most impressive win of the season. Running, passing, blocking and tackling like a pro team the Gamecocks rolled over the hopeless Carson-Newman by a 35-13 count.

The Jaxmen scored in the second period when after a sustained march Jerry Duke went off tackle for eight yards and the T. D. An attempt for extra points failed, but the Gamecocks had a 6-0 lead.

In the same quarter, the single-wing offense of the Carson-Newman Eagles came to life and on several plays they had moved the ball deep into Gamecock territory. A pass from tailback Bryant to the left end, Dean, gave the Eagles a first down on the six. Another pass from Bryant to Dean was completed in the end zone for Carson-Newman's first score.

The extra point kick sailed neatly through the uprights and the Eagles went ahead 7-6.

The Gamecocks came roaring back and just before intermission, Nichols scotted into the end zone for the touchdown. Clepper added the two points and the Jaxmen were ahead 14-7 at the half.

In the third quarter a pass from Harold Shankles to Ted Boozer accounted for another Jacksonville touchdown. This was possibly the outstanding play of the game as big Ted literally ran over would-be tacklers on his march toward a touchdown. Harold Shankles high-stepped into the end zone for the two points and Jacksonville led 22-7.

A one-yard plunge by Clepper added the fourth touchdown. "Duck" Hodges kicked the extra point. Jim Clepper added J'ville's final tally on a beautiful twenty-six yard gallop. Carson-Newman scored in the fourth quarter on a pass from Bryant to Jim Brotcher but it was all over then but the shouting.

The entire line played exceptionally good defensive ball for Coach Dr. Salls' crew. All in all it was Jacksonville's best performance of the year.

Basketball Schedule

- Dec. 1 Alabama, There

BOOZER LEADS JAX WALL

Ted Boozer, 6'0, 200 lb. junior from Alexandria, has been the big gun behind the Jacksonville State defense. He

Vikings, Duces In Intramural Tie

The Vikings and the Duces are tied for the lead of the intramural touch-football league with each team winning four and losing one. Old Pannell follows the leaders closely with a 3-1 record. The Vagabonds have won three and lost two. The Blimps have won one, tied one and lost three. The Frumps have tied one and lost three, while the Rebels have lost four games.

The biggest game of the season was when the Duces squared off against Old Pannell. The passing arm of John Lee and the receiving of Ted Ford, Herschell O'Dell, and Jerry Higginbotham led the Old Pannell squad to a 14-0 victory. Both touchdowns were on passes. The first one was from Lee to Higginbotham, a fourth down pass from the one yard line. The second touchdown pass went from Lee to Ted Ford who made a circus catch to give his team a comfortable lead over the Duces.

In a surprising upset the Vagabonds edged out a 6-0 victory over the unbeaten Vikings. It was a defensive game all the way until a deflected pass fell into the hands of a Vagabond receiver for a touchdown that proved to be enough for an upset victory for the Vikings. "Boaz" Pate was the outstanding defensive man for the Vikings, while Jim Harris was the shining star on defense for the winners.

NICHOLS LEADS JAX STATE SCORING

The Jacksonville Gamecocks have shown a sparkling running attack since October. They have unleashed an offense that has racked up 125 points and allowing twelve players to get in the scoring column.

INDIVIDUAL SCORING

- | | | | |

JACKSONVILLE OUT TO EVEN SCORE WITH TAMPA

When the Jacksonville Gamecocks tangled with the University of Tampa Nov. 8, it was the fifth meeting of the two teams. Last year the Tampa eleven took a 14-13 victory away from the Gamecocks in the College Bowl.

Here is how the games have gone:

- | | | | |
|-------------------|----|-------|----|
| 1950 Jacksonville | 20 | Tampa | 7 |
| 1951 Jacksonville | 0 | Tampa | 40 |
| 1952 Jacksonville | 6 | Tampa | 20 |
| 1957 Jacksonville | 13 | Tampa | 14 |

FRATERNITY POLL (Continued from page one)

- parties.
4. How would the living costs in dorms and fraternity houses compare?
 5. How shall we handle pledges and control black balling of members?
- Another meeting of faculty and the SGA committee will be held this afternoon at 4:00.

has turned in the most individual tackles for the Gamecocks. However, not far behind is John Phillips, Fulmer, Glasgow, Grover Whaley and Taylor.
