Now It’s Official—John Patterson Is Governor
‘Alabama's Choice’ In Jax Press Box At LSC Game—Administrators, Students Are Hosts

A Thank You From The S.G.A.

Dr. Houston Cole, President, Jacksonville State College 

Jacksonville, Alabama, Monday, November 10, 1958

Dear Dr. Cole,

The Student Government Association extends to you its personal thanks and appreciation for your efforts to have your name placed on the ballot and your decision to accept the nomination for governor of the State of Alabama.

Your acceptance of this nomination will create unprecedented opportunities for the students of our college and the State of Alabama to witness at first hand the leadership qualities of an outstanding man and the wisdom of a statesman.

Once again we wish to extend these sentiments and extend to you our hearty congratulations. We are confident that you will have a successful campaign.

Sincerely yours,

The Student Government Association

86 To Graduate On January 16

Degrees will be conferred upon 86 candidates at Jacksonville State College on January 16, 1959, in the second mid-term graduation exercises to be held here. This custom was adopted last year in order to spread graduation ceremonies to smaller groups.

The list of candidates is as follows:

B.S. in Secondary Education

William Ruth Callahan, Dutton; Donald Hugh Aymon, Ashland; Mary Jacqueline Gillis, Tifton, Ga.; Bobbie Bernard Rice, Ashland; Boyd Jenkins, Long Island; Helen Summers Johnson, Aniston; Opal Ren Long, Tabor City; Shirley A. Proctor, Ocoee; Shirley Vee Young, Ashland; Eunice M. Saxon, Jacksonville; Carolyn Sandell, Wadley, Birmingham; Louise G. Woodard, Greenwood, Alabama.

B.S. in Secondary Education

Vincent Alston, Montgomery; Billy Joe Best, Kansas City, Mo.; Glenda C. Gibbs, Altoona; Malcolm Raymond Harwell, Cooterdale, Ga.; Bona Fay Hitch, Abbeville; Abram P. Higgins, Jr., Crossville; Kenneth L. Huddleston, Woodland; Myra Ann Masters, Graceville.

A Poll Of 253 People Says Yes 180, No 44, No Idea 29

By Mary Ann Waldrep

One of the most controversial issues now confronting the SGA and the school administration is whether or not to admit national social fraternities and sororities to our campus. As instructed by my trusty editor, I set forth armed with pencil and pad to play George Gallup and discover how the freshmen and seniors at Jacksonville feel about this.

This is the question presented individually to them: Would you like to see national social fraternities and sororities on our campus?

Several problems prevented ourselves which should be taken into consideration when evaluating the data. For one thing, (don't blame me) I did not have access to the boy dorms. Consequently more girls were polled than boys. There seems to be a slight difference in opinion; more boys seem to favor admitting national fraternities and sororities. If a group was polled, some of the members would be influenced by others. A few obviously had not given the subject the thought it deserves.

The following things were brought up by the group to be considered if they are admitted:

1. More men shall have access to more women.
2. More girls shall have access to more men.
3. What will the fees be? A moderate estimate places the fees at some $80, dues at $3 monthly, plus fees for dances and social events.

Governor-elect John Patterson came to Jacksonville State College concerning an unannounced visit to the campus. He did not wish to attend the Livingston-Jacksonville game recently. Although he was not governor of Alabama at the time, the student body was still completely in support of the football team.

In the accompanying picture, Governor Patterson visits with the editor of the press box with President Houston Cole and Mr. U. L. Burnett who is the official statistician for the State Game commissioners.

Before the game, Dr. Cole and Dean Tiers Montgomery and Helen S. Givens welcomed the Governor-elect along with the Jax State cheerleaders; Richard Batcher, president of SGA; Far Blackwood, College editor; and several other guests.

Dr. and Mrs. Cole entertained Gov. Patterson and his party贵宾 and a special reception was held at the Mounds. All of us attended the ball game.

A unique cheer was directed to the Governor-elect by the pep squad during the game—"Two, four, six, eight! We don't want to integrate." Gov. Patterson merely smiled in response to this. After the game, Patterson Welder introduced the Governor-elect along with the Jax State cheerleaders and Governor-elect to the campus. For the Mist-Time program, some 18 bands joined together in playing the JSC Alma Mater.

Governor Patterson remarked that he was very much impressed with the warm reception and with the good quality of the students here and the student body.

NOTICE

Tryouts for individuals who wish to appear in the talent show will be held Monday Nov. 10, at 3:30 in the Auditorium. Mrs. Lindsey will judge the participants and choose the ones to take part.

Each form is due to be returned to the office of the Speech and Drama office. Everyone present will be judged in the contest. Cash prizes will be given to those chosen and second place winners in the individual category. A unique prize will be given to the winning dormitory.

THE LAWYERS

The Jacksonville State Law Club is delighted to announce that at the regular meeting on Wednesday, Nov. 12th the guest speaker will be Professor Edward James Woodhouse. Law Club members meet at 10 a.m. in room 421, Eub Graves Hall. Everyone is cordially invited to attend and hear Professor Woodhouse speak on ethics in law.
Space Wanted!

Every year we need more and more office space in Bibb Graves Hall. Already every corner has a desk and file cabinet. The administrators have been very obliging but they cannot create more office space in a week.

Richard Bleder, president of SGA, has come up with a plan which could very easily satisfy some of this need. He suggests that the murio basement of Davis Hall be remodeled and made into offices. Davis Hall would be the center for student activity offices. Chalmers of course would remain in its present location. Additional offices would be added in the remodeling of the portion of Davis Hall known as the Institute. Bleder also feels that some other groups like ROTC could move into the present ROTC offices and that Davis Hall could be used for activities.

One main objection to this plan would be the danger of fire. Mr. Bleder holds that a student could be given a workshift to keep the offices clean.

Dance, Dance, Dance

It is an established fact that more than 50% of students attend the dances which are sponsored by various organizations on this campus. The reason for this is of great importance to me. In a college of this size, I am surprised that they do not do it already exist. I attended the University of Cincinnati and enjoyed the wonderful atmosphere of social brotherhood, school spirit and the willingness to participate in campus activities. Such an atmosphere is not entirely present at Jacksonville State. As a matter of fact, however, that in the near future social fraternities and sororities will become part of our campus. Of course we don't want to place social sales in the choosing of officers, as the University of Cincinnati did. Such sales will lose their charm.

But I look toward a new Jacksonville State with an enrollment which compares with that of Auburn, social fraternities and sororities, a campus atmosphere of warmth and friendliness. The reason for this is the new name of Jacksonville State University. Respectfully,

Jim Bennett

Jacksonville State Collegian

FBLA Placement Bureau Described

This year, the local chapter of the Future Business Leaders of America has reorganized and expanded its placement facilities and services. The purpose of the FBLA Placement Bureau is to aid non-teaching members in obtaining employment.

Serving as a point of contact between the company and the student, the bureau facilitates employment opportunities and, if desired, makes the necessary arrangements for consideration of representatives to visit on campus interviews. Already, over one hundred interviews are arranged at the bureau's facilities, have been mailed to students throughout the Southeast.

Another service offered by the bureau is part-time jobs for underclassmen. Businesses in the Jacksonville, Anniston, and Gadsden areas are being contacted to local part-time openings. Students in need of part-time work, or students who know of part-time opportunities, should contact the bureau. Members attending the national initiation ceremony at the Augusta, Georgia, Convention will be mailed to all members.

Here's The Results Of The Predicting

The head selector of the Gamcooks goes for the big ones on his pigskin predictions. Coach Tull picked two upsides and both of them involved the Mississippi State Maroons. He picked the Alabama Crimson Tide over the Maroons. It wound up, the Tide 9, the Maroons 7. Then he picked the Rebels to go over the highly favored Maroons last week. The Wildcats pulled the upset 33-12. Coach Sallie almost hit the Arkansas-Florence tussle. He picked the Wildcats, who won everything expect the score. The Razorbacks turned out a tough 4.5.

The big game of the nation went as all predictors anticipated. L. S. U. took the Ole Miss Rebels in stride 34-6. At the present time, L. S. U. appears a cinch for a Sugar Bowl bid as well as a possible S. C. and National Championship.
Gamecocks Lose Clark to Injuries

The Jacksonville Gamecocks were dealt a severe blow with the injury of senior fullback Harlone "Boaz" Pate. Due to an injury to his thumb, he will miss the rest of the season. Harlone's absence will be felt heavily by the Gamecocks as they prepare for their upcoming games.

Clark was a standout athlete for the Gamecocks, earning All-American honors in both football and basketball. His absence will definitely impact the team's performance on the field.

Jax Wins Over C-Newman 34-19

On a dreary November night, a small crowd of dedicated Jax State supporters sat in the stands and cheered as the Gamecocks rack up their most impressive win of the season. Relying on a balanced offensive and defensive effort, the Gamecocks had a 33-13 count.

The Gamecocks scored in the second period when after a sustained march Jerry Duke kicked a field goal. The T. D. An attempt for four yards failed, but the Gamecocks had a 6-0 lead.

In the first quarter, the single-voltage offense of the Carson-Newman Eagles came to life and played a pretty good ball game. Along with Bollinger and Wilson, Clark has doubled Doug's '57 mark with six touchdown to his credit and six in the second quarter. As the Brickyard crawls out of the tunnel, it is time for all Jacksonville fans to line up and support the winning basketball season and team.

The biggest game of the season will be against Middle Tennessee even though they came out on the short end of the score 7-6. In a surprising upset the Eagles went ahead 7-6 on a neat through the uprights by Dean was completed in the third quarter on a pass from Jack Morton. The second touchdown pass went past Lee from Ted Ford who made a 34-yard field goal.

The Gamecocks came roaring out of the gate with a 6-0 lead. The Frumps have tied one and lost three, while the Rebels have tied one and lost three. The Frumps have tied one and lost three, while the Rebels have tied one and lost three.

The blozic game of the season was against1 Deuce 20, which squared off against Old Pannell and the undefeated University of Tennessee. As the University of Tennessee takes off from the one yard line, the second touchdown pass went past Lee from Ted Ford who made a 34-yard field goal. It was a defensive game all the way until a deflected pass fell into Ted Ford's hands and receiver for a touchdown that proved to be enough for an upset. After the game, John "Bonz" Pate was the outstanding Gamecock. He had 341 yards in eight games. Going into the ninth and final game to be held this afternoon at 4:00.

The Jacksonville offensive game looks better than the offensive drive of the 1957. Last year at the end of the eighth game, the Gamecocks had scored 15 points to their opponent 79. The 1958 Gamecocks have scored 125 points to their 130 opponents. Leading scorer was Doug Davidson with three touchdowns for 18 points. This year Speedy Bill Nichols has doubled Doug's 79 mark, with six touchdowns to his credit for 38 points.

Defensively Jacksonville's line has played outstanding football. Jacksonville's line has played tough and rugged football and they have definitely left a good impression with each opponent. A Chattanoogan halfback commented, "The Gamecocks have the best defense I've ever hit all season against Jacksonville and that includes Auburn." It is hard to single out any one linemen for dominating play, but great consistent play has been shown by each game by rugged Ted Boozer, J. E. Phillips, and Roy Fulmer. Jim Glasgow, Grover Whaley, E. G. Taylor and Phil Powell have also been outstanding in the backfield.

The Gamecocks have had a good season, but with only two seniors, E. G. Taylor and Phil Powell, the Gamecocks should be in good bear in '59 Jacksonville could have its first underfed team.

BOOZER LEADS JAX WALL

Ted Boozer, 6'0, 200 lb. junior from Alexandria, has been the big gun behind the Jacksonville State defense. He has had a surprising number of sacks this season, leading the team in that category. Boozer's quickness and agility have made him a difficult player for opposing quarterbacks to handle. His presence on the field has been a major factor in the Gamecocks' success this season.

Vikings, Duces In Intramural Tie

The Vikings and the Duces are tied for the lead in the intramural touch-football league, both having won four and losing one. Old Pannell follows the leaders closely with three wins and one loss. The Gamecocks and Duces have tied once. The Frumps have tied one and lost three, while the Rebels have lost four games.

The Intramural Football League is about halfway through its season and the results have been exciting. The Vikings and Duces are neck-and-neck in the standings, each with an equal number of wins. The Gamecocks and Duces have tied one game each.

The Intramural season has been full of excitement and action, with each team vying for the top spot in the league. The Vikings and Duces have been particularly dominant, with the Gamecocks and Duces trailing closely behind. The Frumps have been consistent, with the Rebels lagging behind.

The Intramural Football League is about halfway through its season and the results have been exciting. The Vikings and Duces are neck-and-neck in the standings, each with an equal number of wins. The Gamecocks and Duces have tied one game each.

With the Intramural season about halfway through, the teams are gearing up for the final stretch. The Vikings and Duces are going all out to secure the league title, with the Gamecocks and Duces trailing closely behind. The Frumps have been consistent, with the Rebels lagging behind.
