Singerman Recital Program Is Told

The Department of Music will present Albert Singerman, professor of music, in recital on Tuesday evening, Nov. 25, at 8 o’clock in the Leone Cole Auditorium.

Mr. Singerman, who has been presented several awards recently, is a pianist of unusual ability and has been widely acclaimed by all who have heard him play. He will give this same recital in New York City in December.

His program will be as follows:

I. Sonata in E-Flat Major, Op. 27, No. 1 (Beethoven), Allegro
II. Two Waltzes, Op. 39 (Brahms), No. 2, E. Major, No. 15, A-Flat Major
IV. Le Tombeau de Couperin (Ravel), Prelude, Fugue, Legende, Menuet, Tocata

The public is invited.

Henry Terry
Directs Dormitory

Henry Terry, a graduate student and a native of Anniston, has been acclaimed by all who have heard him play. The exact date has not been set for this recital, but it will be announced soon. There will be no charge for these lessons, which will be sponsored by the Sigma Gamma Rho Fraternity (SGA).

The Chimes' Beware! Armed with shotgun and determination is striking Miss Fay Jarvis who is featured as the College's Thanksgiving Gem of the Hills. Fay is a freshman from Pensacola, Fla., who is majoring in physical education and minor in biology. The number of wild turkeys in this area is limited, but it will be a lot of fun hunting for them.

Korean Officers To Speak To JSC Social Science Club

Today, announces the newly-elected president of the Social Science Club, Bob Pierce, four army officers from the Republic of Korea, who will speak to the club in the Little Auditorium at 6:30 p.m. The subject of their talk will be “Effort of Korean War on Korea.”

These four officers are Col. Wong, Col. Kim, Capt. Suk, and Capt. Lee. The entire student body is cordially invited to attend this meeting. The Social Science Club meets each first and third Monday.

At this time an average of 1.5 in social science courses is necessary to join the club. Lately, it has been suggested that the club be made into a national fraternity requiring an average of 2.0 for membership.

Crown-comedian Bill Jones of Jacksonville will M. C. the show. Buddy Simpkins, well known drummer will keep the beat and maybe play a solo. The Counts have acquired a special asset, vocalist Janice Williams, who won second place in the talent show. Anyone who attended the dances after the football games for which the Counts played will recall the humorous verses from Randle.

Instruments will include the usual and the unusual: oboe, viola, and other swingin' numbers.

SGA Sponsors Zenobia King Here

Mrs. Zenobia King Hill, a professional dance instructor from Anniston, has been secured by the Student Government Association to give lessons here at Jacksonville. She will give her lesson each week, and will be available to students on request. It is hoped that through Mrs. Hill’s efforts, more people will learn to dance and thus, there will be more students attending the dances.

Mrs. Hill will continue as long as there is a large number of students interested. College students who have had dancing lessons before will assist Mrs. Hill. This is a wonderful opportunity to get professional instruction for the entire student body.

Pierce Heads JSC’s New Rocket Club

Bill Pierce, who is enrolled at J. S. C. and is director of the Rocket Club formed at the Jacksonville High School, was named president of the JSC Rocket Club by Howard A. Pierce was one of the draftsmen for the Jupiter Projects at the Redstone Arsenal before coming here. He is a prospective member of the American Rocket Society.

The purpose of the Rocket Club is to educate the younger generation in rocketry and to arouse their interest in this important field. The club meets each Wednesday at 12:30 for a thirty-minute period of discussion and lettering.

Holidays Ahead!

Thanksgiving holiday will begin with the cancellation of classes on Wednesday, Nov. 21, at noon, and classes will be resumed on Monday, Dec. 1.

The three-week period between Thanksgiving and the Christmas holidays will be filled with a number of outstanding events. Coming up are the annual school talent show, the home economics department, the Junior-Junior Miss contest, the Freshman Prom, and the annual Jazz Concert sponsored by Phi Mu Alpha. Other pre-holiday activities will fill the calendar to make it a busy and jovial one for the students.

Christmas holidays will begin officially on Dec. 19 and classes will be resumed on Monday, Jan. 5.

Activity Timetable

Monday, November 21
7:45 a.m.—Morning Watch, Little Auditorium
8:00 a.m.—Vespers, Little Auditorium
8:45 a.m.—Phi Mu Alpha, Mass Department
9:00 a.m.—Soccer, Little Little Auditorium
9:45 a.m.—Morning Watch, Little Auditorium

Tuesday, November 22
7:45 a.m.—Vespers, Little Auditorium
8:00 a.m.—Seaboard and Blade, ROTC Building
8:30 a.m.—All-Star Intramural Football Game, College Bowl
9:00 a.m.—Albert Singerman, Sola Recital, Leonce Cole Auditorium

Wednesday, November 23
7:45 a.m.—Morning Watch, Little Auditorium

EDITOR'S NOTE:

All campus events are requested by Dean Willman to be clearly indicated. It may also be of interest if they show their calendar in order that conflicts may be eliminated.

Spotlight

Coffee, Lovett State's Best Publicity Team, JSC Asset

No business firm, social organization or educational institution can function effectively without the guidance of well-trained, capable and efficient leaders. The Collegian feel that Jacksonville has one of the most nearly complete and well-cooperative administrative staffs to be found in the state; therefore, we consider it fitting that we should honor two members of this staff in this week's Spotlight.

The two subjects are dedicated to their work. They spend hour after hour searching to it that Jacksonville State College and its students are constantly recognized in local as well as statewide newspapers and magazines. In itself, it is a tremendous job—well executed.

The first subject serves the college in the capacity of publicity director. Her work in this department is confined to the making it a point to know when someone on the campus receives an honor, wins an office, or achieves success at some thing, and seek to it that it is recognized and commended for this. She and her husband have for several years operated the Jacksonville News. There they edit, publish, and print the local paper, The Jacksonville News. They also handle the printing of the Colitlleten, Stu-Jax, Student Handbook, and practically every piece of print material the college compiles.

This lady is devoted to her family. She is the mother of one child—a daughter who is now in England. She is the grandmother of two—a girl and a boy who are also in England. At the birth of both grand children she was a companion in the minia
ture nursery with a short article about the youngsters to share with her sister. Besides her duty and loyalty to her family and vocation, she is constantly working on community projects for the betterment of a town and college she so dearly loves. Wherever, and whenever, and for whatever, worthwhile service being carried out you can find her there, doing her share and more. For her numerous outstanding qualities, she was paid tribute by the Dedication of the 1938 Minnes to her.

The second subject is a mem ber of the college faculty and very adequately serves the school as photographer. Whenever there is a special occasion or interesting activity he is always there with his equipment to capture the highlights to be printed in the school paper in pictorial memory. He also is dedicated to his work. Many are the times he has left his home and family on special days to perform his duty to the school or to snap that personal occasion which means so much. To say that he left his home does not imply that he deserted or neglected it for one moment. He is an devoted family man. He dearly loves his home life and children. No matter how trying the day has been he always manages to "rough-house" it with the children—a boy and a girl who both attend the elementary school—and in his household. Many are the miles he must travel and the hours the must keep to be sure that every photograph is perfect for the yearbook of television. It breaks off so easily, too, of the Alabama Education Association. He is an instructor in journalism who we are not sure anyone ever stop to think that some of the best cigars in the world are for sale there. Somebody must be trying to support these Forums' activities. On some occasions, they are sponsored by the office of the Alabama Education Association. He is an instructor in journalism for whom we name our Camp Leadership here at the college.

These two subjects are, of course, Mrs. R. K. Coffee, the public relations director of the college, and Mr. Opal Lovett, the photographer. They are this week's Devoted, Dedicated, and always DESIRING Spot.ight.
KILGORE LEADS IN PREDICTION AVERAGE

The final week of the prediction corner coming up, Rev. Dan Kilgore still leads the Pack with 75 per cent of his games, but he is being pressured by Happy Hal Hayes who has 71 per cent of his predictions. Upsets... Upsets... Upsets... All have been quoted for the remainder of the season, and the high favoring eleven have bitten the dust the past two weeks.

From our corner, two weeks ago, Tulane upset Alabama, who was the favorite for the first time in a long list, 13 to 7. Last week, the underdog Crimson Tide walloped favored Georgia Tech 17 to 8. Other mismatches were, Rice 21—Texas, 28, Mississippi 16—Tennessee 13.

**The Prediction Corner**

**November 22 Kilgore (47-16) Salls (28-55) Roberson 41-22 Hayes (45-18) Sumpkins 43-30**

By Buddy Simpkins

Two days and a punt for both Tampa and Jacksonville. Late in the first period, Spartan halfback Buddy Williams broke up the defensive battle with a 63-yard sprint to the Jacksonville 33-yard line. On the next play Williams carried again for 8 yards. With second down two on the Jacksonville 27, Spartan halfback Williams pitched a punt from quarterback Nunnoff and the Gamecocks recovered, putting a hand to the first threat of the game.

In the second quarter, Jacksonville might have scored deep penetration of the game into Tampa territory, driving to the Tampa 7-yard line. The drive died at the 7-yard line after taking over a Tampa punt on the 40. The Gamecocks gambled and gave the ball to the Spartans on their own 49. Quarterback Harold Shankles sent Bill Nichols off tackle for the first down to keep the drive alive. Then on second down, Nichols went 4. Jerry Duke got 8 and the first down. Shankles' pass to end zone incomplete, Jim Clipper dropped the ball. Second down for the Spartans at the 7 yards. Nichols was thrown for 1 yard lost on the next play and giving Jacksonville fourth down at the Tampa 29.

Going for the big gain again, Nichols was stopped for a 3-yard loss. Second down for the Gamecocks at the Tampa 36. The drive moved on with Jim Williams carrying for 4 and Nichols 1. The Spartans for 4 yards and 4 to put the ball on the Tampa 7. Shankles attempted another pass that resulted in a complete. Jim Clipper dropped the ball. Second down for the Spartans at the 7 yards and Clipper recovered for Jacksonville.

Jacksonville jumped into the fourth quarter with a 7-yard drive and scored the first quarter of the third quarter after Ted Bocar recovered a Tampa fumble on the Gamecocks 12-yard line after a 32-yard drive.

Bill Kinny started the touchdown march with successive running plays for 10 and 9 yards. Nichols took the ball to the 15 for a first down. On second down, Nichols got 2 yards at left tackle to the 12. Tampa was hit by his boys and Nichols remained incomplete.

On first down, Charles Clark bolted his way into the end zone for the score. Hodges kicked for the extra point and Jacksonville 6-Tampa 0.

In the fourth quarter, Tampa lost a fumble which would have scored the winning touchdown on the Gamecocks 7-yard line after a 39 remaining in the ball game.

The intramural football program for the fall semester with the All-Star game tomorrow night. It has been a very successful season and, according to coach Robert Darby have done a good job as assistant coach.

Pauls are now underway for the intramural basketball season. Both the teams have already been entered and we know that Coach "Steve" and "Doc" are preparing for our entertainment a good basketball league.
