Learned From The Chimes

Speaking of chimes, does anyone know where went the ones we had around here? Were they stolen, broken, or what? They should be returned, repa-
red, or else. They used to have such a pleasant sound, especially at the end of a fifty-
five minute class period. I’d like to take space here to print a slight retraction, and offer as much in the way of apology and retribution as I’m ever in-
clined to do. Last week, I re-
plied a young man of the cam-
pus who certainly deserved no such treatment and re-
currence is not a girl. I’m speaking of Mr. Buddy Boswell, a good friend, an accomplished music-
ian, and talented writer. Mr. Boswell passed in the faceless facotry and accept a peasant’s recognition of your talents.

As for recognition, now’s a good time to mention this year’s wheelchair of the Stud-
ent Government. Congratulations, Joe, and good luck. And the same mark of recognition to the rest of you—all a fine group and we know we can de-
pend on you. Joe’s platform concerning cheering was at its con-
ditioning Best. Mr. Boswell, a project which should endear him to those who are not aware of some of the finer points of the game; but I do know though, it’s the fact that Jack has one exceptional young woman about whom no one has bothered to make any praise; that particular young athlete is Jim Mayben, who work has been a polished quarterback and an eagle-eyed pas-
ed for years. Yet, the only way to play in the final quarter of the “J” game was to Dis-
appointing to some, no doubt, Mr. Mayben managed to turn in some of the game’s most out-
standing play in recent weeks (Continued on page 3).

Sadie Hawkins Observance To Provide Fun And Hilarity

The Sophomore Class will soon be sponsoring one of the most enjoyable activities on campus—Sadie Hawkins Week. This is an annual event which is scheduled for the week of April 27 thru May 1 for this year.
The schedule of events will run as follows for the week:
Monday afternoon—A Quick-
ea Chase. The girls will buy tickets to have their man chase the gil-
men in an attempt to catch it.
Monday night—The girls will be free to date the boys, pro-
vided that they have bought a license. Otherwise, there will
be no speaking on the sexes.
Tuesday night—A Sock Hop will be held in the Student Auditorium. The program will be

S. Kenton Orchestra To Play At Sophomore-Senior Dance

You may dance while Stan Kenton plays to the theme of "Moonlight and Roses" Wednesday evening from eight un-
til twelve in the college gym. Tickets for this gala event to this Sophomore-Senior Ball, may be purchased in advance in front of the Grab for $4.00. They will also be on sale at the dance for $5.00.
The leadout for the dance will include the sophomore and seniors representative groups. They and their dates will enter over a stuff-balled bridge in the midst of a spotlight scene of pink and white roses. An unparralled opportunity for good music to dance by is available this evening. Take advantage of it.

Sonata Recital Set Tuesday

Dr. Robert Louis Baron, violinist; and Albert Singer,
musician, both members of theJacksonville State music faculty, will be presented in a sonata recital Tuesday evening, April 21 at Leone Cole Audita-
torium. The program will be

By Janice Kilgore Nabors

On Friday, April 9, the annual B.S.U. Spring Banquet was held. The theme for the banquet was "Christ Our Light," and the speaker was the Reverend Harlie Know, of Greater Baptist Church.

One purpose of the banquet was the installation of officers for 1959-1960. The new officers are: Gerald Patterson, president; Crawford Nelson, vice-president; Evelyn Nelson, secretary; Paul Redden, treasurer; and Gayle West, enrollment chairman. Mary McMillian, student center chairman; Conrad Worsham, publicity chairman; Tom Camp, radio chairman. Davisport, missions chairman; Iris Dean Harris, janitor; Patsy Guyninger, student representative; Margaret Eason, training union representative; Donna Griffin, citizenship chairman; Betty Sue Williams, Y. W. A. leader; Phillip Herron, brotherhood representative; Virginia Nethery, Morning Watch chairman; Melissa Chaiswood; social chairman; Mary Neil, "Breeze" editor; Don McMillian, Student Center director; Miss Mary Moss Goggins, faculty advisor; and Billy Adams, pastor advisor.

The B.S.U. is having some very inspirational morning watch and vespers services this semester. Morning Watch is at 7:45 A.M. and Vespers is at 6:00 P.M. The theme for Vespers this week is "Faith is the Victory," and Mary Liveoak, devotional chairman, has two guest speakers and two college students to speak for the week.

If anyone attended Vespers for his first time last week, he probably thought of it as an athletic event. When announcement time came Wednesday and Thursday nights, two chants were heard: "Everybody's going to Shocco Springs" and "Hey, hey, what day is it? Shocco Springs all the way!"

May 6, not start this day the B. S. U. way with "A student's prayer?"

As Heavenny Father, As Father is heavenly, Thy Presence grant, that nothing in me may be hidden from Thy Truth. Grant that I might see myself and know me truly as I really believe.

May I go to each class this day with an open mind and heart, making the most of the opportunities of learning. As I study the thoughts of great men and learn to appreciate the creation, art and music and science, may I realize the fuller meaning of life.

May I never take anything for granted in my search for Thy Truth. Help me to never be satisfied with my life as it is. But may I continually probe deeper and search further. Grant insight into the problems of this day and the courage to face its challenges. So fill my heart with Thy love that each person with whom I come in contact may know that I belong to Thee.

I give Thee thanks for the guidance and inspiration of our teachers, the love of friends, the benefits of Christian education.

May I grow in the knowledge and understanding of our Lord and Savior, Jesus Christ, in whose name I pray, Amen.

UNCERTAIN
Phi Beta Lambda Banquet Features Airline Executive

"Seeing Airline Transportation Through The Consumer's Eyes" by Mr. Henry Gobeil, President of Eastern Airlines, was the keynote address at the annual awards banquet held Tuesday evening, April 10, at the Alabama State University High School cafeteria.

Mr. Gobeil, describing the huge organization of the airline industry, said that the cost of the airline transportation service has dropped considerably over the past 10 years. This, he explained, is due to the reduction in labor costs and the reduction in the number of accidents resulting from improved safety devices. Mr. Gobeil also spoke of the recent strikes that have occurred in the industry and their effects on the airline companies.

The banquet was attended by the entire student body of the Alabama State University High School and by many of the faculty members. The program included the presentation of awards to the outstanding students in each of the academic subjects offered in the school, as well as a toast to the health of the school by the principal, Mr. E. B. Brown.

The evening was concluded with the singing of "The Star-Spangled Banner" by the school choir, and the distribution of ribbons to the awardees.

Beatnik Boswell's Column

Hello again, you crazy, crazy people! Man, did you dig the cool sounds out last time this rag came out? Cool, cool—almost like music, but not quite. This time we're up to something a bit noisier and off-key. Here's the story of how we got this beatnik stuff together.

The chimes were "hitting" in their best form this week. One of the events on the program was the presentation of Beatnik Herman Melville. Did you dig, Gilly? Ready for more?

This crazy weird cat called "Jugular" shared a pad with a cool cat named "Swing" and the two of them made some happenings in D. E. W. and the Welk school of jazz and have made some waves in the field of beatniks.

The speaker, Mr. Melville, said, "I'm the last of the great romantic poets. And let me tell you, this new beatnik stuff just isn't my style."

Mr. Melville also spoke of his work on "The Hairy Cat," a beatnik novel set in the 1960s. He said that the novel was a "silly old thing," and that he didn't have much time for it.

Mr. Melville is scheduled to appear at the next beatnik gathering, which will be held on Friday, April 13, at the Alabama State University High School cafeteria.

For those of you who have been away, here's a brief rundown of the events:

- The beatniks held a "no-bedroom" party on Saturday night, April 7, at the home of Mr. and Mrs. G. H. Thompson.
- The beatniks also held a "no-food" party on Sunday night, April 8, at the home of Mr. and Mrs. J. S. Brown.
- The beatniks held a "no-clothing" party on Monday night, April 9, at the home of Mr. and Mrs. R. S. Jones.

Keep an eye out for the next beatnik gathering, and remember, "The Hairy Cat" is available at most bookstores.

Welcome Omega Delta Phi

Welcome Omega Delta Phi to our campus. The Omega Delta Phi is a national social science honor society that was organized in April 1957. The purpose of the society is to recognize students who have achieved excellence in their work. The society was founded at the University of Alabama and has since expanded to include chapters at many other universities across the country.

The Omega Delta Phi chapter at the University of Alabama was officially recognized by the national headquarters on April 10, 2019. The chapter will be in charge of selecting new members and organizing activities for the members.

The national headquarters of the Omega Delta Phi is located in New York City. The national president is Dr. James R. Brown, and the national vice-president is Dr. William G. Moore.

For more information on the Omega Delta Phi, please visit their website at www.omegadeltaphi.org.
Second Guessing

Every player on the Jax State baseball team needs to be recognized...and so he will be before the seasons end; but one definitely deserving praise is centerfielder Jimmy Emminger, Jim, a most reserved, quiet and well mannered young man, is hitting, with great consistency, maintaining a .400 batting average. He is also leading in the home run column with four round trippers to his credit.

Jim finished at Tallahasse High School in 1954, where he played baseball and basketball. Jim served two years in the Army, in which he played service baseball in Japan. The service team of which he was a member, won the Far-East baseball tournament and played in the All-Service tournament. Jim was selected on the Japanese All-Star team.

After leaving the Army, Jim played freshman baseball for the Auburn Tigers before transferring to Jacksonville in '58.

Coach Lovrich's Jax State baseball team started of the season like a house-fire, and the winning pace seems to be quickening. Every team has an off day...Jax State had theirs one rainy Saturday afternoon...they dropped a double-header to Troy State 6-2 and 8-2. However they bounced right back with a triumph over tough Ga, State 8-6 and a 1-11-1 routing of St. Bernard.

This isn't to compare teams or prognosticate a J'ville victory, but Troy won decisively two games from Howard College and Howard took two games earlier in the season from Auburn, defending S.E.C. Champs. Here is one fan who thinks Jacksonville should schedule several games in the year to come with S.C.E teams.

Jacksonville's baseball team boasts the best utility in-fielder collegiate baseball. He has a fantastic batting average of .750...that is through April 15 game with Southern Union. He is none other than Sam (just for you) Kennarner from Rising Fawn, Ga.

Anyone who tells you these intramural softball games aren't a most reserved, quiet and well mannered young man, is hitting, with great consistency, maintaining a .400 batting average. He is also leading in the home run column with four round trippers to his credit.
