

Class Officers Dance Friday, July 10

Ronnie Brooks Band Engaged

The regular meeting of the Jacksonville State Student Government was held on June 23, at 7 p. m.

The president urged all members to be on time for all SGA meetings. The meetings have been moved up to 7:00 because of the intramural softball games.

The emcees of the Talent Show requested that the performance be presented on Wednesday night, July 1st, at 7:30. The council approved. The admission was set, 50c, stag; 75c couples.

The Class Officers' Dance will be held on July 10th from 8:00 until 12:00 p. m.

Bill Lazenby reported on the bands which would be available for the dance and the prices they would charge for playing. They were as follows:

Buddy Simpkins, \$90; Doyle Grizzell, \$85; Billy Self, \$75; Ronnie Brooks, \$65; and Coheley, \$60. The motion was made and seconded that Ronnie Brooks be engaged to play for the dance at the price of \$65. The motion carried.

There was a discussion on whether regular bids or just plain tickets would be used and the council agreed that the decision would be made by Richard Belcher after he has checked on the prices for printed bids.

It was suggested that the SGA buy either a radio or camera and raffle it off to help raise money for the dance.

Decals with Jacksonville on them have been ordered and will go on sale soon.

The SGA hopes everyone will plan to go to the class officer's dance Friday night.

Freshmen Discuss Annual Fall Dance

The first meeting of the entering freshmen class was held on June 25 in the Little Auditorium. The class officers introduced themselves, and the president, Paul West, called the meeting to order. Some committees were also appointed by Mr. West. Betty Stillwell and Crawford Nelson were put on the skit committee for the talent show. Johnny Elkins was appointed to check with Dean Willman about the raising of the flag every morning.

Fund-raising ideas for the Freshman-Junior Dance to be held this fall were discussed, but nothing definite was decided. The meeting was adjourned until the next call meeting.

Talent Show Big Success

The highlight of summer campus activities was definitely the Talent Show of Wednesday evening, July 1. For this the SGA committee in charge of the show, (Barbara Lowe, Sandra Davis, Judy Graves, Donald Moon, and Sonny Roberts) unearthed a group of students who had wandered around all summer quite ordinary like—and then, along came the Talent Show and we discover they're celebrities.

Walking away with first prize for individual competition was Gary Cook; second place in this category went to Jean Drake.

Winning the group competition was Gary Cook; second place in this category went to Jean Drake.

Winning the group competition was the Smith Trio.

A special comedy award was made to David Thompson.

One special celebrity was imported to help Sonny Roberts emcee the entertainment. This was none other than "The Prince of Sand Mountain"—Hal Hayes.

As the lights dimmed, Judy Chastain stepped into the spotlight with a dance, "Caravan".

Following her were: Janice Williams, Rita Grizzell and Linda Bryant who sang "Banana Boat Song" and "Farewell to Arms".

Jimmy Deerman who represented the freshman class, "I'm in a Boggie Woogie Mood" on the piano; Gary Cook sang "St. Louis Blues" followed by the encore "For A Penny"; Julia Phorrough, "Desert Song" and "Lazy River" (aided by "Satchmo" Roberts) and Janice Williams, "I'll Never Be Free"; Jane Drake "A Very Special Love", David Thompson, "Kansas City" and the encore "Venus"; and the Smith Trio Sandra, Jackie, and Glenda sang "May you Always".

JEAN DRAKE . . . second

Featured as a special was the "Cool Alaskan Rock and Roll" pantomimed by Hal and Sonny, accompanied by David Thompson at the piano. With Hal's skirt and long hair (?) and Sonny' beard, we now know what to expect from the 49th State (and we wonder how it ever got in anyway).

From the high school, Pam Borgfelt and Carol Smith danced to "The Charleston", which they had presented in the county competition. Linda Andrews was inimitable singing "Dream Lover". At public demand she sang "Great Balls of Fire", an old specialty, and "A Whole Lot of Loving."

Not competing, but accompanying the contestants instrumentally, were Doyle Grizzell on the steel guitar, Buddy Simpkins on the drum, and Delores Smith and Ann Page at the piano.

To all these very talented winners and to all the others entering in and making the Summer Talent Show a reality, the students and faculty of Jacksonville State are grateful for an enjoyable evening of varied entertainment.

To Be Big Event Of Summer Affair

The biggest event of the summer session, the Class Officers' Dance, will be presented from 8 to 12 o'clock on the night of July 10. This annual affair has always been the highlight of social activity for summer students. Besides being a pleasant break in the academic routine for the old students, the dance also provides an opportunity for the new students to see a sample of the quality and the fun of a J. S. C. dance.

Ronald Brooks, the band director at Heflin, will furnish the music with the aid of his Combo. The dance will be semi-formal, and the admission per couple will be 2.00 in advance and \$2.50 at the door. As usual, the tickets will be on sale in front of the Grab.

As this the only dance planned for the summer, it is hoped that the J. S. C. students will spend the week-end at school, so they will not miss the fun. The dance is too big an event to be missed.

Participants in the leadout will be all the class officers, student government officers, and their escorts. The S. G. A. will sponsor the event.

What About Our Work?

Have you noticed lately the trend that we students are following? Think for a moment and you will realize that I am talking about our present enslavement to our "folding green," and to our acquisition of a dollar sign gleam in our eyes. Do we realize that this is happening, and do we care?

This dollar sign gleam is symbolic of our whole new attitude toward our lives and our purposes for living—if we don't get paid we won't work. We were not taught that our work was something of which we should be proud. In our modern society we have been taught that we should work to live, rather than live to work. We are obsessed with ideas of coffee breaks and easy living, and we are fast traveling down that merry road to inertia. We have done our best to promote this idea among our friends, and to convince ourselves of its doubtful logic, but do we realize what we have done.

You might say that we helped to promote this idea when we first asked a friend about his salary, and then about his salary. He knew that the money was important thing—not the satisfaction of a job well done. Unfortunately, this idea stuck with us, and it came with us to school. Have you seen the manifestations of idea?

Just look around. Think of the number of students you know at J. S. C. who are majoring in something they don't like just because there are good jobs in that field. What do they call a good job? One with a lot of money or prestige? Have we or they ever stopped to think that for us a good job should be the type of work that we like most to do? Is this idea too far off base for us?

This money idea can and will cut us off from our friends. After a while we will find that making money is more fun than being human, and then we will be lost. Consider the fact that we arrived on earth well in advance of the Federal Reserve System. To put money first in our lives seems very much to be putting the cart before the horse.

Of course, we can always say that this is someone else's fault, but this is silly. Some of us are fast approaching our long awaited twenty-first birthday, and the responsibility before long will fall on our shoulders where it belongs. We are always people—not trained animals—and we can improve our situation if we are interested. Let's make some kind of effort to get back into the proper perspective in regard to our work. We can do it if we really try.

Closed Chatem?

What are we going to do about Chatem Inn? There have been big plans made toward improving Jacksonville's only "hang out" which is located in the basement of Daugette Hall. The current problem is, nobody goes to Chatem. Reports are that some nights as little as five dollars is made. Of course it cannot remain open if this keeps up. Already in SGA meetings there is talk of closing Chatem Inn at least for the rest of the summer. Until we can appropriate enough money to build a recreation center in a union building, Chatem has to serve as a substitute.

One of the campaign issues on which Joe Garner was elected president of the SGA was to air-condition Chatem. But what's the use? If only an average of 10 people go to Chatem each night during the summer, why bother to air-condition for certainly we won't need it in the winter. The SGA will be forced to choose to spend student's money in some other way which would benefit more of the student body if business doesn't pick up in Chatem.

The trend is to improve the college in every way. Let's not fumble the charge of air-conditioning Chatem. Spend more time and money there.

SPOTLIGHT—

Spotlight Focuses On Two Well-Deserving Students

In its search for two likable, popular, and congenial students, this week the Spotlight focuses on two outstanding seniors—Betty Sue Williams and Sonny Roberts.

While attending Danville High School of which she is a 1956 graduate, Betty Sue participated in many school activities and received many honors. She was president of her local F. T. A. Chapter and County President one year; both president and vice-president of F. H. A. during her three-year membership. She was voted "prettiest" and "most popular" by her senior class. She was

good job emceeding the talent show last Wednesday night. This wasn't a new experience for him, though, because he and

SONNY ROBERTS

Hal Hayes along with Clark Gable did an equally outstanding job in the spring talent show.

Sonny who graduated from Hokes Bluff High School in 1955 now lives in East Gadsden. He modestly said that he played football for four years and was president of the Letter Club while in high school, but he must have been better than he would admit because he received a football scholarship to Arkansas State where he went for one semester and then transferred to J. S. C. in the spring of 1956.

Sonny has participated in many extra-curricular activities while he has been at J'ville. He was chosen as a class favorite his sophomore year; he was a member of the Mimosa staff his junior year; and he is now a member of the Usher's Club. This spring, he received an award for being the most outstanding R. O. T. C. cadet in the senior class.

Sonny, who has played both intramural softball and football during his years at J'ville, is now playing on the Governors softball team.

This summer, Sonny was elected president of the senior class and in this capacity is a very busy young man. He is a member of the S. G. A. and active on several committees including the talent show committee of which he was chairman.

Sonny will be graduated this summer with a chemistry major and a math minor and will receive a Regular Army Commission as soon as he graduates. He is engaged to Mary Durham, who is also a J'ville graduate, and they plan to be married in the near future.

BETTY WILLIAMS

also chosen to represent the class as Good Citizenship Girl and went on to be selected to receive the Civitan Good Citizenship Award.

Since she has been at J'ville, Betty Sue has continued her extra-curricular activities. She has been very active in B. S. U. work, serving as publicity chairman and secretary at various times. She has been president of Y. W. A. and is now president of the B. S. U. and Vespers chairman.

Betty Sue was secretary and selected as a beauty of the junior class last year. She has been chosen by this paper as "Gem of the Hills".

Next year, Betty Sue will have a fairly busy year. She will be treasurer of the W. A. A. and president of F. T. A. of which she has been publicity chairman and vice-president in past years.

Betty Sue, who is majoring in P. E. and minoring in history, will be graduated in May, 1960. She plans to teach P. E. and, although she didn't say so, her plans probably include a young man named Duck Hodges.

Sonny Roberts is one of the young men who did such a

SECOND GUESSING

The Jacksonville Intramural All-Star Softball game has been set for July 17. This is the highlight of league competition when the best of the league is named.

The picked All-Star team plays the league champions in the final softball game of the summer.

With three weeks remaining, the Pros are two full games in first place. However, you can't tell what might happen in any one game. June 28, the Rinky Dinks were in first place undefeated, one game ahead of the Pros. By July 1, the Rinky Dinks has lost three straight games and are now in second place, and as said before, two games out of first place.

The All-Stars are picked by the team managers and league umpires. This selective committee includes, Woody Hamilton, manager of the Governors, Robert Usry, manager of the Rockets, Roy Fulmer, manager of the Rinky Dinks, Cecil Pruitt, manager of the Pros, and umpires, Carl Pruet, Carl Bain, Hershell O'dell, Gene Motley and Martice Robinson.

Some of the top contenders for the All-Star positions (which is certainly not official) offers the selecting committee a difficult task. Three catchers in the league who are possibilities include Joe Medlock of the Rockets, Dub Hicks of the Governors, and Jim Glasgow of the Rinky Dinks. Top first baseman is Butch O'Neil of the Pros, and at second base, possibilities are Jim Haynes, of the Governors, and John Henry Dunlap of the Rinky Dinks. Third base offers a hot race between Bobby Brown of Rinky Dinks and Ted Ford of the Pros. Short Stop is just as tough with Jim Jackson of the Governors and Hank O'Neil

Five top outfielders in the league are good bets for All-Star berths, they are, John McDougal of the Rockets, Sonny Roberts of the Governors, Jerry Higginbotham of the Pros and Wayne Keahey and Bobby Hudgins of the Rinky Dinks.

What some of the Jax State football players are doing this summer—TED BOOZER is umpiring Piny league and Industrial league baseball game in Anniston.

GERALD SCREVEN, JIM GLASGOW, J. E. PHILLIPS, ROY FULMER, JIM JACKSON, JERRY DUKE, JIM CLEPPER, RAY GENTLE, and WAYNE KEAHEY are in summer school.

GROVER WHALEY is working in a small mill in Wedowee. CHARLIE BOTHER and MICKY GREMMETT are lifeguards at the Officers Club pool at Ft. McClellan.

BILL KINZY and MAX BASS are life guards at the Civilian Club pool at Ft. McClellan.

BILL NICHOLS is hauling pulp wood.

JIM MAYBEN is playing baseball for Glencoe and is also managing a little league team in Attalla.

CHARLIE CLARK is at ROTC Summer Camp.

Screven Can Add Depth

Gerald Screven, a 6'1", 180 lb., sophomore and former Anniston High School star, can add the needed depth at end for the Jax State Gamecocks in the coming '59 season.

Screven has to come through and play some rugged football to Jax State necessary power at end to face the rugged nine game slate which opens September 14 against Louisiana College in the College Bowl.

The only returning flankmen with experience are Ted Boezer and Gerald Haplin. Phil Powell, who was lost by graduation, was sticky-fingered receiver and a rugged defensive end, and his loss makes it necessary for some Sophomores and Juniors to come through.
