Girls' Football, Sock Hop Highlight 'J' Day Festivities

By Trease Smith

At 2 o'clock Saturday after-

noon the quad area on our campus was buzzing with peo-

ple and activities.

There were numerous games for everyone. The girls enjoyed such activities as sack races, pie-eating contests, three-legged races, hula hoop contests (which I'm sure the boys enjoyed viewing equally well), and egg-pitch-

ing contests.

The boys participated in such activities as sack races, greasy pole climb, greased pig catch, wheel barrel race, and tobacco spitting contest.

At intervals during these games and activities, musical talent from the Talent Show entertained the spectators and gave the contestants an opportunity to rest from their strenu-

ous activities, especially those who had tried to climb the greasy pole or to chase that greasy pig.

After supper the big event of the day occurred in the School Memorial Field—the girls football game with Daugette playing Fuknell. It was some game! Did any of you football players see any new plays? Wonder if Coach Sallis was there to get an idea for a few new plays for next year?

Following the football game there was a sock hop in Chat-

ton 's Where "J" Day came to a close with dancing contests and rest and relaxation for the poor girls who had played ball. Hope all of you girls who played are able to make it up these many stairs and hills today without too much pain.

Dr. Cole Addresses Future Teachers

Dr. H. Cole was the guest speaker at the regular N. E. A. meet-

ing which was held in the Little Auditorium Nov. 12. Dr. Cole's talk was in keeping with the motto of National Educa-

tion Week. "Praise and App-

preach Our Schools." Dr. Cole commented that we must ad-

vocate, legislate, and create higher educational standards in Alabama schools. Dr. Cole also stressed the need for higher quality in the American education system if we are to sur-

vive and compete in the race for knowledge that exists today.

In the business session of the meeting a new treasurer, Betye Jane Thompson, was elected. The next N. E. A. meeting will be held December 13, at which time a Christmas Party will be held.

Hatcher Is Invited To Regional Meet

Samuel P. Hatcher, a member of the business faculty, has been invited to attend a regional CPCU educational conference at the Biltmore Hotel in Atlanta on Dec. 3-4. The conference is sponsored by the American In-

stitute for Property and Liability Underwriters.

Mr. Hatcher, who teaches ins-

urance, statistics, manage-

ment, marketing and purchasing, is one of 500 CPCU mem-

bers in the U. S. There are only eight or ten in Alabama. CPCU is the highest profes-

sional designation in the property and casualty insurance field.

Class Officers To Be In Leadout

By Wallace Johnson

Scott Williamson, president of the Junior class, announced this week that the Glenn Miller Orchestra will play for the an-

nual Junior-Freshman Dance to be held in the school auditor-

ium on Dec. 7. Directing the orchestra will be the famous Ray McKinley, playing in the Glenn Miller tradition with the authentic Miller arrangements. The orchestra will also feature the Lenby Humfrey Quintet.

This is not a new arrange-

ment of the Glenn Miller or-

chestra. It started 25 years ago when Glenn Miller was just beginning his fabulous career. It was in a Chicago night club that Ray Mc-

Kinley met Mr. Miller and since Mr. Miller's death he has been the leader of the tradition of the Glenn Miller orchestra.

Ray McKinley was also a big hit in the TV world. He has ap-

peared on ABC television nu-

merous times, very often making big hits at each appearance. He was also the founder of the Glenn Miller Army-Air Force Band, which is considered one of the finest and most popular entertainers in the world.

This dance is the largest dance scheduled this season at Jackson- ville, and every effort should be made to put forth the best possible in this dance. The theme is "Our College: Land of the Brave—Battle of the Course and Selection Will Be Held in ADVANCE for the freshman-junior dance will be held December 13, at which time a Christmas Party will be held.

The price of admission per couple will be $1.00 for advance tickets and $1.50 at the door.

Cuban Invitation Rejected

After careful consideration and study Jacksonville State College Tuesday decided to participate in a post-season football game in Havana, Cuba.

Dr. Houston Cole, president of JSC, issued this statement: “There are several reasons for not accepting the invitation. Of primary concern is the fact that this would take the team away from classes shortly before final examinations, and also there has been no clean-cut financial, commitment by the sponsors of the game.”

The invitation came from the Federal Amateur American Football Association of Havana, Cuba. Coach Don Sallis said the letter from the group’s president, Gonzalez Quasisada, specified that the Gamecocks would play a leading amateur team of Havana between Dec. 5th and 10th.

The Gamecocks finished their season last Saturday night with six victories, a tie, and two losses.
