The regular meeting of the SGA was Tuesday night, Nov. 3, and many reports and important items were heard and discussed. Charles Swat told of Senior Week which will begin Monday, Nov. 9. The schedule of events for that week is as follows: Monday—Dance at Jacksonville recreation center for seniors only.

Tuesday—Wiener roast at Boozer’s Lake.

Wednesday—Shipwreck party at Jacksonville recreation center for everyone.

Thursday—Pnic, and the plans there will be to be announced later.

Friday—Girl’s date night and week hop in Chat’Em, free.

Saturday—Police is reserved at ball game for seniors.

Of course, during Senior Week the seniors will have such privileges as cutting the chow line, asking undergraduates to do little things for them, and having a place to eat reserved in the chow hall. Also, all senior girls will have 32 o’clock permission every night.

Nov. 12, there will be a special pep rally, which will be the last for this year. The public address system will be used and all coaches and football players are asked to please attend and join in.

Regarding the two or three old television shows, any dorm is welcome to them provided they pay for the repair work on them.

A committee was appointed to look into getting outside judges for the talent shows and suggestions for ways in which to improve the talent shows.

Dale Gable is the chairman of this committee, with John Smith and Shirley Chandler to work with him.

The number of bands ever—twenty-six—will perform in Snow Stadium Saturday, Nov. 14, for the Annual Band Day celebration. Band Day grew out of a custom among the oldest directors to bring their bands back at home-coming.

The date was changed last year due to insufficient bands to take care of such a huge number.

From 3 o’clock till 5 o’clock, the bands will perform individually. A program performance will be presented by the Jacksonville Southerners. After them, the massed bands will play “The Star Spangled Banner.” During halftime, the bands will again perform together.

The bands that will be here and their directors are:

Crossville, Richard Cooper; Locust, DeWitt Self; Meridian, James Holmes; Elmore, Gene Barnes; Pyle, Coyce Harris; Southside, Jan Slowers; DeSoto Junior High (Caddo); Chatsworth, Joe Ruth; Tallapoosa, G. J. Pickens; Arab, Wayne Washum.

Mary Ann Waldrep

26 Bands Will Be At JSC For Band Day On Nov. 14

Northeastern Region Slates Science Fair At JSC In March

Many High School Students Invited

The Northeastern Regional Science Fair will be held at Jacksonville State College in March 1960 and junior and senior high schools of nine surrounding counties are being asked to participate in it. Reuben B. Boozer, a member of the college science faculty, has been designated regional coordinator, and Dr. Harold Strickland, also a member of the faculty, as regional counselor, by the Alabama Academy of Science.

Mr. Boozer and Dr. Strickland will direct an administrative council, a planning committee which will insure the success of a fair in this region. Members of the administrative and executive committees are as follows:

Dr. P. J. Arnold, Carl Earl Albino, Dr. Good, Mainland, finance; Dr. Author Price, Newborn Bush, Gaither Snoddy, judging and awards; Mrs. Douglas Johnson, Mrs. J. J. Campbell, Mrs. R. K. Coffee, publicity; Dr. James Ingram, Charles M. Gary, Tommy A. Williams, Opal R. Lovett, public functions; Lawrence Hicks, John H. Patty, Ralph Lindsey, physical facilities, administrative council.

Lawrence Hicks, local arrangements; Science Club and junior officers, registration; counselor and junior officers, judging.

The counties in the region are:

Attention Seniors

The following seniors have not filled in their senior sheets for the 1960 MEMO'S. These sheets request the name of the student, his home town, his degree, his major, and his activities at J. S. C. If these sheets are not completed by Friday, Nov. 13, the following students will have rushing out their names under their pictures:

These forms can be filled out any afternoons after 4:30 P. M., in the MEMO'S office in the basement of Duessegt.
We Need You...

I would like to have a straightforward student talk with you about your 1960 MIMOSA. It seems that we should do this more often, but this is really the last opportunity.

As you know, the creation and completion of a two-hundred-page yearbook involves a great deal of work. A large part of the time that our staff spends in the MIMOSA office is used for items that prove somewhat as consuming energy, checking to see if names are spelled correctly, balancing the books, contacting people for pictures and ads, and many other things, and generally for coordinating a variety of ideas, projects, and efforts into a sensible, compact, united whole.

But our efforts make up only half the battle—your efforts make up the other half. We can only arrange and plan, but we need your cooperation to change these into layouts and dreams to a beautiful yearbook.

I know that many of you are interested in our work. You have expressed a willingness to help in any way possible on many occasions, and at this stage in the game, your help is greatly needed. We are only four weeks away from our major deadline when our completed copy for one half of the 1960 MIMOSA has to be sent to the publisher. By meeting our deadline on time we are guaranteed by Paragon Press that our completed books will be at JSC on May 1, which is the date that I promised you when you bought your annual.

Now, this is the way that you can help us. We put deadlines on everything so that the staff can get our work done. You can help by helping your classes' deadlines, if you have something that is due on a Monday, don't turn it in on Wednesday. That kind of thing means work for the rest of the week, and keeps us from working on something else. If we arrange to make a photograph of you or your group, be at your designated place at the right time. We will be there, and we can get your photographs taken quickly, with as little waste time as possible.

These are only little things, but the little things really count. Your cooperation with me and my staff can make our work much easier, and you will know that you had a part in making the 1960 MIMOSA the success that it will be.

Sincerely,

Staley

Mimosa Picture Schedule

Monday, November 9
10:00 a.m.—Twisters, Football Field
6:30 p.m.—Alpha Chi Omega, Room 211, P. E. Building
8:30 p.m.—Delta Omicron, Music Department

Friday, November 13
1:00 p.m.—Writer’s Club, President’s Lounge

Collegian Spotlight Features Two Outstanding Seniors

Singing brightly in the Collegian Spotlight this week are seniors Wanda Roberts and Robert Brooks.

Wanda’s home is in Auburn now, but she graduated from Oder Bluff High School in 1957. A very active high school student, Wanda was a cheerleader for the Class of 1957. Wanda is now a student at Jacksonville State.

Robert Brooks...

Phil Beta Lamba Elects Officers

Phil Beta Lamba held its first meeting of the year this past Sunday evening. The following brothers were elected: Gene Motley, President; Charles NRoberts, Vice-president; Darvonne Tyree, Secretary; Bobby and Geraldine Welch, Treasurer; and Joan Lassiter, Reporter. In addition, the executive council met and many interesting programs and activities were planned for the year.

Weekly ‘Film Day’ is Announced

Featuring The Andy-Weel Act All students, faculty and staff are cordially invited to a weekly program of films that should be of interest to all Americans. Shown on Wednesdays in the Little Auditorium at 7:00 p.m. and 8:00 p.m., this program is sponsored by the Jacksonville State Film Association and is expected to attract a large audience.
MIMOSA Notice To Organizations

All organization pictures for the 1959 MIMOSA must be made by Nov. 21. The following organizations have not indicated a time to have their pictures made, and if this is not done by Nov. 13, these organizations will have to be left out of the annual.

Presidents of the following organizations can make arrangements for their group pictures in the MIMOSA office in the basement of Daugette Hall any day after four o’clock. Business Discussion Group, Pi Gamma Mu, Kappa Delta Pi, Civil Air Patrol, FBLA, Westminster Fellowship, Social Science Club, Alpha Omicron Pi, Circle Omicron, Omega Chi, Delta Phi Lambda, Omega Sigma, Sigma Pi, Delta Sigma Pi, Pi Beta Phi, Delta Gamma, Sigma Delta Tau, Beta Theta Pi, Phi Kappa Psi, Pi Kappa Alpha, Pi Kappa Epsilon, Gamma Phi Beta, Delta Gamma, Lambda Chi Alpha, and Phi Kappa Psi.

FAIR

(Continued From Page 1)

Cahoun, Clay, Cleburne, De Kalb, Etowah, Randolph, St. Clair and Talladega. Any school from these counties desiring to take part in the fair should write Dr. Harold Strickland, Abery Hall, Jacksonville State College, Jacksonville, Chem- istry, biology, physics and mathema- tics, and any of these in which stu- dents may develop exhibits.

The two students whose exhib- its were judged best in the Regional Science Fair will be rewarded with an all-expenses paid trip to the National Science Fair in Indianapolis, Ind., in May 1960. The trip expenses of the sponsors of the winning stu- dents will also be paid to the National Science Fair, and there will be other prizes for special merit.

To qualify for Gorgas Scholar- ship awards in Alabama, and for the Westinghouse Science Scholarships and Awards, a senior in high school should get in touch with his principal or science club adviser so that en- try forms may be completed.

The Science Talent Search, a science aptitude examination, is open for boys and must be completed in January.

Jacksonville was host to the Alabama Academy of Science and the Junior Academy of Science in 1958, and Mr. Booser served as counselor for the Junior Academy in 1958-59.

Alabama has been divided into- several regions and similar fairs will be held in all parts of the state next spring.

MUSIC MUSIC—PIctured above are the members of the group who performed in concert here last Sunday. They are left to right, Mrs. J. A. Smoake, Miss Nancy Kimberly, Mr. Dan Sparks, Mr. John Finley, Mrs. Neil Bryan, and Dr. Robert Castrick.

Colts Clinch Title Over Vics

The Hamilton Colts clinched the 1959 Jax State Intramural football championship by defeating the number one contender, Perry Powell’s Vicks, 8 to 0. The game was closely fought with terrific play in the line. It was a hot content between guard Bobby Brown of the Colts and guard Jim Padgett of the Vicks. Robert “Rear” Brooks, Colt lineman, who named to the All-Star team for the consecutive time, which must be a record, was also outstanding in the Colt victory. The Colts also had All-Star Doug Davidson, Dock Hodges, and Ted Ford in the line.

The touchdown resulted from an Arlin Carter to Richard Pike pass for a 35 yard touchdown. Pike ran the last 15 yards. The extra point pass to Ford was incomplete.

In the first period, Ted Ford dropped several passes which would have put the Vicks back to their own goal. But after Ford couldn’t bang on to the passes, the Vicks defense tightened up. Tommy “Bus” Clecker and Sam Krenner intercepted several Colts aerials, and the line play of Padgett Jim Harris, Spud “Boat” Faye, and Charlie Myers was outstanding. This was the first loss for the Vicks. The Colts were undefeated, unified for the season.

SPORT SHORTS

By Hal Hayes

A schedule which, in Bible passages, was enough to make a preacher cut. will end for the 1959 Jacksonville State Gamecocks Saturday night. With that evening’s final whistle the end of a sport, which seems only have started yesterday, will be history.

The opposition for this final night of 59 gridiron activity will be Northeastern Louisiana College of Hammond, La. Kickoff time has been set for 7:30.

Reports from the bayou country have told that the Wildcats will field a heavy and well-experienced eleven for this week-end’s battle. Their line averages 210 and the backfield 285.

So, proceedings of this season will not be broken. The Gamecocks will end their season just like they started and continued, facing a veteran eleven. The Wildcats will roll into town loaded to kill and ready for flight.

It has been a good season for the Gamecocks and here’s hoping it’ll continue in this flavor through Saturday night. The college squadron has compiled a very impressive 8-3-2 record.

Among the victories include a 24-7 lashing handed Louisiana College; 14-8 Homecoming spanning thrown to East Tennessee State; the bouncing of Troy State, 33-12; a “squeeze” by 13-14 decision over Austin Perry; and a thorough 38-6 whitewash planted on Livingston.

Chattanooga, 6-3, and Middle Tennessee are the only clubs who have out resisted the Gamecocks in scoring. The Blue Raiders of Mecseosbalo eked out a 21-20 victory.

Last week’s 6-0 tie with Carson Newman accounts for the final 1 in the record for 7.

THE WINNING COLTS—Pictured left to right standing are Woody Hamilto, Bobby Brown, Robert Brook, Ted Ford, Deward Dodd, and Richard Pike. Seated are Bobby Simmons, Doug Davidson, Dock Hodges and Hank O’Neill.

Bobcat Coach Roberson Announces 19-Game Basketball Slate

Head Basketball Coach Tom Roberson has announced a 19-game schedule for his 1959-60 JSC Gamecocks. The roundballers hold their competitive flag Dec. 2 in Rome, Ga., against Berry College.

Candidates for the squad have been working out for the past four and one-half weeks, but official drills will head into its second week today. Until Coach Roberson was able to devote part of his time to the sport, student assistant Ronald “Crip” Copeland has been in charge of the practice sessions.

Only three lettermen are missing from last season’s club, one of which is Copeland. Other monoGram winners not with the team this season include Dan Wilson, last season’s 5-9, and Jim Hodges.

Copeland, a defensive specialist for three seasons, has for-salton this, his final season of eligibility to serve as able to Roberson.

Returning from the ‘58-59 club are: this season’s Captain, Gerald Dupree, Bill Bowen, Harold Bobo, Larry Hawkins, Earl Chalond, Leftly Bollinger, James Alexander Watson, Jr., Gerald Halpin, Leo Clark (Clay’s) and Douthewell D. Hodges, Ill.

(P. S. Students, watch D. D. Hodges, Ill. He’s quite talented on that court?)

The schedule: (The dates are enclosed in parentheses.)

December game—(2) Berry, there; (3) Shorter, there; (5) Georgia State, there; (6) Howard, there; (6) Florence, there; (7) Tennessee Wesleyan, here.

January—(9) Georgia State, there; (10) Florence, here; (11) Athens, here; (12) Athens, there; (15) Murphyville, there; (19) Livingston, there; and (29) Troy, there.

February—(2) Howard, there; (3) Troy, here; (8) Berry, here; (9) Tennessee Wesleyan, there; and (12) Livingston, here.

Colts Win Big Intramural Battle From The All-Stars

By Bob Hayes

Steel powered Arlin Carter rushed Woody Hamilton’s Colts from the clutches of a 0.0 deadlock here tonight (Nov. 4) to clinch the JSC Intramural a 6-0 victory over the league All-Stars.

The former Fort Payne High great accomplished the feat with a perfect weekday into the swiveling arms of teammate Doug Davidson inside the vital zone of the mother lodge. Carter then was tagged before he could run for the pilot. Four hind tresses threatened several times but could never find the
dine; Mary Livebeak, Cedar-
town, Ga.; Vada Heating, Gloinece.

The official initiation of the new members will be held at the Faculty Club on Tuesday, Nov. 10, at 8:30 p.m. m.

Sigma Tau Delta Holds Banquet

Sigma Tau Delta, national honorary English fraternity, held its pledge service for prospective members Nov. 3, in the home of the faculty advisor, Mrs. Alfred Bonner.

Welcomed into the Jacksonville chapter were the following: Norman Alexander, Gary Collett, William Elon Manker, Daisy Wolfe, Wayne Wilkerson, Jackcville Shirley Pike, Heflin. Pledges not present were: Kathleen Cox, Eastabou-
ga; Betty Sue Morris, Gerol-

TAYLOR, FULMER AND BOOGER—Three of the mighty Gamecocks who have had a successful season.
