

JSC's Gamecocks Invited To Play Cuban Team

"J" Day Fun And Festivities Scheduled Here On Nov. 21

The SGA is planning a Saturday of fun festivities for the students of JSC on Nov. 21. Tentatively called "J" Day, this day is designed to provide fun for everyone—students and faculty alike.

Starting at approximately 2:00 p. m. on the quadrangle, the fun will begin with games such as sack races, pie-eating contests, three-legged races, hoola-hoop contests, egg-pitching contests, greasy pole climb, greased pig catch, and wheel barrel races. All the contestants will be grouped into one of the six teams: Faculty, Daugette, Pannell, Abercrombie, Freshman, and Logan. All the contests will be scored by a point system, with Dr. Anders, Dr. Willman, Dr. Mainland, Mr. Boozer, Mrs. Lindsey, and Miss Goggans as judges. Musical talent from the Talent Show or other talent will be interspersed with the games, with Hal Hayes and Clark Gable as MCs. This part of the program should end about 4:30.

But the day will not be over. At approximately 5:45 at Snow Memorial Stadium there will be a girls' football game, with Pannell and Daugette fighting to the bitter end. This event was celebrated last year with the funniest football that the boys had seen in some time.

After the football game, in true JSC tradition, there will be a sack hop. Music will be furnished by Errol Tabasky and his band. Dance contests will be featured in the following categories: slow dance, bop, jitterbug, and Cha-cha-cha. Judges for the dance will be Joe Gar-

Simpson To Play For S & B Dance On October 28

On Oct. 28, the Scabbard and Blade Company 9th Regiment will present their annual dance. A gala Halloween theme and Jimmy Simpson's ten piece orchestra promise a gay evening of entertainment. The highlight of the night will be the tapping of the pledges in the leadout. Admission will be \$2.00 in advance and \$2.50 at the door. The dance will begin at 8 p. m., and end at 12 p. m. Ted Leonard is the Captain of Scabbard and Blade.

Beauties Will Be Featured In 1960 Edition Of Mimosa

Several weeks ago the classes at Jacksonville met for the purpose of electing their class beauties. Three girls were chosen from each class as representatives of their respective classes. One girl will be the class beauty, and the other two girls will be alternates.

The election of class beauties is a traditional event at JSC. The girls have always been featured prominently in the yearbook, and this year will be no exception. The beauty section in the 1960 MIMOSA will feature all the class beauties and alternates, "Miss Homecoming", and "Miss MIMOSA"

13 Entries Seeking 'Miss Mimosa' Title

The response to the MISS MIMOSA contest has been even better than expected. One of the entries will be chosen Miss MIMOSA, and she will be featured on two pages in the annual.

The entries in the contest are as follows:

Ushers Club, Linda Green; Wesley Foundation, Lurlene Robinson; Phi Mu Chi Beta, Gay Nell Thornhill; Baptist Student Union, Virginia Nethery; Women's Athletic Association, Jeanette Adams.

SPORTS EDITOR'S NOTE:

The following letter was received by President Houston Cole on Oct. 22 concerning the possibility of the JSC football team's going to Cuba and playing the Cuban amateur team. Of course there will be further correspondence and more definite plans made. This letter was translated from Spanish into English, informing us that a wonderful trip may be in store for the 1959 Gamecocks.

Dear Dr. Cole:

Pardon the delay in answering your kind letter, but don't think it was forgotten. I want you to know that we are making official plans with the American Embassy here in Cuba through its Cultural Attache and with the National Director of Sports to promote this game. Those organizations as well as we (Federal Amateur American Football Association of Cuba) want this game to be more than just a sportive event, a cultural exchange; this is the best way to strengthen the friendship among our students and the general public.

According to conversations we have had with the Cultural Attache of the Embassy and the Advisor of National Sports of Cuba, it seems that the best indicated date be Dec. 10 to bring your team; returning Dec. 14 or 15, as it will be very difficult to return on Jan. 1 as you requested.

In any case, any suggestions that you may wish to make, kindly make them known as soon as possible. I shall keep you informed of our plans.

Sincerely

Tabasky And Ken Mitchell's Band Win In Talent Show

A large audience composed of the student body, members of the faculty, administration, alumni and local people attended the biggest, best talent show ever held at Jacksonville, Wednesday night. As predicted, the 750 seats in the auditorium were set up in the aisles to help seat the overflow.

The big man on the campus, Hal Hayes, and his sidekick, Clark Gable, came on the stage about 7 o'clock to give a "great-big hounddog howdy" to this very enthusiastic audience. They were heralded by the notorious rhythm of "The Cool Alaskan Rock and Roll. Over 30 big acts were presented. For this reason, 11 o'clock permission was secured for the girls on the campus.

Out of town or non-participating talent appeared while the judges withdrew to make their decision.

In the individual winners, first place went to freshman, Errol Tabasky, who played the accordion. Erroll not only won the \$10 prize usually awarded, but the \$10 meal ticket given by Charles Swint of the Gamecock Drive-In.

Second place winner in the individuals was songstress Julia Phurrough singing "Till There Was You."

Three Art Shows Scheduled Here

The Fine Arts Division at Jacksonville State College has scheduled three art shows beginning Nov. 1. Dr. Robert B. Cantrick is now chairman of the division, having succeeded the late Walter A. Mason in September. Lee R. Manners is head of the art department.

On Nov. 1 a show of contemporary prints and sculpture will be exhibited in the art department in Graves Hall. A chamber music recital will be given in the lounge of Graves Hall during the same time, followed by a reception.

An exhibit from the University of Alabama will be on display through the Thanksgiving holidays, and in December Mr. Manners and his assistant, John Cleverdon, will display some of their work. Their exhibit has also been requested by the Anniston and Gadsden libraries.

Hostesses at the reception on Nov. 1 will be Mrs. Cantrick, Mrs. Charles F. Lehman, Mrs. John Knox, Jr., Mrs. John Finley, Mrs. Albert Singerman, Mrs. John Cleverdon, Mrs. Lee R. Manners, wives of the faculty, and Mrs. Esther Baab, a member of the music faculty.

Seventeen Years Of Service

For the past 76 years students have been entering school at Jacksonville, struggling through the agonies of registration, plodding with too little enthusiasm (in many cases) to classes, griping about such incidental things as the chow hall food, over-crowded parking lots and generally giving themselves and everyone concerned a great deal of trouble.

The grippers and growlers have come and gone; they are here now; and they will be here, in all probability, as long as JSC stands. They are on every campus, coming and going, doing little that is constructive; criticising much; and leaving the real work to the objects of their criticism—such men as JSC's President Houston Cole.

The Collegian through the years has griped as much as anyone, but we have taken great care to avoid gushing over any one person, thing, or activity, for we have not wanted to be mealy-mouthed. We may have bordered on this with such subjects as raising standards (there is much to be said on this), but we have liked to imagine ourselves as seeking the Truth.

This is not to say, of course, that criticism is without its purpose or that we should look at the world through rose-colored glasses. The point is that criticism becomes habitual, so much so that when something comes along really worth commending, the critics are at a loss to find words to express their thoughts.

We feel this way regarding Dr. Cole, and because we do we feel that it is appropriate that he be shown some appreciation for the fine work he has done at JSC since his assumption of the presidency in 1942. Here is a list of a few of the reasons why we and many silent ones appreciate him:

We commend him because he tolerates criticism. Two weeks ago the Collegian received a "Letter to the Editor" which attacked the president. It was shown to him, and after reading it he gave his full approval for its publication. The letter was not used, however, because it had too little value, even as criticism.

We commend Dr. Cole's philosophy—that the people must be educated—and his willingness to assume the responsibility at a time when, if we had our way, we would construct a lion's pit and pitch everybody into it. Fortunately for us, he is not of that temperament.

We commend Dr. Cole for not allowing snob institutions to be erected on this campus, although their erection would undoubtedly elevate the status of JSC in the future when the school is ready for them.

We commend him for allowing the instructors to teach Truth, and for placing Truth above prejudice. We commend him for supporting his fellow administrators in decisions concerning student and faculty discipline, etc.

We commend him for his intellectual accomplishments and for his belief that education should be extended to as many individuals as possible. We commend him for believing that sports should not dominate an institution of higher learning.

Furthermore, we commend him most of all for being a gentleman, and finally for making JSC the institution that it is today.

not enrolled in the college was awarded first prize. This went to Ross Caldwell and his friends Jimmy Murphee, Paul Looney, and Randy Holmes, all of Hueytown, for their vocal version of "Autumn Leaves". Although they were allowed to keep their prize, another first prize for group contestants was awarded to participating contestants.

This place went to Ken Mitchell and his band. Ken and his group have become popular on the campus for the sox-hops they have presented at Chat-Em Inn. They usually appear on Thursday night and play free of charge for the student body. For first prize, this group received \$10.

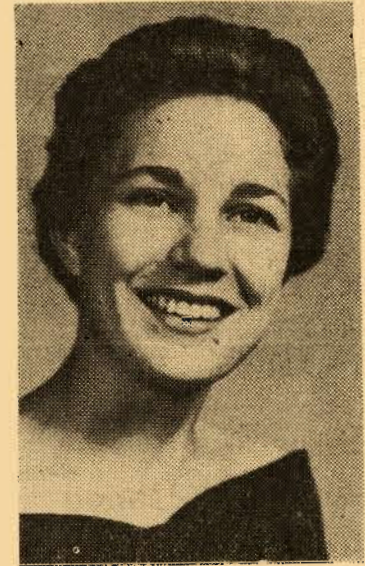

Second place for group entry was left pending the decision of the judges.

The Collegian Spotlights Two Very Popular Students

The Collegian spotlights you, Shelby Tankersley and Bill Kinzy.

These two popular and deserving seniors are both physical education majors. Their warm, congenial personalities have won them many friends on the Jacksonville campus.

Shelby entered Jacksonville in the Fall of 1956 after graduat-

ing from Benjamin Russell High School in Alexander City.

While in high school she was elected to "Who's Who", vice-president of her junior class; member of the Beta Club and several other organizations.

The girls of Doughty Hall elected Shelby secretary of the dormitory her sophomore year. She is a member of the Women's Athletic Association and has held the offices of first and second vice-president. She is president of Kappa Delta Epsilon, national honorary educational sorority, and also a member of Pi Gamma Mu, honorary social science fraternity.

As a senior Shelby holds

BILL KINZY

many honors. She is senior class secretary and favorite, and a counselor in Doughty Hall. She will graduate in May with minors in history and biology.

Bill Kinzy is that "Red Raider" halfback who ran wild against Troy a few weeks ago, scoring four touchdowns in the Gamecocks' victory. Bill hails from Cedartown, Ga. He graduated from Buchanan High School where he lettered in football, basketball and baseball. In high school Bill belonged to the Glee Club, the Letter Club and the FFA. He was also elected to "Who's Who".

Bill came to Jacksonville in January 1958, after attending Northeast Mississippi Junior College and playing football there.

Bill was president of the junior class last summer and served on the Student Council. He is also a member of the J Club.

Bill is minoring in history and after his graduation in July plans to coach.

Both Shelby and Bill are enthusiastic supporters of campus activities and always work hard to make them a success. And what's more, they have an abundant supply of that friendly J'ville Spirit.

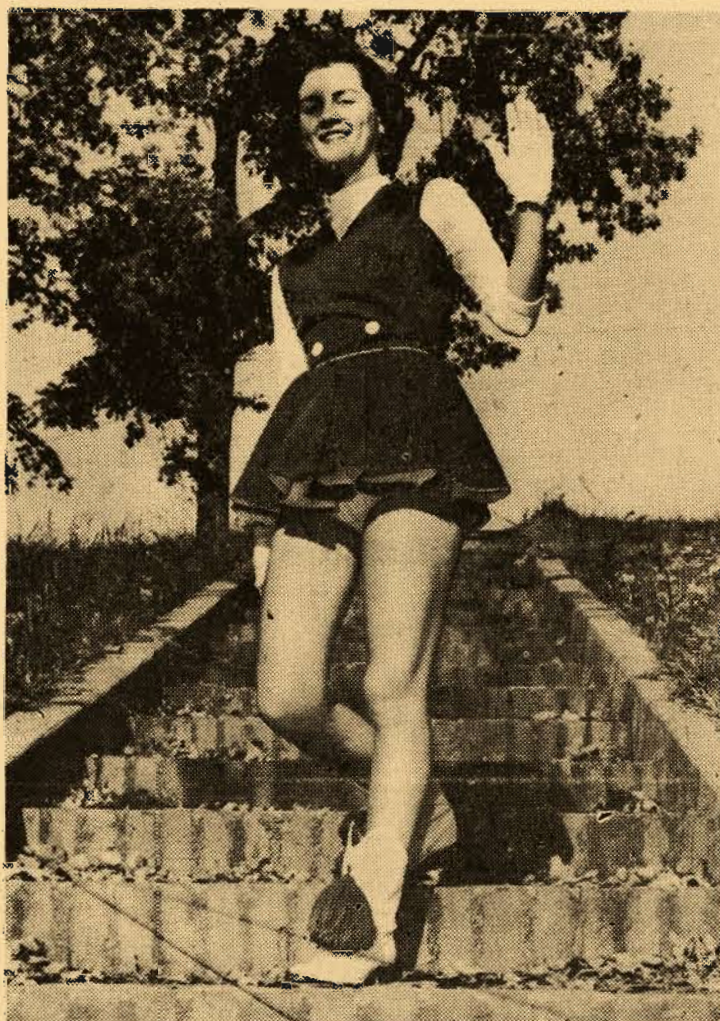

J. Smythe To Study At Queen's College

Jeffrey Smythe, a student from Southend-on-Sea, Essex, England, who was a member of the International House group last year, has been accepted at Queen's College, Cambridge University, for study, it was revealed in a letter he wrote to Dr. B. R. Hennes, his major professor at Jacksonville State College.

He wrote Dr. Hennes that he had been for an interview at Cambridge and "I owe you a very sincere thanks for I have been offered a place to read history in 1960 without further examination; a nearly impossible feat in this day and age of bulging universities."

Jeffrey is spending this winter teaching in his old high school where his assignment is teaching "11 to 15-year-olds the rudiments of English and Latin grammar."

It's better to have loved and lost, than never to have loved at all.

HIGH STEPPER—This week's "Gem of the Hills", Miss Joann Middleton is a sophomore from Gadsden. Dressed in her Ballerina uniform, Joann makes a pretty example of the Marching Ballerinas who complement the Jacksonville Southerners as they perform. This group has received many cheers as they amaze spectators with their expert marching and playing.

Organizations Mimosa Note

All campus organizations, clubs, and scholastic fraternities must turn in the organization blank and the money for space in the 1960 MIMOSA by Oct. 30, which is the final deadline.

Half-page: \$8.00.

Full-page: \$15.00.

More than one page may be bought at the regular price of each single page. No reductions in price will be given.

After an organization has indicated the space wanted and paid the fee, arrangements will be made for the picture to be made.

In addition to pictures of each organization and the cut lines under the pictures, this year the MIMOSA will feature a short write-up about each organization.

The following organizations have not indicated the space wanted in the annual. If this matter is not settled by Oct. 30, these organizations will be left out of the 1960 MIMOSA:

Kappa Phi Kappa, Masque and Wig Guild, Three Keys, Phi Mu Alpha Sinfonia, International House, Writers' Club, Delta Omicron, J Club, Pi Tau Chi, and others who have failed to make payment.

Organization blanks may be obtained in the MIMOSA office every day after 4:00 p. m.

Business Group Elects Officers

The Business Discussion Group started the new year off with a bang by electing new officers and faculty advisers.

Charles Wyatt is the new president; Charles "Chuck" Sweat, vice-president; Frank Atkins, treasurer; and Charles Robertson, reporter.

Miss Branscomb and Mr. Hook are the new advisers.

The Business Discussion Group is composed of business students who are interested in current business activities and problems. They attend the discussion group once a week and maintain a bulletin board in Graves Hall for the purpose of informing all students of the important happenings in business.

The group plans to publish a 1959-60 edition of the student directory which will be placed on sale in the near future. The directory is one of the many projects of the organization.

All prospective members are invited to attend meetings on each Wednesday in room 306, Graves Hall, at 4 p. m.

Baptist Students Plan Convention

By Jimmy Wilson

Baptist students on the JSC campus are looking forward to the state BSU convention which will be held Oct. 23-25 in Florence. The Highlands Baptist Church and Florence State College will be joint hosts for the event which will attract students from all over the state.

Len Roten, student director, and a special committee of students have arranged for 62 Jacksonville students to attend the convention, taking care of transportation, housing and other details.

The theme of the convention this year is "Toward Maturity in Christ." Many noted speakers will address the convention and the theme will be emphasized in many ways.

In addition to the spiritual benefits to be received by those who attend, the Muscle Shoals area offers many tourist attractions which will be made available to the visitors.

The group from Jacksonville this year will be the largest ever to attend a gathering away from the home campus. It is one indication of the work being done by the BSU and the active part being taken by the BSU in campus activities.

One of the most recent accomplishments of the organization was the winning of first prize in the homecoming float competition. In this and other ways, the BSU is attempting to link the church more closely with the college campus.

Student Government Association At Work

The regular meeting of the SGA was held on Oct. 20.

The request of the SGA for \$1500 instead of the regular \$1000 allocation from the school was accepted by Dr. Cole, it was announced.

Mr. Miles said it would not be possible to let the seniors register first when trying to change our way of registering because of the confusion. However, if any senior cannot get what he needs, he can see Mr. Miles and he will assist him or her in making the necessary adjustments, it was reported.

A very special day has been planned for our campus. It will be Saturday Nov. 21. On this day beginning at 2 p. m., there will be games and contests on the quadrangle. After supper there will be a girls' football game at Snow Memorial Stadium. Im-

mediately following that there will be a sock hop in Chat 'Em. In order to make this "J" Day a big success, everyone should stay up for it. It's the Saturday before Thanksgiving holidays, so we can wait until Wednesday to go home. The money made during these activities will go toward the Junior-Freshman class dance in December.

The cheerleaders will now be at all our home basketball games. Thank, you cheerleaders!

Beginning Monday, Oct. 26, the break during quiet hours will be from 9:30 to 10:30.

Glen Smith has been appointed chairman of a committee to look into the commuters' problem of parking. A written report will be turned over to the administration, so you commuters may soon have no parking wor-

ries.

Another committee consisting of Shelby Chandler, Joan Smith, Judy Graves, and Joe Garner has been appointed to meet with Dr. Cole and Dr. Montgomery to discuss a new high standard preamble for our SGA Constitution.

ner, Wayne Keahey, Shelby Tankersley, and Judy Graves.

"J" Day will be a wonderful day for all who like to wear old clothes. The attire for the boys will be overalls or old pants and a sweat shirt, and the girls will wear bermudas or peddle pushers and sweat shirts.

Be planning to stay at school the weekend of Nov. 21. This will be a day you will not want to miss.

Highly Competitive Spirit In Intramural Football League

The intramural football league continues in competition, and it looks though every team has it in for the Roosters. (Do the other teams play each other or do they take turns beating the Roosters?) Three games were reported to the Collegian last week . . . the Roosters were beaten three times.

This time, the Hamilton Colts defeated the Roosters for the second time (14-0, first game score), by the score of 18 to 0.

The Colts had outstanding play from their all-star loaded line: Ted Ford, Robert (Bear) Brooks, Bobby Brown, DeWitt Dodd, and Doug Davidson. The Colts had Bobby Simmons, Arlin Carter, Jimmy Austin, and Richard Pike in the backfield.

The Roosters began threatening early in the second period when an unidentified Rooster halfback made a great catch a 40-yard pass. The Roosters kept moving with several completed passes to Wayne Hawkins. However, a Rooster fumble near the goal line was recovered by Ted Ford for the Colts and the Roosters' drive was stopped.

Several plays later, Arlin Carter hit speedy Richard Pike behind the Roosters' secondary for a 40-yard touchdown. Carter's pass to Jimmy Austin for the extra point was incomplete.

In the third quarter, the same pass-play up the middle, Carter to Pike, paid off for another Colt touchdown. The extra point attempt was unsuccessful.

The final touchdown was by way of Carter to Jimmy Austin, pass play. The extra point also failed.

It looks like the intramural game to see is the battle between the Vikings and the Colts. The Vikings have a strong line with players like Jim Harris, Jim Padgett, and the big man, Spud "Boaz" Pate. The Vikings are probably equally as strong as the Colts in the backfield with Percy Powell, Sam Kenimer and Tommy "Gun" Clecker.

The passing will definitely be the deciding factor, and both teams possess a pair of fast backs, the Colts in Jimmy Austin and Richard Pike, and the Vikings in Tommy "Gun" Clecker and Sam Kenimer.

In predicting a pre-game outcome, the Colts probably would have to be given a slight chance to win over the Vikings.

SPORTS SHORTS

By Hal Hayes

Corned beef and cabbage, Amos and Andy, rock and roll, ham and eggs, Tinker to Ever to Chance, the Lone Ranger and Tonto. They all go together.

Here's another pair for you—Ted Boozer and Rugged Roy Flumer. Both, seemingly, would fight a rattlesnake and give it first bite.

On any up-the-middle play the opposition has dared to attempt against the Gamecocks in '59 Roy Fulmer has usually been the last one out from under the pile-up. The same for attempted scurries around the right terminal spot of the Gamecocks.

On and on throughout '59 the same ditto has continued. Rock 'em football has constantly been the caliber of football exhibited by these two. The senior duo will be greatly missed next fall.

Another agonizing thorn in the sides of all Gamecock opposition in '59 has been seniors Captain Jim Glasgow and Alt. Capt. E. J. Taylor. Undisputedly two of the finest linemen spawned here in many Indian summers.

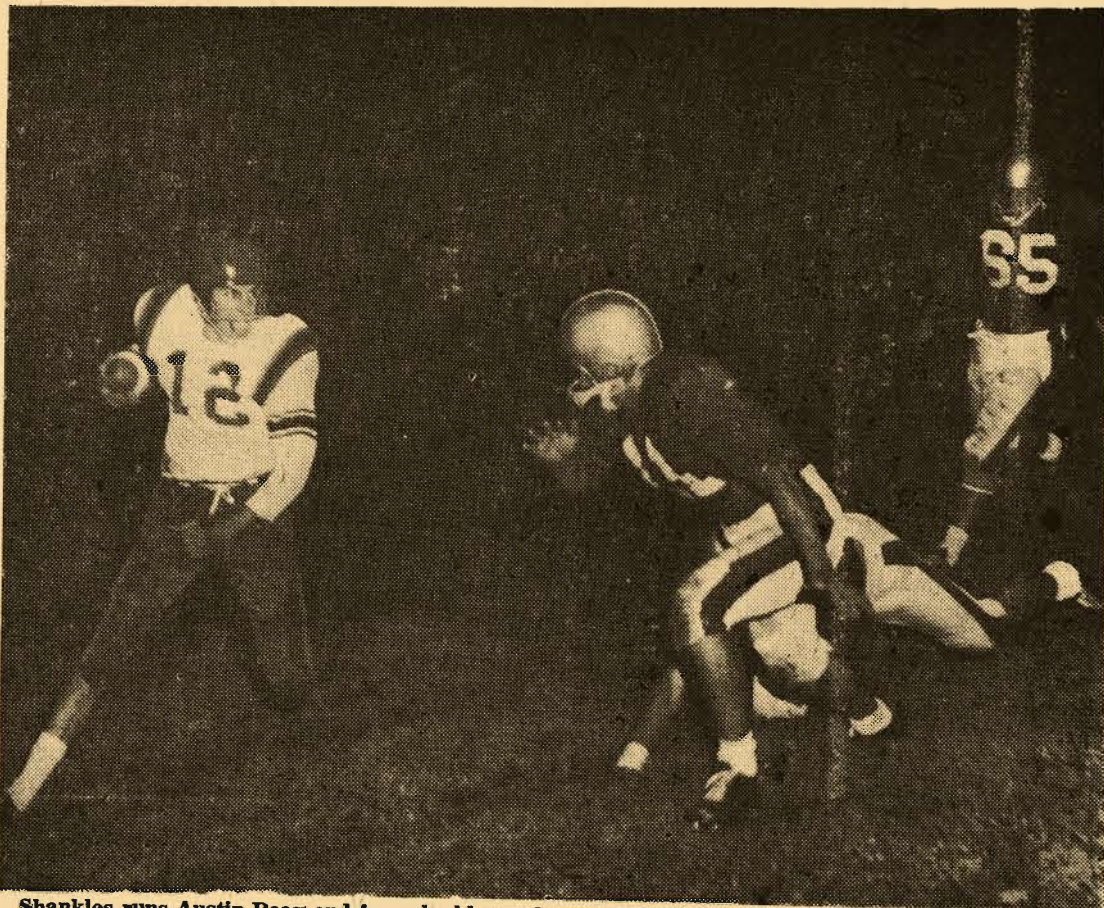

Both came to the Land of Gamecocks with amazing prep records and have lived up to their advanced billing to the 'nth degree. All-State All-Southern and All-American recognition belong to both Birmingham products.

Glasgow graduated from Jones Valley High and Taylor is a Snitz Snider protege from Bessemer High.

Also in the twilights of a fabulous collegiate football career is the greatest halfback in the history of football at JSC, Bill Nichols. This statement, my friend, is not opinion, but bare facts.

In '58 the name Bill Nichols rose to the loftiest height of fame any person has attained since '54 when he broke Al Woodham's one-season, individual, rushing record. The diminutive Altoona senior, then a junior, peeled off an amazing total of 1,044 yards on 116 attempts. That's a 9.1 per try average!

But still more baffling about Nichols' feat . . . Woodham set the record in ten games while Nichols surpassed that mark in the

Jax Gamecocks Entering Home Stretch On Gridiron

The Jacksonville Gamecocks, having gotten into the winning column despite the plague of injuries, with victories over East Tennessee State (13-0), Troy State (34-12), and Austin Peay (15-14), start down the homestretch with Livingston State, Carson-Newman, and North East Louisiana remaining on the Gamecock schedule.

The Gamecocks face Livingston State, Oct. 24, at Livingston. The Tigers are boasting one of the best teams produced at Livingston in many years. Earlier in the season, Livingston dropped a close game to state rival, Troy State, 7-6. As said before, Jax State rumped Troy State; therefore, despite the fact that this is the best squad Livingston has produced in many years, they still aren't strong enough in depth and in size to take a victory from the Jaxmen this season. Last season Jacksonville won 22 to 6.

On Oct. 31, Jax State travels to Jefferson City, Tenn., to face Carson-Newman Colltge. Last season, the Gamecocks romped over the Jefferson City quad in a rain-soaked field, 35 to 13.

span of but 9 games! His remarkable 123 yards against a defense stingy Tampa University line last November enable his name to vault into immortality as JSC's best back ever.

A tremendously gifted athlete is Bill Nichols. To say Jacksonville will miss him in '60 is the understatement of the century.

Backfield cohorts of Nichols' who will also walk the aisle before the season of 1960 are four other backfield aces . . . each, in his own way, more valuable to the Gamecocks and to Jacksonville State than any who have graduated from their respective positions ahead of them.

They include terrific Wayne Keahey, Charles Clark, Harold Shankles, and Jimmy Mayben. Three tremendous fellows and fine athletes.

Within each an extremely vivid fire of competitive spirit burns at all times and pushes them to further advance the cause of the Gamecocks. Two sensational fullbacks and two brilliant quarterbacks, one who can throw the football almost out of sight and one who can direct a team over icy mountain tops, swamps and transcontinental traffic with the greatest of ease . . . we're all gonna to miss 'em a great deal.

Last but by no means not last among the honor roll of Gamecock football seniors is Grover "Tweety" Whaley. His graduation will end unforgettable eras on two fronts.

First, "Tweety" will be missed because of his outstanding ability on the football field and second because of his campus-renowned "sandwich route".
