AND WHAT A GEM! This week's Gem of the Hills is apparently still very proud of her Easter bonnet — and so are we! The pretty miss, as if you didn't know, is Betty Rose Jones, a senior from Gadsden.

'Two Blind Mice' Selected By Guild

The Masque and Wig Guild of Jacksonville State College will present the play, "Two Blind Mice", a comedy, by Samuel Spemack on Monday evening, May 2, and Wednesday evening, May 4, in the Leone Cole Auditorium. William J. O'Sullivan, a member of the English faculty, is director of the production.

Members of the cast are: Pat Marbut, Mozelle Gibson, David Thompson, Merrill Owens, Jacksonville; Charles (Sam Houston) Lipscomb; Ernie Riedelbach, Oxford; Fred Greer, Adger; Charles Wyatt, Ed Pierce, Clark Gable, Birmingham; Fayth Shonesy, Miriam Pate Holmes, Anniston; John Draper, Tom Jones, Gadsden; Tommy Whatley, Lincoln; Tommy Dennis, East Tallassee; Hal Hayes, Albertville; Ray Gentles, Scottsboro.

The scene of the play is in the Office of Medicina Herbs located in a Georgetown residence. The office was ordered closed five years earlier when the former head died, but his widow, Letitia, played by Pat Marbut, and her assistant, Crystal, played by Mozell Gibson, have continued to run it.

A love affair between Karen and Tommy Thurston, played by Fayth Shonesy and Ernie Reidelbach, adds to the interest of the humorous story.

Tickets will go on sale this week for the play which will be the first offering by the Masque and Wig this year.

Southerners Band Slated For Concert

The Jacksonville State Southerners Band will present a concert at the Leone Cole auditorium on Thursday, May 5. Mr. John T. Finley will conduct the band and the special brass choir.

An unusual feature of this concert will be the inclusion of an original composition by Mr. John Knox of the Jax State music department faculty. Mr. Knox is also the arranger for the Southerners.

The concert program is as follows: "The School Musician," by Beebe-Paul; "Symphony No. 1 in E Flat," by Saint Aaens (Finale); "Sine Nomine," by Williams Rosenberg; "Carnival Day in New Orleans," by Morrissey; "Windjammer," by Gould; "My Hero," (concert march) by Alford-Strauss. All of these will be played by the concert band.

The program for the concert brass choir will include: "Galba's March," by Rozsa; "Prelude and Sermon of Peter," by Rozsa; "Allegro," by Knox (Jax State faculty member); "Forever Yours," by Newman; "Mardi Gras" (from "Mississippi Suite"), by Malneck; "Goin' Home," arranged by Yelverton (former Jax State faculty member).

FUN AND FROLIC Sadie Hawkins Week Observed April 18-21

By BARBARA OWEN

The girls on the college campus had their chance to buzz around last week in observance of "Sadie Hawkins Week". Oh, what fun was had!

April 18 through 21 was the week they had long been waiting for. Now they could ask that special guy for a night or even a week's entertainment. (Girls met all expenses).

Everyone came out like real home-hill folk, the boys exhibiting their prosperity by wearing galluses and the girls dressed like something from a Spanish festival of color—each costume of original design.

In keeping with the "Sadie Hawkins" idea, the girls chose their dates; selected the type of entertainment they enjoy; and had their first and last chance to visit the boys' dormitories to call for their dates.

In addition to raising money for the Sophomore-Senior Ball to be held May 10, many friendships were made that will be everlasting, and many new romances were begun.

The week's events included the following:

Monday night — Dog-Patch Hoedown in Dauge Hall. This

was where they had good food and fun for all.

Tuesday night — Races and contests after supper, everyone dressed in costume. "Marrying Sam" Hal Hayes was on hand to patch things up. Kangeroo Court was in full session.

Wednesday night — This was the big, big square dance! It was held in front of Hammond Hall and the sets for dancing were called by Wade Smith of Gadsden.

Special honors went to the following:

Melinda White, a sophomore from Lanett, and Catherine Dunaway, a junior from Hartselle, were given the title of "Miss Sadie Hawkins". Jackie Jackson, a freshman from Bowden, Ga., was selected "Lil Abner".

Awards and prizes went to Ernestine King, sophomore from Rainsville, who walked

Spring Has Sprung . . .

About the most welcome thing around Jacksonville lately has been the appearance of the Easter bonnet. After a rather long and dreary winter season, we've finally been able to come out of our coldweather doldrums into a shiny-bright world filled with the sights, sounds, scents, and just-plain-old wonderfulness of spring. Some of us had practically forgotten what spring and warm weather were like, and it was beginning to seem as if we'd never know; but now that the veil has been lifted, we'll soon forget, with no trouble at all, what winter was like.

One particularly nice thing about this beautiful season is the fact that now even our most difficult problems seem to become much less frightening. Even if we still can't solve them, we can at least succumb pleasantly to "spring fever" and dream them away - some might call this "procrastination" or something of that sort; but whatever it is it works pretty well for today, and since tomorrow never comes, anyway, today is the only day that counts!

Mimosa Report . . .

The time has come when we feel it necessary to give you a progress report on your annual. The final proof was sent back to Paragon Press on Wednesday, April 20. Originally your annuals were to be distributed on May 4, but you should not expect to receive your annuals now before May 16.

There is an explanation for this delay. You must keep in mind that the original copy and pictures that we sent to the publisher look very different from the printed page. When the proof was returned, I found that many changes were necessary to make your 1960 MIMOSA a better annual. Because of these changes, the publisher could not possibly print your annuals in time to meet the early deadline. However, you can be sure that your annuals will be in your hands before the Spring Semester is completed. I believe that you will find this delay profitable to you in that the 1960 MIMOSA will be a yearbook of which you will be proud.

Next we come to distribution. Everyone who paid for an annual will receive one - either personally or through the mail. All students who are presently enrolled at the college will be required to pick up their annuals personally. The time and place of distribution will be announced later in the Chow Hall, the Collegian, and in posters. Let me emphasize again that your annual will not be sold to anyone else if you fail to pick it up.

It will not be necessary for you to have your receipt in order to pick up your annual. All subscriptions have been duly recorded, and your receipts will not be necessary. However, all freshmen, transfer students, and commuters will be required to bring some form of identification with them, preferably a driver's license. Each person has to claim his own annual.

If you have any questions about any of this information, please do not ask me about them until the annuals come. If for some reason you will be an exception to these rules, discuss that also with me when the annuals come back, and some arrangements will be made. This is all the information that I have for you at the present time.

FBLA Banquet Set Tonight

The major topic of discussion at the April 10 meeting of Phi Beta Lambda was the annual spring banquet and dance which is to be held April 25 at the recreation center in Jacksonville. Dr. Houston Cole will be the guest speaker. This year a dance featuring the Wellborn Dance Band with William A. Tolbert director will also be included in the agenda for the evening. The highlight will

come when "Miss Phi Beta Lambda" will be crowned.

Another important subject discussed at the meeting was the publishing of the student directory, which will go on sale in about two weeks. This year's directory will include names and addresses of all students and faculty on campus along with other important information.

Letter To Editor

Editor, College Paper
 Jacksonville State College
 Jacksonville, Alabama

Dear Editor:

We, the members of the Alma College baseball team and coaching staff, would like to take this opportunity to publicly thank the Jacksonville College student body, baseball team, coaching staff and anybody else that had anything to do with making our stay with you such an enjoyable one.

We have visited many college campuses and have never been received with such friendliness as we experienced at your place. We enjoyed the personal contacts with the students. The boys still talk about how friendly the students were that were not connected with the baseball team. Walking around the campus and eating in your dining hall we were made to feel as if we were part of the student body. Summing it all up we will say it was an experience that we will always remember.

Your coaching staff has invited us back next year and if our conference will allow us a spring trip we will be looking forward to seeing you again.

Thank you once more for your hospitality.

Sincerely,
 Alma College Baseball Team

SGA Report

A regular meeting of the S. G. A. was held April 19, Tuesday night, and a number of items of importance were discussed.

The newly-elected officers for next year were recognized and welcomed.

It was announced that the S. G. A. will go to The Club in Birmingham on May 6 as guests of President Cole.

At some near date we shall have another "J" Day - a giant "J" Day here on the campus one Thursday afternoon. Classes will be dismissed that afternoon for "J" Day and the many activities which will be going on.

Cheerleader elections will be held on "J" Day. All qualifications must be in at least two weeks prior to the election, however, and a person must have a one-point average to qualify as a candidate for cheerleader.

A sock hop sponsored by the SGA will be held the latter part of this month, and it was suggested that we have a costume party of some kind; a beatnik party or something similar.

The constitution of the Accounting Club was accepted and the fine objectives of the club were noted.

The meeting was adjourned!

Book Is Published By Dr. E. Pendell

Dr. Elmer Pendell, associate professor of economics, has a new book off the press entitled "Wisdom To Guide You," Selected Sayings with Selector's Comments.

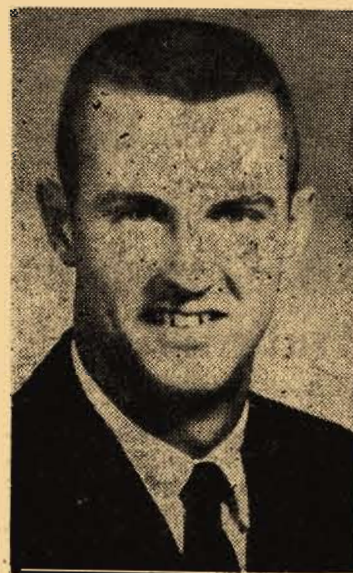

The book is a day-by-day collection of proverbs, precepts and maxims designed to fill a general teen-age need, and derivatively a teacher need.

Dr. Pendell is the author of six other books.

On the hunt for excitement, the eager freshman asked: "Can you suggest something in the way of a good time?" The disconsolate junior muttered: "The dean."

Junior From Alexander City Gets Collegian's Spotlight

Featured this week in the Spotlight is Larry Hawkins, a junior from Alexander City. A business administration major, Larry graduated from Benjamin Russell High School. In high school he participated in all sports. He was co-captain of the football team his senior year, a member of the R Club, and of the student government. He also was vice-president of and the dignity of seniors,

LARRY HAWKINS

his class his senior year. Larry worked on the school paper, and he was a member of Who's Who.

At Jacksonville he has been equally active. Sports has been his interest, as noted by his participation in the intramural sports program. Along the

Building Director Visits Jax Campus

H. H. Houk, director of the State Building Commission, visited the campus on Thursday and spoke to a large group of students from the social science division.

A graduate of the University of Kansas, Mr. Houk is listed in "Who's Who in Engineering", "Who's Who in the Southland Southwest" and "Who's Who in Commerce and Industry".

He spoke on the "The Missile of Mind" or "Your Place in Space".

A strong believer in the discipline of the mind, Mr. Houk told the students that they are the architects and chief engineers of the structure on which they are working. That the building of lives and laying the foundation for the future is the reason for existence.

"Thou art Thou", he declared. "You are a part of God. You have a part of the divine mind and the Kingdom of God within you. Your mind is the pearl of great price".

Seniors Asked To Visit Dean's Office

All seniors are requested to go by Dean Wilman's office and fill out placement forms.

New officers and sponsors can secure clever booklets on "Leadership and Parliamentary Procedure" at the bookstore for \$1.00.

A considerable number of scholarships for graduate schools are now on file and are available to anyone in Dean Willman's office.

same line he has been a member of the JSC Basketball Team, and naturally he belongs to the J Club. He has received a Letter of Appreciation for his outstanding extra-curricular work, and his class elected him to represent them as a class favorite in the 1960 MIMOSA. Recently, Larry was elected by the student body as Mr. Friendliest, a title he certainly deserves.

As far as he can see, after graduation Larry plans first to fulfill his military obligation. Then he hopes to enter the selling field. When asked about the latter, he replied that he has always wanted to work in that line. He likes to meet and talk with people. His ability at this occupation is apparent from some of his activities in high school. On one occasion he sold \$140 worth of Christmas cards and \$110 of magazines to make his senior trip.

When asked if he would do things differently if he were just starting his years at Jacksonville, he replied that he would do everything the same. He mentioned, however, that one thing needed changing at JSC, and that was the school spirit. But as he pointed out, who really has an answer for that?

Larry liked the same things about JSC that everyone else seems to like: The people are friendly, and the school is small enough so that the students can get to know each other.

Larry will be graduating in January of '62, and we're glad that he will be around the campus a few more semesters to enlarge upon his title of "Mr. Friendliest."

ETOWAH COUNTY HIGH SCHOOL

Collegian Goes North To Feature Etowah County High

By WALLACE JOHNSON

Etowah County High School has been in operation since 1908. On June 4, 1909, three diplomas were presented. The last graduating class which was 1959 had over 200 students so you can see the advancement made at Etowah.

Etowah County High has a student government association; their four chief officers being elected each spring in a typical election following an active campaign. Actual voting is done by voting machines. The

NORMAN O. PARKER

association is active in the State Student Council Program with good attendance and participation.

Everyone here at Jacksonville knows about the Etowah Blue Devils. Yes, Etowah County High School always produces one of Alabama's best football teams. Etowah has just finished a very successful season losing one game to their arch rival, Gadsden High School. One thing that Etowah can really boast about is football; their team is always good no matter what the prevailing circumstances are.

This writer is a follower of Etowah football and I can personally say that no school in this state has such a good record of wins and sportsmanship. Etowah also has basketball, baseball and track, but these sports never show up like football. We might say football is king at Etowah County High School.

The yearbook at Etowah is the *Etowahian*. It is published by 30 staff members, and the yearbook usually contains about 200 pages. It is the *Etowahian* staff's intention to record each year's activities in print and thus improve school and community relations.

Etowah County High School students also publish *The Mephistovox* which means Devil's

Voice. This is their school newspaper—a four page paper published eight times each year.

Etowah belongs to the State Department of Education Accreditation Association. The school is presently engaged in a self-study for evaluation by the Southern Association of Secondary Schools and Colleges next year. Accreditation by this association is the highest accreditation a school in Alabama can receive.

The following students are on the *Mephistovox* Staff: Theresa Peek and Frances Beasley, editors-in-chief; Eugenia Hollingsworth, Leeta Minton and Bonnie Coin, assistant editors; Verbon Holliday and Linda Woods, business managers; Kathérine Ann Kaylor, Nancy Lane, Leeta Minton, Phyllis Norton and Martha Sloan, editorial staff; Johnny Bailey, Talmadge Willingham, David Faucett and Melvin Ramsey, sports editors; Cherly Wilson and Gail Rakestraw, typists; Sally Swann, Rex Lowe, Sue Novel, Eugene Ballard, Carolyn White, Sue Wood, Dorothy Griffin, Judy Gilchrist, Jean Lowe, Linda Walden and Lamar Vice, reporters; David Lankford, Ann Maynatt, Sylvia Wooten and Becky Smith are in charge of circulation.

The yearbook staff has 30 members. They are: Phyllis Norton and Nancy Lane, editors-in-chief; Johnny Bailey, Talmadge Willingham, and Linda Robinson, assistant editors; Verbon Holiday, Melvin Ramsey and Joyce Blevins, business managers; Cherly Wilson and Lydia Rothrock, feature editors; Linda Walden, picture editor; Jean Lowe, Martha Sloan, Nancy Snead, Sue Noble, Gail Rakestraw, and Becky Smith, class editors; David Faucett, Jackie Harris and David Lankford, sport editors; Judy Gilchrist, Linda Woods and Sylvia Wooten, club editors; Dollie Pruett, Leeta Minton, Ann Maynatt, Sally Swann, Sue Wood, Carolyn White, Theresa Peek, Frances Beasley and Lamar Vice, subscriptions.

The student body officers are Lewis Lankford, president; Donald Pierce, vice president; Judith Stanfield, secretary; Jo-laine Gray, treasurer. These are the so-called student wheels at Etowah.

The present principal is Mr. Norman O. Parker. Etowah County High has made so many advancements that it is hard to congratulate them on any one thing. We do wish them success in the evaluation by the Southern Association of Colleges and Secondary Schools, and we will all be looking forward to seeing the Etowah Blue Devils in action next fall.

DISCUSSIONS HELD How The Counties Rank On Jax State Campus

By WALLACE JOHNSON

There has been much discussion in the dorms of Jax State as to which county in Alabama had the largest representation of students here.

The figures below, furnished this writer by Mrs. Sewell and Tony Strain of the registrar's office, will show the record on students enrolled in the day session, evening session and graduate division combined:

Jefferson, 88; Mobile, 1; Montgomery, 5; Bibb, 3; Blount, 25; Calhoun, 796; Chambers, 27; Cherokee, 39; Chilton, 5; Clay, 27; Cleburne, 41; Coffee, 1; Coosa, 12; Covington, 4; Cullman, 13; Dallas, 2; DeKalb, 97; Elmore, 3; Escambia, 1; Etowah, 368; Geneva, 1; Hale, 2; Houston, 2; Jackson, 33; Lauderdale, 3; Lee, 2; Limestone, 4;

Madison, 5; Marion, 1; Marshall, 45; Morgan, 11; Pickens, 1; Randolph, 45; Russell, 1; Shelby, 41; Talladega, 109; Tallapoosa, 25; Tuscaloosa, 2; Walker, 13; Winston, 3.

This shows that 41 of Alabama's 67 counties are represented here. Excluding Calhoun County, the 12 best-represented counties are: 1. Etowah; 2. Talladega; 3. DeKalb; 4. Jefferson; 5. Marshall-Randolph (tie); 6. Cleburne-St. Clair (tie); 7. Cherokee; 8. Jackson; 9. Chambers-Clay (tie); 10. Tallapoosa-Blount (tie); 11. Walker-Cullman (tie); 12. Coosa.

Each of the state colleges has a certain number of counties to serve. Jacksonville serves the people of the Northeast section, but students are enrolled from many counties outside this district of 17 counties. Among the counties rated in the top 12 are Walker, Cullman and Jackson, which are not in this district.

In a further breakdown, I found the following information concerning the number of students from Alabama that are enrolled here. In the day session there are approximately 1604; in the evening session, 368; and in the graduate division, 49. Thirty four of the graduate students are from Calhoun County and eight are from Etowah.

In addition there are students enrolled from 22 other states.

Sophomore-Senior Dance Scheduled

The annual Sophomore — Senior Dance will be held May 10, in the college gym with music furnished by Woody Herman and his orchestra. Dancing will begin at 8:00 and last until midnight.

Kappa Phi Kappa Banquet Is Held

A group of thirty members and guests enjoyed the annual banquet of Kappa Phi Kappa, national honorary education fraternity for men, which was held at the Faculty Club on Wednesday, April 20. Special guests of the fraternity were the wives and dates of members; Mrs. Reuber Self, wife of the fraternity's faculty advisor, Dr. Self; and Mr. R. Eugene Jones of the college's department of education.

Waymond O'Neal, president of the fraternity, introduced Dr. Self, who played a tape recording, "The Eccentric," for the enjoyment of the group. The recording proved to be very inspirational as well as entertaining to all.

Members of the Planning Committee were commended for the extra effort which must have been necessary for the organization of the banquet, and special thanks were extended to Mrs. Roy Ford, who volunteered her services and did an excellent job of decorating the banquet room.

Baseball Team To Play Road Games

Coach Frank Lovrich's Gamecocks launch a three-game road trip Wednesday (April 27) when they visit Livingston. The Gamecocks return home May 4 to host Southern Union.

Next week: Wednesday, Livingston, there, and Saturday, Alabama College, in Montevallo. May 2, Troy, There.

May 4, Southern Union, here.

for the Frank Lovrich Gamecocks.

The afternoon belonged to Donnie Cook who fanned 17 Gamecocks and limited the visitors to but 4 hits. FSC backed their lefthanded ace with 8 raps.

Accounting for Jacksonville's four hits were Percy Powell, Butch O'Neal, Gerald Dupree and Jim Harris.

Erasing a 3-2 deficit, Jax State's Gamecocks pushed Alabama College, Montevallo, into a role of defeat here today (April 19), 8-1. The hometown favorites mounted a 4-run 6th to submerge the stubborn lads from South Alabama.

Sam Whiteside, again, stole the hitting show for the victors with 3 hits in as many times up to the plate. One of the stockily built backstopper's drives was a towering 2-run homer in the 7th inning. He singled in his other official appearances at the dish.

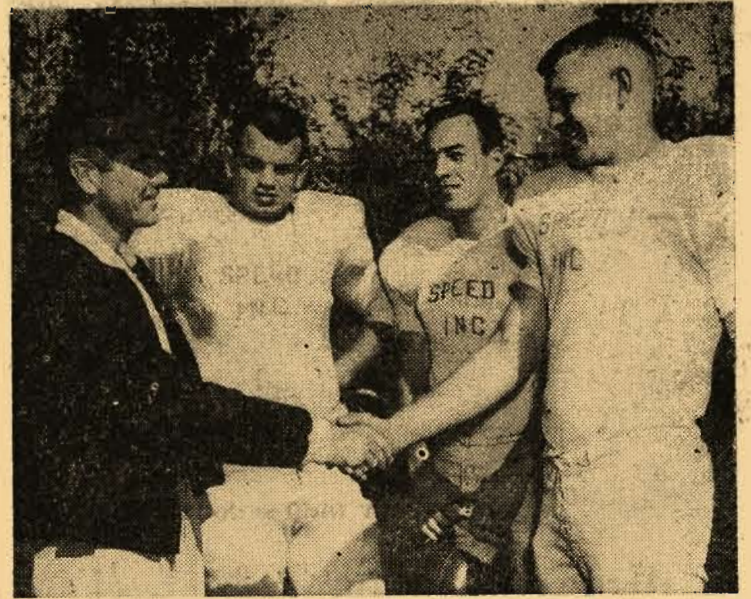

Ernie Willingham was the winning pitcher.

Heeding the proverb "Strike when the iron is hot", Jacksonville State bumped off Southern Union in Wadley today (April 20) 8-2. The Gamecocks pushed across two runs in the first, added four more in the 4th and one in the 7th and 8th.

Bobby Sides paced the 7-hit Gamecock attack with a triple and double. His were the lone extra base blows of the evening.

Pitcher Butch O'Neal went the distance for the winners, allowing 5 hits and fanning 6.

'Fort Apache' May Be Abandoned In '61

A man with a question went calling on the man with the answers.

The two got together. The curious one got his wish.

The gentleman with the answers was the itche bon of all Gamecockland, Dr. Houston Cole, distinguished president of Jacksonville State College.

The inquisitive one was this scribe, known in some circles as Robert; Bobby, elsewhere; Hal to some and 'Basket' to others. Anyway, that barrel-shaped blimp from Sand Mountain's Albertville was the curious fellow.

The outcome of the conference: The possibilities are very good that Coach Frank Lovrich's JSC baseball Gamecocks will abandon 'Fort Apache' in the spring of '61 and move into their own, brand-new field. Of course a few "if's" have to be ironed out, but the 'ironing board' is ready for action.

"I am looking into the matter," Dr. Cole informed me, "of leasing land west of Southern Railway's tracks and London Avenue for the sole purpose of constructing a new baseball field. If we can find that land's owners and if the land is suitable and leaseable, we hope to have the new field ready by '61."

Dr. Cole reminded us that the land might not be level and would need to have machinery work on it and develop the terrain so that a creditable baseball plant can be constructed. Though he did not say, it seemingly would be farce to assume that the new field would not have adequate seating facilities.

The man who stands solidly among the elite of Alabama's educational leaders also had a word for track as a forthcoming achievement in Jacksonville's athletic program. "I feel track is definitely a coming sport at Jacksonville," announced Dr. Cole, "and I feel that it would be an ideal addition to that area on which we hope to have our baseball field."

Three main factors were emphasized by JSC Head Football Coach Don Salls Wednesday afternoon when he stated that '60's spring training was one of the most discouraging he had known in his 14 years here. "The foul weather," began Coach Salls, "the small squad (The Gamecocks ended up last Friday night with 33, the smallest number in a decade.) and the loss of many valuable seniors."

Coach Salls also noted that fall training would begin on the afternoon of August 29 or September 1. The '60 campaign, initiated with Chattanooga, commences in September.

Concerning the progress made in spring training, Coach Salls stated: "We made the greatest amount of progress in the area of speed and passing. Overall team speed was the most impressive thing about the entire spring workouts."

The veteran grid instructor then stated that, "... yes, I was happy with the membership growth of "Speed Incorporated." We ended the spring with 17 members, although we wanted 33. Next fall we (the coaching staff) expect every player to be a member, every week throughout the season."

Gamecock Baseball Team Has Four-For-Five Record

By HAL HAYES

Four for five . . . that's the 'swinging average' of those pinstriped JSC baseball Gamecocks since last COLLEGIAN time. Florence State put the whammy on the local nine and thus chopped their average from 1.000 to .800.

Maryville College fell under the hitting outburst of the Gamecocks twice, Alabama College and Southern Union once apiece. Backing these victories was an offensive punch that countered for 43 runs and 40 base hits.

Looking back—

Jacksonville State swept a two-game series with Maryville College into their bag of victories Friday and Saturday (April 8-9) afternoons, 16-4 and 4-1. The duo of wins boosted the Gamecocks' won-lost sheet to a 3-1 mark.

The Gamecocks counted 2 runs in both the 2nd and 3rd innings Friday but waited until a big 5th frame to really do their damage in whacking the Scotties 16-4. This game was enough to make Maryville forget all about Sherman.

The winners also went hit happy for the day. Assuaging MC pitching with the self pleasure usually confined to batting practice, the visitors from Alabama ended the afternoon with 23 base raps to their credit. Seven of those knocks were for extra bases.

Hit happy Sam Whiteside, driving in 5 runs for his second afternoon of the season, spearheaded the Jaxmen attack with 3 hits in 4 trips up. The team co-captain stroked two tremendous triples (in the 2nd and 3rd) and a double to account for his quintet of RBI's.

Rightfielder Percy Powell also had a lot of success with his Louisville slugger in posting a 4 for 5 afternoon. His hits were two singles, a double and a three bagger.

The winning pitcher was Butch O'Neal.

Shaking a first inning home-run, John Allen 'literally' had Maryville eating out of his hands Saturday as he whiffed 17 would-be-batters in a 4-1 Gamecock victory. Maryville left-fielder Joel Griffin parked an Allen fast ball to account for MC's lone tally.

Allen also aided his cause at the plate in going 2 for 4 for the day. Also enjoying .500 afternoons were Bobby Sides, Percy Powell, and Sam Whiteside.

To lead off the 8th, center fielder and co-captain Jim Emfinger clouted a Fred Tepper fast ball clean out of the township of Maryville. The solo drive traveled some 378 feet.

Florence State used a big 3rd inning to sink Jacksonville 9-2 (April 13) in Florence. It was the second defeat of the season

Tennis Team Has 9-0 Record

With the spirit of freshmen Coach Jerry Garnett's cascading Jacksonville State tennis Gamecocks calmly and coolly kayoed Southern Union here today (April 20), 9-0. The victory was the 4th in five outings for the home netters.

The JSC racquetees have laid Southern Union, Florence, Troy State and St. Bernard in the shade while losing only to Chattanooga. The Chattanooga encounter was taken by the Ten-

nessee visitors 7-2.

Last Thursday Jacksonville State could do no wrong. Hank Seale, Stacy Shaw, James Daily and Co. had things under control from the word "go".

In singles, number one man Hank Seale, Bessemer, took Jerry Teichmiller to the cleaners 6-2 and 6-1. Seale is a sophomore.

Oneonta's James Daily, a senior, defeated Fred Kinney, 6-1 and 6-0.
