Building Program

Nears Completion

Complex life here will be greatly changed by the building program now under way. For the first time in the school's history, students will have a lounge and recreational space for leisure hours.

Hammond Hall, the present cafeteria, will be converted into a student union building and will provide offices for a number of student members.

The building will be rearranged to house the book store, coffee shop, student lounge, an auditorium for recreational activities that will also seat 400 for small gatherings, offices for the dean of students, director of student personnel, newspaper office, student publications, and a conference room.

The contract calls for completion of the new dining hall by Sept. 1, which will also contain a 400-seat and a small chapel. The dormitory now under construction will be completed by fall and another dormitory is scheduled to begin Sept. 1 at a cost of about $100,000.

Several changes will be noted in the faculty for the summer session. A number have gone away for special study and several are taking leave for rest. Those who are away for study include:

Mrs. Esther Baab, University of Hawaii, was away from college for Dr. Gordon Mainland will go to Colorado State University in August for special work and Dr. Edmond Price is continuing his research project for the government in parapsychology.

Added to the faculty for the summer are: Mrs. Kathleen Dickey, music supervisor of Cherokee County, who is substituting for Mrs. Baab; Mrs. Clarence Scott, a member of the Full City High School faculty, who is substituting for Mrs. W. J. Calvert in the physical education department.

She has held a graduate scholarship, assistantship and fellowship in English at Duke in 1943-45, majoring in the Renaissance with a minor in American Literature. She completed her dissertation on "The Speaking Picture in the Works of Sidney." She has traveled widely in Europe and in the Caribbean countries.
Editorials — Welcome

Over the years it has become a tradition among college newspaper editors to write a “welcome editorial” for the first issue of the paper. Not being one to go back on tradition this editor will add his word of welcome.

First on the list of those to be extended the welcoming hand are the freshmen. They are the largest group and will meet with more if not the larger problems. They have already survived the aches and pains of registration and now will have the opportunity to learn of term papers, pop quizzes, class cuts, quality points, and unfamiliar study habits. Disregarding these last facts, we welcome the freshmen.

Second to be welcomed are the new faculty members. They will need much support for they have to face crowds of unfamiliar freshmen, sophomores, juniors, and seniors.

Finally we say welcome to the upper-classmen, transfer students, administrative personnel, housemothers, choir hall workers, and anyone else we didn’t happen to mention above.

Suit Case College

The “suite-case college” is a name that has often been applied to JSC.

“The campus is dead on week-ends” is a statement repeated by many JSC students more than once. The usual scene that one observes on a week-end in the vicinity of Panell, Abercornie, Glenzer and Logan halls is the packing of baggage into cars and the saying of farewells to the handful of students who have decided to remain on campus during the week-end.

Not only is this a college where the students decide to leave each week-end, but it is also one where some students are willing to frankly criticize the Student Government Association for not providing activities for the week-end.

Last Tuesday night’s activities in the gym were a good example of what your SGA is doing and will do if the students will stay on campus for week-ends.

If you are one of those students who have been going home every week-end or one who has been guilty of complaining about the “closed campus,” clear your conscience now by getting behind your SGA. Give it all your support and help, attend the functions sponsored by SGA. You owe it to yourself and your college.

BSU Students

Our college can be proud of four students who are working this summer with the Baptist Student Mission Program and Home Mission Board in promoting the gospel of Christianity. These students are selected for their ambition after meeting rigid requirements as to consecration, ability, common sense, maturity and health.

Jim Wilson is serving on the staff at Ridgecrest, N. C. There will be six students serving in various capacities and getting the wonderful opportunity to listen to the most outstanding ministers and teachers of the Baptist faith. Jim makes us especially proud because he was recently elected president of the Alabama B.S.U. during the spring retreat at Shoeco Retreat.

Ohio will be the field of work for Peggy Whittem. The Home Mission Board selected Peggy for work in areas of Ohio where there are no Baptist churches, for assistance in Vacation Bible Schools and for speaking to groups of other young Baptists.

Representing the Home Mission Board in Oklahoma is Joe Gilliland. Joe will be with the Cherokee Indians on their reservation in conducting Vacation Bible Schools and assisting in the work of existing churches in the same program.

Martha Ann Morris is working at the Alabama Baptist Children’s Home at Troy. There she will do guidance and counseling work with children.

These four students are having the experience of working for the benefit of the education and personal exemplification. They will return to campus and will share their experiences with fellow Baptists.

The aggressive and dynamic program of activities at the college is directed by Leonard Ruten, who announces that the student activities office of the First Baptist Church is open. All students are cordially invited to utilize this wonderful lounge for study, recreation and visiting.

International House Students Summer Activities Given

Summer plans for the international students are always of interest to those who follow their activities at Jacksonville State College. Dr. J. H. Jones, director of the International House Program, has released this information this week:

Yukiko Ano, Japan; Hoosider Bedzipour, Iran; Patricia Ong, Malaysia; Esperanza Vidal, Bolivia; and Carlos Zeller, Mexico, will work at an exclusive summer resort in New Jersey during vacation. International students have worked there for the past three summers and the proprietors count on Jacksonville State two months ago to interview those who wished to work there this summer. All will return to Jacksonville this fall.

Denise Aerosmene of France and Marilyn Rumble of Australia will be in school here this summer for eight weeks. Afterwards Denise will go to Paris for a visit with her mother and will return in September to enter graduate school at the University of Alabama where she was given a scholarship to study medicine. Marilyn, with her sister in law, Marilyn will visit relatives in Massachusetts before returning to Jacksonville to begin her senior year. She will again be the scholar of the year, being selected by the Rotary Club of Jacksonville. This summer France will spend the summer with relatives and friends in one of the finest of the French countryside.

Record Crowd At Graduation

Baccalaureate rites drew the largest crowd in the history of Jacksonville State College on Sunday evening when 160 candidates received degrees and 14 ROTC cedules were given. The ceremonies, unusually held on Friday evening, were changed to accommodate the preferences of parents, relatives and friends of the graduates. President Cole added to the large audience that filled the Paul Snow Memorial Auditorium.

Dr. Oscar A. Davis, pastor of the First Baptist Church of Gadsden, was the principal speaker for the occasion. His topic, "Life" was introduced with the reading of the First Psalm and Paul's famous challenge: "Forgetting what is behind ... I press forward to the high calling of Christ Jesus from the Book of Romans.

Dr. Davis, in offering the graduates the benefit of his observations concerning the ministry, made a primary choice—a ruling motive that would give them strength, to cultivate a wise forgetfulness; and a working motive—"Attempt one great co-ordinated objective... People who know where they are going are the ones most likely to arrive."

"Forget your mistakes; forget your limitations; work toward a great goal."

Richard Powell, winner, wished like a dying rose in the 89th running of the Belmont Stakes a few weeks back. But Richard (Dick) Powell was one "sure bet" that won't miss.

Richard Powell, known as Dick across the vastness of our picturesque campus, is "guaranteed" to win the big one. He has the year to be a success in any undertaking he wishes to apply himself. He is considerate, kind, friendly and highly likable.

A 1957 graduate of Gadsden High, Dick first came to Jacksonville in the fall of 1958 to pursue a degree in business administration with a minor in economics. He chose Jacksonville because, "Well, I knew it was a real good school, had a good business department and was one of the finest campuses anywhere in the 50 states."

Active in many extracurricular activities, he was honored by his classes during his freshman year for his work in sports and the ROTC organization. His involvement was noted among students and therotic). Dick has been a member of the intramural sports program of the school for two years and is a member of the IOTC Drill Team. His son, Mr. and Mrs. O. E. Powell of Gravette, Dick will graduate from the college in May and has already secured a position for himself with General Foods. Upon graduation, he will go to work selling shoes and silverware for that firm.

Mr. Powell was able to find a job in any "running," "sure bet" position and contract the editor of the COLLEGIAN, Troy Delaine, to inform the graduate of his selection. Staff members are needed for the summer and fall semesters.

COLLEGIAN SEEKING EXPERIENCED HELP

Any students who have had experience in school publications and are interested in participating here at Jacksonville State College are invited to contact the editor of the COLLEGIAN, Troy Delaine, at the faculty advisor, Mrs. R. K. Coffey, or any other member of the faculty. Staff members are needed for the summer and fall sessions.

Students Setting Down To Hard Work At JSC

Sigmu Tau Delta Elects Officers

Members of Sigma Tau Delta, national honorary English fraternity, held their annual banquet, initiation and installation of officers last month at the Faculty Club.

Installation ceremonies were conducted by the retiring officers: Betty Sue Morris, Jacksonville, president; Ferrell Trummond, Roanoke, vice-president; Mary Jim Ingram, Pell City, secretary; Virginia Nether, Warrior, treasurer; Wilks Evans, Wedley, historian.rmenrrof

New officers were: Jim Wilson, Jacksonville, president; William Chitwood, DeArmansville, vice-president; Helen Fox, Godden, secretary; Joyce McCrelles, Altona, treasurer; Doris Pickrell, Fort McClellan, historian.

Other new members were: Nancy Simmons, Walnut Grove; Glenda Simpson, Rainsville; Samuel Russell, Maple Haygood, Gaston; and Geraldine Wejoh, Alexander City.

Students who graduated from high school this spring joined the freshman class last week. They are the ones that wait until fall. Many teachers from the field are back to work on their degrees or for graduate study. Others who attend the regular session do not come during the summer session and take jobs to help finance their next year's attendance.

There are 17 valedictorians and salutatorians in the new freshman class, former students in high schools in northeast Alabama.

Since the summer session lasts only eight weeks and classes are held six days a week the freshmen have to put in a long day and a half on the campus.

Jax Student Named Coach

Don Hodges, Roanoke, has been named basketball coach of Albertville Junior High. He will graduate from Jacksonville State in July, with a major in physical education and will assume duties as coach in August.

Atlanta.

"Don Hodges is one of the most of his friends as 'The Basket', Hal is entering his fourth year as sports editor of the COLLEGIAN. His column, which is not to be mistooked for an ideological column, is known as UNSTI THE HA'S ATTACK.

Other curricular activities in which he might find Hal included that of serving as a master of ceremonies for school talent shows, a member of the "2-2" Club, athletic publicity director for the college and working in Chester Inn during the summer.

Hal is hoping to graduate in May, although he says that does not necessarily mean that he'll be May of 1963, '64 or '65.

Austin Most Valuable JSC Player

Jim "Doggie" Austin, a ballplayer's ball player, was named the "Most Valuable Player" on the 1961 Jacksonville State baseball Gamecocks. The presentation of a beautiful trophy was made by SGA President Wayne Hilliard to the club's baseball banquet Saturday night, May 30. The banquet, held at the Gamecock Driver-In arena, was a dual-affair. The night also honored retiring baseball coach Frank Lovrich who is taking a leave of absence from JSC effective Sept. 1 to work on his Ph. D. in Sociology at South Dakota State.

Austin, Cedartown, Ga., junior, wound up his first season with the JSC diamond varsity with a hefty .328 batting average. The hitting second sacker committed only one misme in field during a season which saw him bat over 150 chances.

Coach Lovrich was highly complimentary of his outstanding record compiled here in four years of baseball. "He batted just 321, and just 32, and was presented a lovely trophy clock from the SGA. Free of charge and made the presentation on behalf of the entire student body.

JSC Puts Four on ACC All-Star In College Baseball

Sam Whitehelt, Ford Power, and Bobbie Sides, nucleus of JSC's 1961 version of Murder Incorporated, were last week named to the All-Georgia College Infielders' team as their second time in as many years. Whitehelt graduated in May. Powell has another year of eligibility and Sides has two.

The team was named by the coaches of the league who also awarded the title of Coach of the Year to St. Bernard's Walter Richards.

Sides, Anniston workhorse, was named to 1960's All-Star squad as an outfielder but was tabbed as the most brilliant third sacker in the 8-team league for the past season. He hit .420 for the season.

Whitelhurst, catcher, hit .368 for the '61 Gamecocks and serves as co-captain. Powell, Alex City Junior, accumulated a .355 hitting mark for the season to rank as the second top hitter on the team for his second season in a row.

The selection of fire-balling James Kenneth Porter, Cordova freshman, gave the Gamecocks four men on the first team.

Porter was named one of the two top moundsmen who round out this team.

The first team included: Catcher-Whiteside, JSC; Second Baseman-Austin, Cedartown, Ga.; Shortstop-Joe Money, St. Bernard; Third Baseman-Jones, Sides, JSC; and, the outfielders were Powell, JSC; and, Paul Craft, St. Bernard, and Jack Cash of Florence.

Bobby Frost and Doyle Tren-

er, both of Florence, were named to the squad as utility men.

Usry Named Sport Athlete Of The Year

USRY NAMED

"Wallace Usry"

The highest honor that can be bestowed upon a college intramural sports star was awarded to Wallace Usry at the close of the Spring semester. He is named Intramural Sports Athlete of the Year.

A 1958 graduate of Gaston High. Wallace played for the "Warriors." The "Warriors" were declared champions of the Spring Softball League.

Throughout the year he was quite active in all sports sponsored by the intramural program, having played football, basketball, softball, football, ping pong, horseshoes, and volleyball. In the first three mentioned he is a team captain. In his four teams, selection was made by the managers of the teams that participated in the league sports during the year.

Once last spring, after having gone 4 for 4 in an Intramural Softball game, Ed Usry hit a home run.

For those who have never seen baseball, this means the hitter has hit the ball so far that it has gone all the way around the bases. Usry is the first to ever hit and run 4 times for the distance.

The program for the summer will be sanctioned by P.E. Classes 401 and 402.

AUSTIN HONORED AS MVP—Jim "Doggie" Austin, proud and proudly, accepts his beautiful trophy from SGA President Wayne William Hilliard, the former Phi Beta Kappa and Erwin, Ga., student, at the annual College baseball banquet this year.

Young's warriors, kings of In-}

tra-mural football, play during the Spring semester, were Fri-

tured to the trophy by Coach H. L. Stevenson. Coach Stevenson is in charge of the school intramural program.

The Warriors made a clean sweep of the competition by sliding through their f-game schedule with a 6-1 mark. However, there was a last ditch victory on the last day of the season to enable to wrap the trophy up and insure the league championship.

Our bat goes off to the Warri-

ors and Tom Young for the outstanding job they did throughout the season and for the good sportsmanship that they exhibited. And in the same debt, we would like to com-

mend the entire populace of base-

ball players for the sportsman-

ship they showed. You all are to be commended.

Class Officers Election Tuesday

During the first few days of last week, candidates for class of office positions for candidacy. The election will be held Tuesday.

Those qualifying are as follows. Senior: president, Chau-}

Rama, Jack Hawkins, Jimmy Amsden, and Paul Bain, SGA repre-

sentative.

Sponsorship: president, Dickie Justice and Eugene Grippi; Terry Baggett, SGA representative.

Freshman: president, Bill Herta, Church, Ken Monk, Jimmy Tinker, and Dr. J. Warren; SGA representative.

"It's a good thing we have a backstop here," remarked one outfielder during the post match. "but if we didn't it wouldn't cost too much trouble to get one in a hurry. All we'd have to do would be to run up the field and get a group of "Hondo's" pants. We could shield the entire field with a pair of them.
