Annual 'J' Day Festivities To Begin At 1 Wednesday

Look around big fellows and gals, choose your partners and prepare for a big day of excitement and splendor. Wednesday's the day . . . "J" Day on Jacksonville State's beautiful campus.

According to SOG President Wayne Hilliard, all classes will be dismissed at twelve noon Wednesday. All students may join in on the fun and converge on Paul Snow Memorial Stadium for the festivities. Full day of activity is prepared and the girls have late permission.

The third annual "J" Day festivities will take place on Paul Snow Memorial when the call of attention is sounded and the fun begins. There will be various contests, for the girls, and the boys, including the ever popular greased pig chase, tobacco chewing contests, pie eating, sack races, egg throwing contests and many more fun competitions with the students who have joined in the classic before. At 3:30 there will be a tryout performance of "The Producers" and the 1961 "Dazzlers" Pannell "Pinups" Girls Football Game on the turf of Paul Snow Memorial Stadium.

Charlie Myers and Don Pierce are coaches for the Pannell team while the Darlings' "Dazzlers" are coached by Pannell "Pinups" Girls Football Game on the turf of Paul Snow Memorial Stadium.

J. J. Benford of Albertville, a member of the State Board of Education, recently was named "charge" to the graduating seniors on Wednesday morning in Ayers Hall. He was introduced by President Cole, who said in his letter, a graduate of the University of Georgia, had background in the educational field before going into the newspaper business in Albertville.

Mr. Benford advised the seniors to take a look at themselves as they approach this important milestone in their lives.

"You are entering the most interesting time in the human scale," he declared. "The time when the greatest scientific marvels ever developed, are expected to be further developed. It is a time when the frontiers are new fields; a time that will make present-day marvels appear simple. You will find now frontiers that will require the best thought and energy."...

Directory Copies Are On Sale

The student directories, which were first offered for sale last semester, are still on sale. In the beginning prices totaling $5 were to be awarded when 1000 copies were sold at 90 each. Six hundred copies have already been sold.

Due to the lack of time, an invitation has been offered to the other college organizations to sell the remaining copies. FBLA will share the profit of those sold with the other organizations.

Now the opportunity to make your organization some money is being offered, and now is your chance to have a conversation list of your friends' addresses in order to keep in touch with them during the summer months.

"Wake Up To New Frontier," Benford Advises Graduates

Two of the greatest problems that will plague future generations is the disregard for law and order, unrest among the dark races, integration and the problem of communism are other threats to the world, he said.

The community is an important milestone in their lives. "You are entering the most interesting time in the human scale," he declared. "The time when the greatest scientific marvels ever developed, are expected to be further developed. It is a time when the frontiers are new fields; a time that will make present-day marvels appear simple. You will find now frontiers that will require the best thought and energy."

"The future will not be without its problems, however, Mr. Benford pointed out. He mentioned the conquering of human diseases and automation as the best thought and energy."

Senior Week Begins Today

By TROY DOBBINS

This week has officially declared senior week on the Jacksonville State campus by the senior class, as step back undercover...

Senior week is held once each semester in honor of those students who have achieved the title of "Senior." Beginning today and through out the week seniors wearing senior ribbons may cut chow line. Special tables will be provided for the chow hall and only seniors will be permitted to use them.

Tuesday the scene is at the Starr's in Anniston for the senior banquet and seniors are urged to purchase their tickets before Saturday, May 5. Thursday night is the traditional senior roast for seniors and their dates at Germany Spring.

The senior week committee is composed of Ernestine King, C冷静 Ringer, Bobby Lucas, Larry J. Watkins, and Billy John Baker.

Denise Auersousse Wins Scholarship

Denise Auersousse of Paris, France, an International House Student, has received a graduate scholarship to the University of Alabama for $1,000 per year and will transfer to the University this fall.

She will graduate with a 3.75 scholastic average and a major in English.

In France, while she was associated with the Texas Company in a responsible position, she had already graduated from

America Challenged

The current newspapers of America reflect a world in trouble, a world in change, one in the explosion of rising social and political forces and new line-ups of power. We see a world in which for some time America seems to have lost some of its confidence, some of its wisdom, a little of its purpose. The image of America unchallenged has been dulled and we are worried.

Foreign Policy

There may have been a time when America by a show of great strength could bend many critical world situations. But a situation now exists in Cuba under the guise of a revolution by the "people." To combat this sort of menace, a strong and enforced policy is necessary. President Theodore Roosevelt reacted with these words, 50 years ago, to troubles with Cuba:

"Just at the moment I am so angry with the inferior little Cuban republic that I would like to wipe its people off the face of the earth. All that we wanted from them was that they would behave themselves and be prosperous and happy so that we would not have to interfere. And now, lo and behold, they have started an utterly unjustifiable and pointless revolution and may get into such a snarl that we have no alternative save to intervene—which will at once convince the small nations of the world, the millions in South America that we do wish to interfere after all and perhaps have some land hunger."

T. wrote these words in a 1916 letter, eight years after the United States had set Cuba free in the Spanish-American War. A few months later, his patience spent, Roosevelt sent U. S. troops to restore order and they stayed there for 11 years, until these words were indicative of an America, with a purpose, we unchallenged.

America must regain the spirit of 'T.' leaving behind the economic, scientific and military advances of the totalitarian East, which Mr. Khrushchev has so well championed. Senator Barry Goldwater says, "We have a world of armed mobs in cotton gin uniforms in South America that we wish to interfere after all and perhaps have some land hunger."

The Editor

Dear Edith:

Everything is farther than it used to be. Two nations as far as the college, for instance, and I notice that a hill has been added. I've given up running to the classes--they meet sooner than the last time I checked. Seems to me they are making the staircases steeper than they did in the old days. Some students believe that a few steps are added each day, every night, late evening. And have you noticed the small print they are using? Too coarse a type for running and farther away when I told them, and I have to squint to make out the lessons. There is no sense in asking them to change a type that's been in print for 25 years. Here is a clue--a small voice that I can hardly hear that says--"Another Typographical Error"--or something like that.

Why even the barber doesn't mind a mirror behind me any more than I can see the back of my head. The material in my clothes is thicker, but I can't see it. I've been around the world and I'm not impressed. Even the students are changing. They are so much younger than they used to be when I was their age, and the other people, my own age and perhaps some land hunger."

Randy Quinn, class of 1961: "I think it would hurt the school more than it help. It would be more fun to be in college and if that's what you want--OK."

Beverly Shambly, class of 1961: "I don't think we should have them. I think 'it detracts from the student atmosphere of the school.'"

Tom Clark, class of 1961: "I hate it. I don't think the school is more than living in a dorm. Sororities and fraternities are a means of meeting people."

Counselor, class of 1962: "It was perfect when we were free."

The Inquiring Reporter

Social fraternities and sororities are often discussed around Jax State. Many students have joined these social fraternities and sororities come to our campus and with close friends. This is a good topic as I asked some students to respond for their views. Here are some of the answers received:

Randy Quinn, class of 1961: "I think it would hurt the school more than it help. It would be more fun to be in college and if that's what you want--OK."

Beverly Shambly, class of 1961: "I don't think we should have them. I think 'it detracts from the student atmosphere of the school.'"

Tom Clark, class of 1961: "I hate it. I don't think the school is more than living in a dorm. Sororities and fraternities are a means of meeting people."

Organizational Notes
Home Ec Club

The April meeting of the Leone Home Economics Club was held in the lounge of Greene Hall. The president, Jean Truitt, Alvibertville, called the meeting to order. Plans for the Mayflower didn't smell like one. Maywood. Mrs. Robert Brown of Jacksonville, Rt. 1, is the daughter of Mrs. Mary L. Lowrey, head of the home economics department, presented trophies to Jean Truitt of the Student Council for their outstanding records in home economics for 1961. The new club song was sung under the direction of Yvonne Graham. Piedmont, with Joann Brown, Heffin, accompanying.

The following note, torn from a calendar after spending four years of playing, playing, and just plain goofing around, many of us an- tonomizing realize that to learn to do something—anything—we will have to go to graduate school. Just think what a disgrace you will become if you have to tell employers that you can't type, take shorthand or work the bimimal, but you know philosophy like the back of your hand and you can recite Robespier's First Ad- dress To The French People perfectly—won't the other bricklayers be surprised.

Explosion Department. . . Perhaps the number one problem facing American colleges today is the population explosion. Only last week four people exploded at Ole Miss—one while carrying a bowl of soup.

Law Club
J. L. Klinefelter, Anniston attorney, was guest speaker for the Law Club at Jacksonville State College this week at the April meeting of the group. Mr. Klinefelter spoke on "Pub- Hé Aid to Private Education." He said that the public school system of this country is being challenged by the communists and he feels that giving federal aid to the schools would help to create future turmoil and strife. He expressed the opinion that the Supreme Court would not permit such a law to go into effect once it had been set, even if Congress should pass such a bill, which is unlikely.

He said that he realized the plight of the private schools but saw no hope for their being able to keep pace with public schools unless they revamped their sys- tems.

Wilson Is Named State BSU Prexy
James R. Wilson, Jr., a sopho- more at JSC, was elected president of the Student Union at the spring retreat held at Shoal Springs April 28-30. He is active in the BSU and other phases of church work and plans to enter the ministry.

Before entering the college he graduated from Jacksonville High School where he was valedictorian of his class. He is president of Sigma Tau Delta, national honorary English fra- ternity, and is active in the Writers Club.

A large group of Jacksonville students attended the retreat, the purpose of which is to get a better understanding of the responsibilities of a student union president, and also to bring the students together.

Dr. C. W. Hamilton, president, gave the welcome and_CD the committee chairman, the discussion period was opened. Dr. D. L. Moore and Mr. C. W. Hamilton, head of the English department, gave a talk on "My College Church."

Ronald Paul Thompson activities and has continued his interest throughout his college career. As a student at AHS he was a member of the Junior Civilization, "A" Club, and played football.

Here at Jacksonville, he is a counselor in Logan Hall, a mem- ber of the Accounting Club, Ushers Club, and Skull and Blade, national honorary organi- zation for advanced ROTC stu- dents.

Upon graduation in May, he will receive his commission as a second lieutenant and will spend the next couple of years in the army. After completing his military duty, his ambition is to work for an accounting firm.

The season of honor is spotlighting this week Mary Maude Clarke, a counselor at Daughton Hall in Maywood, who lives in Jacksonville, Rt. 1, is the daugh- ter of Mr. and Mrs. H. J. Clarke.

Graduating from Alexandria High School in 1918, Mary Maude lived an active school life, being the president of the Student Council, president of the Glee Club, and a member of the Future Teachers of America, the Beta Club, Future Homemakers of America and the annual staff. She was secretary of the junior class and was placed first in the Alexander High Beauty Walk.

Her college years have been just as active for in addition to being a counselor, social chair- man and vice president of BSU, she is a member of the Interna- tional House Program, the Keys, Kappa Delta Pi and is president of Pi Gamma Mu, a national honorary his- torical fraternity. Mary Maude is majoring in history and minoring in French.

Last year she was selected as Calhoun County's Dairy Prin- cess of 1960. During her leisure hours, Mary Maude enjoys playing the piano and reading good books. After graduation, Jackson- ville's loss will be Saks High's gain for her. Mary Maude will begin teaching history and French at Saks High.

We wish her all the happiness that she so richly deserves.

Gamecock Will Host Bisons Today

A battle royal looms at the Union Yarn Mill Field today (May 13) as Coach Bums Bower of Jacksonville State sends his Gamecocks into battle against the Bisons of Southern Union. The game has a 2:30 starting time.

This is the second meeting between the teams. Last season the Gamecocks handily trounced their counterparts earlier in the season. The same is expected this time as the Bisons are off and winging with an 8-4 record.

Action continues hot and furious Thursday (May 11) when St. Blaise Senior School will be rolling in to the Land of the Gamecocks. These visitors from Cullman will have dropped the Gamecocks as one of the locals four times.

Coach Lowrith, in his last year as head man of JSC's baseball number, takes his warriors on a little trip starting Saturday (May 13). This trip begins their destination is Livingston State.

Next Monday, Livingston returns then plays on campus here to play. Wednesday (May 14) the Indians and Gamecocks set for a 2:30 meeting.

Jacksonville mastered the Bowden Bears in a 8-4 thriller. Jim Lewis went the distance in gaining his second victory of the season against 1.0.

Sam Whiteside and Bobby Slade were the hitting stars of the contest. Whiteside with 3 hits in 5 trips up. Slade with a 4-run homer in the 3rd inning.

The season draws to a close on the 25th of May when Athens, la, Gamecocks, defeat to date, stops here for a 2:15 date. Jacksonville mastered the Bowden Bears in a 8-4 thriller. Jim Lewis went the distance in gaining his second victory of the season against 1.0.
