JSC Grows And Grows

Jacksonville will have approximately 4,000 students next year. This is an increase of almost 30 per cent and 2,458 of the present student body have filed applications for the 1965-66 school year. There are 1,477 applications for new freshmen in the admissions office, with more coming in every day. This is a rise of 147 per cent over 1964. This time last year there were only 595 freshmen applications! An estimated 250 transfer students are to be added to this number. With the 300 freshmen applications for summer school, there will be a freshman class of nearly 1,700 students next year!

This increase in students brings several questions to mind. Where are all these new students going to be housed and what if the growth of the school continues at this level? What about feeding facilities in the overcrowded cafeteria? What about new classrooms that will be needed. There is an answer to all these questions and it has been supplied by the Alabama state legislature.

Jacksonville has been granted $5,692,000 to aid in a greatly progressive expansion program. This program calls for a new cafeteria, a 50-classroom building, additions to the Ramona Wood Library and Ayers Science Hall, an addition to the heating plant, and complete renovation of Graves Hall, the oldest building on campus.

There will be a completely new student union building, which will be known as the student commons. It will take the place of Hammond Hall, site of the present student union building. Hammond Hall will become a classroom building when the commons is completed.

The new cafeteria is one of the college's greatest needs. The present cafeteria was built to accommodate 1,200 daily and is now serving 1,900 daily. The additional cafeteria will be erected in the vicinity of the men's dormitories and will relieve the crowded conditions at Cole Center.

In order to alleviate the shortage of classrooms and the forced length of the school day, a new classroom building is planned. With the proposed classrooms in Hammond Hall the situation should be remedied.

The cafeteria is expected to cost $400,000; the library addition, $400,000; Ayers Hall, $400,000; heating plant, $150,000; dormitories, $700,000 each; classroom building, $1 million; student commons (which will, for the convenience of the commuters have a large study hall), $1 million; Bibb Graves Hall, $350,000.

When all the buildings are completed, Dr. Cole stated that the college will be able to accommodate 6,000 students the projected enrollment within the next five years.

--Joe Stahlkuppe
Graduation, May 30

Graduation exercises will be held at Jacksonville State College on Sunday, May 30, at 3 p.m. Dr. Earl Ray Hart, rector of the Church of St. Michael and All Angels of Anniston, will deliver the baccalaureate address.

Degrees will be conferred upon 234 candidates by President Houston Cole and Dean Theron E. Montgomery.

Candidates listed for graduation are as follows:

D. S. IN ELEMENTARY EDUCATION

*Denotes 2.5 or above

Church; introductory remarks, Dr. Self; Mr. McCluer as a colleague, Dr. Leon Willman; Mr. McCluer as a teacher, Agnes Morris, Gadson; Mr. McCluer as a churchman, Mr. Howard.

Shower of Stars

On JSC Campus

The SGA held its Spring Big Event Wednesday night; May 12. Appearing at Leone Cole Auditorium were $5.50, now $4.75. Pat Colvin and Johnny Kilgore sang several songs. Joe Creel, Charles Gamble, and Gene Simmons.

PRESE CONFERENCE--Members of the COLLEGIAN staff who attended Sen. Dodd's after-speech conference are from left to right: Harold Hodges, Sen. Dodd, Joe Stahlkuppe, Donna Browning, and Jean Quillen, Anniston Star reporter.

Book Store Specials

1. New JSC stationery, $1.00 per box.
2. Sheaffer's Ball Point with two refills, Reg. $1.50, now $1.00.
3. JSC wind breakers were $5.50, now $4.75.
4. Belt Punchers--$1.60.
5. Stapler Machine--$1.29.

DAUGGETTE GIRLS take time out from work to play.

J Day Observed At Jax State

"J" Day was observed on May 5 and started with an awards program at 9:30 in Leonie Cole Auditorium. Robert Glosfoifer led the invocation and a trio composed of Cathie Woodham, Pat Colvin and Johnny Kilgore sang several songs.

Letter of Appreciation from President Houston Cole: "Dr. and Mrs. W. S. Raley, Mary Lou O'Barr, Glenda June Sherriel Linda Savage, Paula Nell Sharp, Barbara Faye Theron E. Montgomery.

Carolyn l'omlin Stewart, Sharon W aite, Thora Handley Dixon Randolph Allen, Jr., history, geography; Evelyn Vernall Bowen, biology, English; Sherry Elizabeth Brady, English, sociology; Linda Jane Bunn, math, biology, Linda Sue Camp, history, physical education; Myrtle Brown Camp, math history; Johnny Mac Castleberry, physical education, biology; Margaret Linda Cheatham, English, history, political science; Janice Merle Clark, secretarial science, English; Martha Hinton Cleveland, history, physical education; Robert Bruce Clofelter, biology, English; C. Joela Cornelissi Connell, English, physical education; Cecelia Venice Dodd, history, political science; Marcia Ruth Edmonds, physical education, biology; Jimmy Wayne Ellis, history, physical education; Rebecca Elaine Fleming, history, sociology, physical education; Diane Elaine Frances, math, biology, Vannie Lee Fuller, English, French, Charles Wayne Gamble, English, history; Peggy Jean Garren, English, history; Glenda Jo Goodson, English, history; David Forrest Greene, biology, physical education; Mary Elaine Hefner, math, French, English; See Graduation, Page 5.

Chapel Dedication Held

McCluer Chapel was dedicated Wednesday, May 12. Pictured above are the whole family to demonstrate to the world that not all young people are confused.

J Day was observed at center of attention at a time when achievement was vital for a con- structive life.

Gem of the hills--Getting in practice for next month, a time of June brides and bouquet catching is pretty Carolyn DeLoach. Carolyn is a freshman and a graduate of Anniston High, the oldest building on campus.

On JSC Campus

The SGA held its Spring Big Event Wednesday night; May 12. Appearing at Leone Cole Auditorium were Latesha Miles and Dr. Self, who directed the program, presided. The program was as follows:

P Omn prelude, Kay Walker, Birmingham, invocation, the Rev. Charles Howard, pastor of the First Methodist Church; introductory remarks, Dr. Self; Mr. McCluer as a colleague, Dr. Leon Willman; Mr. McCluer as a teacher, Agnes Morris, Gadson; Mr. McCluer as a churchman, Mr. Howard.

J Day was observed at center of attention at a time when achievement was vital for a constructive life.
Formal Farewells

How does one go about saying good-bye to the things that have meant so much to him? How have our predecessors handled this problem?

The question aroused our curiosity and so we went to the library and perused the old Collegian to see. Most ended with a simple good-bye.

In the same way, we believe one does not miss something until it is no longer there, and, therefore, we finally went to press having taken a very special meaning. The joy and tears connected with the paper are now gone, but the rewards of being its editor are ours forever.

Our editorship was made even more meaningful by the wonderful people who were always willing to do more than their share of work. And, of course, there were those who lent their "shoulder to cry on" when things seemed to be in an impossible state.

Just as all things come to an end so must this "editor," as serving you and editor come to a halt. Leaving Jax State is made a little easier by the fact that the work will be hard working people after us, and that they too will have the kind of enthusiasm guiding them which our faculty adviser, Mrs. Coffee, we will never forget. She was always there for us by the cheery girls at the Jacksonville News, Bonnie and Margaret, who have so cheerfully behind the scenes doing the things so vital to the publication of the Collegian.

We hope that this year's Col- legian has contributed somehow, no matter how small, to the growth of Jacksonville State.

We will long remember you, Jacksonville State, and you who have composed the student body. We hope that we will all continue to live in a way to reflect a good name for ourselves and the glory and growth of Jacksonville State College. --Donna Browning

197 Bills Introduced

On the first day of the 1965 regular session of the Ala- bama legislature, 197 bills were introduced in the House and Senate. Among these were two proposed amendments which could drastically alter the State's laws when Representative Ulie B. Sullivan and Senator B. G. Robison, both of Pickens County, introduced two proposed constitutional amendments which could drastically alter the State's laws when Representative Ulie B. Sullivan and Senator B. G. Robison, both of Pickens County, introduced.

The first of these amendments provided for the introduction of a constitutional amendment which would have long been the Governor out of office. It also pointed out the need for a good one-year amendment. It was included in the House and Senate for a year after their term expires. It was designed to prevent governors from using the legislature as a stepping stone to the U.S. Senate, since the legislature and not the people elected the Senators in those votes. Since this situation no longer exists, the amendment is unnecessary.

One of the first steps toward a winning team is a winning spirit. The students have been known to lack spirit. They have been known to lack school spirit. Having just returned from the inter- collegiate games on campus and letter with cups, cigarettes, and college, the students have been known to lack spirit. The Pledge of Allegiance to the Flag since I have been here. The publicity of things isn't too good, and we never know what is happening.

1965 "J Day" could have been better. The new student body was not as entertained as the old student body. The new student body was not as entertained as the old student body.

All of the students who participated in "J Day" were not to be included with the "chi- ldren" who spoiled it—"J Day." But this year "J Day" went far beyond these limits. The "children" here at Jax State took over the "J Day" activities. It is deplorable that a small loud mouthed minority can give an impression for which all of the students must suffer.

"J Day" is a student activity, one which the students handle, a sort of self-legislature. All the "children" here at Jax State have the same activities that may be on "J Day." If there is no difference between the old and the new student body, there is no difference between the "J Day" activities. It is for this reason that some students cannot control themselves when given privileges, that the students of Jacksonville State College have been known to lack spirit. All inhibitions and dropping all pre- sumption of orderliness and self- control?

Is there no difference between having a good time and making a drunk fool of oneself? Apparently some students think there is still a difference—perhaps that is why most of the students stayed away from "J Day" activities. It is deplorable that a small loud mouthed minority can give an impression for which all of the students must suffer.

Why Senator Dodd Is Mistaken

The United States has always supported anti-communist governments. Sometimes however, there are governments unacceptable to the people. The Batista regime in Cuba and the Diem regime in Vietnam are good examples of such cases. When the U.S. helps similar dictators, it is rather detrimental to the image of the country as a "champion of justice and free dom." Indeed, an aggression does not necessarily come from the outside, but can be perpetrated by insiders; a dictatorship also is an aggression on the rights of the people. And if a foreign nation helps a dictator to remain in power, this foreign country becomes an accomplice in the aggression. This is the case, for instance, of the Russian help to Gomulka. In 1954, to James Kadar in 1956, to U1-bricht. It is also the case of the American help to Batista, to Chang Kai-shek, Diem, Chank Kai-shek, Gaonu, and others. These police states may indeed be perceived to be better than communism, but in the long run, they are not. Sen. Dodd is sadly mistaken when he says the contrary. If the U.S. foreign policy has failed, it is because we were afraid of the people. It is high time for America to start playing human politics instead of power politics. It is high time to realize that the people have some rights, too.

Dutch Visitors at Jax State

Mr. and Mrs. Theodore Vogelaar of Amsterdam, Holland were guests of the International House at Jacksonville State College last week. They were visiting their daughter, Monique, who is an international student here.

Mr. Vogelaar is director general of the common-legal service of Euratom (Commission of the European Atomic Energy Community) of the Common Market.

He came to this country to make an address for the Bar Association of St. Louis during Law Week, and for a conference at Oak Ridge, Tenn., with officials of the Atomic Energy Commission.

Their daughter, Monique, who is attending school in the U.S., and will return to her home in August to enter the University of Amsterdam.

Notice

Old ID cards must be turned in and new registration cards in exchange for new cards.

Those students not attending the summer session should be careful not to lose their ID cards during the summer vacation and to bring their spring 1965 ID card with them for fall registration.

A charge of $1.00 is levied against each student not having his old ID card.

Lani Mainland

Lani Mainland was graduated from Jacksonville State College in 1961, and was awarded the College of Liberal Arts and the College of Education. She has been endowed with many special honors in mathematics. The young lady whom I am referring to is Lani Mainland. She has been chosen to occupy the senior spot and to be the valedictorian of her senior class.

Lani was a member of the Dramatics Club, and Science Club to mention a few. Being quite a busy person. Her many activities included being the president of the Biology Club, and Kappa Delta Epsilon. She was quite a busy person. Her many activities included being the president of the Biology Club, and Kappa Delta Epsilon.

Enter Jax State in the summer of 1961, Lani began at once to build up a good reputation and example of citizenship. In the time that she has been here she has been a member of the Mimosa staff, NIA, Phi Mu Chi Beta, Wesley Foundation, and Kappa Delta Epsilon. In many instances, Lani provided good leadership in the position of officer for many of these organizations.

One of the most important and perhaps most inspiring things that can happen to a student is to be selected for "Who's Who in American Colleges and Universities." This is another honor which has been bestowed upon Lani.

DUTCH VISITORS--Mr. and Mrs. Theodore Vogelaar and their daughter, Monique, of Holland, are shown at the International House. The Vogelaars were visiting their daughter who has been an international student this year.

JSC SPORTS
With Joe Serviss

Tennis Spotlight
by Lou Botta

This week the tennis spotlight falls on one veteran (Steve Ellard), and two newcomers (Terry Mathews and Johnny Castleberry) to JSC tennis.

Steve Ellard, or as he is commonly known on the tennis courts "Little Stevie Wonder", comes from Ragland, a junior majoring in physical education and Minor in history. Steve earned a tennis letter in 1963, and was elected captain of the team that year. This year is quite an honor in its own right, but Steve achieved that distinction in his freshman year.

This season Steve has compiled an overall record of 9-1, while playing at the No. 4 singles position, and along with Terry Mathews in No. 3 doubles has won eight while losing only two.

Terry Mathews, or as he is commonly known on the courts is meeting with a bit of difficulty, but is winning, nevertheless. As it stands now, the team has a record of six wins and nine losses. One reason for this weather and the loss of some key veterans has also hampered the effectiveness of the team. The Gamecocks thought they were getting a new field, but because of misunderstanding of zoning laws the field could not be used. This also affected the winning ability of the baseball team which has been playing at the old mill field across town. The crowds have been smaller than they would have been if they could have played within walking distance.

This was also a rebuilding year for the team that had done as well as could be expected during this rebuilding time and has won more games than most teams which have been faced with the same problems.

The team got off to a slow start by losing four out of the first five games. The Gamecocks beat West Georgia, which had won 16 straight games before the game, has won 16 straight games since that time. Most of the losses of the Gamecocks have been by narrow margins.

Things should shape up next year though, when most of the team will be back. One this year is Gerald Chandler, a 17-year-old freshman who has pitched good ball this season and is expected to do even better later on. Derald, a right hander, is the top pro-

Intramural Sports
With Mac Persons

By now most intramural sports have been finished. For anyone interested the more important softball scores were as follows: 5-0, 6-1, 7-1, 4-0 and 3-0. The most interesting team to watch in the softball league was the International House. These boys, especially Gene Griff-
Although the Reds had the passing game the Whites had good yardage on the ground. Halfback Robert Kelley picked up 93 yards on 11 carries, which was the most running on anyone's team. Also fullback Billy Thompson had a good night with 51 yards in 17 carries.

Don't let us overlook the boys who made all the running and passing possible. Every one on the team had a job, and they did it well, whether it was blocking, or running. There must be more than just a backfield on a team, the team will be back. One this year is Derald Childers, a 17-year-old freshman who has pitched good ball this year, and is expected to do even better later on. Derald, a right hander, is the top prospect on the team.

---Joe Serviss

JSC Netters
Capture
Championship

Two words can best describe the 1965 JSC tennis team. Those words are courage and determination. It was the courage and determination, or anything else you will like to call it, that made this team the best in the ACC. Another honor these netters can proudly claim is the ACC tournament championship.

Along with the team honor, Terry Mathews, one of the stars of the team, was awarded an ACC All-Tournament honors for themselves, for they were the winners in their respective position in the tournament. These honors belong to John Mann, who placed first in No. 1 singles, Steve Ellard and Herschell Turner, who placed first in No. 2 doubles, Steve Ellard and Herschell Turner, who placed first in No. 3 singles, respectively, and the doubles team of Steve Ellard and Terry Mathews who captured the championship at No. 3 doubles.

These individuals were the heroes of the tournament, but it was the playing of the entire team which enabled Coach Ronnie Harris to bring the trophy home to Jacksonville. Also heroes such as Tommy Hamm, Frank Waits and Johnny Castleberry, who have played an important role in the success of the team this year. It was Johnny's come-from-behind one against Alabama College, in the first match, which made possible the victory for the Gamecocks.

---Joe Serviss

1 Day

By Mac Parsons and Morris (Woody) Parker

The campus of Jacksonville was a scene of wild excitement May 5. For those who are trying to forget, it was May 5.

To be able to report the news best this reporter was on the field.

Of all the eggs thrown some test was more of a success other way.

One yelled free quality most were on top of the red. Only quick thinking by Joe Turner saved his brother, a worse fate than the pig.

The loss gives the Gamecocks an overall record of seven wins against two defeats.

Lois's Net News

The JSC netters brought the third championship to the school by capturing the ACC tennis title with a 9-0 victory over Athens College.

Tommy Ham, John Hamm, Frank Waits and Herschell Turner, in No. 3 and 5 singles, and the doubles team of Steve Ellard and Terry Mathews posted the two wins for the Gamecocks.

West Georgia Invitational Track Meet

Coach Ronnie Harris

Has Good First Season

By Lou Botta

The current success of this year's tennis team can be attributed to the fine coaching being done by Ronnie Harris, who has taken over the pattern was that the team they compiled an overall record of ten victories and just two defeats. This team also posted an impressive 9-0 victory over the University of Chattanooga, and three victories over the tennis team from Fort McClellan. Whereas the past few years have been dark for victories during a single season, this year only Troy State College and Jacksonville ran track thus making it impossible for one of the two to take the official championship.

Whereas the past few years have been dark for victories during a single season, this year only Troy State College and Jacksonville ran track thus making it impossible for one of the two to take the official championship.

---Joe Serviss

Gamecocks 0-3

The Huntington Hawks handed the JSC netters their second defeat of the season, winning by a score of 6-3. The Hawks used a well-balanced attack in capturing four of the six singles matches, and two of the three doubles matches.

Jax State victories came on winning by Frank Waits and Herschell Turner, in No. 3 and 5 singles, and the doubles team of Steve Ellard and Terry Mathews claimed the third point for Jax State.

In checking over the records of past tennis teams at JSC, I made a startling discovery, that this year's team is within one victory of establishing an all time high for victories during a single season.

Back in 1957 when Mrs. Calvert was coach of the team they compiled an overall record of 10 wins and just two losses. This team also posted an impressive 9-0 victory over the University of Chattanooga, and three victories over the tennis team from Fort McClellan. Whereas the past few years have been dark for victories during a single season, this year only Troy State College and Jacksonville ran track thus making it impossible for one of the two to take the official championship.

Whereas the past few years have been dark for victories during a single season, this year only Troy State College and Jacksonville ran track thus making it impossible for one of the two to take the official championship.

---Joe Serviss

Experiencing Good Season

The Jacksonville State Gamecock track team is experiencing one of the best seasons it has had in many a day. This year's team has won all its meets so far, which were run at Rome, GA., West Georgia Invitational Track Meet and Jacksonville State. Along with the four-way meets the team has won all meets in the regular season. The skippers have worked hard and deserve a lot of credit for their achievements.

Although Jacksonville State is in the ACC organization, there are no ACC conference meetings. The rules of this conference say there must be four teams participating in the sport event before a champion can be named. This year only Troy State College and Jacksonville ran track thus making it impossible for one of the two to take the official championship.

East Lynne Revisited

The Masque and Wig production of "East Lynne" should dispel the false notion that the play is a "sophisticated comedy." "East Lynne" is a melodrama and a sentimental comedy. The high gloss of the Broadway production camouflaged the familiar elements of sentimental theater. Carol Dunkin's warm-hearted portrayal of the lovable madcap, though lacking in astringency, is mitigated by the half-baked and pure in heart. Firmly emblazoned in London's most sordid institutions, East Lynne represents the world that tries to corrupt the role from fatuousness by projecting a manliness and balance. His lines are those of a boob, yet Turner rescued her "heart" that she possesses.

The audience might have the same quality of interest in that the possesses. Beauregard Jackson Pickett Burnside comes perilously near to being a "boob," yet Turner rescued her "heart" that she possesses.
