Dean's List Announced For Spring Semester

The dean's list for the spring semester was released recently by Dean Lawrence Miles, registrar and dean of admissions.

Included among those who made All A's were:

Charles Akers, Anniston; James Akin, East Gadsden; Jo Ann Carroll, Arab; Linda Carwright, Anniston; Nancy Cooper, Boaz; Allen O. Farr, Jr., Birmingham; Sharon A. Gartrie, Heflin; Connie Lee Haver, Duke; Thomas E. Isbell, Guntersville; Linda Jackson, Rome, Ga.; Helen A. Jones, Sylacauga; John Paul Jones, Gadsden; Allen R. Lee, Sylacauga; Barbara L. Isbell, Sylacauga; Helen A. Jones, Sylacauga; James E. Rodgers, Birmingham; Elizabeth A. McMahan, Hokes Bluff; James J. Morello, Birmingham; Peggy Jo Wade, Anniston; Catherine V. Woodham, Anniston; John M. Alvis, Jacksonville; James L. Brown, Douglas; Edward H. Carter, Section; Nalda R. Coffey, Albertville; Joseph C. Fairbender, Piedmont; Charlotte A. Haye, Osborn; Judy I. Hillhouse, Birmingham; Rosalyn C. Kitay, Jacksonville; Emma Sue Livingston, Albertville; Joe Ley, Oxford; Elizabeth A. Long, Guntersville; Linda J. McCary, Fairfield; Judy Holland, a 1968 graduate of Banks High School, is vice president of the SGA; and Mike Moncus was elected secretary. The Blue's and The Echoes will come to theJSU campus in the next few days to furnish top entertainment for the night, July 24.

Every class was represented with the only conspicuous absence being the newly-elected freshmen SGA representatives. Old business brought up concerned the $20 needed for the uniforms needed for the girls who will be cheerleaders this fall. A motion was made by John Alvis, acting president, to all officers and representatives of the SGA to give blood at this time.

Summertime means many things for many people. For Iris Dear, our current Gem of the Hills, it means eating watermelon. Iris hails from nearby Anniston.

SGA Lines Up Top Bands For Dances

The Blues and The Echoes will come to the JSU campus in the next few days to furnish top entertainment for the night, July 24.

The Blues will be here on July 2 and The Echoes on July 9. In addition, The Days of the Week will appear on July 15. All have current hit records and are expected to draw a big crowd to the SGA-sponsored affair.

T.A. Alvis, the self-appointed president of a so-called "Anti-Sex League," appeared at the regular meeting of the JSU Student Government Association meeting Monday night, June 14. Doss was accompanied by five bearded supporters who identified themselves as "innocent by-standers."

Alvis stated that he intended to keep an eye on the activities of Rat Week. School, is vice president of the SGA; and Mike Moncus was elected secretary. The Blue's and The Echoes will come to theJSU campus in the next few days to furnish top entertainment for the night, July 24.

Every class was represented with the only conspicuous absence being the newly-elected freshmen SGA representatives. Old business brought up concerned the $20 needed for the uniforms needed for the girls who will be cheerleaders this fall. A motion was made by John Alvis, acting president, to all officers and representatives of the SGA to give blood at this time.

Summertime means many things for many people. For Iris Dear, our current Gem of the Hills, it means eating watermelon. Iris hails from nearby Anniston.

Freshman Officers Elected For Summer

Freshmen class elections were held at 7 p.m. in the Roundhouse on Thursday, June 13. Mr. and Miss Rat were also elected to commemorate the activities of Rat Week. Only nine freshmen were present, and all were given some sort of office. These nine interested students comprised 3.8% of the total freshman class.

Mike Moncus was elected president of the class for the summer term. His parents are Mr. and Mrs. Lawrence Moncus of Lanett. Mike is a 1968 graduate of Lanett High School and a political science major with an economics minor.

Judy Holland, a 1968 graduate of Banks High School, is vice president. She is the daughter of Mr. and Mrs. W.A. Holland of Birmingham. Judy is a physical education major with a minor in history.

Secretary is Glynda Aringer of Birmingham. She is a 1968 graduate of Banks High School and her parents are Mr. and Mrs. Lawrence Moncus of Lanett. Mike is a 1968 graduate of Lanett High School and a political science major with an economics minor.

It must have taken some doing, but Mr. and Mrs. John Garrison of Hartsville arranged their classes for summer so that they would not have to hire a baby sitter. Their eleven month old son Parker is shown being turned over to pop while mom heads into Bibb Graves for a class.

Studens who are planning to return in the fall, and who have not already done so, are required to complete a permit to register in the office of admissions immediately.
**Blasts Doss**

In the Monday, June 17, edition of the Chanticleer, T. Alan Doss spoke out for a curfew on the JSU campus, a decision he says the students, especially the freshmen, are ready to support. A number of JSU students, including myself, believe this is the wrong course of action.

Mr. Doss, president of the JSU Student Government Association, argued that the curfew would be a great benefit to the students, because, he said, they would not be spending an ungodly amount of time on the campus. He also said that after the curfew was imposed, the campus would look more like a college community, and the students would feel more secure.

As a student, I was shocked at the idea of a curfew on the JSU campus, and I believe Mr. Doss’s reasoning behind this idea is not sound. First of all, Mr. Doss suggests that the curfew would go into effect immediately; there is no time limit for when the curfew will begin. The students have such a strong belief in the curfew, because the campus has a beautiful view of the city. It seems to be a much more logical traffic pattern could be helpful for the highway - Bibb Graves-highway circuit.

I would like to see the traffic department make the curfew hours in order to try and minimize the time students (or faculty members) are there. I think that we could all benefit from this idea.

**Letters to the Editor**

**One-way Traffic**

Dear Editor:

Being a commuter, and trying to get around as much as possible, I have noticed that there seems to be a much more logical traffic pattern could be helpful for the highway - Bibb Graves-highway circuit. I would like to see the traffic department make the curfew hours in order to try and minimize the time students (or faculty members) are there. I think that we could all benefit from this idea.

**BAS**

**More From Doss**

Dear Editor:

I am referring to Mr. Doss’s letter on an Anti-Sex League he is trying to establish in the future. Mr. Doss’s letter on an Anti-Sex League, voice of the students, follow “poli- cier” so well that it can make any more radical changes.

Reply

**Sincerely,**

Kramer D. Tucker

Is Anything Happening In The Provinces?
--Mickey Craton

When you really think about it, isn't it true that there is an entire lack of things to do. It has a lot to do with everyone unreasoningly falling into that rut of not taking advantage of what is not trying to start anything new.

It has a lot to do with attitudes, in other words. But then, there ought to be more to do here than there is.

We explored the problems of "What To Do?" in a series of articles last Fall (you remember) and about all they seemed to was to fill up three columns with cheerful assertions that someone ought to do something. The conclusion to that series can be summarized as follows: (1) the intramural program is presently operating (during the regular school year, anyway) as about as near to maximum efficiency as it can be; the next step there is to acquire more facilities to use (a universal problem) and a full time director; (2) some few things happen at school, such as dances, plays, and speakers, and some recreational facilities are available at the Grub and at Self Caterer and here things should pick up with the completion of the new student center this Fall or Winter. But of the first three, only will we give or more or less regular basis; and (3) Jacksonville itself offers few recreational opportunities passed playgrounds and a swimming pool of course, there is always movies in Aniston but curfews, distance, and money keep this from being a thing a person just suddenly decides to do.

To get to the question itself of what can be done to improve things then and, in the process, turn this into a column of option at the least--what events that do occur fall to frequency either on the weekends or on Wednesday night. This should be changed.

Much has been made of Jax State's being a "suitcase" college, and this is true, but it is not the only thing that has proved to have the drawing power to keep students from leaving school, and in all haste on Fridays have been sport events. Just about everywhere, too. For the present, I can't think of a thing to do about Jax State are only a few miles from home to really urge the urge to go home on the weekends where the students know that there's something to do. However, there should be SOMETHING offered in the way of entertainment for those newly hired.

Freshmen class officers for the summer are Mike Moncus, president; Judy Halland, vice-president; Glynda Arrington, secretary; Tim Thurmond, SGA senator; Kathy Hoslaug, treasurer; and Cynthia McEly, class reporter. Not shown is Don Boren, another SGA senator.

who for various reasons choose (or have) to stay. Take a popular vote and see what, in reason, they want and try that. The rest of the week, try having something on the other nights. Sure, classes are held on M-Th but most students don't have classes then. Let's spread the entertainment out more.

Movies have been flopped on weekends, and the SGA hasn't made any impressive moves to have another go at them, why not let some club (or clubs), or even private students have a try at if for their own profit? Why not capitalize at college? The groups could rent a hall and projector from the university and undertake the rental of the film themselves. With the possibility of losing money, as well as making it, you could bet there would be some strong efforts to bring in good films at a reasonable price and with some strong advertising before hand. (One of the problems in most events here is a lack of adequate publicity, anyway.) Recent films can be shown at costs the most \\

Professional Dance Instructor Is Hired

in New York. He has been soloist dancer with the Leconte Massie Ballet Company, the Metropolitan Opera Company in New York, the Malmo Stradsteater, Sweden, Oscar's Theatre, and Ingrid Bergman Theatre, Stockholm, Sweden.

He has taught at the following schools: Leonti Massie Ballet Co., Stockholm. Harkness House for Ballet Arts, New York, and the Martha Jackson Ballet School, Jacksonville, Fla.

July 4 Is A Holiday

Dean Theron E. Montgomery announced that there will be an assembly on July 3 at 9:00 a.m., in the Lecture Auditorium. This is in keeping with the tradition of Jacksonville for the pre-4th of July patriotic address and program. The speaker for the occasion will be the State Sen. Ollie Nabors of Gadsden.

Faculty and students are encouraged to attend this assembly.

School will adjourn at the end of the day on July 3, and July 4 will be a HOLIDAY.

Correction

FROM Portfolio: The vice-president of the SUSA was incorrectly listed as Johnny Coleman. Our apologies to vice-president, Bill Burman, Westworth.
Dean's List (Cont. From Page 1)

Grady E. McBride III of Gadsden looked like he had lost his best friend at the May exercises.

He wanted to be a second lieutenant in the U.S. Army. He had completed advanced ROTC instruction and received almost every honor the military science department can bestow, but he had a physical disability.

After taking his physical examination, he received the bad news that he was unacceptable for duty in the Army.

He wasn't very enthusiastic to sit by and watch 27 of his classmates become second lieutenants. There wasn't anything he could do, but he went home to Gadsden and started making arrangements to teach school next September.

He found one alternative. He appealed to the Surgeon General's Office in Washington, but the military science department said he would be acceptable only if he made a tremendous officer.

This week he got his break. He received his commission and has sworn in as a second lieutenant in the U.S. Army Reserve.

McBride says he has had a military career since he was in junior high school.

At Gadsden High School, where he graduated in 1964, he worked hard and made the good grades.

He received an appointment to West Point from Albert Reins, but failed the physical requirements for another ailment, a heart murmur.

Not by chance, he enrolled at Jax State. After two years, he applied for Advanced ROTC and was accepted without difficulty.

He thought he was in good shape, and then upon taking his physical before graduation found he could not continue.

He was brought about a loss of hearing.

That's about enough to make anyone give up...but not McBride. He appealed his verdict and won.

Why does he want to become an officer so badly? He said, "I'm not sure but I have wanted to be a soldier since I was in junior high school. I want to serve my country."

In the fall, McBride plans to finish his bachelor's degree at Alabama A&M University and then enter the Army. McBride says he will serve in the U.S. Army Reserves.

He reports to Fort, Lee, Va., on Aug. 15. He will be in the Quartermaster Corps.
Film Forum Slated
At The Coffeehouse

The Speakeasy, a coffee house, will present a discussion and film forum on social control Friday, June 29, at 8 o'clock entitled "Gun Control Laws." In the week following, a committee of students for gun control will circulate a petition to be sent to Sen. John Sparkman, Professor of Philosophy at the University of Alabama. The film described and analyzes the educational issues behind the wave of unrest which has recently struck the American University. Focusing on a number of major universities, the film examines conditions at the modern university, the changing demands and attitudes of the teaching profession, the strain placed on the university resulting from the commitment to make higher education available to everyone, and the criticism of the so-called "mass factory" nature of the university.

The Speakeasy is sponsored by the cooperative campus ministry of the Methodist, Presbyterian and Episcopal churches on campus. It is located in the Rock House, across the street from Self and behind Crow Hall.

Maid of Cotton Contest Here

The Calhoun County Maid of Cotton Banquet and Pageant was held in Leon Cole Auditorium on Saturday, June 22. Dr. Houston Cole and Jeannie Muse, State Maid of Cotton, opened the event.

The estimated 1,500 guests included double-digit numbers of Miss Alabama, Miss Mississippi, Miss Tennessee, Miss Kentucky, Miss Arkansas, Miss Louisiana, Miss West Virginia and Miss South Carolina. DJ Claudell McClure anchored the affair.

Martha Read, was crowned Miss Calhoun Count, crowned the 1968-69 Maid, Pamela Allen. Olma Macy Harwell, of Macy's Modeling Agency in Anniston, presided over the affair. The eight girls who entered the competition were Marsha Read, Wallingtn, Nancy Elaine Selby, Anniston; Martha Bryan, Jacksonville; Kathy Dean, Oxford; Shari Jeanette Gardner, Jacksonville; Sarah Pamela Allen, Piedmont; Martha Kay Cleveland, Mentone; and Georgia Wilson, Oxford.

Center Open

The Speakeasy is located in Self Cafeteria, will be open 6-10 p.m. Monday - Friday for JSU students. Pool tables are available, and also the SGA juke box with a dance floor. Mr. and Mrs. Afee will be supervising the activities there.

 Albums Here

Phi Mu Alpha has announced that the Southerners' albums have arrived. The album contains the music which has made JSU's band famous, included on the recordings are the Southerners' well-known songs as well as a special feature by the unperformed percussive section. Albums may be purchased from any member of the Phi Mu Alpha for $4.25 each.
Games To Be Played During Day

The dark days are over for JSU's football team. The Gamecocks will play four of their ten football games in the afternoon. The first game of the 1968 season will be played at Samford University at 2 p.m. Sept. 21. From the first game until the last three all are night games, playing Delta State there on Nov. 9 and then hosting Livingston and Florence on the afternoon of Nov. 6 and 23, respectively.

Coach Jim Blevins said the games were scheduled in the afternoon in order that the conflict with the Miami game on Nov. 1 would be relieved. The Alabama - Miami game is to be televised nationwide at night.

The remaining schedule for the Gamecocks will be as follows: Chattanooga -- here, Sept. 23; Tennessee -- here, Oct. 12; Troy -- here, Oct. 19; Newberry -- here, Nov. 9; Homecoming, Oct. 26; and Louisiana College -- here, Nov. 2.

From The Sidelines

By Lou Buta

Another big summer of sporting events, nationally that is, for the sports program at JSU is limited only to boys and girls softball and this year an intramural tennis tournament. About the only other news here at Jacksonville is the Good Will Keck's All-Star trip planned for the first week in July in which three JSU cagers and Head Coach Tom Roberson will participate.

On the national sports scene, the Southern League line-up which has been announced includes a few surprises among these the announcements of catcher, Jerry Groves of the New York Giants and Bo Hentzinger of the Cubs as starters. The National Leaguers' pitching will no doubt include Don Drysdale, Bob Gibson, and the rookie of the Mets, Jerry Koosman. In a few weeks professional baseball will begin their training, and the start of the football season officially begins with the coaches All-American game in Atlanta. This game along with the All-Star game in Chicago in August will ring in another football season.

Until next issue.

Rascals Defeat RAX

The second game of the intramural season proved to be an unlucky day for the RAX. Dale Marbut. The Rascals, behind the pitching of Lee Manners, played themselves into a first place tie with Creekmen. Striking out four men and allowing only two hits and three runs, final score, Rascals, 9 and the Vets, 3.

The last game of the first week saw the Rascals taking an easy victory over the Old Crows. Behind the pitching of "Moose" Penny, the Rascals and the Old Crows looked like a cage of canaries. Pounding out 18 hits, the Rascals scored 21 runs to take a 21 to 8 victory.

Dale Marbut's fantastic RAX were at their best when they played the Ridgerunners. The most surprising event of the day and probably what

Cheerleader Clinic Slated

The Alabama High School Athletic Association will sponsor a week-long cheerleading clinic at JSU July 14-19. All cheerleading squads, representing the high schools in the state of Alabama, are eligible to attend. Registration will be held from 1 to 5 p.m., Sunday, July 14.

All squads will enter competition, from which the top four teams at the clinic will be named and awarded trophies, seats on each side. The Gamecocks will really have something to crow about next year when they go out to defend their Alabama Collegiate Conference Title.

The remodeling process is only a retooling point for the Gamecocks. They will have to be ready for the new look in 1968-69.

A 1968 graduate of
High School, she is a
general business major with
a minor in economics.

Mrs. Robert
Donaldson of Fairfield. He is the
son of Mr. and Mrs.
and is yet undecided about
his major and minor fields of
study.
Portfolio:

The Bloodmobile

The JSU campus was host to the Red Cross Bloodmobile on July 26. A first time event for any summer term, a quota of 500 donors were expected. A little over 100 donors visited the center from 9-3 in Cole Auditorium, leaving a deficit of almost 400 pints. Although we didn't have much of a turn-out, it sure made good material for our portfolio.

(Photos by Joe--how's that for Service?)
