Pretty blonde Judy Justice of Birmingham wanted to get away from books, exams and school for a while this week so she found a secluded spot with a lake, multicolored autumn leaves and peace and quiet. She enjoyed the day...and recommends that you try it before all the splendor of fall disappears. Judy, a sophomore at Jax State, is our current "Gem of the Hills."

Dr. Williams Is Named Head Of Nursing Dept.

Dr. Mary Margaret Williams, currently director of the graduate programs in nursing at Emory University, has been appointed director of the Lurleen B. Wallace School of Nursing at Jacksonville State University, Dean Theron Montgomery said in making the announcement, "We are most gratified to be able to bring to Alabama one that represents the best of her profession."

The nursing school program here was started by a special appropriation of the Alabama Legislature in 1967. Dean Montgomery has searched for a doctorate degree holder to head up the new academic program since that time. Dr. Williams received her Ph.D. from Stanford University in 1963 on a special National League of Nursing Doctoral Fellowship.

A native of Marysville, Ohio, Dr. Williams has vast nursing experience. She held various teaching positions at the Protestant Hospital in Nashville, Tenn, and was connected with the School of Nursing at Mount Sinai Hospital in Cleveland, Ohio, before joining the faculty at Emory University.

Listed in "Who's Who of American Women," Dr. Williams is also a member of Sigma Theta Tau and Pi Lambda Theta.

She wrote her doctorate dissertation on "The College and University Education of the Registered Nurses" - Whence and Whither?" She received her bachelors degree in science in nursing degree from Western Reserve University and her master's degree from the same institution.

Jax State Finally Tops Bama

Seldom does Jacksonville State University get the opportunity to play the University of Alabama, and rare indeed is a JSU victory over the Tide.

Forgoing the odds, the Jax State International House soccer team defeated the University of Alabama's team 4 to 3 in a game played at Tuscaloosa. The two teams met again November 17 at the Anniston Academy soccer field in Anniston. The Jax State IH soccer team does not have a coach or sponsor, they just banded together and decided to have a soccer team. Soccer is the favorite sport in many of the lands from which the International House students are from. Said Hisien of Jordan is captain of the team.

SGA Praises Stand Taken By Ala. Pres.

Meeting in regular session Monday night, Nov. 11, the Jax State Student Government Association passed a resolution supporting University of Alabama President Dr. Frank A. Brown.

Dr. Rose recently denied a student organization the right to invite several radical speakers to the campus. As a result of this, Dr. Rose's decision has been the topic of much controversy.

The resolution, which was passed unanimously, reads as follows:

"We, the Student Government of Jacksonville State University, acting in accordance with the dictates of our conscience, and in the interest of common decency, do hereby voice our support of the President of the University of Alabama, Dr. Frank Rose, in that he acting within the authority vested in him as the responsible head of a university system declined to place at the disposal of certain apostles of social disorder the facilities of the University of Alabama."

"That he did not abdicate in his responsibility to provide for the general welfare of the student body, nor fail to take precautionary measures to prevent the possible occurrence of an unhealthy situation which reflects favorably upon his ability and character.

"We applaud his courage and forethought. It is in our considered opinion that similar action of this sort might tend to discourage the kind of outrage already perpetrated in the name of academic freedom."

"We are not opposed to a free exchange of ideas within the framework of deceit and intellectual dishonesty."

"We, therefore, feel Dr. Rose acted completely within the pervue of his authority by refusing to sanction, within the confines of the campus for which he is accountable, the possible generation of an unhealthy atmosphere.

"If indeed the stability of a society rests upon the strength of its institutions, institutions of learning among them, it is logical to assume that the whole is as strong or weak as its constituent parts."

"We thusly appeal to reason, realizing fully that the curse of reason is that it often extends beyond one's ability to apply it; wisdom, the realization of it, is available to those who are intellectually honest enough to seek it."

"This statement is given freely of our own volition, in the common consensus of opinion only, and does not reflect the beliefs or opinions of any, other than the constituency of this student government."

SCOAG Delegates Selected

By John Conder

The review board of SCOAG convened on November 7th to select the nominees for the fifth annual Student Conference on American Government. Questions asked the prospective delegates pertaining to the national and international scene with emphasis placed on issues of current interest. Eighteen delegates were selected to participate in the upcoming conference and they are as follows: Claudette Smith, Carol Jean Smith, Irla Deare, Jean Boykin, Don Philips, Jimmy Sparks, Barry Uphueson, Mike Pritchett, Sara Nell Creed, David Goldman, Cecil Cole, Mickey Campbell, Jack Holcomb, Bill Hankamp, Lynn Cochran, Merlis Boozer, Gloria McDonald and Doug Bovis. This select group of college delegates will be assigned to work on different committees that will help to ensure the interest and success of the conference which will be held in February of the coming year.
Editorials

In Support Of Dr. Rose

Today's lead story in the Chanticleer tells of the Jacksonville State University Student Government Association adopting a resolution backing Dr. Frank Rose, president of the University of Alabama, in the current dispute over who can and who cannot speak on the U of A campus.

We would like to fill you in on more of the facts, and why we support the stand taken by Dr. Rose.

A suit was filed Monday, Oct. 28, against Dr. Rose and the University of Alabama by the American Civil Liberties Union to seek court relief against Dr. Rose's refusal to allow four speakers on a U of A campus.

The action was filed for "preliminary and permanent injunctions to restrain the defendants from obstructing, hindering, and otherwise prohibiting the plaintiffs from exercising their First and Fourteenth Amendment rights, protected by the U. S., Constitution, to invite guest speakers to appear on the campus of the University of Alabama.

Those invited to speak were Eldredge Cleaver, Black Panther leader; Herbert Aptheker, U. S. Communist Party member and authority on black history; Tom Hayden, and Faye Thompson, two of the founders of Students for a Democratic Society; and Jerry Rubin, a participant in the Chicago Democratic Convention demonstrations.

The reason Dr. Rose gave for denying the speakers access across to the campus was as follows: "The recognition by an educational institution of a constitutional right is not voluntary. It is an act to be done by the institution in order to have its own influence on the quality or shape of its educational product."

We believe his reasoning here is sound, practical and just.

Dear Editor:

The Chanticleer's hat is off to you, Mr. Brock, for an outstanding job as chairman.

---LJS

Entertainment Plus

With all the talk about what's wrong with JSU -- its time we looked at what's so right around here.

This semester the SGA has really done a fine job of offering entertainment to the body students. I can't think of another college in the state that can compare with the quantity and quality of our entertainment, much less the price -- free.

The SGA has provided entertainment for both the five-day and the seven-day students from movies and hooters to dances and concerts.

Ticket Mix Up

Dear Editor:

I feel compelled to comment on the system of ticketing to JSU sponsored entertainment. The spectacle of hundreds of students begging themselves in the manner of a herd of buffalo, with every bit as much33 shorting, kicking, pushing, shoving and trampling -- all in quest of tickets to see Little Anthony or the Vogues or what have you -- is more than disgusting.

The action of the student on such occasions is almost completely insane and devoid of any respectability. It's too bad all the blame cannot rest with those in quest of tickets. There is something badly wrong in the present distribution system. The old democratic adage of 'first come, first served', may tinge the ears, but certainly does nothing to help those who want entertainment tickets in a school of 5,000 people.

We recommend a more better way. If the SGA or the administration cannot offer a better plan, we suggest this one: Request forms would be distributed from various places on campus. The forms would be spaces for two names and the student number of each person named. These would be filled out and placed in conveniently located collection boxes. Student numbers would then be checked against a list of student numbers. In some instances the names of the ticket holders are checked off in the cafe -- ticket holders are not to be marked off the seating chart (still roughly on a "first come, first serve" basis, but not as often) and clipped together with a note card on which the two student numbers are printed. Students could then call for the tickets at their convenience.

Simple? Fairly Easier on the body and spirit of those who wish to become a part of "the herd" to get tickets, YES.

Arguments against this will run that this is too expensive or too much trouble or too much something.

But, I ask, is it? I am most sure fellow students, that there are much better ways to go about this than standing in line for hours to get tickets on a "first come -- first serve -- dog eat dog" basis.

Whether or not my plan is accepted is not the issue. The issue is that something can be done. I only await the doing.

Sincerely,

Larry B. Stewart

Suggestion

Dear Mr. Stewart:

I contacted an officer of the SGA and he said they realized this system of issuing tickets might cause some confusion, but that they would not know until they tried it. Since it did cause confusion and since I am sure another way of dispersing tickets will be tried some time.

---LJS

Where To Park

Dear Editor:

In the process of trying to find a parking place before every home football game, I have come to my attention that in the parking lot between Macon Hall and Dixon Hall, there is, on the average, 15 resident cars parked in commuter zones.

These zones are clearly marked in red. I have on numerous occasions mentioned the situation to the campus police. I have received no response. I ran into them from, "I'll check on it," to "The residents have to park somewhere," and as yet not a single resident has ceased parking in this zone. If anything, the situation has worsened due to the lack of tickets being given. Yet, there is quick access to a car which is parked in a faculty zone.

What can be done? I would like to take this opportunity to thank the Chanticleer staff for the best effort put into helping the parking problem for commuting students.

Joe Hamilton

Those invited to speak were Eldredge Cleaver, Black Panther leader; Herbert Aptheker, U. S. Communist Party member and authority on black history; Tom Hayden, and Delta Chi for their fine collection boxes.

Weekly dances have featured bands ranging from The Beatles to the Ventures. The do try their best to see Little Anthony or the Vogues or what have you.

Weekly dances have featured bands ranging from The Beatles to the Ventures. The do try their best to see Little Anthony or the Vogues or what have you.

The resolution was tabled at a regular meeting of the SGA. The resolution was tabled at a regular meeting of the SGA.

The old democratic adage of 'first come, first served' awaits the doing.

The resolution was tabled at a regular meeting of the SGA. We believe the area in front of Bibb Graves and the area around the parking lot is particularly to be reserved for upperclassmen.

I have come to our attention that it becomes increasingly difficult for commuters to find parking places with the administration.

I have noticed that the "happenings" which occur on the campus.

I have noticed that the "happenings" which occur on the campus.

The administration has not even allowed freshmen to have cars on campus. This problem would be greatly reduced for upperclassmen.

"Members of the Chanticleer staff were present at the resolution presentation this week. We have similar views regarding this proposal, and we have not heard of anyone objection from the freshmen class. As it now stands, JSU rules do not give upperclassmen any right to privileges, and we feel this is a poor reward for the students who have been here for several years.

"We were told that the parking problem was met when Martin Hall was constructed, and it still exists. If it has not been told yet, it will be eliminated when the new Business Administration Building is completed, but that remains to be seen. The problem is in the same one we had the SGA to consider the proposal.

"In closing, we note that the parking possibilities do not even allow freshmen to have cars on campus. With this in mind, we appeal to the SGA to do all in its power to see that the above proposal is put into effect with the beginning of next semester."

Praises JSU

Dear Editor:

Being a former student at JSU, I am impressed with the "happenings" which occur on the campus. Thoroughly impressed, I must manage to occasionally receive copies of the Chanticleer.

I have noticed that the gripes and problems of the students and faculty have not existed at any given time for three years ago. I am glad to see that the SGA is really doing a fine job of dealing with the problems.

Letters To the Editor

Dear Editor:

When the big names entered, did not get the opportunity to see the show. That no one stopped to think what would happen the students who paid the dent body would not get to even at a program where two performances are given, first served basis. It is true that when for more performances entertainment comes to the campus, it is perhaps the most fair, small auditorium, the first line. It is true that when for this type of entertainment here at JSU, not what we want to have. Believe the armed forces does not always give one a chance to experience the leadership of capable men which is my case here in Guantanamo Bay, Cuba. In this respect, I praise JSU and everything it stands for. I never realized how proud I was of JSU until I found myself looking at it from the outside, I deeply look forward to the day that I can once again stand in the halls of Bibb Graves Hall as a student and walk among my fellow students with the pride of a true SOUTHERNER.

---

Dear George:

Last spring when the amendment for the activity fee was voted on, it seems that the idea was not to have to think what would happen when the big names entertainment finally arrived on campus. As can plainly be seen from the Little Anthony appearance, about 75% of the students who paid the fee did not get the opportunity to see the show. Even at a program where two performances are given, first served basis. It is true that when for this type of entertainment here at JSU, not what we want to have. Believe the armed forces does not always give one a chance to experience the leadership of capable men which is my case here in Guantanamo Bay, Cuba. In this respect, I praise JSU and everything it stands for. I never realized how proud I was of JSU until I found myself looking at it from the outside, I deeply look forward to the day that I can once again stand in the halls of Bibb Graves Hall as a student and walk among my fellow students with the pride of a true SOUTHERNER.

Sr. Class: Attention!

Senior Class Secretary, Gloria Connell, announces that orders for Senior Class invitations will be taken this week. Scheduled places for the sales are The Grab, Cafeteria, and Self Cafeteria. Watch for signs around campus for the exact times and days. If you plan to graduate in January, be sure to order your invitations.

KDE Wins National Honors

The national convention of Kappa Delta Epsilon was held in Cincinnati, Ohio on November 8-10. Representing the Chi Chapter of JSU were, Dr. Charlotte Thornburg, chapter advisor; Martha Luser, chapter president; and Glenda-cle Williamson. At a Saturday evening banquet, highlighting the convention, the JSU Chi Chapter was named winner of the scrapbook competition. The chapter also received honorary mention for its outstanding achievement in national and local activities.

The KDE Christmas Dinner has been changed to December 7 at 7 p.m. Members should make reservations with Martha Luser, 222 Rawson, by December 6 if they are planning to attend.

Miss Alabama Meets JSU

Lovely and talented Miss Dellynne Catching, the reigning Miss Alabama, was special guest of the International House. Wednesday night, Nov. 6, during the organization’s monthly forum program, Miss Catching is a talented pianist and played selections from Brahms and Debussy, the same selections which she played during the Miss America Contest in Atlantic City, N. J. Miss Catching placed in the top ten finalists in the Miss America Contest.

Dellynne Catching, seated, the reigning Miss Alabama, was special guest of the International House at Jacksonville State University Wednesday night. A talented pianist, she performed several numbers which she presented during the Miss America Contest in Atlantic City, N. J. Shown from left are; Susanne Jorgensen, Denmark; Patricio Riquetti, Uruguay; de Villamandry, France and Ronnie Smithener, Maplesville, president of the Student Government Association.
Football Coaching

Although I do not know of any qualified football coach to possess, I have tried to figure out why all the turmoil concerning the coaching of the football team. I have not had the experience of training the team, but many people claim to know all the "answers." The "flag flyers" are the first ones on the band wagon when the team is winning, and the first ones off when the going gets rough. These people are oftentimes absent from the losing season without considering the "rebuilding" program that is underway. They are too busy "cutting down" people instead of looking at the overall objective of a football program. They are not concerned with an effective team that will benefit the university in the long run - just get it how they want it now. It seems to be the mood all of us possess in regard to how well the team is doing on campus. Dr. Cole did not build Jacksonville State College into a university with the quality of education that is offered now in four years. It took him approximately 20 years to build JSU into the fine institution that you may possess in regard to the. events taking place during the Past week, our own Talking Bird. Besides, there has been no one in class, and has not been turned in to the Chanticleer of Jacksonville State University in necessary prerequisite. This is the end of the world. The writer Of the ground. Apparently that doesn’t bother the cheerleaders - how’s that, Coach Blevins? In the upcoming articles, The Bird will present another glorious article with JSU’s own Talking Bird, The Bird.

SS Benefits Jax Students

Between 300 and 400 students are attending Jacksonville State University with funds received through the federal Social Security cash benefits program. To be eligible for the program, any full-time student is paid on the social security account of a parent who is either retired, disabled or deceased, according to the Social Security Administration. Normally, benefits to the children of retired, disabled of deceased workers discontinue at age 18 except in the case of a full-time college student. The amount paid to each student depends on the average earnings of the parent under social security and the number of family members receiving benefits. Officials of the social security office in Anniston say over $479 million will be paid to about 466,000 students during this school year on the national scene.

Life At Amarna

Tragedy’s amber eyes gazed vacantly at the emerald dream entwined about the neck of June and in egyps, akhnaton and meferiti loved in the warmth of Aton, so long ago...

A caravans journeyed east with the orange-sun, the camel laden heavy with oriental silk, rare spices, exotic perfumes, and other things. They did not notice that the Mother Goddess of Happiness had died with the sands of memory...

A stranger dressed in mystic heads stops by a church along the way to Torquay, with his head bare during the rain, he makes a confession to the Pedagogue, there, whose face is of an ash gray...
Jacksonville State won their third game of the season against Louisiana College in Pineville, La., Saturday, Nov. 2. The Gamecocks outscored their opponents in all four periods to down Louisiana College 45-21.

Bubba Long started the JSU scoring with a three yard run in the first stanza. The Gamecock TD was set up after a blocked LC punt. Kemp was true with the PAT and JSU led 7-0.

The Gamecock advantage widened after Long, who had just 45 seconds later John Tusa passed 23 yards to Jim Siegfried for a Louisiana tally. Harrington's kick was good and the game was all tied up. JSU came right back in the second quarter, however, and rallied for three scores. Doc Lett hit John Niblett for one score, and with just 38 seconds remaining before intermission quarterback Henderson and the Gamecocks worked the ball for a touchdown. Henderson passed to Don Caseady, who in turn passed to Harrington and Mr. Higgins carried the mail the remaining 12 yards. The kickoff was perfect, and at half-time the score stood: Jacksonville 28, Louisiana College 7.

In the third quarter Dr. Houston Cole, left front, and Coach Tom Robertson pose with the Gamecocks on the championship cake cutting this past winter after the Jacksonville State Cagers wrapped up the ACC championship. Last year marked the third consecutive year Gamecocks have won the hard - wood title. This season Coach Robertson and his troops will be shooting for an unprecedented fourth straight championship. Barring injuries, they should have an excellent chance of pulling off the feat.

Dr. Robertson's prophecy came to pass.

Statesmen Contain
Jacksonville: 27-7

Delta State's big and powerful Statesmen finally put all aspects of the game together after five frustrating weekends in Cleveland. Last winter, 1966, saw the type of corp. Kemp's boot was perfect, and at half-time the score stood: Jacksonville 28, Louisiana College 7.

In the third quarter Dr. Kemp put his toe into the Pigskin and lit the scoreboard lights for another 3 points for the Jaxmen. The kick was 38 yards and made it 31-7.

Louisiana came back with a third quarter score which saw Hillard hit Tusa for 29 yards and uped the Jaxmen's score an other notch. This completed Jacksonville's scoring for the night.

The Louisiana College gridmen did get the last say - as Paul Fajardo carried the mail from the one yard line. A pass play following the score was good for a two point conversion. Final score: Jacksonville 45, Louisiana College 21.

Statesmen, might indicate they drove for their touchdowns, this was not the case at all. The long bomb got one of the Delta's touchdowns, and two more long aerials set up the other two.

Delta struck quickly in the first quarter after JSU blew a scoring opportunity deep in the Statesmen's territory in the form of a fumble recovery. Quarterback Allan Jones faked flanker Grady Coleman with a 37 yard attempt to give Delta a 6-0 lead.

The PAT was good by Ernie Wells to up the score to 7-0.

Delta came back to tie the score on a 11 - yard pass from quarterback Doc Lett to Jimmy Jackson moments later, climaxing a 79 yard drive. Danny Kemp put the PAT to make the Score: 7-all with 13:30 left in the first half.

Delta, however, was not to be denied and came charging back for two quick scores, and JSU never recovered.

Fullback Billy Bell dove two yards, and Jones plunged one yard for another, to give the Statesmen a 21-7 margin at halftime as Wells booted two straight PATs.

The second half was a complete reversal of the first as neither team could push across a TD. The only scoring came on 27 and 37 yard field goals by Wells in the final stanza making it 27-7.

 Probably the biggest factor on this cold, wintry type day, was the fired-up defensive play of Delta State, which was their type day, was the fired-up defensive play of Delta State, which was their

The four backs are Guards Cary Angel (6-4) and Bill Brantley (6-5), Center Ken Rathbun (6-9) and Forward Buddy Cornelius (6-6). The fifth player back is Jerry James (6-7).

Angel is a senior from Jacksonville while Brantley and Cornelius are both seniors from Birmingham, Rathbun is a junior from Alberville while on four attempts, but this was enough to lead JSU in rushing, as all the other

Cagers Open Season; Defend ACC Crown

James is a sophomore from Rome, Ga. Jaxmen expected to help quite a bit are Guards Bobby Terrell, Tony Heard, Danny Bryan, Wayne Wigley, and Mike Johnson, Center David Mull and Forwards Jack Robinson, Harrell Reynolds, a fine guard prospect from Kinston, will probably be red -shirred, Reynolds, 6 -foot-3, was a member of the state champ- ion Kinston squad last year and is a fresh man at JSU.

Last season Jacksonville won 15, lost 3, but finished 9-0-0 in ACC competition to rake the league championship. Angel was the ACC team's top scorer with 441 points and pulled 410 rebounds. Reynolds, 6-11, was second with 391 points and pulled 390 rebounds. Angel won the scoring title, Brantley tallied 410 points and pulled down 191 rebounds.

Brantley, Angel and Cornelius were all members of the All - ACC team last winter and have an excellent chance at repetition.

To Coach Tom Robertson, the season will be a memorable one because somewhere along the line he is expected to win his 200th game at JSU. Robertson has a 199-137 mark for his efforts since taking over in 1953.
Rich Little, actor, comedian, impersonator, will appear at LCA on Thursday, February 20. The SGA sponsored event is free with ID.

After a season as the kooky next-door neighbor on "Love On A Rooftop", Rich Little has also made guest appearances on other TV series such as "That Girl" and the "Flying Nun".

Little has also appeared on a variety of TV shows such as The Tonight Show, Dean Martin Show, Joey Bishop Show, Hollywood Palace, Ed Sullivan, Mike Douglas, Jacke Glyn, John Wayne, Ed Sulivan, Mike Douglas, Jack Gleason, Jerry Lewis, and Candid Camera.

The SGA promises a great show, and with good reason... Rich Little is even the voice of the Pink Panther. "Look like Jsu will soon know that every Little performance will be Rich with talent.

Sinclair Works On Display

At an exhibition of ceramics by Ruth Sinclair, a member of the JSU art faculty is currently on display in the Mason Hall gallery. The show, "Here's Mud in Your Eye," formally opened Monday evening, November 11 and will close on Dec. 18. Hours of the show are from 8 a.m. to 4:30 p.m. Monday through Friday.

Miss Sinclair's works have been shown widely, including exhibits at Auburn, the University of Alabama, Shorter College, Troy State, Little - House - on -Linden and the Birmingham Museum of Art.
Cougars Take Delta Chi
24-0 In IM Action

Paced by the running of Bobby Gardner, and the passing of Johnny Glass, and offensive and defensive lines which played like real Cats. The Cougars handed the Delta Chi their third defeat of the season. The win also gives the Cougars a tie for first place in the IM standings along with the GBU's and the Delta Chi. This season makes the possibility of an All Star game this year just about out of the picture.

The Cougars, who had been training in secret for the game with the Delta Chi, completely dominated the first quarter giving the Chi just one running play and that resulted in a safety. The Cougars used ten plays to score their first touchdown following the free kick after the safety. The touchdown came on a pass from Glass to flanker Charles Vacarrela. Ronnie Morton added the extra point and the Cougars led 17-0 at half.

The opening half kickoff saw David Kinsaul of the Delta Chi almost break for the score, but he was pushed out of bounds after a return of around 50 yards.

The Chi began this drive with a good field position, but that was quickly remedied as defensive end Terry Haltwager, stopped Delta Chi quarterback Dennis Deaves two on two occasions when he was about to pass, but third down Reeves conned his first pass of the day to Jim Farrell just missing a first down by inches, Farrell's punt was blocked by the hard charging Cougar line, and the big Cats were in business again.

Here the Delta Chi defensive unit made their best showing of the day, with linebacker Ronnie Smith of the Chi driving through to make several big yard plays, and on fourth down Johnny Glass of the Cougars punted out of bounds on the Delta Chi two yard line, and from here the Chi drove the length of the field to a first and goal situation on the Cougar 13. Key plays in this drive was a quarterback option with Reeves pitching out to running back Charles Henderson who gamed out important yardage. Next a pass to Farrell and a pass to Billy McArthur got the Delta Chi the first down deep in Cougar territory. At this point the Cats got mean and after two passes from Reeves to Farrell mixed in between a 10 yard penalty, the Delta Chi found on third and goal the same situation they were faced with on first and goal, A quick pass to Farrell produced little yardage, so on fourth down Reeves did the run when he saw all of his receivers covered but was stopped by defensive back Joe Ehl.

The Cougars began running the clock out with a drive which took them to their final score. In this drive the Cougars used the running of Bobby Gardner and Bobby Dupree to eat up most of the time. These backs received tremendous blocking from their big line with Joe Haley, Bob Raat and Danny Short opening big holes in the Delta Chi defense.

For the score came on a beautiful roll-out by quarterback Johnny Glass after taking to his two running backs into the line. The score after Ronnie Morton added the extra point staked the Cougars 24-0 and that's the way the game ended.

The Delta Chi had one more scoring chance late in the ballgame after a punt by Glass sailed straight up in the air, but the drive ended when on fourth down quarterback Reeves slipped-ended on the wet field, stumbled, fumbled and fell to the ground.

It was just one of those days in which the Delta Chi should have stayed in bed, for they have a good team and the 24-0 score doesn't really reflect the brand of ball they can play.

For the Cougars it was a day in which those long days of practice really paid off. You had to single out any one player for the Cougars who played better than anyone else. I believed that it would be impossible for it was truly a team victory with special credit going to the offensive and defensive lines and the defensive backs.

Jax students were surprised Monday, Nov. 11, with a prewinter snow, which left the campus in a blanket of white. These two co - eda above brave the inclement weather enroute to their dorm.

With The Greeks

By Kaye and Faye Thompson

A happy birthday party was given Friday night, Nov. 15, by Alpha Xi Delta. The party was in celebration of the sorority having been established on campus for one year. Fuzzies extended invitaions to members of all the fraternities as well as their dates and special guests. The Park provided music for the "Love - in" which was held at Lonely Pines. There were flowers, flowers everywhere, and prophetic sayings on the wall. The party began a busy weekend for Alpha Xi's. On Saturday at II a.m. the sorority had a brunch for the mothers of actives and pledges and for special alumnae parenents. The Associate members of A2O gave the brunch. The Alpha Xi's and their parents sat in a reserved section at the game against Livingston.

The poetry of ATO's president Jim Reaves does not by any means go unnoticed. The Chanticleer staff received a letter from Peg Haywood, a Zeta Tau Alpha at the University of Alabama, praising Jim's poetry.

Delta Chi members and their dates enjoyed a buffet supper at the fraternity house last Thursday before the Little Anthony and the Imperials show.

Saturday turned out to be a big day for the DX's. Livingston's chapter of Delta Chi had a joint party with the JSU chapter after the football game that afternoon. Supper was served at the fraternity house preceding the party.

Plans are now being finalized for the JSU Delta Chi chapter's trip to Auburn on Dec. 7. Activities with the AU Chapter will include a football game Saturday afternoon and a joint party that night.

The local fraternity previously reported to be petitioning Sigma Nu will remain a local social group for the present. Members are conforming with the administration before taking any more steps.

Mark off Nov. 20 on your calendar as a red - letter day. On that day members of Alpha Zau Chi,ega will sponsor a local Dating Game. Jerry Cantrell is hard at work on details, which will be announced in full later.

The Tau's would like to wish good luck to the mighty Gamecocks in their game Saturday with the Florence State Lions.

The ATO's will wind up the football season with a season's end party at the Downtown Motor Inn in Anniston. Music will be provided by the Morticians from Gadsden.
Portfolio:
The Student
Government Association

Chanticleer photographer Joe Serviss happened by the weekly meeting of the JSU Student Government Association the other night and took these shots of student democracy in action. Photos at bottom left show several senators and representatives. Picture at top left shows (seated) treasurer Carol Jean Smith, president Ronnie Smitherman and vice president Roger Killian. At right is Joe Patton, as he presents legislation to be considered. Photo at bottom right shows Smitherman as he gives Rhett Brock a $75 check for an outstanding job as homecoming chairman. The SGA meets every Monday night at 6:30 in Room 249 of Bibb Graves. All students are invited.
