VOL. 14

JACKSONVILLE STATE UNIVERSITY, Monday, October 14, 1968

NO. 22

Pretty Gem of the Hills Joyce Cobb poses by one of the items which will be displayed in Mason Hall when John Dillon's works are shown Oct. 15-Nov. 8. A senior majoring in home economics, Joyce is from nearby White Plains.

## Fifth Annual SCOAG Promises To Be Best

The SCOAG program now in the formative stage for the fifth annual Student Conference on American Government promises to be a most beneficial one for both high school and college delegates.

Each year some particular area or facet of American government is chosen for study and discussion by the conference.

The theme for the 1968-69 SCOAG Conference is "The Evolution of American National Government."

The program will provide for thorough research and discussions concerning the growth and modifications of our federal government.

Each of the three major branches of government will be taken into perspective. Prominent figures in the areas of politics and government will address the conference at various times. Group discussions will be led by the political science de-

### Candidates To Have Photos Made

All homecoming queen candidates are asked to meet in the lounge (second floor of Bibb Graves) today (Oct. 14) at 3 p. m. for picture making purposes.

partment.

The SCOAG program will require much work and cooperation from each delegate, but it should be emphasized that the conference will not be all work. The delegates will be invited to participate in a well-planned program of recreation. They will view a current movie, attend the annual SCOAG Banquet, and sit as guests of honor at one of the SGA's "Big Events".

Students interested in contributing to the SCOAG program should contact the program chairman, Roger Killian.

### Orders For Rings Now Being Taken

Orders for class rings are being taken by SGA officers during their normal posted office hours. In addition, vice-president, Roger Killian, has set aside two extra hours, Tuesday from 10 to 11 and Wednesday from 4 to 5.

The official representative from the John Roberts Company, the company authorized by the SGA, will also be taking orders in the student union building Oct. 29 from 9 to 5.

A complete selection of rings can be ordered, including those with various fraternity, sorority or other organization emblems.

## Committees Ready For Homecoming Week

By Ken Jones, Staff Writer

With the theme JSU, AND THE BEAT GOES ON as a foundation, preparations for Homecoming 1968 are in full swing with some initial activities scheduled for later this week.

Voting for Homecoming Queen will take place this Thursday, October 17, on the first floor of Bibb Graves. The poles will be open between 8:00 A.M. and 6:00 P.M. The winner will be crowned during a special assembly in Leone Cole October 23.

A new ruling has been passed by the SGA concerning the homecoming queen candidates and their sponsors. According to the ruling, no money is to be spent by the sponsors for the promotion of their candidates. Information on the candidates, posters and photographs are to be restricted to only the arbitrarily arranged posters to be prepared by the homecoming committee. Violations of the rule will result in the dismissal of the candidate concerned.

A dance with the Vikings will be held October 19 after the Troy game. The dance is sponsored by the girls music fraternity Delta Omicron to help raise money to honor their guests at the alumni banquet.

Student homecoming committee chairman, Rhett Brock is coordinating all the activities as plans and times are made more spe-

### Jax Students Asked To Vote For President

Who will be the next President of the United States? If it is left up to 86 students enrolled in political science 385 and 433, it will be George Wallace.

The former Alabama governor polled 53.5 per cent of the votes, which were cast on Sept. 26. Richard Nixon came in second with 36 per cent, while Hubert Humphrey polled only 3.5 per cent of the total vote. Seven per cent of the voters were undecided. The students will be polled again in 30 days to see if any changes have occurred.

A special straw poll is also being conducted by the Chanticleer, and a ballot appears on page 2 of this issue. Please fill out the ballot and either turn it in to the Chanticleer office (second floor of the SUB) or a special ballot box in the Grab. Deadline for voting is Oct. 21.

## Homecoming Chief Topic Of Meetings

"No girl may wear more than one beauty crown in one academic year--on or off campus", was the first of a proposal voted down at the September 30 meeting of the SGA.

The proposal was made by Jim Henderson on behalf of the Homecoming committee and was presented in two parts. The first section which was stated above received only two approving votes and was not carried.

The second part of the proposal was passed unanimously and read, "No monetary campaigning will

October 7 meeting, the SGA had an account of \$6,770.69 in the treasury.

Ronnie Smitherman, president, announced that 20,000 imprinted sheets had been ordered for the SGA Newsletter. Lou Botta was named as editor and the Newsletter will publish bi-weekly (on Mondays that the Chanticleer does not publish) to inform students of SGA activities.

John Nisbet, mayor of Jacksonville, will speak to the SGA on October 14 at 7 p.m. second floor Bibb Graves.

Phi Beta Lambda, business fraternity on campus, petitioned to sell hats for Homecoming. The pro-

### Wednesday Is Picture Day

All JSU clubs and organizations, excluding Greeks, the band and music organizations, are asked to make plans for having pictures made for the Mimosa.

Presidents of organizations should contact their members to determine when and where photos can be made. After a time has been set, they should phone Mr. Lovett's office (extension 294) and set up reservations for Wednesday, Oct. 16.

Photos will be made on Wednesday, Oct. 16, only between the hours of 8:30 to 12 noon and from 1 to 4 p. m.

It is important that presidents of each organization make the necessary arrangements to have photos made at this time, as deadlines have to be met by the Mimosa.

It should be remembered that no club or organization will have to pay to have their pictures in the annual this year, as the student activity fee will cover all costs of publication.

See Homecoming Contestants, Page 7

be allowed for Homecoming Queen candidates. Any violating candidate will be disqualified. The Homecoming committee will publish a list and group picture which will be posted on campus."

Sam Spruiell made a suggestion that no girl may wear more than one beauty crown in one academic year on campus. He agreed to draw his suggestion up into a motion to be presented before the SGA on October 14.

John Alvis, treasurer, gave the financial report on September 30 as \$13,999.34. At that time, he made a motion which was passed to put \$5,000.00 of SGA funds into a savings account until that time when it would be needed. At the

### Chanticleer To Publish Next Week

The Chanticleer will publish again next week due to homecoming activities.

All stories and letters to the editor should be turned in no later than Thursday noon, Oct. 17, for the Oct. 21 issue.

# Editorials . . . . .

## Midnight Farce

At midnight on Monday, October 7, the occupants of Weatherly Hall were roused by a whistle and the call of "Fire Drill, girls". The girls climbed out of bed, donned raincoat and leather-sole shoes, put a towel over their heads, closed their windows, turned their lights on, closed their doors, and left by the designated exit.

After meeting with their respective groups and having roll call on the lawn, the girls returned to the dorm by the same exit. They re-assembled in their hall and had roll call again. The entire process took over 30 minutes.

I realize that fire drills are necessary for the safety of the girls -- but are they necessary at midnight? Why not have drill at 11 p.m. when all girls are signed in but not yet in bed? So much emphasis is placed on not disturbing dormitory life during quiet hours (so that students may study and sleep), it seems ironic that the whole dorm would be disturbed at midnight.

--BAS

## Expand The Program

Now that Jacksonville State has achieved university status, the curriculum offered in athletics should be broadened so that football, basketball, tennis, track, and golf are on a more balanced scale.

Most people realize that JSU does not have the capacity to expand every athletic program on an acceptable scale with the larger institutions in the state. The majority of us also realize that some sports are revenue events, and others are sometimes carried in order to round out the program. The main problem seems to be the proportional growth of one athletic event while others that are less dominant lag far behind.

The students realize that the administration is continually working for new buildings to house our growing student body. We do not discontinue classes because new academic buildings are in construction, and we should not discontinue certain sports just because we are in the process of having new athletic facilities built.

The explanations for the slow growth of different sports are many and varied as with everything else. Finances, coaching, enough interested personnel to try out for the team, and proper facilities that are not present constitute just a few of the reasons that minor sports are not supported.

The big question prevalent in the minds of many is "how can JSU grow academically, and at the same time fail to broaden the athletic program???? In the same perspective, can we afford to discontinue certain sporting events? If any sport is neglected long enough, it will soon disappear. It is hoped the students of JSU can boast of having all athletic events represented on the JSU campus!

-- JRR

# Letters To The Editor

## Lack of Communication

Dear Editor:

I was among 40 surprised students in a history class, when informed that State Senator Radney had spoken over JSU TV the previous day. The Anniston Star, the following day, stated that Senator Radney had been invited to speak before history and political science classes at JSU.

Being a history major, taking two history courses and one political science course this semester, I would have been very much interested in hearing the senator's speech. No mention was made of Senator Radney in either of my two history classes the day prior, or in my political science class earlier the same day.

I, like many others, had never heard of Senator Radney prior to the National Democratic Convention or the consequences that followed that convention. I admire him, and any other person who will stand up and speak out in public, rather than confine his remarks to his nearest friends and neighbors only.

Because he "got involved" in a subject not so dear to the hearts of the Alabama establishment, it seems that Senator Radney must now suffer much abuse and mockery. Would you believe that some students did not want to participate in a question and answer period with the senator for fear of association? Would you also believe that many more students would have participated if the discussion had been known to them?

I may not have gotten the "word" on this fine young American's appearance at JSU, but off the record did they really have to sneak him in and out the back door? How many members of the community were aware of Senator Radney's speech? Surely not many knew (or now know) of his appearance at JSU.

Let me close with a quote from an earlier young American, Thomas Paine. "These are the times that try men's souls: the summer soldier and the sunshine patriot will in this crisis, shrink from the service of his country; but he that stands it NOW, deserves the love and thanks of man and woman. Tyranny, like hell, is not easily conquered."

W. B. Morris  
Duke, Ala.

## Why All The Gripping

Dear Editor:

It seems to me an asset which is certainly needed by modern Jacksonville

State University is less gripping! Every time I glance at a new Chanticleer, I find that some person seems to have discovered a new complaint.

Being a sophomore at JSU, I admit there are certain areas in which improvement could be sought. However, I am more than overly pleased with JSU in general, and the good points (to me) actually outweigh what might be termed bad.

Some complain of high fees and tuition. However, it is a known fact that the financial requirements for attendance at JSU fall quite below the norm. Others seem to find justice in complaining of other aspects of involvement at JSU. (Parking problems seem to be the next problem of great concern.)

I have always considered attendance at college to be a privilege which one should value greatly. The rules and regulations imposed upon students are done so with a purpose in mind. If students would try to carry out their supposed assignment (that of studying), then they would probably find less time to gripe.

Nearly every week some

college-sponsored activity takes place on campus. During each semester, well-known entertainers are brought to Jacksonville for the sake of the students. The speakers who are obtained to address JSU students are as a rule interested in college and college affiliated activities. Listening to such speeches provide not only a form of entertainment, but also help students to actually formulate new ideas.

In conclusion, I should only like to add that I consider Jacksonville State University a great institution of higher learning.

Vernalea Laurie Walker

## Correction

Due to a typographical error in the last issue, it was reported that the SGA-sponsored bookstore was planning to have a 50 per cent mark up to cover expenses. The article should have stated 25 cents per book mark up.

Our apologies also go to Bruce Brown who withdrew from the freshman class presidential election. We mistakenly said that Bruce was disqualified by the SGA election committee.

## From My Point Of VIEW

By Jim Royal  
Associate Editor

### Women's Rules

"Within These Halls" is the name of a new book that has been published in order to inform women residents of the regulations that are maintained by the University. This book also contains a few hints as to the proper attire to wear at certain events or "happenings" on campus.

The persons that revised the rules were students selected on the basis of their demonstrated initiative in campus life. Knowing some of the people that helped with these rules, I believe the choice of personnel for this committee was excellent. The new rules are very liberal when compared to some other institutions that are more "conservative" than JSU.

Probably the best change (if one change is better than another) is the time that has been extended for laides to be in the dormitory. No longer does the male have to do ninety miles an hour in order to get his date in on time. One might even have time to stop for a red light or two. Then again, that would be asking too much.

In determining the amount of late permissions to be given, many factors went into the decision of the committee. The most interest was expressed over women who are put on academic probation. In order to help alleviate this problem, a minimum grade point average was installed so that students who need to study will have more of an opportunity to do so. Needless to say, this rule will not help some, but it will give others a better chance of succeeding in getting their degree (regardless of the type).

Although I do not have to live under these rules, I did know of some restrictions imposed before revision, and the advances that have been made are remarkable. Realizing that a good many changes still need to be made, committees are working on making the rules more concise and clear where misunderstanding will not occur. The current rules are a good example of faculty and students working out acceptable solutions of problems that confront the students at JSU.

By Mickey Craton

## One Up On The Wright Brothers?

History students of Jax State, arise! A chance for a place in the sun could be yours on research right in this area, and in the process, you might bring Alabama some much-needed recognition.

It seems that there is a possibility that the Wright brothers might have usurped the title as the first to fly from an Alabamian, at least that's the gist of an article in the Oct. 3 Anniston Star.

The Chamber of Commerce in Talladega is sponsoring a search for all available information about Dr. Louis Archer Boswell, who lived near Eastaboga around the turn of the century. He is reported to have built and flown several planes prior to the Wright brothers moment of glory in 1903. An unidentified man from Lincoln is reported to have seen Boswell get up to 45 m.p.h., higher than the 852 feet claimed by the Wright brothers in their first attempt, and to have remained airborne longer than their 59 seconds. (We Alabamians always have to go them one better.)

V. M. Scott, a member of the Talladega Chamber of Commerce, who is leading the search, said that he had talked with Boswell's son who claims he saw his father fly several planes before 1903. He evidently began working on planes as early as 1868, and at the very least DID DO something in the aviation field--he received patents from both the U. S. and Canada in 1903 for his designs. The article also said that one of Boswell's granddaughters in Birmingham had a book which described the landing gear, bi-plane, and steering systems designed by Boswell.

All in all, it's interesting to discover so fascinating a character in our own back yard, practically. It should prove to be worthwhile research material

for those of a historical bent. Incidentally, if anyone has any information on Boswell, the Talladega Chamber of Commerce would be interested in hearing from you--and so would we. The Chamber is hoping to dedicate a room to the man at the Alabama International Speedway in Eastaboga when it opens, and plans for a museum are also being generated.

Finding something wrong with the food in the grab is rather like walking--it comes naturally once you've tried it. Hopefully, when the new Student Union Building is completed the situation can be altered. Things can only get better. Last week (and I'm not making this up, it really happened) as I opened a steak sandwich (I use the term "steak" in what must be its broadest application) to spread it with ketchup, only to find a staple in my steak. I've heard of using filler in meat products before, but this is getting ridiculous. The thing that really bothers me, though, is that I might have eaten it and never known the difference. I could easily have mistaken it for the only substantial part of the meat. (For those of you fortunate enough not to have indulged in the grab's hidden pleasures, the "steak" is about the size of an ID card.) Other things bother me, too. Like, there is always too much mustard and ketchup in those little bags, and did you ever consider how much a potato chip company must make on a 19¢ bag of chips? How much of a potato goes into one bag? Maybe one-fifth at the outside, and I think that's a pretty liberal estimate. Given the price of potatoes, it must be nearly as lucrative a field as selling college textbooks.

## Drama Club Holds First Meeting

The Masque & Wig Guild of JSU (the drama club) had its organizational meeting for the new year on Wednesday, September 25, in 12 Ayers Hall. Officers for the year were elected. Officers are: Kim Dobbs, president; Bob Sharman, vice-president; Patsy Johnson, secretary; and Patt Monk, treasurer.

The club's fall presentation will be "The Chinese Wall", a most interesting play by Max Frisch. The play is under the direction of Bob Sharman. It will be given

## Ushers Club Officers

The Ushers Club elected officers for the coming 1968-69 academic year last Thursday night. Jim Royal was elected captain for the coming year, and Marty Murry was elected first lieutenant.

The membership was expanded to 15 members, and they are as follows: Bob Lawson, Tony Ballard, Bill Stone, Billy Melton, Jim Moree, Hugh Bryant, Bill McGann, Ed Dearman, Tom Knox, Barry McDaniel, Chris Williamson, Steve Gurley and Frank Nichols.

SENIOR CLASS OFFICERS -- Officers for the 1968-69 senior class are from left to right: Gary Davis, Centre, president; Jim Reaves, Birmingham, vice-president; Gloria Connell, Sylacauga, secretary; Jerry Smith, Collinsville, treasurer; Jim Henderson and Randall Bain, SGA Senators, Birmingham.

## Dillon Works To Be Shown

The Art Department will present an exhibition of drawings and prints by John Dillon in the gallery of Mason Hall from Oct. 15, through Nov. 8.

Everyone is invited to the opening reception Oct. 15, from 7 to 9 p. m. Gallery hours are from 8 a. m. to 4:30 p. m. Monday through Friday.

John Dillon is a native of Birmingham, and received his bachelor of applied arts from Auburn University in 1960. Since this time, he has been employed as an advertising artist in Birmingham and Huntsville. In 1965, Mr. Dillon began teaching full time in the Birmingham secondary school system.

Mr. Dillon is a past president of the Alabama Watercolor Society. He has exhibited in numerous juried shows in Georgia, Alabama, Tennessee, Mississippi and Louisiana. He has been the recipient of many awards, including the Best of Show in the 1964 Alabama Watercolor Society Exhibition; The Best of Show at the Alabama State Fair, 1966; and a painting award in the 58th Annual Birmingham Art Association Exhibition.

Among the one-man exhibitions by this artist have been: the University of on November 20, 21, and 22 at Leone Cole Auditorium. An admission will be charged.

All students interested in joining the club and/or helping with the play are asked to contact Mrs. J.H. Lefevre, the club's faculty sponsor, in Room 12 Ayers Hall.

Jeanie Deppensmith

## Circle K Sweetheart

Miss Jeanie Deppensmith, of Huntsville, will take the honor of being Circle K's sweetheart for the month of October. A sophomore here at Jax State, she is also a ballerina and a biology major. Jeanie will also be Circle K's homecoming candidate.

Alabama in Huntsville, Howard College in Birmingham, Walker Junior College in Jasper, the Birmingham Museum of Arts, the National Bank of Athens, the First National Bank of Cornelia, Ga., and the Columbus Museum of Art, Columbus, Ga.

Mr. Dillon received his master of fine arts degree from the University of Georgia in June, 1968.

He has just moved to Jacksonville where he will be an art instructor at Jacksonville State University.

## SAA To Sell HC Corsages

The Student Accounting Association of Jacksonville State University will offer corsages to the students, alumni, and guests of the university in conjunction with homecoming activities on October 26.

Representatives of the SAA will visit each men's dormitory beginning today. SAA representatives will also be located in the Grab for the convenience of the commuters.

Corsages will be offered for \$1.50 and a receipt will be issued to the buyer. Corsages are to be picked up at the Roundhouse entrance between 9:00 a.m. and 6:00 p.m. on Saturday, October 26. Receipts must be presented for the corsage. Earlier pick-up may be arranged with buyers upon request.

At the initial meeting of this semester, officers were elected for the 1968-69 academic year. Joe Steele of Jacksonville was elected president. Other officers elected are: John Paul Jones, Gadsden; vice-president, Margie Street, Estaboga, secretary; Stanley Bruce, Lipscomb, treasurer; Clyde Beck, Mobile, sergeant-at-arms.

Joe Steele has announced plans for an SAA tour of Redstone Arsenal in Huntsville, tentative plans for a trip to see the Atlanta Falcons, and plans for the second annual student accounting awards banquet for April.

The SAA would like to invite any accounting major to attend the meetings each Wednesday at 5:30 p.m. in the Business Administration Department.

JUNIOR OFFICERS -- New officers of the Junior Class are, from left to right: Lynn Cochran, SGA representative; Debbie Adams, secretary; Cindy Waugh, vice president; Steve Gurley, president; Linda McCullough, treasurer and David Goldman, SGA representative.

## New Parking Spaces Are Secured

An SGA - sponsored survey has resulted in about 30 new parking spaces. The survey was made by a committee composed of Dr. Cole, Mr. Fain, Dean Edwards, Chief Jackson and Ronnie Smitherman.

The survey also revealed that the Curtiss Hall parking area had 57

## NTE Test To Be Given Here Nov. 9

Dr. Leon D. Willman announced recently that by special arrangement with the Educational Testing Service, Jacksonville State University will be a regular testing center for the November 9 National Teacher Examinations.

The NTE Bulletin of Information does not list JSU as a test center for the November 9 tests, but upon receipt of this announcement, we have been appointed a regular testing center, not only for the November 9 testing but for all other regular NTE test dates during 1968-69.

Interested students can pick up NTE Bulletins of Information and Application Blanks from the top of the steel filing cabinet, of the hall of Hammond Hall, just outside the Student Affairs Office. Graduate Record Examination Bulletins of Information and Application blanks are also available at the same place.

available parking spaces for commuters at 10:30 that morning.

The new parking spaces are: Three in front of Dr. Cole's home; the former 10 minute parking zone in front of Rowan Hall; and the entire curb around the outside lane at Self Cafeteria have been painted green for Dixon residents.

T. Alan Doss requested that a committee be set up to make immediate changes, and urged that this committee include commuters as well as residents. Ronnie Smitherman, president, agreed to have this committee set up by Oct. 14, if possible.

The parking problem should be somewhat relieved after this semester by the new student commons building which will offer a parking lot between the building and Pelham Road with around 100 spaces. The new business administration building will also drag a great number of cars away from mid campus.

A motion was passed to look into the parking situation on London Avenue. John Alves suggested that parking be reversed from the Mason Hall - Rowan side to the Self Cafeteria - Holiday Apartments side to prevent any possible accidents due to the limited visibility of turning cars.

## English Club Plans Meet

Sigma Tau Delta, the English honorary organization will hold its monthly meeting at 7:30 p.m. on October 15. The meeting will be at the home of Mrs. Roebuck.

Dr. Charles Johnson will

## KDE Sorority Makes Plans

The officers of KDE met at the home of Dr. Charlotte Thornburg, sponsor of the sorority, Sept. 18, to make plans for the coming year.

Prospective activities include a KDE tea at homecoming, a Christmas dinner and the continuation of the KDE Scholarship. Three delegates, Martha Luker, Glendacib Williamson and Dr. Thornburg will be sent to the National KDE Convention in Cincinnati, Ohio, on Nov. 8-10.

In addition to regular projects, several projects are proposed for the coming year. Some of these have having KDE members serve as volunteer workers to aid students in their reading at Jacksonville Elementary School and binding the KDE national newspaper, "Current", for use at the Ramona Wood Library.

Kappa Delta Epsilon is an honorary education sorority for women students of junior and senior standing who have achieved a 2.25 average or above and who possess outstanding traits of personality, character and leadership.

The first meeting of KDE was on Oct. 2, in the Roundhouse.

speak to the group on "What is English Literature?"

Faculty members who were formerly associated with Sigma Tau Delta are invited to attend meetings as associate members.

## A Library Even Students Can Use

### Part III

To up - date the library policies and to more clearly define the privileges and responsibilities of the users of the library, each student was given a questionnaire when he registered for the fall semester.

Tabulation of their responses indicated that:

1. 86.45% think bermuda shorts are appropriate attire for men while studying in the library.

2. 92.23% think culottes are appropriate attire for ladies while studying in the library.

3. 89.32% think a lounge for assignment - related discussion is needed in the library.

4. 56.01% think smoking should be permitted in such a lounge.

5. 51.76% think all materials should be returned to the library on the last day of classes each semester.

6. 83.65% think all materials should be returned to the library on the last day of examinations each semester.

7. 69.81% think students neglecting to return materials should have their grade report withheld.

8. 82.84% think that having a check - out station reduces the number of books lost.

9. 40.30% think that increasing the fine for lost books is the most effective procedure to reduce the number of books lost. 35.44% think that a check-out station is the most effective procedure to reduce the number of books lost. 8.2% think that the regular lending procedure without the check - out station is the most effective method of reducing the number of books lost.

10. 97.7% think that a Book Return Drop Box near the library would serve a useful purpose when the library is closed.

11. 80.33% think that books placed in the Drop Box when the library is open should be counted as overdue.

12. 87.94% think that a maximum of four weeks is adequate time for using library materials for an assignment.

13. 80.04% have been required to read books that the instructors placed on reserve.

14. 35.19% have asked the staff to make a xerox copy of articles from magazines and books.

15. 91.09% think that the library should be open from 7:30 a. m. - 10:30 p. m. Monday through Thursday.

16. 93.41% think that the library should be open from 7:30 a. m. - 4:30 p. m. Friday and from 8 a. m. -

1 p. m. Saturday.

17. 80.56% think that the library should be open from 2 p. m. - 5 p. m. Sunday.

18. 74.71% think that the library should be open from 7 p. m. - 10 p. m. Sunday. 5.65% listed longer hours as the greatest need for improving the library services (21).

19. 35.53% studied more than an average of five hours per week in the library last year.

20. 73.03% think that a box in which to drop suggestions for improving the professional services is needed.

21. 36.65% think that more courteous and helpful personnel is the greatest need for improving the professional services of the library.

22. 33.93% think that more materials in various areas is the greatest need for improving the professional services of the library.

23. 19% think that more systematic organization of space, activities, and materials is the greatest need for improving the professional services of the library.

24. 4.75% think that permitting more casual dress is the greatest need for improving the services of the library. (See #18 also.)

Action has been taken to make each of the above suggestions become a reality. Many modifications are now evident to users of the library; however, some changes require considerable effort and time.

Even though only 8.2% of the students indicated that a second check - point is unnecessary to prevent the loss of books, "Check Point Charley" was discontinued on an experimental basis at the beginning of this semester.

During the first month, several students have shown a total disregard for the honor system by resorting to unorthodox means of taking materials from the library.

However, during the second month we hope that student workers will have become more familiar with library service and can more effectively assist any student who needs help in locating and checking out materials in an acceptable manner.

## Homecoming

(Cont. From Page 1)

curic this week. He is also in the process of helping with a special homecoming edition of the Chanticleer that will be able to list the times and information on the opening pep rally, parade, float and dorm yard competitions, and dances.

# Student Commons Bldg. To Be One Of Finest In State

By Phyllis Jones

Results of the long hours of work which have been involved in the construction of Jax State's new Student Commons Building are becoming more and more evident every day. Throughout the summer, steady progress was made on the building. Now, as it is nearing completion, Jax Staters are beginning to wonder exactly what the building will contain.

According to Dr. Houston Cole, the four - storied complex, which will be ready for occupancy around mid - term, will be the most modern and up - to - date student commons building on any campus in the state.

The top floor of the building will contain the offices. In addition to the offices of Dr. Wright, Dean Jackson, Mr. Fain, and Dean Edwards, space will be provided for the alumni office, offices of two student pastors, the SGA, the Mimosa, and the Chanticleer.

Students will be glad to learn that the third floor of the building will contain a commuter study lounge. The lounge, which will be wall - to - wall carpeted, will provide a place for students to study, read or lounge. The lounge will not be confined to commuters. Any student who wishes to go there and study in quietness may do so.

Part of the third and fourth floors will be made into an auditorium. The auditorium will seat 1,000 people and may be used for dances, movies, etc.

The second floor will be the student activity center. It will contain game rooms, game space, the

coffee shop, and a terrace which will be furnished with weather - proof tables and chairs.

There is one crucial fact about the coffee shop which all students should know. There will definitely be NO machines in it. First class food will be prepared and served over the counter to students!

Although the third and fourth floors of the building will close in the late afternoon, the student activity center will be open until later in the night.

It seems as if nothing has been forgotten where the new student commons building is concerned. Space is being made now for 100 additional parking places in front of the building. When these spaces are added to those which will be vacated when the machines and workers connected with the construction of the building leave, there should be no problem of parking at the student commons building.

The night before the two million dollar building opens for use by JSU students, citizens of Jacksonville and other surrounding areas will be invited to a house warming. This will enable them to visit the building which, without a doubt, will become the pride and joy of Jax State.

## Chief Topic

(Cont. From Page 1) The subject was proposed by John Alves and was passed at the October 7 meeting. The hats will be plastic straw-imprinted top hats with the Homecoming slogan around the band and would sell for \$1.00 each.

Interior Sketch Of The New Student Lounge

## Entertainment Coming Up

SGA Vice - President Roger Killian, coordinator for campus entertainment, has released the schedule of activities for the coming months.

According to Killian, all SGA sponsored activities will be free to students. The SGA has also made arrangements with the Dari - Delite for a soft drink concession in the lobby of Leone Cole during SGA events.

The two big events this semester will be concerts by "Little Anthony and the Imperials" on Nov. 14, and "The Vogues" on Dec. 11.

Two dances scheduled so far are Oct. 17, with the "14 Feet of Soul" and Oct. 30 with the "Daze of the Weak". Both will begin at 7:30 in Leone Cole

Auditorium with admission by ID cards.

Phi Gamma Mu will sponsor a dance after the Troy game with an admission charge. There will also be a dance sponsored by the J Club immediately after the homecoming game.

A hootenanny will be held in back of Bibb Graves Oct. 18. Wayne Luck is in charge of student talent. The SGA is giving free Cokes during the hootenanny, and prizes will be awarded.

According to Killian, other events are currently being scheduled. Monday, Oct. 21, through Friday, Oct. 25, has been listed as dead week with no SGA events sponsored. This week is set aside for preparations of homecoming festivities.

## Reading To Be Presented

Several members of the JSU faculty will present "Trio Duet" as their annual reading on Wednesday night, Oct. 16, in the Roundhouse beginning at 7:30. There will be no charge for admission, and the faculty and student body are urged to attend.

The readings will be divided into two parts. Dr. Pauline O'Brien, Dr. Charles Johnson and George Teague will present in addition to monologue on humorous and dramatic works, "Death of a Hired Man" by Robert Frost. An intermission will follow.

The second act will consist of a reading on Truman Capote's "Among the Paths to Eden," by Sylvia Malone, Tom Malone and Lawrence R. Miles.

## Moccasins Take Charge, Rip Jacksonville 32-14

In command all the way, and without breaking into a full sweat, Chatta-nooga's Moccasins scored in every quarter on Sept. 28 to whip Jacksonville State 32-14, in what could be the final game between the two schools.

Former Birmingham runner of Mortimer Jordan High, Bucky Wolford led the game's rushers with 118 yards and scored the visitors' first touchdown in the opening quarter from a yard out.

Fullback Robert Smith ran two yards up the middle in the second quarter for another score and defensive back David Crow ran back an intercepted pass 25 yards for another tally. Kicker Joe Cooper booted one PAT to put 'Nooga into a 19-0 lead before the Jaxmen could score.

Jacksonville narrowed the gap to 19-6 in the sec-

ond quarter when tailback Bubba Long ran one yard over right guard for the score. The kick by Danny Kemp was wide.

The other Jax TD came on a fourth down and four yard pass to end Mike Munhall from quarterback Doc Lett in the fourth quarter. Lett then passed to end John Niblett for the two pointer.

Chattanooga scored twice more in the second half on a one yard plunge by Smith. Quarterback Roger Catarino threw 13 yards to Harry Slyhoff for the final Moc score.

Chattanooga was never in serious danger, and used reserves throughout most of the second half.

Catarino hit on eight of 13 passes for 106 yards and one TD while Lett, a freshman starting in his first game, hit 16 of 26 for 160 yards and one

Mike Little, fullback from Albertville, tries to re-gain his balance, after being hit by two Moccasins. Bubba Long wards off yet another defender in the background.

score. Both quarter-backs had one interception each.

After a few exchanges of punts, things began to click for Chattanooga. During 85 yards in 12 play, Bucky Wolford carried the mail over the middle of the Jax line from the one to score with 4:36 left to play in the first quarter. Cooper's PAT made it 7-0 Mocs.

The Gamecocks had just gotten back their breath when Chattanooga scored again early in the second period after Hart-selle's Preston Newman punted only 19 yards to his own 25.

Wolford hit right end for 12 yards to 13. Two plays later Smith ran in for the score to make it 13-0. The PAT was no good, with 10:58 left.

The visitors scored their third touchdown with 9:04 to go when Crow picked off a Lett pass off the hands of Mike Little at the Jax 25 and ran it in for a TD. Catarino's pass to Wolford was incomplete for the PAT leaving it 19-0.

Jax got back into the game with 4:20 to play before intermission when Long rammed over right tackle from a yard out. The kick was no good, but still trimmed the lead to 19-6.

The drive went 73 yards in 11 plays.

The Jaxmen attempted to score again with less than a minute left in the half, but failed when middle guard Mike Puckett recovered a fumble at the 'Nooga 28. Lett had thrown complete five yards to Munhall at the 15, and flipped back wildly to Long around right end and Puckett recovered.

The play had touchdown written all over it.

The Mocs ran back the second half to the Jacksonville 34. Minutes lat-

## IM News

By Lou Botta

With the intramural season two weeks old, one thing has been established for sure. This year there is more balance in the league. Several teams have the qualities of capturing the IM football title, but most of the contending teams must wait until the end of the season before a champion can be determined.

Continuing to stick with my pre-season picks, another team the Cougars have indicated by their fine play that they are a strong contender.

The Cougars have one of the best running games to come out of the IM football circles in many years. This fine running coupled with a rough defense gives the Cougars a

er, Smith dived over left guard from a yard out to score. Cooper kicked the 26th point with 10:05 left in the third quarter.

Jacksonville got a sustained drive ignited late in the period. Taking over after a punt at their own 28, Lett directed the Jaxmen on a long journey to the 17 yard line with a pitch to Niblett for the final play of the quarter on a first down.

Three plays later on third and 13, Lett ran to the Mocs' 3 for a first down. Three straight running plays lost a yard, so Lett went to the air and fired a strike to Munhall for a TD. He then threw a two pointer to Niblett to make it 26-14 with 12:10 to play.

Chatt came right back to boost its lead with Catarino's pitching 13 yards to Slyhoff for a TD. Cooper's kick was no good, making the final score 32-14.

well balanced team. COUGARS vs. JEFFCOS

The Cougars used the passing of Johnny Glass and a fine defense led by Jim Hart, Steve Herring, Bob Rast and Charles Vacarella to halt the passing of Andy Bellance, and handed the Jeffcos their first loss of the season by the score of 13-12. This was one of the best IM games in recent years.

After falling behind 7-0, the Jeffcos rode the passing combination of Bellanca to Joe Piazza, and Bob Ellis, and the running of Irv McFarland to a halftime lead of 12-7. This

(See IM Page 7)

## Jax Throwing Best Effort

The way to win, according to most authorities on football, is through the air, but this hasn't been the case for Jacksonville State this fall. Not in the first two games, anyway.

The Gamecocks, 0-2 after the first two games, have almost twice as many air yards as their first two opponents Samford and Chattanooga - - with 478 yards passing as compared to a combined total of 235 by these two clubs.

Doc Lett, in five quarters of play, has contributed a giant share of the passing load of JSU, with 290 yards and 25 completions. Lett has attempted 43 passes.

Don Gables, who did all his passing against Samford in the opener, has completed seven of 13 passes for 179 yards and one touchdown. Lett has had two touchdown passes.

Mike Munhall, freshman receiver, from Atlanta has eight receptions for 170 yards and three touchdowns to pace Jax pass receivers while John Niblett has 11 receptions to lead passes caught.

Jimmy Jackson, a Junior flanker from Bowden, Georgia, hauls in a Doc Lett pass for an 18 yard gain. The Gamecocks were halted on the drive a few minutes later, and Chattanooga went on to win the contest 32-14.

## With The Greeks --

By Kaye and Faye Thompson

Kathy Galloway, a junior from Gadsden, has been chosen to represent Omega Kappa as homecoming candidate. Kathy has received many honors including sophomore class beauty.

Omega Kappa is now in correspondence with the national headquarters of Kappa Alpha Order. Mr. Uly S. Gunn, Hardeman Province Commander, is expected to visit our campus this fall.

Mr. Jimmy Potter, past president of Auburn's KA Chapter, spoke to the active class of Omega Kappa last Thursday. He pointed out the steps Omega Kappa will have to follow to receive a KA charter.

Randy Allen, Jacksonville State's freshman counselor, has been appointed as pledge trainer.

\*\*\*\*\*

Alpha Tau Omega's first venture into big-name entertainment was a tremendous success. The Tams put on a great show which was truly a crowd-pleaser. The ATO's have still another reason to hold their heads high. On the national level, ATO ranked Number One scholastically as compared with other fraternities this past academic year. This makes the ninth year out of the last twelve that the Taus have achieved this distinction.

Jax State and ATO were well represented Saturday night at the UTMB football game. A group of Taus drove to Martin, Tennessee to support the Gamecocks. Leading the cheering were three Tams on the varsity cheerleader squad, George Adams, Buzz Bridges, and Randall Bain.

ATO is beginning the second phase of an extremely successful rush season. All members are looking forward to the colony's installation as a full chapter, which is tentatively set for the spring semester.

\*\*\*\*\*

Alpha Xi Delta sorority nominated Cheryl Vinson for their homecoming candidate. Cheryl, a marching Ballerina, is also head of the sorority's spirit committee. Speaking of spirit the Fuzzies displayed quite a bit of Thursday night's pep rally. Chanting for a smash against UTMB, they stood by their home - made still.

Officers of the pledge class are: Carol Watson, president; Wanda Fuller, vice-president; Sally Seaborn, secretary; Debbie Cole, treasurer; and Beth Dozier, social chairman.

Initiation ceremony for three Alpha Xi's was held October 9. Joining the rank of sisterhood and becoming active members were Phyllis Melhorn, Stephanie Pannebaker, and Jeanne Potts.

Alpha Xi and Delta Chi have scheduled a pledge swap for Wednesday, October 16. Planned for the evening is a card party.

\*\*\*\*\*

Delta Chi's still haven't recovered from this past week-end. Friday night 130 persons attended the annual Founder's Day Banquet. Claude B. Layfield, past National president and presently Regent for region Number 9, was the main speaker. Saturday, the Delta Chi's celebrated with a blanket party, which was a well- "covered" event.

The chapter presented a dozen roses to Sheron Jones as she began her reign as chapter sweetheart. Linda Lamb was chosen pledge class sweetheart.

New officers of Delta Chi are: Bill Stone, president; David Kensaul, vice-president; Sam Apruiell, secretary; David Hale, treasurer; Charles Leeburg, corresponding secretary; Steve Carlson, pledge trainer; and Dennis Reaves, Sgt.-at-arms.

## Homecoming Candidates

Just before press time, The Chanticleer received the names of the candidates for Homecoming Queen. The following is a list of the candidates and their sponsors:

Dixon Hall, Roberta Romeo; Logan Hall, Carole Payne; Omega Kappa, Kathy Galloway; Rowan Hall, Audrey Allen; Weatherly Hall, Sharon Holland; Luttrell Hall, Kitty Charles; Crow Hall, Patti Brown; Circle K, Jeanie Dipensmith.

Glazner Hall, Jan Warren; International House, Iara Calheira; Alpha Xi Delta, Cheryl Vinson; P.E. Majors Club, Ginny Rea Leath; Junior Class, Su-

san Williams; Patterson Hall, Rhonda Troup; Pannell Hall, June Hunt; Alpha Tau Omega, Gloria Connell; Sophomore Class, Donna Lovett.

Phi Beta Lambda, Sally Hawk; New Hall, Jeanie Bailey; Abercrombie Hall, Louise Campbell; Senior Class, Phyllis Melhorn; Home Economics Club, Andrea Lipham; Athletic Dorm, Sissy Reel; Delta Chi, Ellen Posey; Student Education Assn., Ann Briscoe; Pelham Road Independent College KIDS, Barbara Moersch; Chanticleer, Sharron Herman; Dauge Hall, not in at press time.

FRESHMEN OFFICERS -- Shown from left are the new Frosh officers: Sherrill Bailey, SGA representative; Mike Moncus, president; Glynda Arrington, secretary; Claudette Smith, SGA representative; and Cindy Brown, vice-president.

## IM

(Cont. From Page 6)

is the way the score stood for the third period. In the fourth period the Cougars began their final drive with the touchdown coming on a run by Billy Martin of seven yards. The margin of victory was Jim Hart's placement.

For the Jeffcos their defense was led by Dan Penny, and Bill Ashley.

DELTA CHI vs. CREEKMEN

Coming off a 12-0 victory over The Gang, the Delta Chi's led by quarterback Jim Farrell and Halfback Mike Parker defeated the Creekmen by a score of 36-7.

Receiving the opening kickoff, the Delta Chi took only three plays to score with Mike Parker carrying the mail from the four.

The Creekmen came fighting back driving for what seemed to be the tying score on a pass to flanker Johnny McDevitt, but the play was canceled by an offside penalty and this seemed to take the fire out of the Creekmen.

Standouts for the Delta Chi besides Farrell and Parker included Bill McArthur who made a diving catch in the end zone for a score. Otto Fox, Don Burns, Ronnie Smitherman and the entire defensive secondary for the Delta Chi.

For the Creekmen, Johnny McDevitt and Bob Purdy led the offense, while Rex Harrison and David Stout

"Burlesque 69" variety show at 7:30, Tuesday, Oct. 15. LCA. 50¢. See can-can girls, men's beauty contest, singers, dancers and funny people. Dress rehearsal will be 7:30 Monday.

starred on defense. COUGARS vs. CHERRY PICKERS

The Cougars fresh from their 13-12 victory over the Jeffcos found the going rough but managed to edge the Cherry Pickers 10-0.

The Cougars drew first blood on the opening series with the running of Billy Martin and quarterback Johnny Glass, which set up the pass from Glass to end Danny Short for the score.

The Cougars added a field goal by Jim Hart in the closing seconds of the game to up the margin to 10-0.

The Cherry Pickers were led by Larry Casey. JEFFCOS vs. GBU'S.

For three quarters the Jeffcos and GBU's fought a tough defensive game, but in the early moments of the fourth quarter, a pass from Jeffco quarterback Andy Bellanca to wingback Bill Ashley clicked for a score and minutes later an intercepted pass set up the final Jeffco score. Bellanca passed to Bob Ellis for this score.

The GBU's avoided a shutout on the last play of the game when end Marc Calton made a tremendous diving catch in the end zone.

## Southerners On Reg. TV

The JSU Southerners presented the half-time show for the Atlanta Falcons vs. Green Bay Packers professional football game on Oct. 6. The band performed for a capacity crowd of 58,000 people at the Atlanta stadium.

Their entire half-time show was televised regionally with no interruptions for other half-time scores or commercials.

The Southerners' show consisted of "Stars Fell on Alabama", "Southerners Special", "Loch Lomand", "Mexico Bound", and "Exit Fanfare". The brass group played "That's Entertainment" for the Ballerinas' dance.
