SGA Officers To Be Elected Tomorrow

Only Two Posts Are Contested

Turnout of voters is expected to be light tomorrow (Tuesday) as JSU students go to the polls to select next year's Student Government Association officers.

Only two of the four officers are contested.

See Photos Page 3

Voting machines will be set up in Bibb Graves Hall from 8 a.m. to 8 p.m.

Steve Gurley is running unopposed for the presidency. A junior from Birmingham, Steve is a political science major with a minor in economics. Presently serving as president of the junior class, Steve is also a member of the University Christian Fellowship.

The offices of vice-president and secretary are the only two contested political seats.

Candidates for vice-president are Doug Bevis and David Kinaed. Bevis is a sophomore from Huntsville pursuing a major in political science and a business administration minor. A member of Alpha Tau Omega, Bevis is presently serving as president of the sophomore class. A junior from Mobile, David Kinaed is a biology major with a minor in history. He is a member of the Delta Chi fraternity.

Candidates for the office of secretary are Lynn Cochran and Phyllis Clark.

Attention All Gems

All co-eds who have been initiated into “Gems of the Hills” since June 1969 are requested to meet in the lounge — across from the president’s office in Bibb Graves Hall — at 4 p.m. on Monday, April 14.

For Vice President

Doug Bevis

For Secretary

Lynn Cochran

Phyllis Clark

Gov. Brewer To Speak At Awards Day Friday

Governor Albert Brewer will be guest of honor here Friday, April 18 for the annual Governor’s Day activities.

The Alabama Chief Executive will also be the keynote speaker during Awards Day, which will follow his inspection of the JSU ROTC unit.

Gov. Brewer will inspect the ROTC beginning at 10:30 Friday morning. The entire ROTC unit will pass in review around Austin Meadows Circle.

As assembly will follow at 11 o’clock in Leone Cole Auditorium for presentation of awards.

A special musical rendering will be given in tribute to the governor by a JSU choir. The tribute was written by David Walters, director of the Southerners.

Gov. Brewer will then speak and make awards, along with Dr. Houston Cole. Gov. Brewer will give certificates to those who completed the initial law enforcement program, which was initiated here last semester.

Classes Out In May

The annual Alabama Federation of Women’s Clubs convention will be held on the Jax State campus May 7-9.

Classes will adjourn at 12:30 on Wednesday, May 7 and reconvene the following Monday.

Cancer Drive Underway To Honor J. Newman

Dean of Women Miriam Jackson spoke briefly to the April 7 SGA Senate meeting about the Cancer Crusade now in progress on campus. Speaking of the SGA as the “heart beat” of the campus, she encouraged the SGA and every organization on campus to participate in the crusade on a voluntary basis.

The SGA Senate voted unanimously in favor of naming the JSU drive in memory of Johnny Newman. Therefore, all contributions from the campus will be given in his name and will be known as the Johnny Newman Memorial Fund.

Money from the drive will be used for research to find the cause and cure for cancer. The seriousness of the disease is evident when an average of 900 people die daily of cancer. This is more than one every two minutes. More than 50 million Americans now living will eventually have cancer, which is approximately one in four persons.

The entire month of April is designated the time for the American Cancer Drive. A tentative hopeful for goal of $3,000 has been set for the Jax State campus. This amount was reached by combining the many group goals. The groups now contributing their chairsmen, and their goals are:

SGA: Roger Killian, $1,000; Young Republicans, Cheryl Duckworth and Chris Nichols, $100; Phi Beta Lambda, John Atvis, and Student Accounting Association, Jo Steele, $100; ROTC, Larry Blumenthal and David Bryan, $100; Faculty, Dr. Walter Ogilvie, TBA.

Alphic Theta Delta, Cheryl Vinson, TBA; Alpha Tau Omega, Keith Whitehead and John Atvis, TBA; Delta Chi, David Bryan, TBA; English Club, Linda Sulser, TBA; International House, Jo Jo Dowling, $50; Athletic Dorms, Tony Ingram, Stan Anderson, Ray Emanuel, TBA; Aberdeen, Sue Chaffin and Diane Gilbert, $100; Daughrty Hall, Cathy Oliver, $100; New Dorm, Mary Collins, $300; Rowan, Sheila Purman, $100; Weatherly, Glenda Wilder and Linda Sulser, $100; Clinton, Bob Hall, $100; Grahner, John Paul Jones, $50; Patterson, Carl Ferman, $20; Fannell, Linda Thompson, and Jennifer Gregg, $100; Curbing, Anne Arnold, TBA; SABRE, Le.

(See CANCER DRIVE, Page 3)
Annual Apathy

We would be somewhat out of tradition during the SGA elections if we didn't make the normal attack on student apathy. Altering this recycling tradition a little, the Chanticleer recently asked the six candidates (running for the Martin Union) who sought election to an SGA office. Most people, he says, have never seen the SGA constitution, and a lot of people don't even know what their representatives are.

With less than a month left in office, Killian, meanwhile, looked back on the past year and admitted that he, though one could ask him, "Are these people representing the students?"

He said, "people might hesitate to enter office, fear that if all the demands of his position had been made known to him prior to the election.

Referring to the experience he learned from current vice-president Roger Killian, presidential candidate Stew Gurley placed the problem on "lack of communication." Most people, he says, have never seen the SGA constitution, and a lot of people don't even know what their representatives are.

The possibility of campus organizations supporting candidates for SGA elections does seem to be a solution. The incoming administration might consider Killian's suggestion.

Letters To The Editor

Monday, April 11, 1969

Thanks

The Jacksonville Police and Fire Departments would like to thank those students who so willingly helped during the accident the morning of March 30. At the time of the accident, it was possible to get the names of these people, but we hope that those involved will read this letter of appreciation.

Cases such as this one are an opportunity to show young people are bad and that the younger generation isn't going to accept the responsibilities of adults. During the entire situation, each student helped ambulance, police, and fire units in caring for those involved in the accident.

And I use the inadequate words thank you, to express our deepest appreciation to each of you.

S. Strawnbrough

Concerned Student

On Monday, the last of March, there were three other concerned students attended a meeting of the Student Government Association.

As I walked into room in which the SGA was meeting, I noticed about one half of the chairs were not occupied. This really struck me as odd. There are more offices (all salaried) to be filled, two of which are unopposed.

On War And Peace

"The air is filled with evil dissent and it is around us minds are bents. Some are fighting, some are marching, and pleading and crying. Give it to God, they call. End this useless killing, The others want to stop, but we willing." Does any one of us think we can stop the fighting? Can they stop the fighting? Can they sincerely doubt for one 'Life', that they vedere the meaning of these words? How, to them, could war and peace be merely mere names used by one defended as easily as the other?

A mother who has lost her son, a father who before, a husband who for charity, soldiers fighting in a filthy jungle with death's breath always hot upon his neck, could tell you the meaning of these words. Who could possibly understand and consider any more than them?

I would like to ask these young marchers of today what peace is? It is not enough for them to go to their universities to get a good education. They seem soundly determined to make the daily headlines with marches and demonstrations portraying their presence in Vietnam. One of my philosophies in life has always been to try and never object to an idea unless we can present our solution to it. I deem it plausible to apply that philosophy to our Marching. Those who really rally their forces around the mixed conception that war is peace and peace is war should be removed from Vietnam. I wonder if they have considered the consequences of their removal? We surely don't have to conject about the end results. The Red Chinese have plainly told us they would dominate the world using Vietnam as a testing ground. If they can defeat us in Vietnam, they can defeat us anywhere. If from this, somehow, our young people have been misled into believing that it is that they may believe - that the only means of achieving peace in Vietnam is by the withdrawal of the American troops, then at face value this statement is quite correct. But will it prove true? True, we the United States would have washed our hands of the whole bloody mess. But would our hands be clean? Would our consciences be clear? Would the rest of the world, would the war be over? I muddle to think that we know. We have bled American blood in Vietnam would turn his back on an injured man calling for help. Why should we do any less? But, if our troops are still there, why not have received a single thing of any mention? They are supposed to be representation of our forefathers asking what is their peace and they sin. They sin and what they know they had to in order to keep their country and everything they held dear. They kept their peace and they paid for it. In doing so America became a strong country standing for all nations of the whole world who wanted to follow in her footsteps. Without realizing it first, America took the responsibility of helping and defending and any and all nations who want to keep their country and their freedom. Their freedom is our freedom and their peace is our peace. So today, in reality, we are not fighting for Vietnam's peace alone, but for the future of every one of any time need her assistance in fending and maintaining a country.

Johnny Newman
Cleveland Amory To Speak Here Tuesday

Author - satirist Cleveland Amory will speak at 7 p.m. on April 15 in the auditorium of the Student Commons Building.

Amory, who is an American social critic, will speak on the subject, "TV - The Medium Medium." His visit to Jacksonville was sponsored by the English Club and the public is invited.

One of the country's most widely published novelists, Amory is a regular columnist for the Saturday Review and This Week, the book editor of Cosmopolitan, and regular critic for TV Guide.

He is the author of three best sellers, "The Proper Bostonians," "The Last Resorts," and "Who Killed Society?"

His subject here will deal with TV's role in mass communications in front of a television camera, and a frank and funny discussion of what he himself watches for and what he watches out for on television.

Amory, a graduate of Massachusetts Institute of Technology, is a member of the Board of Editors of The Washington Times-Herald. Right out of college he became editor of The Saturday Evening Post - the youngest editor ever engaged by that magazine. His first book, "The Proper Bostonians," published when he was 29, is now in its 14th printing. Each of his books has been a best seller.

Plans Initiation
Pi Gamma Mu is planning a spring initiation. Any student who has at least 24 hours credit in social science with a B average and an overall B average is eligible for membership.

Any interested students should contact Dr. Robinson, head of the history department, before April 15.

Recital Set
Mr. Anger Butler, soprano, and Winfred White, tenor, will be presented in a joint senior recital tonight (Monday) at 7:30.

Roger Beshers, tenor, will be presented in a voice recital Thursday, April 17, at 7 p.m.

The recitals are required as a partial fulfillment of the requirements for the bachelor of arts degree in music.

The performances are scheduled for Mason Hall. The public is invited to attend.

KDE To Tutor
Members of KDE (honorary education society) will tutor freshmen and sophomores who are having academic difficulties.

Appointment will be arranged to avoid conflicts with the student’s schedule.

Interested persons should contact one of the following: Mathematics, Barbara McGee, 127 Rowan; Pam Vine, 325 Weatherly; Jane Gilbert, 131 Daugert, Business, Sandra Hunt, 110 Pannell; English, Brenda Gregg, 124 Pannell; Janice Turner, 217 Daugert; History and sociology, Judy Hillhouse, 240 Daugert.

There will be no charge for instruction.

Talent Show Winners
The SGA Talent Show was held recently and was termed a big success. A large audience turned out to witness the performance of local talent.

The winner was: Bill Phares, first place; Leroy Williams, second place; and Susan Pelham, third place.

Closed Circuit TV
System Expanding

By Larry Stewart

JSU TV is a going operation because people agree that it will go far to enrich and supplement the curriculum of JSU.

In the two years since its inception, JSU TV has expanded to include service to 20 classrooms in Bibb Graves Hall. The studio is now equipped with four color type black and white cameras, with provision to go to five. All cameras have fading effects and the number two camera is equipped for special effects. A 35mm projector, used in showing movies and filmed topics is, in essence, a sixth camera.

The fully equipped control room includes four video tape recorders -- two Ampex and two professional recorders and two Ampex 600 one inch. The Ampex 600 one inch is the heart of the closed circuit system in excess of $100,000. It was financed by Federal Grant -- Institutional fund-matching. The initial federal grant was for $45,000.

Credit for obtaining the grant for the TV setup must be given to Dr. Houston Cole, Solon Glover and Dr. Theron Montgomery. Dr. Cole originated the idea for a TV system for JSU and passed it on to Dr. Montgomery who wrote the academic rationale for the system.

The main purpose for the grant was to stimulate intellectual enrichment by assisting in the self-evaluation of professors, enabling all classrooms, with superior lecturing talents to take advantage of the system to reach a greater number of students.

The role of JSU TV will be to blend in with the existing educational structure.

At present, JSU TV has one hour a month on tape -- Mathematics 233. The course tapes are shown a total of six hours per day. Students hear the taped lecture twice per week in Bibb Graves Hall with questions and answers labs conducted on Tuesday and Friday. There are three classes of Math 233, totaling 270 students, being taught via JSU TV. Larry Sharpton (Director of JSU TV) and his assistants, hope that they will be able to put Instructional Media People to be ready for the fall semester.

Practice teachers are taped, sometimes in actual classroom situations, to enable them to evaluate their teaching skills. Various shows are done on a pick-up basis for any department requesting them.

Live programs are occasionally broadcast. In the past three weeks, two live programs have been broadcast. Dr. Nicholas Nygard spoke on Student Unrest and Rev. John Ebaugh and John Tadlock conducted a memorial service for the late Gen. Eisenhower.

According to Dr. Montgomery, many accomplishments in the last year can be credited to Dr. Al- ta Millican, director of Instructional Media for JSU.

As more and more progress is made, students at JSU will be increasingly exposed to educational TV made possible by our own JSU TV.

Ushers Club Elects New Officers

The Ushers Club of Jacksonville State has elected new officers for the coming year. They will be installed on April 25 when the Ushers Club has its annual banquet.

Elected as captain for the coming year is Jimmy Murray. He will be assisted by Tony Ballard who will be first lieutenant. Mike Moncus was chosen second lieutenant and he will serve as treasurer of the club. Jack Holcomb, who will serve as secretary, was elected first sergeant.

Anyone For Beauty Contests?

Any girl wishing to enter Miss Alabama-Miss Universe Contest may contact Janice Blackwood in 107 Weatherly.
Spring Gala Premiers

The JSU Dance Company will present its Spring Gala April 15, 16 and 17 in Leone Cole Auditorium. Performances will begin at 8 p.m. each night and tickets are $2 for adults and $1 for children under 10. Tickets are available at the First National Bank, Boozers Drug Store, and the Physical Education Department of JSU.

After an extremely successful debut of the Dance Company in December, 1966, Mr. Darius Hochman is pursuing his endeavors with the company by preparing a spring concert. Included in the performance will be Miss Helen Dexter of the Alabama State Ballet, performing “Lotus” in the newly choreographed ballet, “The Peruvian Legend.”

Dillon’s Work Is Shown

John Dillon, JSU art instructor, has been invited to exhibit in the 45th Annual National April Art Exhibit at the Springville Museum of Art in Springville, Utah.

Mr. Dillon’s work is small (27” x 33”) con- structs made of paper and textured and textured mache and pieces of painted and textured masonite. The construction is titled “Coming Down The Road”. The work will be on exhibit in the museum through the month of April.

The “Spring gala” will present dance ranging from musical comedy to jazz, folk – dancing to classical ballet. The program is adapted to suit the tastes of all who enjoy any form of dance.

For further information, call 435-9820, extension 281 or 291.

Play Set By Masque And Wig

The Masque and Wig production “Witches Have No Sense of Humor” is scheduled for performance in LCA for April 23-25.

The play was written by Kathy Taffee and Terry McCall, both Ajax State students.

Mrs. Janet LeFevre is directing the play with Tommy Doss serving as assistant director.

In addition to speaking parts listed in a previous Chanticleer are the following ballroom dancers: Kathy Bagley, Patsy Johnson, Sherry Smith, Elaine Templeton, Angela Trammell, Wayne Hamilton, Tommy Doug, Jackie Pope, Paul Merrill, and Peggy Dillon of the Alabama State Ballet and Darius Hochman, director of the JSU Dance Company, are shown above.

Religious Emphasis Week Set

Religious Emphasis Week will be held here April 27-30 sponsored by the Inter - Faith Council of JSU. Wayne Lack is serving as student chairman.

“Gotta Be Me” is the theme for this year’s activities, which get underway Sunday night, April 27, in the new Student Commons Auditorium.

Special guest speaker will be Grady L. Nutt, director of college relations and associate director of the Billy Graham Chair of Evangelism Endowment Campaign.

A series of seminars and other services have been planned for the week.

Be Kind To Animals Week

Christian Student Fellowship 7:00 | 10 |

12:30 classes dismissed Federal Women's Clubs Convention

Federated Women's Clubs Convention

That was the week that almost won.
Johnny Newman, a three-year starter at guard on JSU's football team, died in a Gadsden hospital Saturday, April 5. Newman, a Hartselle native, became ill during a Thursday practice session.

An advanced case of Acute Leukemia was reported to be the cause of death.

Head Coach Charley Pell said, "It's really hard to express my feelings. It's such a shock and so hard to believe that Johnny is no longer with us. He was a fine young man in every respect, one of those boys who did everything you asked of him and then did a little extra."

"I know it is hard for myself and the other coaches to realize that Johnny Newman has passed away. We had a meeting with the squad this morning and told them about John's courageous battle. He fought back time and time again when there seemed little hope and I think that is typical of the young man he was.

"The loss of Johnny Newman will be felt by the many, many people who saw him play, and particularly by his teammates."

Dr. Houston Cole said, "We at Jacksonville State are deeply shocked over the untimely passing of Johnny Newman. Johnny was a fine student, a fine boy, and a fine athlete. We all want to express our deepest sympathy to Mr. and Mrs. Newman and the family who are bereaved at this time."

Funeral Services were held Sunday in the Gadsden area.

Newman and Andree Lipham of Oxford had planned to be married August 14.

Linebackers Praised For Monday Practice

Jacksonville State's return to the practice field after four days was a pleasant one for head coach, Charley Pell here last week.

"We were happily surprised to see them come back in such fine fashion," Pell said after practice. "And you might say the drill was one of the best we've had this spring. Everyone seemed to put forth a lot of effort."

One of the big reasons for Pell's optimistic thoughts was the play turned in by the Jax linebacking corps.

(See LINEBACKERS, Page 7)

Track Team Makes Comeback; Daniels Heads Jax State Squad

The Jacksonville State University track team after being dropped from the athletic program here at the university last winter is making a strong comeback. The team hasn't won a meet yet in the first two outings, but track followers here at the university are optimistic.

Coach Seldon Daniels volunteered his services last winter to the seemingly lost track cause and has built a respectable team to carry Jacksonville's colors.

Daniels points out that the team has a great number of freshmen and sophomore participants, and says in two years Jacksonville will have a team that can compete on the level with the rest of the Alabama Collegiate Conference track squads.

Daniels working with extreme handicaps has done a fine job. For starters he had to work out a schedule. It includes only three home meets, but it is a schedule. The Jaxmen have jumped from one practice field to another in their efforts to find a suitable place to practice. They are now running their home meets at Oxford Stadium and still have to practice whenever they can find a place with the proper facilities especially the field events.

In Jacksonville's two triangular meets this spring they have stopped both times. The first meet was a triangular affair with Georgia Southwestern taking top honors accumulating 89 1/2 points. Jacksonville's second position was with 72 1/2 and Malone College was a distant third with 60 points.

In the meet, Jax (See TRACK, Page 7)

Netters Break Ice

After suffering three close defeats, the JSU tennis team toppled the St. Bernard losers by a score of 6 to 3. Jax State captured five of the six singles matches and one of the three doubles.

Jerry Gist, Steve Gurley, Chris Frankenhaus, Bill McCargo, and Jim Neff all won their singles matches while suffering only one defeat in the singles bracket.

St. Bernard did a little better in the doubles matches as they won two out of three, but it wasn't enough to overcome the lead built by Jax State. Gist and Neff were the winners of the double match for Jax State.

Final score was Jacksonville 6, St. Bernard 3.

Before the victory last Tuesday, Jacksonville State University suffered three setbacks against some strong opposition.

The losses were 5-4 against Huntingdon, 5-4 in the match with Florence State and a 6-3 setback in a rematch with Florence.

In the first four matches, the singles records for the Jax netters were: Frankenhaus (2-0), Gist, and McCargo both (3-1), Byron Brant (2-2), and Gurley and Neff both posting 1-3 records in the previous matches.

Jax hasn't done as well in the doubles matches as they would like, but the doubles team of Gist and Neff remained undefeated with a 3-0 record while Gist and Carl Howard won their only doubles outing also.

The Jacksonville State netters will be on the road this week with matches on Monday, Wednesday and Friday before returning with a home match against Huntingdon next Monday on the 21st.

Quarterbacks for this year's football team are from left to right: Bill Lynch, Pensacola, Florida; Doc Lett, Glencoe; Billy Henderson, Decatur, Mississippi; Mike Kelly, Montgomery; and Assistant Head Coach, Ron Haushalter, Valley Head.
With The Greeks --

By Kaye and Faye Thompson
Chanticleer Staff Writers

Omegu Kappa's new pledge class has elected officers. They are pres., Danny Hicks; vice-pres., Lewis Hobb; sec., Mike Smith; and treas., Doyle Creel.

Last week a member of Kappa Alpha who is also a bishop of the Alabama Episcopal Diocese, George Murray, visited the OKs. He gave an encouraging talk to the fraternity.

According to OK president William Jones, the "first annual spring event" will be coming up shortly.

Spring is the time for merry-making, and the Delta Chi's have been helping spring along. They have helped out with their house, where some refreshments were enjoyed. Randall Bain surprised the group with Debbie Naugher making it to the top of the kitchen table when it had abandoned him. This caused instant reaction: screaming and almost climbing the walls! Debbie Naugher made it to the top of the kitchen table when it was announced that Tau and Omega, brothers of Alpha, had been missing for several days!

On April 7 the Fuzzies and Omega Kappas joined together in an informal party at the OK house. The AZDs showed their spirit by teaching the OKs a favorite song.

A party with Phi Chi is planned for tomorrow night. Alpha Xis are working on the cancer drive among other current projects.

The sorority is planning a tea for their parents on April 20. A founder's program will be presented at the tea, in honor of AZD's national founder's day, April 18, 1893.

Phi Chi has completed a successful rush, ending with an active-pledge dinner on April 9.

New officers have been elected by Alpha Tau Omega. Rick Wyatt heads the list as President. Other leaders are Doug Heris, vice-pres.; Tim Spring, sec.; and Russ Greenhaugh, treas.

AZD's rush begins tomorrow. According to Mac Downs, rush chairman, several parties are planned, including a skating trip to Logan Martin Lake.

Everybody is looking forward to the annual ATO Viking party coming up at the end of April.

Plans were finalized this past week to establish a Zeta Tau Alpha colony on campus. Mrs. D. McDonald, and Mrs. L. Morgan of Birmingham were at Jax on April 10 as representatives of national Zeta Tau Alpha. Tentative plans call for pinning of ribbons on the new Zeta rushers sometime this week.

Jax Splits

The biggest news coming out of the double-header between Jacksonville State and St. Bernard is that the second game of the twinbill will probably have to be replayed.

The Saints came out on the top end of the score, 5-4, but the umpire made a ruling that cost JSU a chance to win the game. JSU coaches filed a protest on the game.

Jacksonville State won the opening game, 3-0, behind the fine pitching of Jeff McCool who allowed only a couple of scratch singles.

Eddie Isbell walked to open the seventh and would have been the tying run had things gone according to schedule, but he was called out at first by the umpires who stated he had not reported in the game. According to the rule book, a pinch hitter does not have to report, thus the game will probably be replayed.

Jacksonville's split with the Saints, should the protests be upheld, gives the Gamecocks a 4-3 mark for the year and 4-3 in the conference.

In the first game, McCool struck out four and walked two in getting his third win of the season.
Portfolio
Masque And Wig

Members of the JSU Masque and Wig have been on the stick -- broomstick, that is -- in preparation for the forthcoming production of "Witches Have No Sense of Humor" April 23-25. This week's Portfolio attests to the elaborate costumes which will be used in the production. The play was written by two JSU students, Kathy Tafiee and Terry McFall.
