NEW WAITRESS IN CHOW HALL — In order to entice more students to eat in the cafeterias, lovely Miss Gloria Connell, our current Gem of the Hills, has been employed to don a Bunny costume and serve as waitress. P.S. April Fool.

Buddy Cornelius Is ACC's Most Valuable

For the third year in a row the Jacksonville State Gamecocks have furnished the Most Valuable Player on the Birmingham Post-Herald All-Alabama Small College basketball team selected by the coaches of the small colleges and the sports department of the Post-Herald.

Buddy Cornelius, the terrific rebounder who sat an all-time rebounding average of 17.1 for the season were teammate Terry Owens’ "Angels" and fast-breaking Rob Reaves or Ruben Durham. "Buddy" gave up scoring to rebound for us and that was the key to our win — another 15,000 Victory March.

Cornelius established a new single game record at Jacksonville State besides the 15,000 record when he claimed 31 rebounds against Athens, breaking Terry Owens’ 1965 record of 39. He scored 399 points for a 149 clip.

Students Ask Dr. Cole For Resignation

Several hundred students recently asked for the resignation of College president Dr. Cole.

A long list of grievances were presented to Dr. Cole the primary one being that the president had lost touch with the student body and wasn’t concerned with the students.

When contacted about the matter, Dr. Cole said he had no idea the students felt that way and he is anxious to cooperate with the students.

The issue is still up in the air at press time.

Open Letter To JSU

Dear JSU Students:

I want to take this opportunity to express my gratitude to the administration of Jacksonville State University for going along with the Student Government Association in adopting the new curfew hours for women.

We have been working with the administration constantly during my administration to try and work out a feasible rule change in order to allow women to visit men’s apartments. After many long hours of meetings together we came up with a rule that would allow senior and qualified junior women to visit male apartments if they had written permission from their parents to do so.

I felt that the administration met us halfway and we met them halfway. This is all that I have ever asked them to do and they have tried to do so in all of our dealings together.

After we had begun to make plans to set the apartment rule into motion some members of the SGA felt that this was not being fair enough to the majority of our women students. We discussed it in Senate meeting and decided unanimously that if the Administration would go along with the new curfew hours in lieu of the apartment rule change which they had previously agreed to put into effect that we would rather have the curfew change.

The executive officers then met with the deans of the university and asked if they would go along with this and they agreed to do so.

Again, let me thank the administration for being so cooperative with us.

Ronald J. Smitherman, SGA president

Carlisle To Represent JSU In Beauty Contest

Miss Sharon Carlisle was chosen the JSU representative in the Miss Alabama Universe Contest by the SGA senate. Miss Carlisle will go to the University of Alabama in Tuscaloosa to compete with other young ladies from all across the state. The pageant will be held at Memorial Coliseum on Wednesday evening, April 30, which will be viewed by an estimated 15,000.

The Miss Alabama Universe contest is a "beauty pageant" under the authority of Miss Universe International, New York, N.Y. The pageant has no "song and dance" requirements.

As Miss Alabama — Universe, 1969, is crowned, she will be serenaded with "Carlisle, Page 7"

MS In Bio Program To Be Offered

A master of science degree in biology will soon be offered at the first time ever.

Dr. James A. Reaves, director of the graduate division, said the new program will begin with the summer semester, 1969.

At present, graduate level biology can only be taken as a part of an education degree, not as a degree program on its own. Detailed information about the program may be obtained by contacting Dr. Reaves or Ruben Boozer.
Letters To The Editor

YWCA Housing

Dear Sir:

For housing women coming to Birmingham to work or to attend business college is available at the Young Women's Christian Association. The YWCA Building which is 10 stories has under one roof a swimming pool, gymnasium, dance hall, cafeteria in addition to double and single bedrooms.

The location at 309 North 23rd St. is withing a short distance of downtown business, movies, churches and businesses.

Weekly usher activity is planned by a group of residents who invite resource people on many varied subjects from the community.

This is easy to find wrong, but much harder to suggest a way to make it right.

One is easy to find wrong, but much harder to suggest a way to make it right.

Yours truly,

Interesting Mail

The mail which the Chanticleer receives never fails to amaze us.

Today's mail brought a letter from a student attending college in Calif., which offered ordination services through the mail.

This letter explained that anyone wishing to become a minister of their own church or religion could do so by simply writing them, in turn, they would be ordained through the mail via a letter.

The ordained minister could then enjoy performing marriages, officiating at funerals, and the like.

The letter added that ordained ministers' railroad and airplane fares were half that of other people.

There is also an outfit in California which offers a honorary doctorate degree for just a mere $1.

Girls Invade Dorms

Girls at the University of Alabama can now visit boys' dormitories.

According to a new ruling, the coeds can visit dorms during specified hours, and only on weekends.

The new policy, McLeod assistant dean of student housing, said the new policy added to whether or not doors have to remain open when coeds are visiting a young man.

McLeod said the new policy reflects a trust in the students and their part of the University.

Just how much they trust the students is open to question.

The new ruling has been in effect for about a month and there have been no problems with the new ruling.

Science Fair

The Northeast Alabama Regional Science Fair was held Friday and Saturday, March 26-27.

Over 300 high school and junior high school students from 10 county area entered science projects in the fair.

 Held in Martin Hall, the seven areas of competition included: Botany, Zoology, Chemistry, Earth and Space Science, Physics and Mathematics.

From My Point Of VIEW

Part I

Much controversy has risen lately as to the merit of ROTC Program. Arguments have been voiced for and against ROTC.

Those who are critical agree that ROTC has made many allowances without substantial proof to back up their statements. One big kick for the negative side is that ignorance could be easily turned into apathy and there is a real risk of the blind obedience that must be followed. They contend that following the rule of the point of no control is foolish. They say it seems to stifles initiative and therefore an apathetic situation arises.

One of the main goals in training reserve officers is to make leaders. But this cannot come about unless they learn to follow first. Whether the person is an officer or enlisted man, he has to learn to take orders before he can give them. It would be a paticular situation if the person had been trained in combat to lead his men to safety, and they decided not to follow his orders. The officer then has no choice but to go on by himself and the men under him questioned his orders, they might not be around the next time to ask if he was making the right decision.

Obedience is necessary and vital for leadership in a case as previously mentioned.

ROTC is just one of many programs that different armed services have to indoctrinate a prospective leader with certain needed essentials for the armed forces. More next issue...
Ahomen and Verano Of IH Speak To KDE

Elvi Ahomen from Finland and Patricia Verano from Massachusetts, both members of the Kappa Delta Sorority House Program here at JSU, were guest speakers of the Kappa Delta Sorority House Thespian on March 3, 1969.

Elvi spoke on the edifice of the sorority house, its catering customs, food, family life, and religious customs of Finland. Patricia talked about her experiences in the national system and many aspects of the Columbian way of life.

It was interesting to see how education and life in the United States is different from and like that of Finland and Colombia. The K.D. has been very active this semester. The Dormfest entertainment was a Christmas Banquet at the Downtown in Aniston. The guest speaker was Dr. Theron Montgomery. He spoke on the expanding curricular and future growth of the college. The K.D. is growing so rapidly most of us do not realize what is hapenning.

On Valentine's Day, the KDE carried favors and fruit to the nursing home in Aniston. The committee members deavor turned out to be very successful, and all participants thoroughly enjoyed themselves.

Several projects are well on the way to completion. Past copies of the "Current," the KDE National Magazine are in the process of being bound for presentation to the Romona Wood Library.

Two tutoring programs were started on campus. KDE members tutor students at the Jacksonville Elementary School, and "The Abingdon School" program is for students here at JSU who need help. KDE members are working with students desiring this help should contact Joyce Lloyd in the Student Union.

The KDE was responsible for decorating bulletin boards next to the Edmondson Library. They also decorated the L. B. Sullivan Hall. Also, a tin of favorite sayings, quotations, and jokes are being compiled for benefit of soldiers in Vietnam.

New KDE officers for the 1968-69 year were elected at the March 5 meeting. They are as follows: Glendicee Milliamson, president; Patricia Ann McNeil, vice-president; Bobbie Jean Williams, first vice president; Rosa Reed, second vice president; Martha Davis, secretary; Mary Alice Graves, treasurer; and Sheila Bolden, historian. These new officers and the new K.D. members will be initiated at the next meeting on April 2, 1969.

Famed jazz drummer, Joe Morelo, will conduct a clinic here April 7. For details, see page 5.

Gamecocks Split In ACC Twinbill

Pitching may be the same of the game in other leagues but that phrase certainly doesn't hold true in the Alabama Collegiate Conference. At least it seemed that way Saturday afternoon when ACC rivals Jacksonville State and Florence State combined to score 24 runs in a doubleheader.

The Lions ripped Jacksonville, 12-3, in the first game of the afternoon while the Gamecocks came back in the closing game to take a 7-2 victory and a split in the conference twinbill.

For Florence State, two clubs banged out a grand total of 32 hits with the Jaxs taking 18 of them. Seven pitchers went to the hill in an effort to stop the slugfest, but only two -- Lowell Tew of Jacksonville and Florence's Bob Persons, double; Roy Bonds, single; and Jim Phillips, single -- played a role in the Gamecocks' victory. Tew's two singles was tops for the visitors from Florence.

Jim Phillips of Jacksonville led all McColl's with four runs and two runs in the first inning, four in the fourth, and one in the fifth to stop the Lions who tallied their only two runs in the first stanza. In the fourth, Hester homered to open the frame while Tew followed with another, driving in Jerry Bresnahan who walked to reach first. Tony Collins later drove home Bill Ashley for campus. Jim Phillips also walked to reach the first sack.

Top hitters for Jax State in the victory other than Tew and Hester were Steve Persons, double; Roy Bonds, single; and Jim Phillips, single. Florence's two singles was tops for the visitors from Florence.

The first game was a different story altogether for Jacksonville State, as everything went right for Florence and wrong for JSU.

The Lions pushed across eight runs in the second stanza and the contest, for that matter, was over. Jeff McColl, Jax State's ace southpaw, had his worst day in a JSU uniform as he seemed to have his usual "stuff."

The big rally came on six hits and was capped by three JSU errors. Florence's Tom Jacobs was the top star at the plate for the Lions with three RBIs on a three-run homer while the winning pitcher, Bob Tate, rapped a single and a triple. Tate gave up eight hits and fanned three Jax batters to post the win.

In addition to the players listed above, other letterman returning include Billie Henderson (QB, Dothan, Ala.), Herb Winn (FB, Bremo, Ga.), Charley Henderson (KB, Mobile, Ala.), and Preston Newmann (Punter, Hartsville).}

New Offense, Defense Slated For Spring

Installing a new offense and defense plus experimenting with several position changes will be the task facing Jacksonville State University's new coaching staff this spring.

The Gamecocks, who began spring drills today, will work five days each week with the climax slated May 3 when the Jaxmen stage their annual J-Day Game.

Three fourtours of last year's backfield will be on hand for the first practice in addition to a host of other offensive starters. Several veterans return on defense.

Cornelius (Cont. From Page 1)

Making the second team were Bill Brandle, Jackson-ville State; Mallory Cheatum, Tuskegee; Ed Phillips, Alabama A & M, Karl Kelson, Samford; and Russell Thompson, South Alabama.

Shown above are two Jacksonville State University pitchers in action against Florence. They are: left-Mike Drescoli and James Thompson.

In addition to the players listed above, other letterman returning include Billie Henderson (QB, Do- char, Miss.), Herb Winn (FB, Bremo, Ga.), Charley Henderson (KB, Mobile, Ala.), and Preston Newmann (Punter, Hartsville).}

Jax Bombs BS; 15 Hits

The Jacksonville State Gamecocks womended three Birmingham Southern pitchers for 15 hits last Tuesday to pound out an easy 18-2 victory in Birmingham. The win was the Gamecocks' third against one loss, while Southern's record went to 2-4.

Harry Douglass worked eight scoreless innings before retiring in favor of Gary McNally who followed a pair of consolidation runs in the ninth frame. Jimmy Pickle ignited a second inning seven run rally with a bases loaded single, after a point, and Adam was aboard. Charles Rhinehart also homered to give Jacksonville State a 5-0 lead. Adam then scored three times and also singled in the Jax barrage.
Speech Workshop is Scheduled For JSU

A special three-day workshop on Speech Education will be conducted April 7-9.

Dr. Paul B. Brandes of the University of North Carolina and Dr. Marion Robinson of Goucher College will serve as special consultants. Participants in the workshop will be key teachers selected by the superintendent.

New Offense

This year with the addition of Northwestern, La., Western Carolina, and Southeast Missouri, missing from last year's slate are Newberry, Louisiana College, and Chatta Nooga. JSU defeated Berry and Louisiana College last fall while losing to Southeast Missouri. Miss-Livingston, Florence, and Alabama's loveliest.

The Jaxmen left 13 men on the diamond for the second day afternoon for a 10 inning decision as Larry Long, reached first an an estimated cost of $50. The delegation will carry the request of coach Map Hayes, a right hander, was credited for the victory.

Robinson of Goucher College and Dr. Marion Robinson is professor of speech at the University of North Carolina. He received his master of arts degree in speech at Goucher College.

His published writings include "Oral Communication," "The Special Interpretation of Literature," and "The Special Interpretation of Speech.

Dr. Robinson is professor of speech at Goucher College, Maryland. She received her master of arts degree from the University of Denver, and her doctor of philosophy from the University of Wisconsin.

Dr. Robinson has been active in speech associations throughout her career.

She is the author of numerous books on speech, including "Poetry for the Speech Choir," "Poetry and Radio," and "Women to speak Chorally.

The workshop is being co-sponsored by Jacksonville State University and the State Department of Education, Mrs. Ernest Stone, principal of the Jacksonville Elementary School and Mr. Dorothy Schwartz, speech-drama consultant, State Department of Education, and Mr. Dorothy Schwartz, speech-drama consultant, State Department of Education.}

Capt. Michael D. Hughes, center, receives congratulations from JSU president Dr. Houston Cole for recently contributing an article to "Armor", a national magazine on mobile warfare. Capt. Hughes, a member of the ROTC staff, wrote the article on "New Problems from Subterranian Discovery."

Organizational Success

(SGA (Cont. From Page 1)

The conference last year and reported it as being very beneficial. Some of the worthwhile contributions of the conference included ideas as family evaluation and the student association.

A tentative budget for a total of $420 was approved by the senate at the February 23rd meeting. The budget included $100 for registration ($20 each for 6 students), $12 lunch ($50), $20 gas (2 cars), $40 meals ($10 per person and $10 mail).

The delegation will carry a display including such items as a Mimosa, J Book, "Cherish," and "The Winning of Our Lives."" The signs were made for the special event will be chosen as the state's favorite. The delegation will carry a display including such items as a Mimosa, J Book, "Cherish," and "The Winning of Our Lives." The signs were made for the special event will be chosen as the state's favorite.

Judging of this year's contestants, headed by Birmingham T.V. personality Tom York, involves three basic categories of competition: poise, evening wear, and swimsuit.

From the thrill of the Miss Alabama Universe Pageant 1969, one will be chosen as the state's favorite, but for all of the worthwhile contributions of the conference will be a special event to be long remembered.

We had originally planned to run a special portfolio on "Springtime at JSU" this issue, but it turned wintertime again before our photographers had a chance to shoot any pictures. So we're running a conglomerate of photos which have accumulated during the past few weeks.

Photo at top shows Gamecock Wayne Hester about to be congratulated by teammates in the first baseball game of the season. Hester was not as fortunate in his next time at bat, as he was hit by a pitch which broke his jaw. The center photo shows the newest fraternity--ATO--in their official photo. Those older fellows in the rear are honorary ATOs. Photo at bottom is an interesting shot of the construction going on at the new administration building. Photo directly below is Miss Janice Blackwood of Gadsden, who was recently selected Ushers Club Sweetheart of 1968-69. And finally, the bottom photo is of Regina Lewis. We chose to run it to keep down reports that we don't ever run pictures of freshmen.
