Rep. Nichols Speaks To International Students

U.S. Rep. Bill Nichols says an upcoming report by a sub-committee of the House Armed Services Committee investigating the capture of the intelligence ship Pueblo by the North Koreans will be "critical of some people in high places." Rep. Nichols made the remark to students here at the International House, which serves as a sub-committee investigating the Pueblo incident and says the report will be made public soon.

The Fourth District congressman — on a two-day visit here — also presented an American flag to JSU on behalf of the U.S. Air Force. The flag, which has flown over the nation's capital in Washington, is a gift to the school in recognition of the outstanding ROTC unit on campus.

"I am honored to make this presentation on behalf of the Air Force," he said, "and it is a deserving reward to your time ROTC program on campus." Lt. Col. Leonard Folk, commander of a USAF Recruiting Unit at Gunter Air Force Base in Montgomery, represented the Air Force.

Concerning the upcoming report of the Pueblo, Nichols said his committee "thinks there was error in the judgment of some high ranking military officials in the seriousness of the mission."

Last week the Secretary of the Air Force presented an American flag to the nation's capital in Washington, is a gift to the school in recognition of the outstanding ROTC unit on campus.

SGA Tells Officers For Summer

The SGA held an informal meeting last Monday night for the purpose of discussing the insurance and class ring franchises on campus. The SGA officers for the summer semester were also announced.

It was decided to permit Billy Faxon, a representative of National Educators Life Insurance to continue as agent for student medical insurance on campus.

The right to sell class rings on campus was left undecided until a possible meeting tonight.

This was to allow Steve Murray of the SGA, president, to continue talking with the two ring companies currently trying for the franchise.

The summer SGA officers will be Sam Spruill, president; David Hales, vice president; Joyce Boyd, secretary; and Lynn Cochran, treasurer.

Officers Are Elected For 1969-70

A total number of 535 voters turned out Tuesday, May 13, for the election of class officers.

Two positions, senior class secretary and junior class secretary, required a runoff vote the next day.

The results for the senior class were: president, Tony Ballard, 109; vice president, Richard Allen, 129; senior class secretary, Joan Foster, 98 (51); treasurer, Monte Faxon, 107; editor, Terry Sale, 134.

Senior class secretary (runoff figures in parentheses): Joan Foster, 98 (51); Nancy Tate, 74 (71); Chris Williams, 31; treasurer Linda McCullough, 116; editor, Terry Sale, 134.

Senior representatives (two positions): David Goldman, 156; Michael Hoxie, 103; Richard Wyatt, 76.

Over 400 To Graduate From JSU On May 31

Spring graduation exercises will be held at Jacksonville State University on May 31st, at 6 p.m., in Paul Snow Memorial Stadium.

The largest graduating class in the school's history, over 400 students, will receive their diplomas and hear the commencement speech by the Right Rev. George Monce Murray, Bishop of the Episcopal Diocese of Alabama.

Earlier in the day, 18 advanced ROTC students will be commissioned lieutenant in the U.S. Army. This program is set for 3:30 p.m. in the auditorium, Student Commons Building.

Rev. Murray became Bishop of the Diocese earlier this year, after serving as Bishop co-adjutor since 1959.

A graduate of the University of Alabama, he holds honorary degrees from the University of the South, St. Bernard College, Virginia Theological Seminary and the University of Alabama.

At the graduation exercises, Edward V. Elliott of Gadsden, and Nancy Kaye Cooper of Boaz, will be recognized for maintaining the highest academic averages during their four years at JSU. Elliott has a 2.79 average and Miss Cooper maintains a 2.77 average.

The 18 ROTC students to be commissioned include: Larry D. Anderson, Jacksonville; Jackie M. Boozer, Jr., Jacksonville; William I. Boozer, Anniston; Charles E. Brown, Dothan; David Hale, Heflin; Danny E. Schrimer, Jacksonville; Johnny J. Shelton, Jacksonville; Ronald J. Smith, Anniston; and Mrs. Nancy Tate, 74.

Letters To The Editor

Doss Strikes Again
Dear Editor:

The cover of the "Mimosa" feels rough and checky. But it is very expensive to import.

The cover is really quite unique. The cloth is Egyptian papyrus flax. It costs 22 cents for 15,000 yards.

The brown specks are insect traces which come free with no optional cost. Well, you can't tell a book by its cover.

T.A. Doss

Reply
Mr. Doss is entitled to his own opinion and we respect that right.

However, the praise for the "Mimosa" far exceeds the complaints, according to what the Chanticleer has heard.

Thanks From Amory

Dear Dr. Cole,

My visit to Jacksonville State University to cover the AFWC Convention was such a pleasure I have to say thank you personally.

It was wonderful to be with all those fine, happy young people. I don't think I have ever seen anything more thought provoking than that stage filled with the young people from the International House.

I'm sure every woman who came to Jacksonville State must have felt how wonderful it would be if the young people on every campus in the country went about their business in the same manner and with the genuine concern for their fellow students as at Jacksonville State.

Sincerely, Elma Bell

In response to an inquiry about the number of graduates from Jacksonville to whom the graduating seniors, particularly the lovely ladies and the gentlemen, would like to send their congratulations, the following letter was received by Dr. Houston Cole shortly after the Alabama Federation of Women's Clubs met here during the first of May.

Looking Back

The past three years have brought many joys and disappointments to me while I have attended Jacksonville State. Excluding academics, many extracurricular activities have added greatly to my enjoyment at JSU. The challenging objectives that were set forth leave many fond memories. Goals that were not attained leave much incentive for later years. In passing, I would like to comment briefly on some of the persons and places that linger in my thoughts.

Instructors

To single out any one instructor or professor and tell of his favorable attributes would be foolish. Approximately 99.9 per cent of the teachers I have had are (in my humble opinion) somewhere between excellent to outstanding. Many have gone out of their way to help me when I needed it. Others have shown kindness that I will long remember. The understanding that others have displayed show just a few of the many favorable traits they possess.

Growth

In my three years at college, my outlook on life has grown in proportion to the physical structure.

Enrichments

The academic and social environments have been many and varied. The social functions have been few in comparison to the academic fulfillment. The well balanced program offered to the students seems to meet more sense than it did during my freshman year. Concerts, plays, and other types of cultural events have contributed much in appreciation of the finer things in life.

Administrative Officials

I have had several encounters with different administrative officials since matriculation. They have always given of their time to listen to my complaints and assistance was present when needed. Although I tend to lean toward the loft, I honestly feel that a person that has to travel a road before he can sit in judgment. Experience does not always prove to be the right answer, but it does seem to hold the edge for those who do not possess it.

Food Service

Many complaints have been set forth concerning the food in the university cafeteria. I have listened to the various arguments and have found very little validity on the negative side. When I was serving my active duty in the Navy, my favorite complaint was the food. I felt (at that time) we had a just argument. When one is in the middle of the ocean for thirty days at a time, good food is hard to come by. So much for sea stories. The point is that food at Jax State is one-hundred per cent better than in the service. Considering the problems of feeding a few thousand students, I feel the food is very good. At least, I eat a good deal of it. As for the service, it could not be better unless they served the student like in a restaurant. Several times I have been too late for upper and the workers in the cafeteria have been kind to me. I do not have much incentive for later years.

Non-categorized

A few individuals and business firms seem to stick out above others. Crow Drug has one of the finest inns in town. The service is quick, and the drug store seems to make more sense than it did during my freshman year. Concerts, plays, and other types of cultural events have contributed much in appreciation of the finer things in life.

In Closing

Writing for the Chanticleer has been a real pleasure. The many contacts encountered has enriched my outlook on life. I could not have done the many different persons that have given me help and assistance when I needed it most.

The gratitude I hold for these persons can never be expressed in words, but I somehow feel they know of my appreciation. I would like to give a special thank you to the readers of the Chanticleer who have come and let me know they appreciate the University newspaper.

When August arrives, I will hopefully complete my second objective of aspiration. I sincerely hope that each of you will attain your objectives in life.

Another time and place, . . . .

Phi Chi initiated their pledges on May 15. New actives are Gary Arvett, Gary Brown, Skip Adamson, Larry O’Barr,rat Murphy, Joe Smith, Luke Thornton, and Harold Sweat.

The Phi Chi’s first annual Gold and Garnet Ball was held Friday, May 16 at the Downtowner Inn in Anniston. A buffet dinner began the evening. The after dinner, several dignitaries were announced as the Board of Governors: Col. Forrest Wells, Capt. Frank Gamble, David Pearson, Dr. Calvin Wingo, Dr. Harry E. Rose, Mr. Leslie Waltman and Rev. R. L. Archibald.

New officers were also sworn in. They include Len McCauley, Pres., Ted Craig, Vice-Pres., Joe Funderburg, Rec. Sec., Gary Brown, Corr. Sec., and Rodney Burgess, Treas. Awards were given to Len McCauley for best Active and Most Outstanding Member, Skip Adamson for Most Outstanding Pledge, Ron Brinker for Highest Scholastic Achievement, and Larry O’Barr for Best Fiddler.

After the ball, the dance got underway featuring music by the Circle. The lead-out consisted of presentation of the little sisters: Mrs. Jamie Brown, Mrs. Nell Craig, Mrs. Gracie McCall, Mrs. Randi McCauley, Mrs. Jamie Brown, Mrs. Nancy Burgess, Mrs. Mary Pearson, Mrs. Jack Pearson, Mrs. Harry E. Rose, Mrs. Junie P. Sweat, Mrs. Nellie Sweat, and Mrs. Helen Sweat.

New Phi Chi pledges include Bob Ellis, Pres., Larry Stewart, Vice-Pres., Buddy Rogers, Sec., Scott Collins, Treas., and Bill Armstrong, Charles Morgan, Gene Stokes, Steve Williams and Hank Williams.

Presently Phi Chi is communicating with Birmingham Southern, Auburn, and other universities in hopes of attaining a colony in fall with Phi Kappa Alpha national fraternity.

Congratulations to Larry O’Barr who will be the Jax State Gamecock next fall with the cheerleaders.

ATO was happy to initiate its Little Sister program by selecting 20 little sisters. Accompanying these selections was an informal rush brought the AZD’s newest actives to the house. Presently, ATO is happy to announce that they will have their first annual Little Sister program soon.

Congratulations to ATO pledges Randy Knox and James Ledbetter, who were chosen cheerleaders for the coming year and Larry Daniels, who was elected president of the Sophomore class. Also congratulated is Jim Moore, who was awarded a ROTC scholarship.

Alpha Xi Delta ended the year with a farmer’s May 15 at the Circle V Ranch. After a winter roast around a bonfire, the sorority members and their dates enjoyed such pasttimes as a feed sack race, piggy-back riding, and telling ghost stories. Also there was a contest to see which group could make the best fire back-to-neck faster. Allen Crow, David Cunningham, and Steve Stanley played guitars and led the group in singing. It was the most fun,” according to Frazier.

Alpha Xi is proud to announce that Mary Slag is next year’s Junior Class Sec. and that June Godfrey will be a cheerleader. Congratulations!

A recent informal rush brought the AZD’s several new pledges.

A hipster party May 13 was the highlight of rush. Decorations and wardrobes were in keeping with the hippie theme. An original laugh-in skit was presented.

Congratulations to Omega Kappa members Mike Monroe for being chosen cheerleader, and Tony Ballard for being elected Pres. of the Senior Class. Tony was also installed as the Order’s new Trustee and Mike was installed as treasurer of it. Dean Gus Edwards was presented an award for being the Treasurer of the Student’s. Other OK’s in the Student’s Club include Chris Neilson, Danny Hicks, Tom Knox, Pete Lacaikis, and Jim Carmo.

Omega Kappa initiated its pledges last Wednesday night in a not-so-be-forgoten ceremony. There was also a party for the Seniors, which was a lot of fun. Chris Williamson was given an ROTC award for the best-drilled platoon in the second battalion of the recent ROTC awards program. Mike Williams also received an award for outstanding military appearance. UK’s Butch Par has been chosen captain of Scabbard and Blade, Tom Knox is new treasurer. Mickey Yeck is also a member of Scabbard and Blade.

Delta Chi held their annual White Carnation Ball last weekend at the Downtowner in Anniston. After a dinner buffet, party favors were presented to the dates.

Bill McArthur was honored as Most Athletic, while Jim Dotter was given the highly honored Achievement Award.

A surprise awaited everyone with the “Daze of the Weak” combined with the “Four Tracks”, backup favorites and an out-of-sight night for the Delta Chi’s and their dates.

The pledge class awaits initiation after finals with formal initiation Sunday, June 1. The pledges lost their first softball game last Monday. The Active team is still participating in the intramural tournament.

Homecoming Plans Told

Plans for Homecoming 1969 got underway last week with the announcement that Rhett Brock will again be serving as co-ordinating chairman. Rhett will be working with Mrs. Jula Snead, alumnus co-ordinating chairman, and co-chairman David Goldman.

Several changes in the Homecoming schedule were also announced.

The Homecoming football game, scheduled against Delta State, will be held at 7 on Saturday, November 16.

The homecoming parade will precede the game that afternoon.

The matter of selecting the Homecoming Queen will be changed. A panel of judges, each representing different sections from which the student body will select the queen.

In the past, the Homecoming Queen has been selected by the student body from all entries. A theme for the 1969 Homecoming has not yet been selected, and Brock said the chairs are well-coming any suggestions the students may have.

SAA Holds Banquet

The Jacksonville State University Student Accounting Associates held its annual spring awards banquet Friday evening, May 16, in Leonce Cole. Guest speaker was Henry Vaughn, president of the Alabama Society of Certified Public Accountants. Awards were presented to outstanding accounting majors.

Cheerleaders Are Selected

The names of the 1969-70 cheerleaders were announced recently by the chairman, Mrs. Miriam Haywood.

Freida Boyd and Randy Knox have been selected as co heads. Other cheerleaders are Debbie Greene, Scott Collins, Jane Gell, Pamela Cunningham, Pam Brunsono Mike Moncus, and Shenan McCloud.

In addition, two alternates will be selected from entering freshmen class in September.

Writers Awarded

At the regular SGA assembly on May 2, awards were presented to the first--Taula Delta Creative Writers' Contest. The $25 first place winners were Sam Souris for poetry, Kathleen Taffee for short story, and James Wallace for essay.

Honorable mention was given to Larry Stewart for a poetry entry and to Roger Kilpatrick for a short story. Contestants are reminded that they may still pick up entries from Mrs Roebeck.

The champion was well pleased with the results and Smith said to the contestants to hope to place it on an annual basis. Hopefully, more recognition will be given to the contest and hopes to place it year by year.

Activities Planned For Summer

The prospect for summer school activities appears to be excellent. Sam Spruill, president of the SGA for summer session, has tentatively outlined the functions planned for the summer season.

Dances will not be held every week but better bands will be provided for fewer dances. Tentatively scheduled to appear are the Chanteurs, The Daze of the Week, and the Yn Tymes. Sounds good, doesn't it. Also planned are a cookout, a watermelon cutting, and a Game Night complete with bingo contest.

Counseling

The counselor's office is available to answer any questions concerning counseling.

Hatching a New chanticleer

Every other week a new Chanticleer is hatched by the student newspaper staff of Jacksonville State University.

There are many steps involved in getting the paper in print, as photos testify. It all begins with countless phone calls and interviews with students, faculty and staff members of JSU, and proceeds from there to the typewriter. When all the news is gathered and the photos are made, it is taken to The Jacksonville News, where the type is set. Plates are made at The News and sent to Talladega, where the paper is printed.
