## SGA Recommends Two Year Limit On Editor

A resolution to recommend to the Publication Board that the editorship of the CHANTICLEER be limited to two years was approved last Monday night by the SGA Senate.

The resolution, introduced by Rusty Russell, was made in reference to the fact that, if he is re-elected, this will be Thom Simpson's third year as editor of the paper.

Russell stated that the move is "nothing personal against Thom." Russell felt that "he (Simpson) has failed to cooperate with the SGA" and that "he has failed to recognize some groups on campus."

Richard Reid questioned what would be done if no one else had

the qualifications to be editor. An SGA Senator stated that "surely out of the thousands of people on this campus, one other person is capable of handling the job."

Jim Payne felt that "we need a new editor. The SGA once had good relations with the CHANTICLEER. The paper has not cooperated with the SGA this semester."

A vote then approved the resolution. A copy of the resolution will be forwarded to the Publications Board, which this year consists of Ms. Lovett, Ms. Caver, and Dr. McMillan, Jack Hopper, Richard Reid and two additional students who are yet unappointed.

## Paper And Yearbook Heads To Be Chosen

The University Publication Board is to select the editors for the CHANTICLEER and the Mimosa, and a business manager for the CHANTICLEER.

Those interested in these positions should submit their names to the office of Richard Reid, SGA president, fourth floor, Student Commons Building, before Friday, April 14.

The Publications Board will meet April 17, 3:30, in the lounge, Bibb Graves Hall.

Members of the board include Jack Hopper, Dr. Hilda McMillan, Ms. Opel Lovett, Ms. Helen Caver, Richard Reid, and two yet appointed students.

## Smith Captures Senior Class; Jrs. Have Run-Off; Twelve Spots Take Office Unopposed

Bill Smith has captured the Presidency of the Senior Class by defeating Joe Snow.

Patrick Henry has defeated former Student Government Association Secretary Ethelyn Murphree for the office of Vice-President of the Senior Class.

Pat Holmes and Vicki Boutwell have been elected Secretary and Treasurer, respectively, of the Senior Class. Both ran unopposed.

Rusty Vann was unopposed for the office of Commuter Senator Number One, and Rick Jones won a majority of the votes for Commuter Senator Number Two, defeating Carl Maxey Phillips and Dan Perry. Gary McBay was unopposed for the Resident Senator position representing the seniors.

Mike Whisenant and James Royal will face each other in a run-off for the office of Junior Class President, defeating Terry Farmer. Ramona Sharp ran unopposed for Junior Class Vice-President, and Debbie Warnick

ran unopposed for Secretary. Becky Weeks became Treasurer over Lynn Weekly.

In the race for Commuter Senator, Nedra Manners won position one and Alan Blair defeated Greg Benefield for position two. Janet Wickersham was unopposed for the office of Resident Senator.

The Sophomore Class elected Ricky Vann to the office of President (over Jeff Ray) and chose as its Vice-President Tom Scott, defeating Richard Weinberg.

The other Sophomore candidates ran unopposed for Secretary, Treasurer, and Vice-President.

# President 'Sentenced To One Year Of Hard Labor'

By DOTTY LAWRENCE

The man Jax State has "sentenced to one year hard labor," is very busy at present—catching up in the subjects in which he fell behind during the campaign, carrying out his duties as an SGA senator, and deciding on the best methods to accomplish the things

the students elected him to do his best to accomplish. Richard Reid is "looking forward to a good year" beginning Tuesday, April 11, when he will be officially installed as SGA President. The installment will be part of the Awards Day ceremony which is scheduled for 3:00, Tuesday in

the Student Commons Auditorium.

As he promised during the campaign, Richard will take steps to bring about a "better organized, more efficient, and more responsive" SGA. For one thing, he feels that in the past, more resolutions have been presented without being fully researched. He hopes to change this by using SGA committees to do research concerning resolutions before they are voted on. Among the things this investigation would determine, would be whether or not the students were in favor of a resolution, whether or not the resolution were necessary, and whether or not it would accomplish something.

It will be necessary for Richard to create more SGA committees in order to accomplish this research. "We're hoping to get some good hard-working senators," says Richard, "because there will be a lot of work involved and a lot of research." Richard will do his best to "get them interested and give them all something to do." He definitely plans to see that senators who do not do their jobs, are replaced: "The SGA has been full of dead weight for so long; we just won't have time to fool with it."

Richard pledges to "do everything possible to keep the students informed." One means

will be the Publicity Committee he plans to create. In the past when coming events have been announced at SGA meetings, the senators have been asked to make and put up signs informing the students of the events. Richard feels that a Publicity Committee could do the job much more efficiently than it has been done in the past. The committee would make signs publicizing events, put them up in various places on and off campus, and distribute signs to SGA senators to be put up in the dormitories.

Richard also plans to do everything he can, to see that senators keep their constituents informed. Besides reminding and encouraging senators to do so, he will make periodic checks to see that dormitory senators are posting SGA reports in their dorms to let the residents know what the SGA is doing.

Particularly concerned that dormitory residents should be aware of their right to appellate jurisdiction in the Student Judicial Court, Richard plans to make sure that each dormitory senator informs the students in his dorm, the counselors, and the dormitory director, about this matter.

Part of Richard's platform was a promise to concern himself with three particular student problems: the compulsory meal ticket, the high prices at the (See REID, Page 12)

## SGA Awards Day To Be Held Tuesday

The SGA Awards Day will be held April 11 at 3:00 in the Student Commons Auditorium.

Honored graduating seniors will be receiving honors and special distinctions in their fields, especially if their grade point averages are 2.5 or better.

The outstanding military (See AWARDS, Page 13)

## James Gang Is Cancelled Out

April 8 came to the JSU campus, but the James Gang didn't.

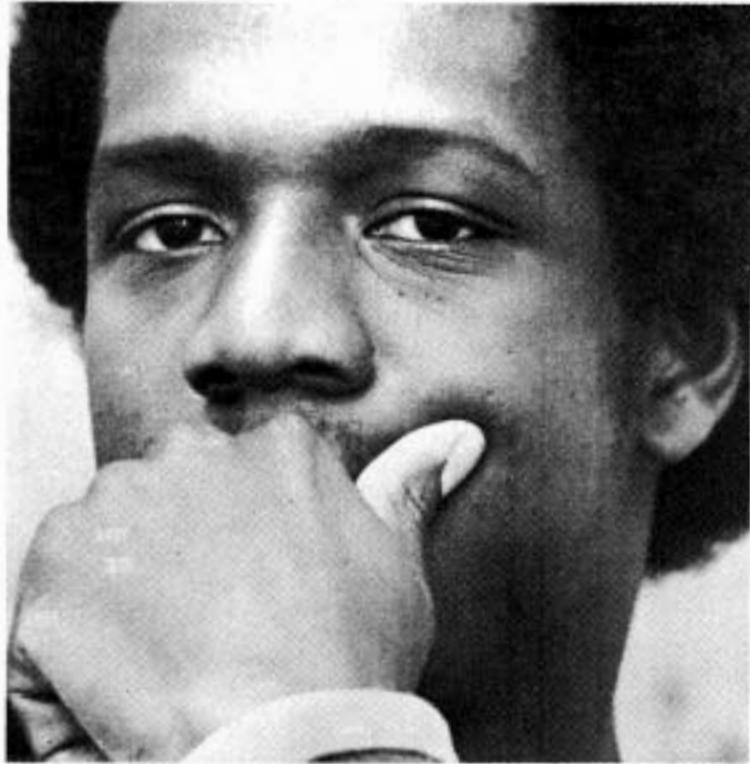

The outgoing vice-president of the SGA, Jeff Frazier, explained why:

"Almost three months ago, I put on the calendar that we wanted the stadium for that date. I had already cleared it with Coach Pell.

"Approximately three weeks ago, Jack Hopper informed me that I would have to change the date due to a previous promise by Dr. Montgomery to use the stadium for the Crippled Children's Olympic Games.

"I contacted the promoter and was told that he could not change the date. He said he would just have to try to find somewhere else for them to play because he stood to lose his \$15,000 invested in the show.

"I am convinced in my mind that someone didn't want us to have this show."

SGA President Richard Reid

## Financial Aid Applications Due April 15

April 15 is the deadline to apply for financial aid for the 1972-73 academic year.

Many loans, grants, and campus work jobs will again be awarded to those who qualify. Students who are from low income families are especially encouraged to apply for aid as they will be given first preference.

Married students who were ineligible for aid in the past may possibly qualify for aid now because of a revised budget. Married students can now net up to about \$450 per month and still be eligible for financial aid. This will permit one or both of the couple to hold a full-time job and at the same time be eligible to attend college through financial aid.

Details and applications can be obtained by either calling or coming by the Financial Aid Office, located on the fourth floor of the Student Commons Building.

## Want To Register? Need A Ride?

If you have not already registered to vote, you may find the JSU Voter Registration carpool a help.

Outgoing SGA President Kwang Edeker announced that such a carpool would meet and leave from the Student Commons Building at 2 p. m. every Tuesday and Wednesday remaining in the semester. This carpool will go to Anniston to the County Courthouse.

## Cancer.

Sometimes you can put your finger on it.

One of the seven warning signals of cancer is a thickening or lump in the breast or elsewhere.

There are six more that you should be aware of. Indigestion or difficulty in swallowing. An obvious change in a wart or mole.

A nagging cough or hoarseness. A change in bowel

or bladder habits. A sore that does not heal. Unusual bleeding or discharge.

If you notice any one of these warning signals, there's only one thing to do. See your doctor.

**We want to wipe out cancer in your lifetime. Give to the American Cancer Society.**

## Despite The Differences

No one is denying the fact that relations between the Student Government Association and the CHANTICLEER have been somewhat strained over the past year. Indeed, disagreements were numerous and often heated.

Yet, there is one fact that is equally undeniable: Both the SGA and the CHANTICLEER have operated for the students. Methods, philosophies, personalities have conflicted, but the students have not been cheated.

The 1971-72 SGA has trod more uncharted ground than any in the history of the University. In all fairness to their efforts, many of their ideas were shot down by surprised administrators, but they continued to fight for student rights. Despite all the disagreements, the CHANTICLEER extends a congratulations to Kwang Edeker, Jeff Frazier, Ethelyn Murphree, and Jim Cummings for their service to the University.

The CHANTICLEER was fortunate to be able to have been a part of the workings of these leaders. Their terms of service to the students will be remembered by SGA's of the future. Hopefully, emmulation of the Edeker administration's fight and spirit will one day prove profitable.

## No Discrimination

Certain elements of the University community have raised the question of whether the CHANTICLEER discriminates against the University's Greek establishment.

The answer to such a charge is apparent. Contained in this edition is a supplement to the regular pages. The entire four pages are devoted to the upcoming Greek Week festivities.

It is relatively impossible for an understaffed newspaper to cover every aspect of collegiate life on a campus the size of Jacksonville's. If there is serious complaint with the handling of fraternity-sorority news, the editors and staff are more than happy to hear them.

The Greek Week Supplement should dispel all rumors that the CHANTICLEER does not cover selected areas of our campus.

To all of the Greek organizations, the CHANTICLEER wishes for you a successful and enjoyable Greek Week.

The CHANTICLEER is published on Mondays with the exceptions of examination periods, holidays, and Interim and Summer sessions, by the students of Jacksonville State University. Its contents are designed to inform, entertain, and instruct the university community. All editorial opinion expressed is that of the editor and is not to be construed as official university policy or the beliefs held by individual members of the CHANTICLEER staff. The CHANTICLEER office complex is located on the second floor of Glazner Hall, Rooms 216 and 218, on the Jacksonville campus. Address all correspondences to the CHANTICLEER; Box 56, JSU; Jacksonville, Alabama 36265.

## That's Just TS

# It's Almost All Over

By THOM SIMPSON

Another year is coming to a close. Jacksonville has seen a great deal since August (or was it September). What can you say about it. Our football team was disappointing. Homecoming was a real high point with Black Oak. Chuck Berry was great for the fifty who went. Mac Davis was pretty decent about not suing us. The basketball team did not exactly burn up the courts. Coach Roberson, a Jacksonville institution, resigned. I got jerked for being unethical. The CHANTICLEER began weekly press (ta-da). Students raised cain about the meal ticket. The representative from the American Dieticians Association never found Jacksonville. The Korean Fried Chicken sign was installed and, despite all the fuss, folks liked it. Gov. Wallace appointed a student to the Board of Trustees. He resigned. Students got the right to register in Jacksonville. Half of the city council decided to move to Brazil. Homecoming had its first nine-year old candidate. She lost. The SGA passed a resolution in support of the Florence State students who opposed a Wallace appointee as their University president. Wallace's man got the job. The first outdoor concert was held indoors. AWS prepared for a new year in September and folded in March. Dave Harris made his grand appearance and most fell asleep during the speech. The SGA got into the publishing business by producing Volume I, Edition 1 of the SGA Newsletter. It never made it to press the second time. Good. We made history with the first edition of over twelve pages with a twenty page Homecoming

edition. Now, how did we do that? The Freshmen decided to write a letter and it seems now that it was heard around the world. Iron Butterfly flapped to victory over Delta Chi for the Intramural Championship. Black students demonstrated for their piece of the "Rock." The University played Santa Claus to it seemed like millions of kids in the annual Christmas party. Jax bled better than Bama in the Blood Drive. SCOAG was a tremendous success. I can't get over it, Becky. The ACLU established a local chapter to protect all of us. The sociology department jumped into the fray with a volley of letters on how to run a newspaper. I enjoyed that. The mysterious "Mx." was started. No one yet has figured out what in the world the term means. The National Student Association was

exposed as being subversive. The SGA voted to join the NSA on a trial basis. A student attorney was hired for fifty dollars an hour to give advice to four blank walls. The "Daugette Four" threatened me with bodily harm for my habit of waking up in a bad mood. The paper moved into the ghetto. The Amboy Dukes were something else. The baseball team is ripping up everybody. We elected our first black SGA president. The Jax State Run-around Game appeared and created immediate insanity. The April Fool's Edition somehow fell into the hands of the students and caused widespread violence and rioting. We only had 3,000 printed up. Next week is the last edition then I'm going to get some sleep.

Really, what can you say about 1971-72 except that it was a damn good year.

## Passing Comments

# The Job Is Just Beginning

The students have expressed their will and have elected a new set of Student Government officers. Congratulations are in order for Richard Reid, Don Lewis, Shirley Sundberg, and Cheri Atkinson.

But now the fanfare of election victories must die down and the work must begin. Plans have to be made and ideas have to be as plentiful as votes.

Our newly elected officers have promised to make our SGA more responsive to our needs and our wants. Such issues as the meal ticket, women's rights, SGA efficiency were thrown around freely during the heat of the campaign. Now is the time for the throwing to stop and the action to start.

As all of the candidates, now officers, knew when they decided to run, their jobs are not easy. They will more than likely have to become slaves to their positions if they plan to accomplish just half of what they intend. But that is the type of SGA Jacksonville needs.

## A Pre-Exam Thought

# A Lesson In Effective Writing

Dear Mother & Dad:

It has now been three months since I left for college. I have been remiss in writing and I am sorry for my thoughtlessness in not having written before. I will bring you up to date now, but before you read on, please sit down. You are not to read any further unless you are sitting down. Okay?

Well, then, I am getting along pretty well now. The skull fracture and the concussion I got when I jumped out of the window of my dormitory when it caught fire, shortly after my arrival here, is pretty well healed now. I only spent two weeks in the hospital and now I see almost normally and only get those sick headaches once a day.

Fortunately, the fire in the dormitory, and my jump, was witnessed by an attendant at the gas station near the dorm and he was the one who called the Fire Dept. and the ambulance. He also visited me in the hospital and since I had nowhere to live because of the burnt-out dormitory, he was kind enough to invite me to share his apartment with him. It's really a basement room, but it's kind of cute. He is a very fine boy and we have fallen deeply in love and are planning to get married. We haven't set the exact date yet, but it will be before my

pregnancy begins to show.

I know how much you are looking forward to being grandparents and I know you will welcome the baby and give it the same love and devotion and tender care you gave me when I was a child. The reason for the delay in our marriage is that my boyfriend has a minor infection which prevents us from passing our premarital blood tests and I carelessly caught it from him. This will soon clear up with the penicillin injections I am taking daily. I know that you will welcome him into our family with open arms. He is kind and, although not well educated, he is ambitious. Although he is of a different race and religion than ours, I know your oft-expressed tolerance will not permit you to be bothered by this fact.

Now that I have brought you up to date, I want to tell you that there was no dormitory fire, I did not have a concussion or skull fracture. I was not in the hospital, am not pregnant, do not have a disease and there is no miscegenation in my life. However, I am getting a "D" in History and an "F" in Science and I wanted you to see the marks in the proper perspective.

Your loving Daughter,  
Sue

Letter

# Frazier Calls Cancellation "Rip-Off"

STUDENTS BEWARE !!

Dear Students,  
 This letter is in regards to two areas where the students are being ripped off and in my opinion should be informed as to what has been happening to them recently. They are in reference to the James Gang Concert and the President's Liaison Committee. The officials involved in the rip off probably figured that since I am leaving office I wouldn't care enough to fight these issues, but as long as I am in office, I am still responsible to you—the people who put me here.

The James Gang Concert was scheduled for Saturday, April 8, and has been on the calendar for several months. A private promoter was paying the band in exchange for any profits that might be made. In this way we were getting top name entertainment with no risk of our money. About two weeks ago, Dr. Montgomery sent a message to me through Jack Hopper that I would have to change the date on the show because he had given the field to someone else so that the Crippled Children's Olympics could be held in the stadium. When I objected that we had already scheduled the concert several months before and gone through all the proper channels to secure the stadium, I was told that Dr. Montgomery had made the promise to the other party long before, but had failed to put it on the calendar. I can not understand why the SGA has to go through the hassle to put things on the calendar only to be taken away and Dr. Montgomery doesn't have to observe the same rules.

When I asked the promoter to change the date he naturally was appalled that we would try to do such a thing when he had \$15,000 invested in the show. He couldn't change the date so he has tried to find another school to play the date. I hope he finds one because I would hate to have him lose 15 grand because of JSU. This would have been a great concert for the students, but we were simply ripped off. I don't know why we were done this way, but I suspect it is because someone didn't want us to have the show.

The second rip off is the President's Liaison Committee. This committee is chaired by Dr. Montgomery and is designed to have the Deans of the University

meet with five student members to discuss the issues at hand. The committee would make recommendations to the President of the University.

This past semester the committee did not meet because Dr. Montgomery would not call a meeting. We have proof of several letters written asking for a meeting to talk about the meal ticket issue along with several telephone calls and many personal requests by both Kwang and myself to hold a meeting. ALL WERE IGNORED.

I feel that the reason the requests were ignored is because the past two meetings held before this semester were very well prepared for by the student members and because we have facts to prove and did prove that the cafeteria can operate on a totally voluntary basis and still make a profit. Another reason I believe that no meeting was called was because we were going to take our Student Attorney with us to advise us about

things just as the University Attorney comes and assists the administration. Dr. Montgomery told me straight to my face that he would not have a meeting where the attorney would be present in the students' behalf. Week before last I recommended that the SGA Senate abolish the student membership to the Liaison Committee, which it did. This was a great service to the students in doing away with the committee. All it did was provide the administration with another run around for us. I suggest that in the future we go directly to Dr. Stone or Mr. Hugh Merrill with our problems because they are the ones who ultimately have to make the decisions anyway.

JSU students, we have been ripped off again—but this time it has been exposed to you. IT WILL NOT STOP UNTIL WE MAKE IT STOP.

Sincerely,  
 Jeff Frazier,  
 Vice-President  
 SGA

**Marijuana: It's time to change the laws.**  
 An estimated 20,000,000 Americans, including 40% of all college students, have smoked marijuana. Under existing laws, all of them could go to jail.

The National Organization for the Reform of Marijuana Laws, NORML, is working to change these laws. We want to end all criminal penalties for possession and use of marijuana. We don't advocate the use of marijuana, but we do believe that there is no moral or legal justification for punishing those who do use it.

NORML is a non-profit organization which really needs your help. If you share our conviction, join NORML, and support us in our fight.

CHANTICLEER / Letters

## Night Student Pained By Article

Editor,

Because I am a night student it might be said that I don't have as much interest in my school as other students might. However, being a native of Calhoun County, I am quite proud of this institution. It has meant much more to me and this area than we often care to admit.

It pained me deeply to see that you published an article that

called JSU a "little redneck college". If I felt that way about JSU, I certainly would not be here. It would probably mean that I placed myself in that category.

Hopefully, in the future we will see a little more pride and self respect on the part of our paper and its reporters.

Respectfully,  
 James McCourry

## Nettles Steering Comm Formed

Dean Buttram, district chairman of Youth for Nettles, has announced the names of the members of the Nettles Steering Committee on the Jacksonville campus.

State Representative Bert Nettles is a candidate for the

Republican Senate nomination. Members of the Steering Committee are: Jim Payne, Alex Pruet, Dean Buttram, Harold Ragland, Jim Cummings, Clara Spurlin, Cheri Atkinson, Myra Thomas, Bill Haynes, Debbie Smith, Dewey Anderson, and Don Lewis.

Jax Campus Police Chief Murray proudly displays one of the new decals which have been installed on the campus police cars. The decals

were placed directly over the old ones since the old ones could not be removed without damaging the paint.

## Campus Police Adopt Gamecock Emblem

The campus police have adopted the JSU Gamecock as the new emblem for the seals that have been placed on their cars. The seal is a red circle with a red gamecock on a white background. The seals had to be placed over the old Alabama state sticker "due to the fact that

we can't remove the old one without damaging the paint on the cars," according to Chief Murray.

Chief Murray says that all state vehicles are required to have a marking on them, but university owned vehicles can be marked with the university's emblem.

"We decided to design our own and replace the old one because we felt that, being university police, we should have the university emblem instead of just having the state of Alabama emblem."

So now our "campus cops" stand out as being a part of JSU, instead of just looking like the average state or municipal cop car.

## Don't Forget Your Permits

Students are urged to complete permits to register in the office of admissions and records if they are planning to come during the summer and/or fall semesters. Summer schedules are now available in the office of ad-

missions.

Note that students may schedule a maximum of 12 semester hours during the summer. Those on probation are still restricted to eight semester hours.

# The Jock Image--They're Students, Too

In a recent interview, JSU head football coach, Charlie Pell, was questioned about the academic views of the athlete.

Coach Pell stated that as a member of the National Association of Intercollegiate Athletes (NAIA) the teams have a certain standard of academic requirements that must be met to compete in the JSU athletic program.

When asked if the time the players put into practice interfered with their studies, Coach Pell replied with a comparison to that of students on the work-study program at the University. He stated that as much time was spent practicing football or any other sport as was spent on a part-time job.

An athlete must be able to use his time wisely in order that

training will not interfere with his academic work. "He's a student first," remarked Pell, "if he were not a student, he would not be an athlete."

Pell commented on the fact that all players who were not doing well at mid-term on their academic average were assigned to a study-hall four nights a week from 7-9 in the library. This study-hall was started in the Fall of '69 and has received tremendous results.

"How can we dismiss this 'Jock' image?" questioned Pell. The overall average of the athlete is rising each year, and more and more the "Jock" is being recognized as part of the University, as part of the student body, a student.

The goal set for the football team is a high one, remarked Pell. "I believe that academics is

first and foremost, and our goal is to have a football team with the highest academic average of any men's group on campus."

## Election

(Continued From Page 1)

didates were unopposed. Gretchen Noffsinger is the new Treasurer, and Jerry Starnes and Randy Frost are the new Com-muter Senators. The Resident Senator position is unfilled.

## "J" Day Game Is Here

Spring practice for the 1972 Fighting Gamecocks will come to a close here Saturday night as the Reds and Whites put on their respective colors, and do battle in the annual spring J Day Game.

This years face off is sure to be an exciting one, and should prove to be quite an evening of good hard-hitting football for you Gamecock supporters. More so this year than in the past, the coaches are trying to make the intersquad game more than what it is, and are going to split up the squad this afternoon after practice so that the players can get with their respective team and work out timing, control, and oneness among themselves. In the past, teams were declared a day or two ahead of the showdown, and as a result, the affair lacked that game type atmosphere. Well, this year you're going to have a game-like approach to the evenings activities, and it should be a knock-down drag-out battle.

Also helping to build up this game and its atmosphere are the Cheerleaders and the Ballerinas. Each group has split up their squad into a Red Team and a White Team, further hoping to create some interest among the students.

Team captains for this years Red and White game are Scotty Marcum, senior from Hodgenville, Ky., Hassell Walls a junior from Birmingham, and for the White Team are Ron Beauchum, senior from Newnan, Ga., and Alan Paseur, senior from New Hope.

With everyone and everything sitting on go, it will only be a matter of time before the two teams crank up and do battle here Saturday night April 15, starting at 8 p.m. Tickets are on sale in Jacksonville and may also be purchased from J Club members, Cheerleaders, and the Ballerinas.

If you haven't made plans to go, be sure you do. This spring's game is coming alive and you wouldn't want to miss it.

### PEP RALLY WEDNESDAY NIGHT

Wednesday night from 6 to 7 p.m. in Paul Snow Stadium, the two teams will be working out in preparation for the Red and White game. The southerners, Cheerleaders and Ballerinas will be on hand to keep action going on the sideline. Remember, from 6 to 7 p.m.

### GREEK WEEK GAMES

Monday through Saturday in front of the PE department, the First Annual Greek Week games will be conducted. A number of different games or events have been slated, with each fraternity and sorority competing to accumulate the most points throughout the week. On Saturday afternoon there will be more games, and a bed race to top off the affair.

In conjunction with the Greeks, the J Club is sponsoring a carnival of displays and booths open to the students and the community. It is hoped that the Greek Week and the Carnival, topped off with the J Day Game, can become an annual affair for the spring semester. Swing by and catch the action, Gamecocks!

JSU Gamecocks wrapping up spring practice with a scrimmage.

### Spring Training

## Up Front With Who Wins The Games

By BILL LYNCH

(This is the second article in a series on spring football.)

Moving up front and into the trenches where the game is won or lost on every play, the Gamecock squad is equipped with quite alot of experience and talent, especially from the defensive point of attack.

Starting with the defensive ends, Coach Albright has some real Tigers on his hands. Returning for another big year is senior Gene Preskitt, a three year starter and star with all-round ability and drive. Rick Brothers, a starter of four games last fall as a freshman, will be back and has been coming on strong this spring. Randell Deavers, the Stork, has added strength to the end position and will see action this fall. A first year man, Henry Sturdyvent, is having a great spring and could become a great one. Jimmy Terrell and Mike Turner are both pushing for starting berths.

At defensive tackle, leading the pack are George Porter and "Mr. Mean", Ron Beachum. George is having a tremendous spring and

his experience has been the key. Ron is a great competitor and really tough. These two could become the best pair of tackles in the conference. Gary Stedham has a good future at Jax and is pushing for recognition as a starter. Guy Wardlow, red shirt last year, is strong and aggressive. Bobby Lee, another first year man lacks experience but is hustling for a position.

On the offensive line, Coach Jim Fuller isn't blessed with alot of experience; however, the people he is working with are improving and by next fall should be strong.

At center position are Billy Glover and Mike Echols. Billy is a transfer from Marion and has the potential to be tremendous. Very tough mentally and physically, Mike, red shirt last year, has come a long way since then and will see action this fall.

Offensive guard spot is pretty strong. Allen Paseur is very quick and a hard worker, a proven winner. Mike Cundiff has been sidelined with a broken foot, but has come back pretty strong. Sam Johnson was shifted from

defense, and has all the ability to be a good offensive guard, just needs some more time. Mike Canada is limited in ability due to size, but hustles to improvise. And Mike Watson of Pell City High School, and Mike Frazier of Anniston will be freshmen next fall.

At tackle is Roy Shaddix, who was shifted from center because of his size and ability to play that position. He works hard and is expected to start this fall. Mark Berg is also working at a new position. Has strength and desire, only needs experience to be a great one. John Chaney, at 6'4", 240 pounds, is expected to play next fall. He has improved at times and pushed for a first team role. David Rollins has caught the coach's eye, and a good hitter. David Mills, also shifted over from defensive, has been coming along and needs more experience. Tom Nix has size to play position and the desire.

Next week a look at the passers, catchers, and runners.

## Golf Team Holds Their Own

The 1972 golf season is underway and Coach Walters Hughes' linkmen are holding their own with a record of 2 wins and 2 losses. Week before last, they tripped Montevallo by about ten strokes, and last week were shot down by Auburn.

Members of the golf team are Mark Heaton, the captain, from Gadsden, Larry Blackmon of Montgomery, Randell Scott from Huntsville, Joe Warren of Gadsden, and Jimmy Johnson of Albertville.

Low scorers for the team so far this season have been Joe Warren and Larry Blackmon.

And Coach Hughes has a fine record of 21 wins and 7 losses since taking over as coach.

The team still has 7 matches left this season, and will finish by participating in a Spring Sports Tournament in Cleveland, Miss.

Golf team members are Mark Heaton, Jimmy Johnson, Larry Blackmon, Joe Warren, and Randell Scott.

COACH HUGHES

## Jax Strong, 22-2

Jacksonville State won 19 straight ball games as of today, and owns a 22-2 record. Coach Rudy Abbott's Gamecocks won 16 games in the last 13 days. The remaining schedule shows that Jax State has 3 double headers left. Troy State invades Gamecock territory tomorrow for two games and then turn around and go back home to meet the Cocks again Saturday for two.

The Gulf South Tourney for the East Division will be held at Pete Mathews Field April 27-28-29. The east division will consist of Jax State, Florence State, Troy and Tennessee at Martin. The West Division will feature Delta State, Livingston, Nichols State and Southeast Louisiana. Coach Abbott feels the only stumbling block in front of his Gamecocks is UTM.

If Jax State should win the east, they would play the western division winner for GSC Championship.

### Up to Date Scores from March 27

Jax State	9	Taylor	0
Jax State	5	Taylor	3
Jax State	6	Franklin	4
Jax State	10	Franklin	0
Jax State	13	Anderson	4
Jax State	6	Anderson	2
Jax State	6	Anderson	0
Jax State	3	Anderson	0
Jax State	3	Florence	0
Jax State	9	Florence	0
Jax State	4	Appalachian	1
Jax State	11	Huntingdon	5

## Pitchers Key To Jax Victories

Coach Rudy Abbott will tell anyone the reason for his team winning is the pitching. Coach Abbott feels that his staff rates with the best in the nation. Jax State owns six undefeated pitchers.

Mike Galloway is 3-0 and has pitched three shut outs. Mike allowed only one hit at Auburn, Florence, got only two hits and Taylor only 2 hits. Coach said, Mike feels he hasn't pitched a good game if one man reaches second. Mike's E. R. A. for 27 innings is 0.00. Steve Machem is 4-0 with a 0.333 E. R. A. Kerry Thompson is 3-0 and has a 1.00 E. R. A. Doug Brantley is another undefeated pitcher with a 3-0 record.

Jax State's hitting isn't bad with a .341 team batting average. Larry Foster leads the team with a .415 average, 9 homeruns and 28 RBI's. Eddie Echols is second with a .400 average, 3 home runs,

3 triples and 5 doubles. John Hunter has 9 doubles and is hitting at a .333 clip. Danny Grizzard has 14 stolen bases. Tommy Woo has stolen base 12 times. As a team, the Gamecocks have scored 7 runs a game, hit 26 home runs and a total of 60 extra base hits.

# Miss Northeast Pageant Thursday

"Spring Serenade of Beauty" will be the theme of the second annual Miss Northeast Alabama Pageant to be held on April 13 at JSU's Cole Auditorium.

"It Might As Well Be Spring" will serve as theme music for the pageant which will feature a new composition by JSU's own Dr. David Walters. Tony Lockhart will direct the 20 piece orchestra that will strike up at 7:30 to welcome the lovely contestants and JSU's own Ceil Jenkins, the reigning Miss Alabama, who will be on hand to crown her suc-

cessor as 1972's Miss Northeast Alabama.

Judges for the contest include Mrs. Johnny Starnes of the Guntersville Jayettes; Mr. Malcolm Street, Sr., of WHMA TV; Mr. Ralph Bolt, president of the Anniston Chamber of Commerce; and Marshall County Attorney John Starnes, past chairman of the Miss Guntersville Lake Pageant.

The candidates and their hometowns are: Arnette Morgan, Gadsden; Nancy McCray, Anniston; Becky Jackson,

Jacksonville; Angela Poland, Lineville; Cindy Cornelius, Huntsville; Carmen James,

## Reid Sentenced To One Year

supposedly non-profit book store, and the discriminatory rule requiring girls under 21 to live on campus. Richard stated that he would work with the student lawyer to correct these problems and would take the school to court concerning them if necessary.

Before making any definite plans in these areas, Richard will talk to members of the administration to see how cooperative they will be.

In the area of the discriminatory women's rule, Richard plans to have the Women's Judicial Court research the rules and regulations on other campuses.

"We definitely do feel that 18-, 19-, and 20-year-olds should be able to live off campus," states Richard. He also feels that "if they are able to move off campus, and if we can get the university to have less restriction on them in the dorms after this discriminatory rule has been removed from the books, too many of them will not move out of the dormitories."

Richard believes and hopes that the university will remove the rule to keep from being taken to court over it, since "they know they are in error." However, if it is necessary to take the case to court, Richard will solicit contributions from the student body and from various organizations to make the lawsuit possible.

There is at present no student lawyer. The lawyer was hired on a trial basis for four weeks, and his time has expired. Richard states that, whether the same lawyer is hired again, or whether it will be a different one, some type of legal aid will be provided to students. He also wants to inform the students better of

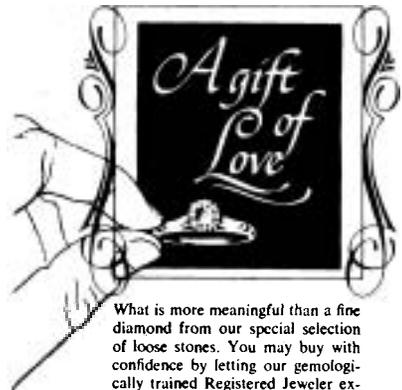

what hours the lawyer will be available, than was done by the previous administration.

Another project Richard will work on, is making the profits of all vending machines on campus, not just that of those in the dormitories, available for student use. He plans to write up a recommendation to Dr. Stone and one to the Board of Trustees suggesting this action.

In the area of entertainment, Richard will try to represent as large a percentage of students as possible. He will ask for volunteers from the SGA Senate to serve on the Entertainment Committee and will also ask the Senate to recommend additional students to serve. "We're going to try to get more students than we really need for the committee", explains Richard, "and screen them, and break the committee down." The Executive Officers will be in charge of the screening. The Vice President will of course, head the committee.

Richard plans to make full use of the money allotted for speakers. He has not decided yet if the Entertainment Committee will choose the speakers the SGA will invite, or if there will be a Forum Committee, but he states that the students will definitely be in on the selection of speakers.

As President, Richard will welcome all proposals and help that students have to offer. "We can't see all the things that need to be changed, so we will have to solicit suggestions, ideas, and also the support of the entire student body. We're looking forward to a good year, and all we need is just the support of the student body and dedication. If they work along with us, I'm sure we can get a lot accomplished."

## "Shrew" Set For Mini-mester

On May 22, 23, and 24, "Taming of the Shrew" will be presented in Leone Cole Auditorium by Advanced Drama Labs 382 and 482 in conjunction with the Masque and Wig Guild. The play, a slapstick comedy, is directed by drama coach Janet Lefevre and Linda Collier, student director.

David Wierwahn plays Petruchio, the hero. Beulah Casey, who played the leading role in "Cat on a Hot Tin Roof" with the Anniston Little Theatre,

plays Katharina, the shrew. Dianne Throneberry plays the part of Bianca, Katharina's sister. David Royal plays Baptista, the father of Katharina and Bianca.

In the play, Katharina has no suitors due to the fact that she is ill-tempered. Bianca has plenty of suitors, but her father will not allow marriage until Katharina has found a beau. Petrucio comes along and changes the scene for both girls by calming the personality of Katharina.

## SGA Awards Day (Con't. From Page 2)

graduates will be recognized also.

The SGA senators will receive certificates, and Dr. Houston Cole will present an award to the most outstanding senator. The outstanding senator will be elected by the senators themselves. The outgoing SGA officers will be recognized along with the installation of the incoming officers.

Recognition will also be given to the people who were given who's who awards, Mr. and Miss Jax State and Mr. and Miss Friendly.

Any person expecting to receive an award should be at the SC Auditorium at 2:45 on the above date.

All students are welcome to attend this affair.

## Dr. Calvert Made Honorary Chairman Of Festival

Dr. William J. Calvert, Dean of College of Arts and Sciences at JSU, has been named to the Honorary Board of Governors for the first season of the Alabama Shakespeare Festival, to be held

## Liaison Comm Gets Second Life

The recently SGA-disbanded Liaison Committee may be in store for a second life.

The SGA Senate voted Monday night to rejoin the committee under certain guidelines. The guidelines were drawn up by a committee of the Senate headed by SGA Treasurer Jim Cummings.

Student representatives to the committee will re-assume their seats under the conditions that:

- (1) there be a meeting the first Tuesday of each month;
- (2) there be a ten day notification of the topic to be discussed;
- (3) student and faculty representatives will decide on time limits;
- (4) a report of all action by the committee be submitted within five days of the meeting; and
- (5) the chairman of each committee reserves the right to invite appropriate participants on related topics which are a part of the University body.

Vice-President of Academic Affairs, Dr. Theron Montgomery has given his approval to the guidelines. Montgomery is the chairman of the faculty element on the committee.

There was no word as to the committee's next meeting or the subject to be discussed.

## Reid Nominated To Trustees

A motion nominating SGA President Richard Reid as student member of the JSU Board of Trustees was passed last Monday by the SGA.

The move was made "in time to get Governor Wallace's approval of the nomination."

A letter will be sent to the Governor requesting that he appoint Reid to the ex-officio position.

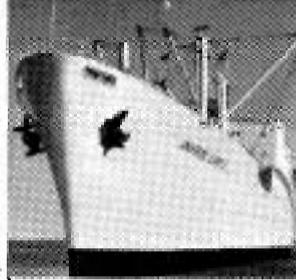

in Anniston during the months of July and August.

The festival, the first of its kind in the Southeast, features a professional acting company of 25 which will present in repertory fashion COMEDY OF ERRORS, TWO GENTLEMEN OF VERONA, HAMLET, AND Ibsen's HEDDA GABLER. The festival will be housed in the Anniston Little Theatre, 17th and Leighton.

"Knowing of Dr. and Mrs. Calvert's continued interest in promoting the performing arts both in and around the university community, it was natural that we sought their support," said festival director Martin L. Platt.

Those interested in ticket information or working with the repertory company may contact the Anniston Little Theater office at 236-7223 after 7 p.m. Monday through Thursday.

# "Oscar" To Have New Home Tonite!

Tonight, "Oscar" makes his annual appearance in Hollywood for the 44th Academy Awards presentations. Oscar, the most coveted award in the film industry, will be given to the people who have done the best jobs in acting, directing, producing and the many other categories available for an Academy Award.

This year's guest of honor is Charlie Chaplin. He will be awarded an honorary Oscar for "the incalculable effect he has had in making motion pictures the art form of the century." But Chaplin will find a Hollywood that has undergone considerable change since he left this country in 1952. Two of the major studios have closed and others have had to combine their facilities. Production is dragging along at subsistence level, accounting for the fact that this year's theme is based on nostalgia and "the glamorous years."

Bob Hope, a longtime symbol of the Academy Awards, will not be the master of ceremonies. This year will feature emcees such as Sammy Davis, Alan King, Jack Lemmon, and Helen Hayes.

Many predictions have been made this year as to the outcome of the event. Each year brings additional suspense because there are rarely sure winners anymore.

The race for Best Picture seems to be between "The French Connection" and "The Last Picture Show", with the latter favored. If these two films split the ballot, the laurels could possibly go to "Fiddler on the Roof." "A Clockwork Orange" received honors from the New York Film Critics, but its violence and sex do not appeal to the tastes of the Academy.

George C. Scott is up again this year for his leading role in "Hospital." Although Scott was marvelous, the part he played did not have the magnitude of

"Patton." Walter Matthau has been nominated for his role in "Kotch." Topol, from "Fiddler on the Roof" is in the running as is Gene Hackman for "The French Connection" and Peter Finch for "Sunday Bloody Sunday."

In contention for Actress awards are Jane Fonda for "Klute," Julie Christie for her lead in "McCabe and Mrs. Miller," Janet Suzman for "Nicholas and Alexandra," Glenda Jackson for "Sunday Bloody Sunday," and Vanessa Redgrave for "Mary, Queen of Scots."

The Academy Awards will be televised, so sit by your television and try to predict your own winners. You might be right and you might be wrong, but you can never be certain about the Academy Awards until the name is called.

## Pageant

(Con't From Page 12)

Huntsville; Cathy Hamilton, Anniston; Jane Rice, Huntsville; Beth Porter, Geraldine; Merry Ramsey, Anniston; Susan Bell, Calhoun, Ga.; Sue King, Birmingham; Tish Morgan, Ringgold, Ga.; Jan Gray, Birmingham; and Katrina Lloyd, Anniston.

The break up of Crosby, Stills, Nash, and Young left four multi-talented musicians open to the world to express themselves as individuals. The separation has not been a disappointment, as Neil Young proves with his latest album, HARVEST.

While playing for Buffalo Springfield and CSN&Y, Neil Young and always kind of a loner. He strummed rhythm guitar in the shadow of Stephen Stills and never made complete use of his talents. By recording on his own, Neil Young has shown the public that he is as gifted as anyone else. HARVEST makes this point crystal clear.

Although the album has only been on the charts for several weeks, it has quickly risen to the top and will probably remain there for quite a while. HARVEST can appeal to any type of mood and any type of individual. It can bring you up or bring you down. Neil Young can create a "James Taylor" sort of sad song that identifies with any mood. He holds true to this with the song "Heart of Gold".

Neil Young paints a picture of the South with "Alabama". He portrays Southern whites as banjo-playing "rednecks" that cannot handle their own problems. He says, "you've got the weight on your shoulders that's breaking your back." This is the image that the majority of the non-Southerners have and an image that the South should try and clear up.

In the song "The Needle and the Damage Done", the subject is "junk". There are no hidden morals or warnings. The title is self-explanatory. Neil Young sings a sad song voicing his opinion about heroin and the senselessness of its use. As Young puts it, "I saw the needle and the damage done . . . but every junkie's like a setting sun."

HARVEST is for everyone. It's for jocks, freaks, and all those in between. But a word of caution: once you listen to it, you'll never be able to put it down. So, if you can afford to buy it, please do. You will never regret it. If you can't buy it, borrow it or rip it off if you have to. Then find a cozy spot, put on the headphones, lie down, and let Neil Young "harvest" your soul.

## Anniston Flicks

### CALHOUN -

# Faculty Art Display Is Success

By DOTTY LaRUNT

"We have provided imagery and form to afford the opportunity to arouse your visual sensitivity . . . We hope you will be able to relate our experience to your own." These words introduce an art show now in Hammond Hall Art Gallery. It consists of some of the works of two JSU art professors, Lee Manners and David Daniel.

A visit to the show serves to remind one of the value of visual art as a means of communication. Most students have so little exposure to art that they forget that art is as much a means of communication as is the spoken or printed word.

Mr. Daniel's work in the show includes both paintings and sculptures. He has made use of polyester resin, urethane foam, acrylics, and enamels.

His works, like those of Mr. Manners, reflect "deep personal sentiments" rather than topical concepts.

One work, "We're all in this together," seems to reflect an awareness of the diverse activities and experiences of people everywhere at a given time and a sense of the unity or fellowship between them all because they are experiencing life in the same world at the same time.

Mr. Daniel's exhibit is scattered with humor. One work, red in color, is called "Whatever you read, is red out." Another suggests a body in a casket with a bone lying across its chest. This work has two alternate titles. One of them is "Just wanted to let you know I'm here." The other, a little less serious, is "Ummm,

this is good, colonel." This is a reference to the Kentucky colonel of fried chicken fame. In keeping with the "humorous" quality of this work, the bone on the body is the "humerus" bone of a cow.

Mr. Manners' exhibit includes pencil drawings, collages, India ink washes, water colors, and stitchery.

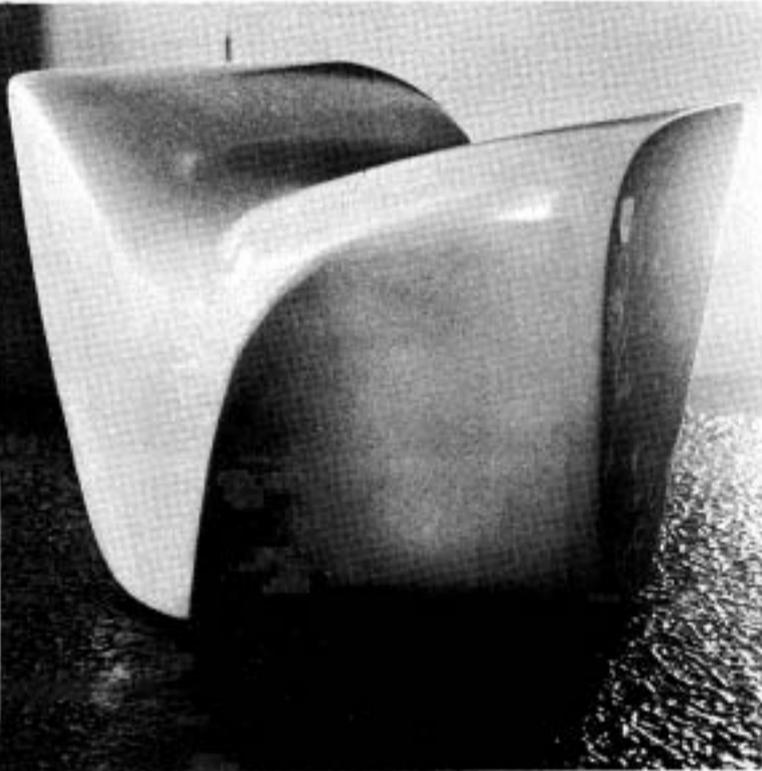

A great part of Mr. Manners'

work reflects his feelings for his everyday life, and for his family in particular. There are several collages and drawings of handbags.

The two-man art show will continue until April 11. The gallery is open between 2 p.m. and 4 p.m. Monday through Friday.

"The Stakes Are Too High"

"STEPHENOCERAS in disguise"

Dear Jennifer,

Just had to tell you once again, how beautiful your engagement ring is, and how excited all our friends are. We all knew you and Eddie would some day "tie the knot."

June, and graduation will be here before you know it, so start now on all the many things a bride has to do. For your gown, and veil, and for the bridesmaids gowns and headpieces, go to YE OL' FLOWER AND WEDDING SHOP in Lenlock Shopping Center. They have the cover gowns in stock, that are featured on the cover of Bride, and Modern Bride magazine - Spring issue. There are others to choose from, if you do not like these gowns, OR they will special order the one you do like.

You can also order your invitations while there, get your napkins and thank you notes (you'll need plenty of those.)

Oh yes—since you and Eddie are getting married there, choose your flowers also, while at YE OL' FLOWER AND WEDDING SHOP. Actually what I'm trying to say is go there and plan your complete wedding—then relax.

Oops—the bell just rang,  
Must run—  
Ta Ta,  
"Breezy"

## Financial Assistance For Nursing Students.

college or university

The Army Collegiate Program is offered to young women and young men attending a college or university in an approved four or five year program leading to a B.S. degree in nursing.

When you are within 24 months or less of receiving your degree—the Army will give you Financial Assistance to complete your studies.

Financial Aid:

Tuition, books and other fees.

Salary and allowances of a

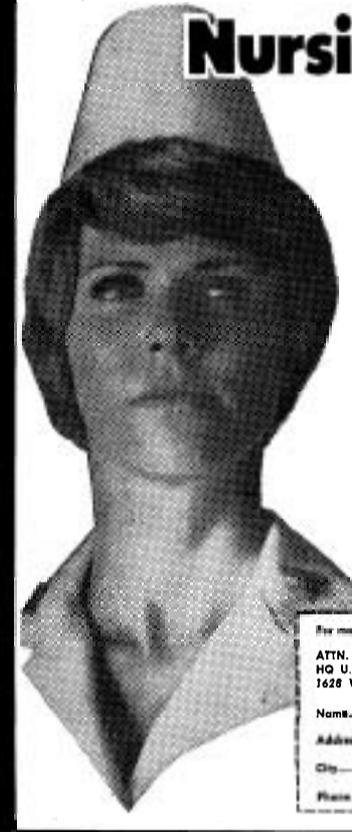

Private First Class - \$483 a month.

You have full time for study.

No military duties.

No military uniforms.

You continue to study at your school.

For more information without obligation fill out and mail this coupon to:
