

Pictured above is Miss Connie Morrow who was recently selected to reign as the 1973 "J-Club" Queen. Connie is a freshman from Horton, Alabama. She is majoring in Political Science and is a member of the Alpha Xi Delta sorority. Connie is also one of Jax State's cheerleaders.

"J Day" Expects Special Guests

Some 3,000 high school students from North Alabama and parts of Georgia will be special guests of the University for "J Day" activities on campus April 14.

The day's activities will include an outdoor Rock Concert which begins at 1 p.m. in the Paul Snow Stadium. Both University students and the High School guests are invited to attend this concert.

According to Don Lewis, president of the SGA, the concert will feature The Commadores, Brimstone, Dogwood and Anthem. Admission is \$1.00.

The Jax State Panhellenic will also sponsor an "all day long" Carnival in the parking lot of Curtis Dormitory.

Highlighting the day's activities will be the "J-Day" game which is scheduled for 7:30 p.m. in the Paul Snow Stadium. Playing in this game will be the University's Gamecock team which will be divided into two teams—the Reds and the Whites. The annual J-Day game, it is believed, will be somewhat limited this year because of some injuries to some key personnel.

The CHANTICLEER had to go to press before the final division into the Red and White teams was made, however, the game should prove to be a challenging contest.

Coach Clarkie Mayfield, Assistant Head Football Coach and offensive coach, will be coaching one unit, and Coach Joe Kines, defensive line coach,

will be coaching the other unit.

The J-Day winners will be honored with a steak dinner while the losers will eat soup for the Monday evening meal.

At the J-Day game, the cheerleaders for the 1973 season will be introduced, and the 1973 Ballerinas will perform. Also during half time, the 1973 Miss J-Club will be introduced, along with the Greek God and Goddess.

The coaches hope the student body will be present and cheer for their particular team—whether it be Red or White—as a big crowd is expected due to the concert and other J-Day festivities.

It is expected that many of the former players will return for this game as the Gamecocks wind up Spring drills.

New Policy Established

A new ticket policy has been established for the spouses of married Jax State students:

The price of an individual football game ticket for the spouse of a married JSU student will be \$1.50, when the spouse is properly identified by official records; with the stipulation that the married student must pick up the ticket no later than 4:00 p.m. on Friday prior

Football Banquet Honors Players

By Charlie Kicker

CHANTICLEER Sports Editor

The Annual Football Awards Banquet was held last night in the Leone Cole Auditorium. It was a memorable evening featuring the Seniors and Outstanding Players of the 1972 season.

Jax State's Coach Charlie Pell called it, "the best program we've had to date because it had participation of JSU graduates." Among those graduates Pell was referring to was the Master of Ceremonies, Mr. Hank Prickett, the Vice President of Life of Alabama.

Another Jax State graduate and Guest Speaker, was Mike Little, the Captain of the 1970 undefeated Mid-South Championship Team, Class of '71.

Entertainment was provided by JSU graduates from Marietta, Ga., Mr. and Mrs. Turk Moncus from the Class of '48. Their enjoyable singing and comedy act was entitled, "The Singing Mayor from Stinkin' Creek and His Wife, Zuma Lee."

The highlight of the evening was the presentation of awards which were

voted on by the players, themselves.

Boyce Callahan was named the team's Most Valuable Player. Callahan, who has gained 3,300 yards in three years, is an excellent student and is also very active in youth work. Coach Pell called him, "the best running back in the country, pound-for-pound." Callahan was also selected as the

team's Most Outstanding Offensive Back.

The Outstanding Linemen were Alan Paseur (offense) and Ron Beaucham (defense). Paseur, who hopefully will

return for an outstanding senior year, was praised as being "a great competitor and very ambitious." Coach Pell called Beaucham "strong, determined, aggressive, and one of the most consistent players on the squad."

The team's Outstanding Defense Back was Wayne Boyd. Boyd averaged 20 yards per punt-return last year. He

was called, "a real clutch player and outstanding athlete."

Captains include Paseur, Beaucham and Bill Abston. Abston, an outstanding linebacker for his size, was praised for

being "quick and tough enough to play when injured," as he was injured for most of the season.

Mike Cundiff, President of the 1971-72, "J-Club" presented J. A. Hill and Sam Bryant with Honorary Memberships to the club for their contributions to the Jacksonville State athletic program.

Mike Little, now coaching at the T. R. Miller High School at Brewton, gave an excellent talk on what it takes for one to be a winner. He said one could be an outstanding football player and lose in his daily life.

Little defined a winner as "one who can bounce back from adversity." This reporter knows no one who better exemplifies this quality than Mike, who has come back strongly after his recent tragic accident. Little also thanked the SGA, J-Club, and Jacksonville area people who have helped him come through his tragedy.

All in all, it was one of the best award banquets ever in JSU's history. It was one filled with emotion and enjoyment for all who attended.

Connie Morrow Reigns As Queen

Former Gamecock Hosts Annual "J-Club" Pageant

The fifth annual "J-Club" Queen Pageant was held on April 4, in the Leone Cole Auditorium.

Boyce Callahan welcomed those present and introduced the Master of Ceremonies for the evening, Herby Wientjes, a former Gamecock who is now a sports announcer for an Huntsville area television station.

The J-Club pageant, itself, is held to select a girl to represent the club in other campus contests such as Miss Homecoming, Miss Mimosa, and

others. Last year's Miss J-Club, Miss Penny Hill, now Mrs. Scotty Marcum, said that representing the J-Club was one of the most rewarding experiences of her life.

Miss Linda Collier was in her usual good form singing popular songs of Carol King, the Carpenters, Judy Collins and others.

All anxiously awaited the naming of the winners and awards presentations by Miss J-Club 1972. The winners were: Fourth Runner-up Angie Powers; Third

Runner-up, Angela Poland, Second Runner-up, Donna McCormick; and First Runner-up, Debra Walters.

Miss Connie Morrow was named as Miss J-Club, 1973.

Connie is a freshman from Horton, Alabama, majoring in Political Science. She is a cheerleader, a member of Alpha Xi Delta sorority, and active in church activities at home.

Other contestants included: Cindy Bailey, Susan Bell, Alicia Benefield, Susan Carroll, Sharron Cottinham, Nancie Ellis, Paula Emtrekin, Helen Neutze, Gale Nummelley, Lynn Shipman, Barbara Sivley, Teresa Smith, and Debra Watson.

The more-than-fifty J-Club members would like to thank those who helped with and attended the pageant.

Judges Select Cheerleaders For Next Year

The Cheerleaders for next year here at Jax State were recently selected. They include: Debbie Madaris from Gardendale; Connie Morrow from Horton; Elaine Peek from Fort Payne; Valinda Hawkins from Arab; and Cindy Bailey from Birmingham.

The male members of next year's cheerleading squad are: Corky Mason from Fairfield; Randy Harris from Huntsville; Tim Kemp from Birmingham; Jerry Starnes from Gunter'sville; and Ricky Foster from Pell City.

These cheerleaders were selected by a committee as specified in the SGA constitution, from a group of interested students who went out for approximately two weeks of practice.

The first round of judging was by personal interview, and the second round of judging was by participation (doing cheers). This was all done on a point-earned basis and those students with the highest number of points at the end of the judging, were selected to be the 1973 cheerleaders.

The judges also selected Corky Mason and Debbie Madaris as next year's co-head cheerleaders.

In September, during the first week of school, freshmen will be allowed to try out for cheerleader. One boy and one girl will be selected as freshman cheerleaders and will serve as alternates and will cheer at pep rallies and help out when a cheerleader cannot attend a game for some reason.

Fourteen Chicks Named For '73

Fourteen Jacksonville State coeds have been named as next year's Gamecock Chicks.

The group, itself, was organized in 1969. Their primary role is to serve as official hostesses for numerous events of the University. This includes presidential receptions and special events, helping with freshman registration, homecoming, helping visitors touring our campus, and wherever else an official JSU hostess is needed.

Gamecock Chicks are selected from a group of Jacksonville State coeds each spring. These girls must perform a pom-pom routine before a panel of judges, and must also have a personal interview. The girls are then judged on a point basis and those girls with the most points tallied at the end of the judging, are named the Gamecock Chicks for the upcoming year.

The 1973 Gamecock Chicks and their hometowns are: Regina Sykes, head, from Steele; Angie Troncale from Birmingham; Linda Morris from Birmingham; Janet Wickersham, from Sylacauga; Pam Evett from Vincet; Debbie Runyan from Oxford; Dianne Mayes from Alexandria; and Jennifer Carter from Athens.

Liz Whitley from Oxford; Jane Wheatley from Birmingham; Lisa Harris from Montgomery; Deca Bryant from Ohatchee, Wanda Haynes from Tuscaloosa, and Kay Jones from Anniston.

Mrs. Haywood is the group's sponsor.
