Proposal

Richard Dean  
HY 202 TT 11:00 to 12:30

I will be interviewing Dave Cadenhead, 214 Lane Road, Oxford, Alabama. He was born in Laurel Hill, Florida, on November 27, 1915. I plan to do the interview on Saturday, February 4, 1995, at his home.

I plan to interview Dave about weapons. He will be a good source of knowledge about weapons. He is a member of the National Rifle Association. Guns are a hobby for Dave. He enjoys hunting and has been a hunter most of his life. He was also in the service. This topic is important to history because weapons have played a major role in wars and many conflicts.

I will be consulting books on weapons used in wars.

O/K, but you need to focus on something historical too  
Dennis Hunt
