TWO PLANES TO A PRIX.
The life of a journey is too short to wait.

"A plan that is good, and a plane that is good, is the best of all possible plans."

If you want a good one, just follow these steps:

1. Start early in the morning;
2. Don't be late;
3. Be courteous to everyone;
4. Be ready for anything;
5. Take your time;
6. Enjoy the ride;
7. Arrive at your destination.

IMPRISONMENT FOR DEBT.

The steady progress of the slave trade in the Southern States, and the consequent increase of the slave population, is a matter of great concern to the people of the North. The recent case of the slave girl Allie Jordan, who was seized and brought to this city, has caused a great deal of excitement. The girl was sold for a large sum of money, and the matter is now pending in the courts.

Red River Levy.

It is reported by our correspondent in New Orleans that the Red River levy is now in full operation. The government has enlisted a large number of men for this purpose, and the work is progressing rapidly.

N. O. Bulletin.

From the New York Times.

The following is a letter from a correspondent of the New York Times, who was recently in the Southern States:

"The condition of the South is now much improved. The government has done a great deal to alleviate the hardships of the people. The slaves are better fed and clothed, and the laws have been strengthened to protect them. The Southern States are now a strong and wealthy nation, and are ready to resist any invasion from the North."

The State of Alabama.

The Alabama State Convention met at Montgomery on the 20th of March, and elected J. B. W. Ashley, of Tuscumbia, as Speaker.
