DECEMBER
The Death of Bouse.

BY J. T. PERRY.

A soldier in the Union army, who was taken by the rebels at the battle of Chickamauga, and was brought to the hospital at Nashville, where he was confined for several months. He was one of the first men to be taken by the rebels, and was one of the last to be discharged.

The soldier in question was a man of great strength, and had been a soldier in the army of the United States for many years. He was a man of great courage, and had never been known to yield to any strength of arm. He was also a man of great skill in the use of arms, and had been a soldier for many years.

The soldier was brought to the hospital at Nashville, where he was confined for several months. He was one of the last men to be discharged from the hospital, and was one of the first men to be taken by the rebels at the battle of Chickamauga.

The soldier was a man of great honor, and had always been known to be a man of great integrity. He had never been known to yield to any pressure of circumstance, and had always been known to be a man of great courage.

The soldier was brought to the hospital at Nashville, where he was confined for several months. He was one of the last men to be discharged from the hospital, and was one of the first men to be taken by the rebels at the battle of Chickamauga.
