Baja California.

The Baja Californian has appeared in the west, pointed out by the beacon of San Juan del Sur, in the Bay of California, and has been the object of the interest of the world for some time past. The most extreme similarity to the United States is the appearance of a small vessel on the horizon, which is supposed to be a Spanish man-of-war, and which has been observed to bear the same signal on its masthead that has been observed at sea. The vessel is seen to be about 500 miles from shore, and is supposed to be on its way northward.
