FEBRUARY
DESTRUCTION OF THE STEAMER "RICHLAND." 

Wanted to Make a GLORIOUS CRASH into the ARMS of Destin - The affable steamer "Richland" was wrecked on the beach at Destin last week. She was burned by order of the public for the benefit of the owners. The wreck was made the occasion of many graceful and humorous speeches, among which the most appropriate one was made by Mr. John B. Davis of Destin, who said: "The "Richland" was a beautiful ship, and she was destined to be a glorious..."
of consequence, and that one must have a full grasp of the subject before attempting to tackle problems of a similar nature. The purpose of the programme is to improve the students' understanding of the subject.

The programme will be divided into two main sections: theoretical and practical. The theoretical section will cover the fundamental principles of the subject, while the practical section will focus on hands-on experience. The programme will be taught by experienced teachers who have a wealth of knowledge and expertise in the field.

The programme will run for a period of 12 weeks, starting on 1st March. The schedule will be posted on the website for all interested students to view.

For more information, please contact the programme coordinator at info@xyz.ac.uk.
