THE NEW CODE
And the Progress of the Age.

The New Code is out at last, and the Age, and the Age is out at last.

COTTON GINS.
The underground railroad rapidly progresses. Against the old, we are not sure what the new, and the Age is out at last.

POETRY:

LADY AND MILLS

The lady and the mills
Are like a pair of lovers,
Their singing sweet and mellow,
And their work is never done.

The mills spin and weave
And the lady plies her trade,
And the two together
Are a happy couple indeed.

JACKSONVILLE, ALA.
TUESDAY, MAY 9, 1854.

Whole No. 900

JACKSONVILLE REPUBLICAN.
CORN LAW IN FORCE
The New Code in part Realised.

SPRING & SUMMER GOODS

And as beautiful, and perhaps a little cheaper than any others. We do not know of any Goods they need, and are determined not to be overwhelmed by any quantity. The Mill is entirely prepared, and the whole of the stock will be in stock, and bought at the lowest price. We warrant our Goods of the first quality, and the best fabric, and of the best material, and will sell for less than any other house.

War News—Peace about to be made.

TUESDAY, MARCH 28, 1860

THE WAR IN THE SOUTH.

We are authorized to announce that the American Legion convention, which is now in session, has determined to make a vigorous effort to secure the admission of Texas into the Union. The convention consists of delegates from all parts of the United States, and the resolutions which have been adopted by it are of a character that will be hailed with joy by the people of Texas. The convention has adopted a resolution expressively declaring that the admission of Texas into the Union is a matter of national importance, and that it is the duty of the American people to do all in their power to secure it. The resolutions also state that the admission of Texas into the Union will be an act of justice and right, and that it will be a great blessing to the people of Texas.

The convention has also adopted a resolution declaring that the admission of Texas into the Union will be a matter of national importance, and that it is the duty of the American people to do all in their power to secure it. The resolutions also state that the admission of Texas into the Union will be an act of justice and right, and that it will be a great blessing to the people of Texas.

The convention has also adopted a resolution declaring that the admission of Texas into the Union will be a matter of national importance, and that it is the duty of the American people to do all in their power to secure it. The resolutions also state that the admission of Texas into the Union will be an act of justice and right, and that it will be a great blessing to the people of Texas.

BR. MAIL STEAMSHIP CANADA

The French Government has finally decided to withdraw its fleet from the Nile, in consequence of the French Admiral Duperré having received the assurance that the claim of the British and French fleets to the possession of the Suez Canal will be recognized by the Egyptian Government, and that the Egyptian Government will grant to the French a free right of way through the Canal. The French Government has also been informed that the Egyptian Government will grant to the French a free right of way through the Canal.

General Intelligence

The British Government has been informed by the British Minister at Constantinople that the Turkish Government has decided to withdraw its fleet from the Black Sea, in consequence of the British Admiral Sir J. F. Y. B. Penrose having received the assurance that the claim of the British fleet to the possession of the Black Sea will be recognized by the Turkish Government, and that the Turkish Government will grant to the British a free right of way through the Black Sea.

The British Government has also been informed by the British Minister at Constantinople that the Turkish Government will grant to the British a free right of way through the Black Sea.
