OCTOBER
MARY AND BAIL LINES.

Sir,—I have been requested to bring the following facts to your attention.

The number of people who have been killed and wounded in the late war is extraordinary. It is said that the number of casualties in one battle alone was over 50,000. The number of people who have been wounded is also enormous. Many of these wounded are in such bad condition that they cannot be sent home.

Yours truly,

Mr. Filmer's Prospects.

Mr. Filmer's prospects for a permanent residence in this country are all favorable. He has already purchased a fine piece of land, and is now planning to build a large house. The climate is very agreeable, and the atmosphere is healthy. The soil is fertile, and he expects to make a fortune in the coming years.

Mrs. Filmer is also very happy. She is a kind and considerate woman, and has always been a source of comfort and joy to her husband. She loves nature, and spends much of her time in the garden, where she grows beautiful flowers and vegetables.

The children are all doing well in school. They are bright and intelligent, and Mrs. Filmer is very proud of them. She is a great supporter of education, and encourages her children to work hard and do well in their studies.

In short, Mr. Filmer and his family are living a comfortable and contented life in this country, and they will no doubt continue to prosper and thrive in the coming years.
