Arrival of the Steamer CANADIAN.
New York, June 12.—The steamship CANADIAN returned from Canada this morning with 2,000 passengers and freight. The steamer was wrecked on the 15th of May, but the passengers were rescued and the freight saved. The steamer was repaired at once and will be ready for service in a short time.

Maritime News.

Electrical Engineer.—The Board of Trade has appointed Mr. J. S. Brown as Electrical Engineer for the city of New York. He has been associated with the Board for many years and is well known for his work.

The new and improved steamship CANADIAN will leave for Canada on June 20th, and will arrive at New York on the 25th. The fare is $100, and the steamer will call at all points on the Great Lakes.

The new and improved steamship CANADIAN will leave for Canada on June 20th, and will arrive at New York on the 25th. The fare is $100, and the steamer will call at all points on the Great Lakes.

Arrival of the Steamer CANADIAN.

The Canadian, Captain Birkett, arrived in town on Monday, being on her first trip from Liverpool to this port. The steamer had a long and eventful voyage behind her, and the passengers on board were all in good health.

Arrival of the Steamer AMERICA.

The American, Captain Smith, arrived in town on Tuesday, being on her first trip from Liverpool to this port. The steamer had a long and eventful voyage behind her, and the passengers on board were all in good health.

PUBLIC SPEAKING.

The Grits held their regular meeting on Monday evening, with a large attendance. The speakers were Mr. A. B. Moore, Mr. J. M. Curry, and Mr. J. L. P. Jenkins.

Death of Mr. W. H. Smith.

Mr. W. H. Smith, one of the most prominent business men of the town, died on Sunday evening. He was a respected and well liked citizen, and his death will be deeply felt by his many friends.

The Canadian and the American.

The Canadian and the American are two of the finest steamers on the North American coast. They are built for speed and efficiency, and are equipped with the latest machinery. The Canadian is a 10,000 ton steamer, and the American is a 12,000 ton steamer.

The Canadian and the American are owned by the Canadian and American Steamship Company, and are operated by Captain Birkett and Captain Smith, respectively.

The Canadian and the American are the pride of the Canadian and American Steamship Company, and are a credit to the company and to the port of town.

The Canadian and the American are always on schedule, and are never late. They are the most reliable steamers on the North American coast, and are a source of great pride to the company and to the port of town.

The Canadian and the American are the best steamers on the North American coast, and are a credit to the company and to the port of town.

ROBERTS, ARK.

November 12, 1862

Mr. Speaker:
The House of Representatives of the State of Arkansas, having been convened at Little Rock, on the 10th day of November, 1862, in pursuance of the call of Governor A. B. Moore, Speaker of the House, and J. L. Curry, President of the Senate, do now assemble in their respective halls;

The following are the resolutions from the Convention held at Pocahontas, Arkansas:

Resolved, That we, the members of the Convention held at Pocahontas, Arkansas, do now meet in convention as a body on the 11th day of November, A.D. 1862, and do hereby adjourn

J. D. STIRLING, Chairman.

Resolution of the Convention of Convention

Resolved, That we, the members of the Convention held at Pocahontas, Arkansas, do now meet in convention as a body on the 11th day of November, A.D. 1862, and do hereby adjourn
