Wonderful W. H. Tap.

A wonderful W. H. Tap, or cornet, has been invented by a Scotch inventor. The instrument is made of a single piece of wood, and is played by blowing into it. It is said to be far superior to any other cornet in the market.

CONTRIBUTIONS.

Mr. P. E. H. and the School.

The Christmas dinner of the Young Men's Association was held at the so-called "P. E. H. School," and the occasion was a success. The entertainment was simple, and the company was large. The principal feature of the evening was a lecture by Mr. P. E. H., in which he spoke on the subject of "The Education of the Working Class." His views were well received, and his address was followed by a hearty vote of thanks.

Boat Accident.

A boat accident occurred on the 10th instant, on the Cooper River. The boat in question was carrying a number of passengers, and was proceeding to the Island. The boat struck a submerged rock, and was entirely wrecked. The loss of life was small, but many were seriously injured.
