The philosophy of advertising is simple. It is that the more people know about your business, the better it will do.}

The philosophy of advertising is simple. It is that the more people know about your business, the better it will do.
“Remember, sir,” said a tavern keeper to a gentleman who was about leaving his house without paying his bill. “How can I serve you better than to insist that if you don’t pay your pence, you shall not leave your house.”
