Commission merchants,
Mr. H. — Who?

Mr. W. — Yes, but it is not the same man. It is a different state that he is in. He is a different person and he is not the same as the man he was before. He has a new name and a new identity.

Mr. H. — Well, what do you mean by being different?

Mr. W. — It means that he has changed his name and his identity. He is no longer Mr. X, he is now Mr. Y.

Mr. H. — That's interesting. Is there anything else that you can say about it?

Mr. W. — That's all I can say. That's all I know.
