New Year's ADDRESS OF THE CARRIER OF THE Jacksonville Republican, FOR THE YEAR 1875.

IN LOVING MEMORY OF THE SANDS, and all of our friends who have left us during the past year, we express our sincere sympathy and extend our best wishes for their happy resurrection. We trust that they have found a better home in the eternal world than they had on earth. We are also indebted to the editor, Mr. J. C. Porter, for his kind offices in the past year, and we hope that he will continue to give us his best efforts in the future.

W.H. ALLING, Editor.

We refer to the correspondent of the Enterprise for the article on the subject of the Select Female School at Phenix City, from which we quote:

"The friends of education in Phenix City have a Select Female School, which is connected with the Phenix Female Institute, and which is supported by the citizens of the town. The school is conducted by the Rev. Mr. Brown, and is under the superintendence of the Board of Trustees of the Phenix Female Institute. The school is well equipped, and has a good reputation for the instruction given. The textbooks used are the best, and the teachers are well qualified. The school is open to all, without regard to color or creed.

"The friends of education in Phenix City are to be congratulated on the establishment of this Select Female School, and are doing all in their power to support and promote its growth.

"The Select Female School is an institution that will do much good in the community, and will be an excellent preparation for the girls who wish to enter higher education. We commend the efforts of the friends of education in Phenix City, and wish them every success in the future."
