THE WOODY STOCK IRON COMPANY

HAVE equipped the best MERCHANDISE MILLS in the South, and have in stock one of the most: 1 advantageous Yarns in the whole country. Customers will find it greatly to their advantage in purchasing the right machinery. The most prominent is the drill that will card the yarn very large and FLAT, making the yarn a maniw stock. Woolen spinning yarns will have every quality about them for having their yarn smooth, twisted, and tightly wound. Anniston, Jan. 28, 1874.
