SOUTHERN NEWS.

MEMPHIS, TENN., Monday, November 10, 1876.

THE NEW TRIBUNE.

The Planters' Association of Mississippi, meeting at Vicksburg, has elected as its new president a gentleman named Dr. J. W. Mays. Mr. Mays is a prominent citizen of Vicksburg, and is known to be a zealous advocate of the interests of the planter class. He has been a member of the association for many years, and is well beloved for his untiring efforts to promote the welfare of the Southern laboring man.

PHILADELPHIA LETTER.

The price of cotton has remained steady during the past week, and the demand for the staple is said to be strong. The merchants report that the crop is not likely to be deficient this year, and that the price of cotton will not be unduly influenced by any sudden change in the market. The weather during the past month has been favorable for the growth of the crop, and the prospects for the future are good.

GRAVE AND GAL.

Jessa of Arkansas was very longlived but very kind. She was a friend to them all. The little girl who died in the factory was her daughter. She was laid to rest in the family burying ground.

The new school building is now being erected. The ground was broken on Monday, and the work is progressing well. The school will be open for business in a few weeks.

The weather during the past week has been very favorable for the growth of the crops. The rain has come at the right time, and the crops are now in beautiful condition.

The new railroad connection between the city and the port is now in operation. The train runs every day, and is well received by the people. The trip is short, and the fare is very reasonable.

The new hotel, which is being built on the corner of Main and Exchange streets, is now ready for occupation. The building is of the best materials, and is well designed.

The new hospital, which is being built on the outskirts of the city, is now in the advanced stages of construction. The building is of the best materials, and is well designed.

The new bank, which is being built on the corner of Main and Exchange streets, is now in the advanced stages of construction. The building is of the best materials, and is well designed.

The new library, which is being built on the corner of Main and Exchange streets, is now in the advanced stages of construction. The building is of the best materials, and is well designed.

The new post office, which is being built on the corner of Main and Exchange streets, is now in the advanced stages of construction. The building is of the best materials, and is well designed.

The new courthouse, which is being built on the corner of Main and Exchange streets, is now in the advanced stages of construction. The building is of the best materials, and is well designed.
