THE PATCH</wkbx:translate>
The Jacksonville Republican

To the terminally ill in a hospital in Jacksonville, a man brought a bucket of plain food for sale.

Through the darkness, a man in a suit walked into a room.

With the exception of the man in the suit, there were few people in the room.

The man in the suit was holding a bucket of plain food.

The room was dimly lit, and only the man in the suit could be seen.

The man in the suit turned around and walked away.
