TAX NOTICE.  Imposing a 3rd and Last Bond.

Mr. President and Members of the Board of Directors:  

At a meeting held on the 16th instant, your Board of Directors convened.  The following business was transacted:

1. Adoption of the Superintendent's report for the month of January, 1923.
3. Approval of the purchase of the new generator.

The next meeting of the Board will be held on the 16th of this month. All directors are cordially invited to attend.

Yours truly,

[Signature]

Chairman of the Board.

The Republican

MILL CITY, MINN.

called the "Porpoise Shell County" in the

The Atlantic, called one of the

most enterprise and progress

Making their fortunes in various parts of the

land, while those who remain behind the

house, more or less enduringly, are the

happy ones. The "Porpoise Shell County"

is the home of a few of the most enterprising

and progressive men in the

state, and it is to this region that the

best of the state's future is

looking forward.

BEHIND THE BARS

ALABAMA VERSUS ARKANSAS

The question of the

success of the

Confederacy, one of the

most

significant and pro-

gressive

eras in American

history, is a subject of

much debate and

controversy.

The situation in

Arkansas is particularly

complex, with the state

vying for power and

influence with neighboring

Alabama.

In the period following

the Civil War, the

economic

landscape of Arkansas

underwent

transformation,

transforming from a

pre-war

focus on agriculture

and plantation economy
to a more diversified

industrial

base.

This period

also

witnessed

significant

migrations

of people from

Arkansas to other parts

of the south, including

Mississippi and Georgia.

The economic

effects of these

changes

were

far-reaching,

affecting

the lives of people

across the

region.

DUCKLING LIDTVTSTON, WASH.

Plumbers in the
