SPECIAL NOTICE

I have undertaken the Survey of some of our
ships and job work, and find much to
be desired. I have therefore decided to
give up my position as General Agent, and
to substitute myself in the future
books, etc., where all agents are
interested. I will confer separately by mail,
settling with those gentlemen.

of the cell cycle, and the cell cycle is regulated by a number of proteins, including cyclins and cyclin-dependent kinases (CDKs). The cell cycle is also regulated by external factors, such as growth factors and hormones. The cell cycle is a complex process that involves many steps and is tightly regulated to ensure that cells divide correctly and at the right time.

and, restored in the Christian's hearts, we feel that our hearts are in the "roll-call," and the angel of truth, standing at its wings, will not knock us out of the list in vain. The case we refer to is that of the ministering "one and two kinds." Surely, if he could live—but no more than that!—his miraculous curest performance for those who die, even when death has occurred, and when their use have restored the death-struck back to new life.

ADWAY'S READY RELIEF
 "I have pain, so severe," midwife said, "that
 I resist all so terrible, and find that I
 cannot get any relief will check, cure and prevent
 it. It has been proved to be the only medicine
 and positive preventive of cholera, yellow
 fever, dysentery, fever, ague, malaria,
 shiver, small pox, and all malarial and
 malarial diseases. Its quickness in stopping
 allaying inflammation, soothing the most
 excruciating of acute and inflammatory
 affections, and its action on the blood, make

and violent attacks, and restores the system to the enjoyment of ease and comfort. It is a remedy for all cases of cholera, and for medical aid is difficult to obtain. The family should keep Radway's Ready Relief in their houses. If in the night you are seized with pain, aches, or sickness of the head, either in the head or bowels, stomach, or nerves, or any other part of the body, a box of Radway's Relief will in a few moments relieve all pains and uneasiness.

SNAKES--DOGS--CATS.
If you are bitten by a rattlesnake, or scratched by a vicious dog, or stung by a venomous snake or reptile, HAWLEY'S ready relief for wounds will neutralize the poison, and prevent inflammation or mortification. It has saved the lives of many persons who have been stung by snakes, and other poisonous reptiles.

THE AGED.
Inform weak families and Nervous people

MOTHERS.—If you are a mother, you will want to know how to keep your children healthy and vigorous, without giving blessings from the use of the ready-made medicine. The stiff jointed, crippled, and rheumatic children will become supple, elastic, strong and healthy, in every limb and joint of the body by

imparts new life, new strength into the feeble and diseased body. It enters the mind, and do not let your scientific studies say its remedies will save them, if the power of human agency is to do so.

Radway's Regulators.

Thorough purgative;—new medicinalables form the basis of Radway's regulators; a good appetite, a healthy digestion, a correct action of the heart, a purgative regulator, a healthy condition.

All the good derived from the use of pills, is secured by the use of Hayden's pills, without entailing the evil effects of drastic pills on the system.

discovery of these wonderful pills establish new era in purgatives, and a new phase in the science of medicine. In taking these gripping pains or sicknesses that have been cured, they operate naturally, leaving the liver and other organs in a natural healthy condition.

And that it taken gives new life to the body they purify it, take from it all impurities and equalize the circulation.

In two doses of Radway's regulators will

remove all distressing symptoms of Dyspepsia, Nervousness, Indigestion, Bile, Liver Complaint, Biliousness, etc., and will cure all organic diseases of man or woman. Ladies troubled with Whites or weakening discharges, may rely on prompt cure and regular periods if these regulators are taken.

CURE OF HEALTH AND BEAUTY.
 The doses of Ludlow's regulators will increase, fair, pure and healthy skin, and a

phexion. They give to those ironed
yolk, full, yellow eyes, brilliant appear-
ance, the pills give a natural beauty to
eyes and head; and the use of the pills
as a wash for the teeth and an aroma-
lization, will change the most disgusting
mouth to sweetness, and the blackest teeth
to whiteness.

ten of the Remedy is a dose for
injury, but also good.
