**POETRY.**  
Kind Hearts,  
And I care not for the face;  
I heed not that the form may want  
Pride, dignity or grace.

**POETRY.**  
What though the cheek be beautiful—  
It soon must lose its bloom;  
The eye's bright lustre soon will fade  
In the dark and silent tomb;

**POETRY.**  
The lips that utter gentle words  
Here a beauty all their own,  
And more I prize a kindly voice  
Than music's sweetest tone;

Our city experienced an earthquake

before, we believe, for fifty years.
